TITLE 38—UNITED STATES CODE

FOREWORD

This publication contains the text of title 38, United States Code, "Veterans Benefits." Title 38 is the organic law for the Department of Veterans Affairs and for veterans' benefits administered by the Secretary of Veterans Affairs. It includes the charter for the United States Court of Veterans Appeals and certain veterans' benefits ad-

ministered by the Secretary of Labor.

This publication also has replaced the previous edition's appendix with a new section, Related Provisions of Law, consisting of pertinent laws relating to veterans' benefits. The new section continues to include laws such as the Soldiers' and Sailors' Civil Relief Act of 1940 and the Education Assistance for Members of the Selected Reserve (Montgomery GI Bill). New material includes Expanded Sharing Between Department of Veterans Affairs and Department of Defense, Specialized Mental Health Services, Pilot Programs Relating to Long-Term Care and the Study of Post Traumatic Stress Disorder in Vietnam. The order of laws excerpted in the Related Provisions of Law is now grouped by subject to make information easier to find.

The title 38, United States Code, committee print, which was first issued on September 15, 1958, is current through the end of the first session of the 107th Congress and Public Law 107–135, enacted on January 23, 2002. The Office of the Legislative Counsel of the House of Representatives, as well as the staffs of the Committee on Veterans' Affairs of the House of Representatives and the United States Senate provided invaluable assistance and guidance in the preparation of this publication. The staff of the General Counsel of the Department of Veterans Affairs reviewed proofs of this publication and made suggestions for improvement. Tables prepared by the Office of the Law Revision Counsel were also very useful in the preparation of this publication. The committees appreciate the assistance rendered by these staffs and offices. This publication would not have been possible without them. We invite comments and corrections from the users of this publication to ensure it continues to be useful for its readers.

Christopher H. Smith Chairman, Committee on Veterans' Affairs, House of Representatives

JOHN D. ROCKEFELLER IV Chairman, Committee on Veterans' Affairs, United States Senate For changes after the closing date of this publication (May 15, 2002) to any provision of title 38, United States Code, or to any provision of law in the Related Provisions of Law section of this publication that has a U.S. Code section number, see the United States Code Classification Tables published by the Office of the Law Revision Counsel of the House of Representatives at http://uscode.house.gov/uscct.htm.

§ 109. Benefits for discharged members of allied forces

(a)(1) In consideration of reciprocal services extended to the United States, the Secretary, upon request of the proper officials of the government of any nation allied or associated with the United States in World War I (except any nation which was an enemy of the United States during World War II), or in World War II, may furnish to discharged members of the armed forces of such government, under agreements requiring reimbursement in cash of expenses so incurred, at such rates and under such regulations as the Secretary may prescribe, medical, surgical, and dental treatment, hospital care, transportation and traveling expenses, prosthetic appliances, education, training, or similar benefits authorized by the laws of such nation for its veterans, and services required in extending such benefits. Hospitalization in a Department facility shall not be afforded under this section, except in emergencies, unless there are available beds surplus to the needs of veterans of this country. (2) The Secretary, in carrying out the provisions of this subsection, may contract for necessary services in private, State, and other Government hospitals.

No such benefit shall be extended to any person who is not a resident of the United States at the time of filing claim, or to any person who has applied for and received the same or any similar benefit from the government in whose armed forces such person served.
- (c)(1) Any person who served during World War I or World War II as a member of any armed force of the Government of Czechoslovakia or Poland and participated while so serving in armed conflict with an enemy of the United States and has been a citizen of the United States for at least ten years shall, by virtue of such service, and upon satisfactory evidence thereof, be entitled to hospital and domiciliary care and medical services within the United States under chapter 17 of this title to the same extent as if such service had been performed in the Armed Forces of the United States unless such person is entitled to, or would, upon application thereof, be entitled to, payment for equivalent care and services under a program established by the foreign government concerned for persons who served in its armed forces in World War I or World War II.
- (2) In order to assist the Secretary in making a determination of proper service eligibility under this subsection, each applicant for the benefits thereof shall furnish an authenticated certification from the French Ministry of Defense or the British War Office as to records in either such Office which clearly indicate military service of the applicant in the Czechoslovakian or Polish armed forces and subsequent service in or with the armed forces of France or Great Britain during the period of World War I or World War II. §111. Payments or allowances for beneficiary travel

(a) Under regulations prescribed by the President pursuant to the provisions of this section, the Secretary may pay the actual necessary expense of travel (including lodging and subsistence), or in lieu thereof an allowance based upon mileage traveled, of any person to or from a Department facility or other place in connection with vocational rehabilitation, counseling required by the Secretary pursuant to chapter 34 or 35 of this title, or for the purpose of examination, treatment, or care. In addition to the mileage allowance authorized by this section, there may be allowed reimbursement for the actual cost of ferry fares, and bridge, road, and tunnel tolls.

(b)(1) Except as provided in subsection (c) of this section and notwithstanding subsection (g)(2)(A) of this section or any other provision of law, if, with respect to any fiscal year, the Secretary exercises the authority under this section to make any payments, the Secretary shall make the payments provided for in this section to or for the following persons for travel during such fiscal year for examination, treatment, or care for which the person is eligible:

(A) A veteran or other person whose travel is in connection with treatment or care for a service-connected disability.

(B) A veteran with a service-connected disability rated at 30 percent or more.

(C) A veteran receiving pension under section 1521 of this title.

(D) A veteran (i) whose annual income (as determined under section 1503 of this title) does not exceed the maximum annual rate of pension which would be payable to such veteran if such veteran were eligible for pension under section 1521 of this title, or (ii) who is determined, under regulations prescribed by the Secretary, to be unable to defray the expenses of the travel for which payment under this section is claimed.

(E) Subject to paragraph (3) of this subsection, a veteran or other person whose travel to or from a Department facility is medically required to be performed by a special mode of travel and who is determined under such regulations to be unable to defray the expenses of the travel for which payment under this section is claimed.

(F) A veteran whose travel to a Department facility is incident to a scheduled compensation and pension examination.

(2) The Secretary may make payments provided for in this section to or for any person not covered by paragraph (1) of this subsection for travel by such person for examination, treatment, or care. Such payments shall be made in accordance with regulations which the Secretary shall prescribe.

(3)(A) Except as provided in subparagraph (B) of this paragraph, the Secretary shall not make payments under this section for travel performed by a special mode of travel unless (i) the travel by

such mode is medically required and is authorized by the Secretary before the travel begins, or (ii) the travel by such mode is in connection with a medical emergency of such a nature that the delay incident to obtaining authorization from the Secretary to use that mode of travel would have been hazardous to the person's life or

(B) In the case of travel by a person to or from a Department facility by special mode of travel, the Secretary may provide payment under this section to the provider of the transportation by special mode before determining the eligibility of such person for such payment if the Secretary determines that providing such payment is in the best interest of furnishing care and services. Such a payment shall be made subject to subsequently recovering from such person the amount of the payment if such person is determined to have been ineligible for payment for such travel.

(c)(1) Except as otherwise provided in this subsection, the Secretary, in making a payment under this section to or for a person described in subparagraph (A), (B), (C), or (D) of subsection (b)(1) of this section for travel for examination, treatment, or care, shall deduct from the amount otherwise payable an amount equal to \$3

for each one-way trip.

(2) In the case of a person who is determined by the Secretary to be a person who is required to make six or more one-way trips for needed examination, treatment, or care during the remainder of the calendar month in which the determination is made or during any subsequent calendar month during the one-year period following the last day of the month in which the determination is made, the amount deducted by the Secretary pursuant to paragraph (1) of this subsection from payments for trips made to or from such facility during any such month shall not, except as provided in paragraph (5) of this subsection, exceed \$18.

(3) No deduction shall be made pursuant to paragraph (1) of this subsection in the case of a person whose travel to or from a Department facility is performed by a special mode of travel for which payment under this section is authorized under subsection (b)(3) of

this section.

(4) The Secretary may waive the deduction requirement of paragraph (1) of this subsection in the case of the travel of any veteran for whom the imposition of the deduction would cause severe financial hardship. The Secretary shall prescribe in regulations the conditions under which a finding of severe financial hardship is war-

ranted for purposes of this paragraph.

(5) Whenever the Secretary increases or decreases the rates of allowances or reimbursement to be paid under this section, the Secretary shall, effective on the date on which such increase or decrease takes effect, adjust proportionately the dollar amounts specified in paragraphs (1) and (2) of this subsection as such amounts may have been increased or decreased pursuant to this paragraph before such date.

(d) Payment of the following expenses or allowances in connection with vocational rehabilitation, counseling, or upon termination of examination, treatment, or care, may be made before the comple-

- (1) The mileage allowance authorized by subsection (a) of this section.
 - (2) Actual local travel expenses.

(3) The expense of hiring an automobile or ambulance, or the fee authorized for the services of a nonemployee attendant.

(e) When any person entitled to mileage under this section requires an attendant (other than an employee of the Department) in order to perform such travel, the attendant may be allowed expenses of travel upon the same basis as such person.

(f) The Secretary may provide for the purchase of printed reduced-fare requests for use by veterans and their authorized attendants when traveling at their own expense to or from any De-

partment facility.

- (g)(1) In carrying out the purposes of this section, the Secretary, in consultation with the Administrator of General Services, the Secretary of Transportation, the Comptroller General of the United States, and representatives of organizations of veterans, shall conduct periodic investigations of the actual cost of travel (including lodging and subsistence) to beneficiaries while traveling to or from a Department facility or other place pursuant to the provisions of this section, and the estimated cost of alternative modes of travel, including public transportation and the operation of privately owned vehicles. The Secretary shall conduct such investigations immediately following any alteration in the rates described in paragraph (3)(C) of this subsection, and, in any event, immediately following the enactment of this subsection and not less often than annually thereafter, and based thereon, shall determine rates of allowances or reimbursement to be paid under this section.
 - (2) In no event shall payment be provided under this section— (A) unless the person claiming reimbursement has been determined, pursuant to regulations which the Secretary shall prescribe, to be unable to defray the expenses of such travel (except with respect to a person receiving benefits for or in connection with a service-connected disability under this title, a veteran receiving or eligible to receive pension under section 1521 of this title, or a person whose annual income, determined in accordance with section 1503 of this title, does not exceed the maximum annual rate of pension which would be pay-

able to such person if such person were eligible for pension under section 1521 of this title); (B) to reimburse for the cost of travel by privately owned ve-

hicle in any amount in excess of the cost of such travel by public transportation unless (i) public transportation is not reasonably accessible or would be medically inadvisable, or (ii) the cost of such travel is not greater than the cost of public transportation; and

(C) in excess of the actual expense incurred by such person

as certified in writing by such person.

- (3) In conducting investigations and determining rates under this section, the Secretary shall review and analyze, among other factors, the following factors:

(ii) gasoline and oil costs;

(iii) maintenance, accessories, parts, and tire costs;

- (iv) insurance costs; and
- (v) State and Federal taxes.

- (4) Before determining rates or adjusting amounts under this section and not later than sixty days after any alteration in the rates described in paragraph (3)(C) of this subsection, the Secretary shall submit to the Committees on Veterans' Affairs of the House of Representatives and the Senate a report containing the rates and amounts the Secretary proposes to establish or continue with a full justification therefor in terms of each of the limitations and factors set forth in this section.
- (h) The Secretary, in consultation and coordination with the Secretary of Transportation and appropriate representatives of veterans' service organizations, shall take all appropriate steps to facilitate the establishment and maintenance of a program under which such organizations, or individuals who are volunteering their services to the Department, would take responsibility for the transportation, without reimbursement from the Department, to Department facilities of veterans (primarily those residing in areas which are geographically accessible to such facilities) who seek services or benefits from the Department under chapter 17 or other provisions of this title

§112. Presidential memorial certificate program

(a) At the request of the President the Secretary may conduct a program for honoring the memory of deceased veterans, discharged under honorable conditions, by preparing and sending to eligible recipients a certificate bearing the signature of the President and expressing the country's grateful recognition of the veteran's service in the Armed Forces. The award of a certificate to one eligible recipient will not preclude authorization of another certificate if a request is received from some other eligible recipient.

(b) For the purpose of this section an "eligible recipient" means the next of kin, a relative or friend upon request, or an authorized service representative acting on behalf of such relative or friend.

- (c)(1) A benefit under section 2301, 2302, 2303, 2306, or 2308 of this title that is subject to reduction under a sequestration order or sequestration law shall be paid in accordance with the rates determined under the sequestration order or law (if any) in effect on the date of the death of the veteran concerned.
- (2) A benefit paid to, or on behalf of, an eligible veteran for pursuit of a program of education or training under chapter 30, 31, 34, 35, or 36 of this title that is subject to a sequestration order or a sequestration law shall be paid in accordance with the rates deter-

mined under the sequestration order or law (if any) in effect during the period of education or training for which the benefit is paid.

- (3) In implementation of a sequestration order or law with respect to each account from which a benefit described in paragraph (1) or (2) of this subsection is paid (including the making of determinations of the amounts by which such benefits are to be reduced), the total of the amounts (as estimated by the Secretary after consultation with the Director of the Congressional Budget Office) by which payments of such benefit will be reduced by reason of such paragraph after the last day of the period during which such order or law is in effect shall be deemed to be additional reductions in the payments of such benefit made, and in new budget authority for such payments, during such period.

§114. Multiyear procurement

- (a) The Secretary may enter into a multiyear contract for the procurement of supplies or services if the Secretary makes each of the following determinations:
 - (1) Appropriations are available for obligations that are necessary for total payments that would be required during the fiscal year in which the contract is entered into, plus the estimated amount of any cancellation charge payable under the contract.

- (2) The contract is in the best interest of the United States by reason of the effect that use of a multiyear, rather than oneyear, contract would have in-
 - (A) reducing costs;

(B) achieving economies in contract administration or in any other Department activities;

(C) increasing quality of performance by or service from

the contractors; or

(D) encouraging effective competition.

(3) During the proposed contract period-

(A) there will be a continuing or recurring need for the

supplies or services being procured;

(B) there is not a substantial likelihood of substantial changes in the need for such supplies or services in terms of the total quantity of such supplies or services or of the rate of delivery of such supplies or services; and

(C) the specifications for the supplies or services are ex-

pected to be reasonably stable.

(4) The risks relating to the prospective contractor's ability to perform in accordance with the specifications and other terms of the contract are not excessive.

(5) The use of a multiyear contract will not inhibit small business concerns in competing for the contract.

- (6) In the case of the procurement of a pharmaceutical item for which a patent has expired less than four years before the date on which the solicitation of offers is issued, there is no substantial likelihood that increased competition among potential contractors would occur during the term of the contract as the result of the availability of generic equivalents increasing during the term of the contract.
- (b)(1) A multiyear contract authorized by this section shall contain-
 - (A) a provision that the obligation of the United States under the contract during any fiscal year which is included in the contract period and is subsequent to the fiscal year during which the contract is entered into is contingent on the availability of sufficient appropriations (as determined by the Secretary pursuant to paragraph (2)(A) of this subsection) if, at the time the contract is entered into, appropriations are not available to cover the total estimated payments that will be required during the full term of the contract; and

(B) notwithstanding section 1502(a) of title 31, a provision for the payment of reasonable cancellation charges to compensate the contractor for nonrecurring, unrecovered costs, if any, if the performance is cancelled pursuant to the provision

required by subparagraph (A) of this paragraph.

(2)(A) If, during a fiscal year after the fiscal year during which a multiyear contract is entered into under this section, the Secretary determines that, in light of other funding needs involved in the operation of Department programs, the amount of funds appropriated for such subsequent fiscal year is not sufficient for such contract, the Secretary shall cancel such contract pursuant to the provisions required by paragraph (1)(A) of this subsection.

(B) Cancellation charges under a multiyear contract shall be paid from the appropriated funds which were originally available for performance of the contract or the payment of cancellation costs unless such funds are not available in an amount sufficient to pay the entire amount of the cancellation charges payable under the contract. In a case in which such funds are not available in such amount, funds available for the procurement of supplies and services for use for the same purposes as the supplies or services procured through such contract shall be used to the extent necessary to pay such cost.

(c) Nothing in this section shall be construed so as to restrict the Secretary's exercise of the right to terminate for convenience a contract under any other provision of law which authorizes multiyear

contracting.

(d) The Secretary shall prescribe regulations for the implementation of this section.

(e) For the purposes of this section:

(1) The term "appropriations" has the meaning given that term in section 1511 of title 31.

- (2) The term "multiyear contract" means a contract which by its term is to remain in effect for a period which extends beyond the end of the fiscal year during which the contract is entered into but not beyond the end of the fourth fiscal year following such fiscal year. Such term does not include a contract for construction or for a lease of real property.
- (3) The term "nonrecurring, unrecovered costs" means those costs reasonably incurred by the contractor in performing a multiyear contract which (as determined under regulations prescribed under subsection (d) of this section) are generally incurred on a one-time basis.

(Added P.L. 100–322, § 404(a), May 20, 1988, 102 Stat. 545; amended P.L. 101–237, § 601(a), (b)(1), Dec. 18, 1989, 103 Stat. 2094; P.L. 102–83, § 4(a)(3), (4), (b)(1), (2)(E), Aug. 6, 1991, 105 Stat. 404, 405.)

§115. Acquisition of real property

For the purposes of sections 314, 315, 316, and 2406 of this title and subchapter I of chapter 81 of this title, the Secretary may acquire and use real property—

(1) before title to the property is approved under section 355

of the Revised Statutes (40 U.S.C. 255); and

(2) even though the property will be held in other than a fee simple interest in a case in which the Secretary determines that the interest to be acquired is sufficient for the purposes of the intended use.

(Added P.L. 102–86, \$402(a), Aug. 14, 1991, 105 Stat. 422; amended P.L. 102–83, \$5(c)(1), Aug. 6, 1991, 105 Stat. 406; P.L. 103–446, \$1201(d)(1), Nov. 2, 1994, 108 Stat. 4684.)

§116. Reports to Congress: cost information

Whenever the Secretary submits to Congress, or any committee of Congress, a report that is required by law or by a joint explanatory statement of a committee of conference of the Congress, the Secretary shall include with the report—

(1) a statement of the cost of preparing the report; and

(2) a brief explanation of the methodology used in preparing that cost statement.

§1116. Presumptions of service connection for diseases associated with exposure to certain herbicide agents; presumption of exposure for veterans who served in the Republic of Vietnam

(a)(1) For the purposes of section 1110 of this title, and subject to section 1113 of this title-

(A) a disease specified in paragraph (2) of this subsection becoming manifest as specified in that paragraph in a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January

9, 1962, and ending on May 7, 1975; and

(B) each additional disease (if any) that (i) the Secretary determines in regulations prescribed under this section warrants a presumption of service-connection by reason of having positive association with exposure to an herbicide agent, and (ii) becomes manifest within the period (if any) prescribed in such regulations in a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, era and while so serving was exposed to that herbicide agent,

shall be considered to have been incurred in or aggravated by such service, notwithstanding that there is no record of evidence of such disease during the period of such service.

(2) The diseases referred to in paragraph (1)(A) of this subsection are the following:

(A) Non-Hodgkin's lymphoma becoming manifest to a degree of disability of 10 percent or more.

(B) Each soft-tissue sarcoma becoming manifest to a degree of disability of 10 percent or more other than osteosarcoma,

chondrosarcoma, Kaposi's sarcoma, or mesothelioma.

(C) Chloracne or another acneform disease consistent with chloracne becoming manifest to a degree of disability of 10 percent or more within one year after the last date on which the veteran performed active military, naval, or air service in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

(D) Hodgkin's disease becoming manifest to a degree of dis-

ability of 10 percent or more.

(E) Porphyria cutanea tarda becoming manifest to a degree of disability of 10 percent or more within a year after the last date on which the veteran performed active military, naval, or air service in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

(F) Respiratory cancers (cancer of the lung, bronchus, larynx, or trachea) becoming manifest to a degree of disability of 10

percent or more.

 $\left(G\right)$ Multiple myeloma becoming manifest to a degree of disability of 10 percent or more.

(H) Diabetes Mellitus (Type 2).

(3) For purposes of this section, the term "herbicide agent" means a chemical in an herbicide used in support of the United States and allied military operations in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

- (b)(1) Whenever the Secretary determines, on the basis of sound medical and scientific evidence, that a positive association exists between (A) the exposure of humans to an herbicide agent, and (B) the occurrence of a disease in humans, the Secretary shall prescribe regulations providing that a presumption of service connection is warranted for that disease for the purposes of this section.
- (2) In making determinations for the purpose of this subsection, the Secretary shall take into account (A) reports received by the Secretary from the National Academy of Sciences under section 3 of the Agent Orange Act of 1991, and (B) all other sound medical and scientific information and analyses available to the Secretary. In evaluating any study for the purpose of making such determinations, the Secretary shall take into consideration whether the results are statistically significant, are capable of replication, and withstand peer review.
- (3) An association between the occurrence of a disease in humans and exposure to an herbicide agent shall be considered to be positive for the purposes of this section if the credible evidence for the association is equal to or outweighs the credible evidence against the association.
- (c)(1)(A) Not later than 60 days after the date on which the Secretary receives a report from the National Academy of Sciences under section 3 of the Agent Orange Act of 1991, the Secretary shall determine whether a presumption of service connection is warranted for each disease covered by the report. If the Secretary determines that such a presumption is warranted, the Secretary, not later than 60 days after making the determination, shall issue proposed regulations setting forth the Secretary's determination.
- (B) If the Secretary determines that a presumption of service connection is not warranted, the Secretary, not later than 60 days after making the determination, shall publish in the Federal Register a notice of that determination. The notice shall include an explanation of the scientific basis for that determination. If the disease already is included in regulations providing for a presumption of service connection, the Secretary, not later than 60 days after publication of the notice of a determination that the presumption is not warranted, shall issue proposed regulations removing the presumption for the disease.
- (2) Not later than 90 days after the date on which the Secretary issues any proposed regulations under this subsection, the Secretary shall issue final regulations. Such regulations shall be effective on the date of issuance.
- (d) Whenever a disease is removed from regulations prescribed under this section—
 - (1) a veteran who was awarded compensation for such disease on the basis of the presumption provided in subsection (a)

before the effective date of the removal shall continue to be entitled to receive compensation on that basis; and

(2) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from such disease on the basis of such presumption shall continue to be entitled to receive dependency and indemnity compensation on such basis.

(e) Subsections (b) through (d) shall cease to be effective on

September 30, 2015.

(f) For purposes of establishing service connection for a disability or death resulting from exposure to a herbicide agent, including a presumption of service-connection under this section, a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, shall be presumed to have been exposed during such service to an herbicide agent containing dioxin or 2,4-dichlorophenoxyacetic acid, and may be presumed to have been exposed during such service to any other chemical compound in an herbicide agent, unless there is affirmative evidence to establish that the veteran was not exposed to any such agent during that service.

§1117. Compensation for disabilities occurring in Persian Gulf War veterans

(a)(1) The Secretary may pay compensation under this subchapter to a Persian Gulf veteran with a qualifying chronic disability that became manifest-

(A) during service on active duty in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf

(B) A medically unexplained chronic multisymptom illness (such as chronic fatigue syndrome, fibromyalgia, and irritable bowel syndrome) that is defined by a cluster of signs or symptoms.

(C) Any diagnosed illness that the Secretary determines in regulations prescribed under subsection (d) warrants a presumption of service-connection.

(b) The Secretary shall prescribe by regulation the period of time following service in the Southwest Asia theater of operations during the Persian Gulf War that the Secretary determines is appropriate for presumption of service connection for purposes of this section. The Secretary's determination of such period of time shall be made following a review of any available credible medical or scientific evidence and the historical treatment afforded disabilities for which manifestation periods have been established and shall take into account other pertinent circumstances regarding the experiences of veterans of the Persian Gulf War.

(c)(1) Whenever the Secretary determines under section 1118(c) of this title that a presumption of service connection previously es-

tablished under this section is no longer warranted—

(A) a veteran who was awarded compensation under this section on the basis of the presumption shall continue to be entitled to receive compensation under this section on that basis; and

(B) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from the disease on the basis of the presumption before that date shall continue to be entitled to receive dependency and indemnity compensation on that basis.

(2) This subsection shall cease to be effective on September 30,

(9) Sleep disturbances.

- (10) Gastrointestinal signs or symptoms.
- (11) Cardiovascular signs or symptoms.
- (12) Abnormal weight loss.
- (13) Menstrual disorders.

(h)(1) If the Secretary determines with respect to a medical research project sponsored by the Department that it is necessary for the conduct of the project that Persian Gulf veterans in receipt of compensation under this section or section 1118 of this title participate in the project without the possibility of loss of service connection under either such section, the Secretary shall provide that service connection granted under either such section for disability of a veteran who participated in the research project may not be terminated. Except as provided in paragraph (2), nothwithstanding any other provision of law any grant of service-connection protected under this subsection shall remain service-connected for purposes of all provisions of law under this title.

(2) Paragraph (1) does not apply in a case in which—
(A) the original award of compensation or service connection was based on fraud; or

(B) it is clearly shown from military records that the person concerned did not have the requisite service or character of dis-

(a)(1) For purposes of section 1110 of this title, and subject to section 1113 of this title, each illness, if any, described in paragraph (2) shall be considered to have been incurred in or aggravated by service referred to in that paragraph, notwithstanding that there is no record of evidence of such illness during the period of such service.

(2) An illness referred to in paragraph (1) is any diagnosed or undiagnosed illness that-

(A) the Secretary determines in regulations prescribed under this section to warrant a presumption of service connection by reason of having a positive association with exposure to a biological, chemical, or other toxic agent, environmental or wartime hazard, or preventive medicine or vaccine known or presumed to be associated with service in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War; and

(B) becomes manifest within the period, if any, prescribed in such regulations in a veteran who served on active duty in that theater of operations during that war and by reason of such service was exposed to such agent, hazard, or medicine or vac-

(3) For purposes of this subsection, a veteran who served on active duty in the Southwest Asia theater of operations during the Persian Gulf War and has an illness described in paragraph (2) shall be presumed to have been exposed by reason of such service to the agent, hazard, or medicine or vaccine associated with the illness in the regulations prescribed under this section unless there is conclusive evidence to establish that the veteran was not exposed to the agent, hazard, or medicine or vaccine by reason of such service.

(4) For purposes of this section, signs or symptoms that may be a manifestation of an undiagnosed illness include the signs and

symptoms listed in section 1117(g) of this title.

(b)(1)(A) Whenever the Secretary makes a determination described in subparagraph (B), the Secretary shall prescribe regulations providing that a presumption of service connection is warranted for the illness covered by that determination for purposes of this section.

(B) A determination referred to in subparagraph (A) is a determination based on sound medical and scientific evidence that a

positive association exists between—

(i) the exposure of humans or animals to a biological, chemical, or other toxic agent, environmental or wartime hazard, or preventive medicine or vaccine known or presumed to be associated with service in the Southwest Asia theater of operations during the Persian Gulf War; and

(ii) the occurrence of a diagnosed or undiagnosed illness in

humans or animals.

- (c)(1) Not later than 60 days after the date on which the Secretary receives a report from the National Academy of Sciences under section 1603 of the Persian Gulf War Veterans Act of 1998, the Secretary shall determine whether or not a presumption of service connection is warranted for each illness, if any, covered by the report.

(2) If the Secretary determines under this subsection that a presumption of service connection is warranted, the Secretary shall, not later than 60 days after making the determination, issue proposed regulations setting forth the Secretary's determination.

(3)(A) If the Secretary determines under this subsection that a presumption of service connection is not warranted, the Secretary shall, not later than 60 days after making the determination, publish in the Federal Register a notice of the determination. The no-

tice shall include an explanation of the scientific basis for the determination.

(B) If an illness already presumed to be service connected under this section is subject to a determination under subparagraph (A), the Secretary shall, not later than 60 days after publication of the notice under that subparagraph, issue proposed regulations removing the presumption of service connection for the illness.

(4) Not later than 90 days after the date on which the Secretary issues any proposed regulations under this subsection, the Secretary shall issue final regulations. Such regulations shall be effec-

tive on the date of issuance.

(d) Whenever the presumption of service connection for an illness under this section is removed under subsection (c)—

- (1) a veteran who was awarded compensation for the illness on the basis of the presumption before the effective date of the removal of the presumption shall continue to be entitled to receive compensation on that basis; and
- (2) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from the illness on the basis of the presumption before that date shall continue to be entitled to receive dependency and indemnity compensation on that basis.

SUBCHAPTER VI—GENERAL COMPENSATION PROVISIONS

§ 1151. Benefits for persons disabled by treatment or vocational rehabilitation

- (a) Compensation under this chapter and dependency and indemnity compensation under chapter 13 of this title shall be awarded for a qualifying additional disability or a qualifying death of a veteran in the same manner as if such additional disability or death were service-connected. For purposes of this section, a disability or death is a qualifying additional disability or qualifying death if the disability or death was not the result of the veteran's willful misconduct and—
 - (1) the disability or death was caused by hospital care, medical or surgical treatment, or examination furnished the veteran under any law administered by the Secretary, either by a Department employee or in a Department facility as defined in section 1701(3)(A) of this title, and the proximate cause of the disability or death was—
 - (A) carelessness, negligence, lack of proper skill, error in judgment, or similar instance of fault on the part of the Department in furnishing the hospital care, medical or surgical treatment, or examination; or

(B) an event not reasonably foreseeable; or

(2) the disability or death was proximately caused (A) by the provision of training and rehabilitation services by the Secretary (including by a service-provider used by the Secretary for such purpose under section 3115 of this title) as part of an approved rehabilitation program under chapter 31 of this title, or (B) by participation in a program (known as a "compensated work therapy program") under section 1718 of this title.

(b) Where an individual is, on or after December 1, 1962, awarded a judgment against the United States in a civil action brought pursuant to section 1346(b) of title 28 or, on or after December 1, 1962, enters into a settlement or compromise under section 2672 or 2677 of title 28 by reason of a disability or death treated pursuant to this section as if it were service-connected, then no benefits shall be paid to such individual for any month beginning after the date such judgment, settlement, or compromise on account of such disability or death becomes final until the aggregate amount of benefits which would be paid but for this subsection equals the total amount included in such judgment, settlement, or compromise.

§1152. Persons heretofore having a compensable status

The death and disability benefits of this chapter shall, notwithstanding the service requirements thereof, be granted to persons heretofore recognized by law as having a compensable status, including persons whose claims are based on war or peacetime service rendered before April 21, 1898.

§1153. Aggravation

A preexisting injury or disease will be considered to have been aggravated by active military, naval, or air service, where there is an increase in disability during such service, unless there is a specific finding that the increase in disability is due to the natural progress of the disease.

§1154. Consideration to be accorded time, place, and circumstances of service

(a) The Secretary shall include in the regulations pertaining to service-connection of disabilities (1) additional provisions in effect requiring that in each case where a veteran is seeking service-connection for any disability due consideration shall be given to the places, types, and circumstances of such veteran's service as shown by such veteran's service record, the official history of each organization in which such veteran served, such veteran's medical records, and all pertinent medical and lay evidence, and (2) the provisions required by section 5 of the Veterans' Dioxin and Radiation Exposure Compensation Standards Act (Public Law 98–542; 98 Stat. 2727).

(b) In the case of any veteran who engaged in combat with the enemy in active service with a military, naval, or air organization of the United States during a period of war, campaign, or expedition, the Secretary shall accept as sufficient proof of service-connection of any disease or injury alleged to have been incurred in or aggravated by such service satisfactory lay or other evidence of service incurrence or aggravation of such injury or disease, if consistent with the circumstances, conditions, or hardships of such service, notwithstanding the fact that there is no official record of such incurrence or aggravation in such service, and, to that end, shall resolve every reasonable doubt in favor of the veteran. Service-connection of such injury or disease may be rebutted by clear and convincing evidence to the contrary. The reasons for granting or denying service-connection in each case shall be recorded in full.

§ 1155. Authority for schedule for rating disabilities

The Secretary shall adopt and apply a schedule of ratings of reductions in earning capacity from specific injuries or combination of injuries. The ratings shall be based, as far as practicable, upon the average impairments of earning capacity resulting from such injuries in civil occupations. The schedule shall be constructed so as to provide ten grades of disability and no more, upon which payments of compensation shall be based, namely, 10 percent, 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, 80 percent, 90 percent, and total, 100 percent. The Secretary shall from time to time readjust this schedule of ratings in accordance with experience. However, in no event shall such a readjustment in the rating schedule cause a veteran's disability rating in effect on the effective date of the readjustment to be reduced unless an improvement in the veteran's disability is shown to have occurred. $(P.L.~85-857,\,Sept.~2,\,1958,\,72\,\,Stat.~1125,\,\S\,355;\,P.L.~98-223,\,\S\,101(c),\,Mar.~2,\,1984,\,98\,\,Stat.~38;\,renumbered\,\,\S\,1155\,\,and\,\,amended\,\,P.L.~102-83,\,\,\S\,\$\,4(b)(1),\,(2)(E),\,\,5(a),\,Aug.~6,\,1991,\,105\,\,Stat.\,\,404-406;\,P.L.~102-86,\,\S\,103(a),\,Aug.~14,\,1991,\,105\,\,Stat.\,\,414.)$

§1157. Combination of certain ratings

The Secretary shall provide for the combination of ratings and pay compensation at the rates prescribed in subchapter II of this chapter to those veterans who served during a period of war and during any other time, who have suffered disability in line of duty in each period of service.

 $(P.L.\ 85-857,\ Sept.\ 2,\ 1958,\ 72\ Stat.\ 1125,\ \S357;\ renumbered\ \S1157$ and amended $P.L.\ 102-83,\ \S\$\ 4(b)(1),\ (2)(E),\ 5(a),\ Aug.\ 6,\ 1991,\ 105\ Stat.\ 404-406.)$

§ 1158. Disappearance

Where a veteran receiving compensation under this chapter disappears, the Secretary may pay the compensation otherwise payable to the veteran to such veteran's spouse, children, and parents. Payments made to such spouse, child, or parent under the preceding sentence shall not exceed the amounts payable to each if the veteran had died from service-connected disability.

¹ Former section 356 was repealed by section 4(a) of Public Law 90-493. Before its repeal, the text of that section provided as follows:

[&]quot;Any veteran shown to have active tuberculosis which is compensable under this chapter, who in the judgment of the Administrator has reached a condition of complete arrest, shall be rated as totally disabled for a period of two years following such date of arrest, as 50 per centum disabled for an additional period of four years, and 30 per centum for a further five years. Following far advanced active lesions the permanent rating shall be 30 per centum, and following moderately advanced lesions, the permanent rating, after eleven years, shall be 20 per centum, provided there is continued disability, dyspnea on exertion, impairment of health, and so forth; otherwise the rating shall be zero per centum. The total disability rating herein provided for the two years following a complete arrest may be reduced to 50 per centum for failure to follow prescribed treatment or to submit to examination when requested. This section shall not be construed as requiring a reduction of compensation authorized under any other provision of this

chapter.

Section 4(b) of Public Law 90–493 provides:

"(b) The repeals made by subsection (a) of this section shall not apply in the case of any veteran who, on the date of enactment of this Act [Aug. 19, 1968], was receiving or entitled to receive compensation or most "country". condition of complete arrest.'

§1159. Protection of service connection

Service connection for any disability or death granted under this title which has been in force for ten or more years shall not be severed on or after January 1, 1962, except upon a showing that the original grant of service connection was based on fraud or it is clearly shown from military records that the person concerned did not have the requisite service or character of discharge. The mentioned period shall be computed from the date determined by the Secretary as the date on which the status commenced for rating purposes.

§1160. Special consideration for certain cases of loss of paired organs or extremities

(a) Where a veteran has suffered—

- (1) blindness in one eye as a result of service-connected disability and blindness in the other eye as a result of non-service-connected disability not the result of the veteran's own willful misconduct;
- (2) the loss or loss of use of one kidney as a result of service-connected disability and involvement of the other kidney as a result of non-service-connected disability not the result of the veteran's own willful misconduct;
- (3) total deafness in one ear as a result of service-connected disability and total deafness in the other ear as the result of non-service-connected disability not the result of the veteran's own willful misconduct;
- (4) the loss or loss of use of one hand or one foot as a result of service-connected disability and the loss or loss of use of the other hand or foot as a result of non-service-connected disability not the result of the veteran's own willful misconduct; or
- (5) permanent service-connected disability of one lung, rated 50 percent or more disabling, in combination with a non-service-connected disability of the other lung that is not the result of the veteran's own willful misconduct,

the Secretary shall assign and pay to the veteran the applicable rate of compensation under this chapter as if the combination of disabilities were the result of service-connected disability.

(b) If a veteran described in subsection (a) of this section receives any money or property of value pursuant to an award in a judicial proceeding based upon, or a settlement or compromise of, any cause of action for damages for the non-service-connected disability described in such subsection, the increase in the rate of compensation otherwise payable under this section shall not be paid for any month following a month in which any such money or property is received until such time as the total of the amount of such increase that would otherwise have been payable equals the total of the

amount of any such money received and the fair market value of any such property received.

SUBCHAPTER I—GENERAL

§ 1301. Definitions

As used in this chapter—

The term "veteran" includes a person who died in the active military, naval, or air service.

(P.L.~85-857,~Sept.~2,~1958,~72~Stat.~1126,~\$401;~P.L.~91-24,~\$4(a),~June~11,~1969,~83~Stat.~33;~P.L.~91-96,~\$5,~Oct.~27,~1969,~83~Stat.~145;~renumbered~\$1301,~P.L.~102-83,~\$5(a),~Aug.~6,~1991,~105~Stat.~406.)

§ 1302. Determination of pay grade

- (a) With respect to a veteran who died in the active military, naval, or air service, such veteran's pay grade shall be determined as of the date of such veteran's death or as of the date of a promotion after death while in a missing status.
- (b) With respect to a veteran who did not die in the active military, naval, or air service, such veteran's pay grade shall be determined as of—
 - (1) the time of such veteran's last discharge or release from active duty under conditions other than dishonorable; or
 - (2) the time of such veteran's discharge or release from any period of active duty for training or inactive duty training, if such veteran's death results from service-connected disability incurred during such period and if such veteran was not there-

after discharged or released under conditions other than dishonorable from active duty.

(c) The pay grade of any veteran described in section 106(b) of this title shall be that to which such veteran would have been as-

signed upon final acceptance or entry upon active duty.

- (d) If a veteran has satisfactorily served on active duty for a period of six months or more in a pay grade higher than that specified in subsection (a) or (b) and any subsequent discharge or release from active duty was under conditions other than dishonorable, the higher pay grade shall be used if it will result in greater monthly payments to such veteran's surviving spouse under this chapter. The determination as to whether an individual has served satisfactorily for the required period in a higher pay grade shall be made by the Secretary of the department in which such higher pay grade was held.
- (e) The pay grade of any person not otherwise described in this section, but who had a compensable status on the date of such person's death under laws administered by the Secretary, shall be determined by the head of the department under which such person performed the services by which such person obtained such status (taking into consideration such person's duties and responsibilities) and certified to the Secretary. For the purposes of this chapter, such person shall be deemed to have been on active duty while performing such services.

§ 1303. Cost-of-living adjustments

- (a) In the computation of cost-of-living adjustments for fiscal years 1998 through 2011 in the rates of dependency and indemnity compensation payable under this chapter, such adjustments (except as provided in subsection (b)) shall be made by a uniform percentage that is no more than the percentage equal to the social security increase for that fiscal year, with all increased monthly rates (other than increased rates equal to a whole dollar amount) rounded down to the next lower whole dollar amount.
- (b) For purposes of this section, the term "social security increase" means the percentage by which benefit amounts payable under title II of the Social Security Act (42 U.S.C. 401 et seq.) are increased for any fiscal year as a result of a determination under section 215(i) of such Act (42 U.S.C. 415(i)).

§ 1312. Benefits in certain cases of in-service or service-connected deaths

- (a) In the case of any veteran—
 - (1) who dies after December 31, 1956, and is not a fully and currently insured individual (as defined in section 214 of the Social Security Act (42 U.S.C. 414)) at the time of such veteran's death;
 - (2) whose death occurs—

 - (3) who leaves one or more survivors who are not entitled for any month to monthly benefits under section 202 of the Social Security Act (42 U.S.C. 402) on the basis of such veteran's wages and self-employment income but who would, upon application therefor, be entitled to such benefits if such veteran had been fully and currently insured at the time of such veteran's death;

the Secretary shall pay for such monthly benefits under this section to each such survivor in an amount equal to the amount of the benefits which would have been paid for such month to such survivor under title II of the Social Security Act (42 U.S.C. 401 et seq.) if such veteran had been both fully and currently insured at the time of such veteran's death and if such survivor had filed application therefor on the same date on which application for benefits under this section is filed with the Secretary.

(b) In any case where the amount of dependency and indemnity compensation payable under this chapter to a surviving spouse who has children is less than the amount of pension which would be payable to (1) such surviving spouse, or (2) such children if the surviving spouse were not entitled, under chapter 15 of this title had the death occurred under circumstances authorizing payment of death pension, the Secretary shall pay dependency and indemnity compensation to such surviving spouse in an amount equal to such amount of pension.

§1315. Dependency and indemnity compensation to parents 1

(a)(1) Except as provided in paragraph (2), dependency and indemnity compensation shall be paid monthly to parents of a deceased veteran in the amounts prescribed by this section.

(2) Under regulations prescribed by the Secretary, benefits under this section may be paid less frequently than monthly if the amount of the annual benefit is less than 4 percent of the maximum annual rate payable under this section.

(b)(1) Except as provided in paragraph (4) of this subsection, if there is only one parent, the monthly rate of dependency and indemnity compensation paid to such parent shall be \$163, as increased from time to time under section 5312(b)(1) of this title and reduced by an amount, based upon the amount of such parent's annual income, determined in accordance with regulations which the Secretary shall prescribe under section 5312(b)(2) of this title.

(2) In no case may the amount of dependency and indemnity compensation payable to any parent under this subsection be less than \$5 monthly.

(3) In no case may dependency and indemnity compensation be paid under paragraph (1) of this subsection to any parent if the annual income of such parent exceeds \$4,038, as increased from time to time under section 5312 of this title.

¹As explained in the footnote to section 1521, the rates and income limitations specified in this section were increased, as of December 1, 2001, as follows:

⁽b) Annual combined income limitation, \$14.612.

⁽⁴⁾ Increase for nursing home patients and those in need of aid and attendance (subsec. (g)),

(4) If there is only one parent and such parent has remarried and is living with such parent's spouse, dependency and indemnity compensation shall be paid to such parent under either paragraph (1) of this subsection or under subsection (d) of this section, whichever will result in the greater amount of such compensation being paid to such parent. In such a case of remarriage the total combined annual income of the parent and such parent's spouse shall be counted in determining the monthly rate of dependency and indemnity compensation under the appropriate formula.

(c)(1) Except as provided in subsection (d) of this section, if there are two parents, but they are not living together, the monthly rate of dependency and indemnity compensation paid to each such parent shall be \$115, as increased from time to time under section 5312(b)(1) of this title and reduced by an amount, based upon the amount of such parent's annual income, determined in accordance with regulations which the Secretary shall prescribe under section

5312(b)(2) of this title.

(2) In no case may the amount of dependency and indemnity compensation payable to any parent under this subsection be less than \$5 monthly.

to time under section 5312 of this title.

- (d)(1) If there are two parents who are living together, or if a parent has remarried and is living with such parent's spouse, the monthly rate of dependency and indemnity compensation paid to such parent shall be \$109, as increased from time to time under section 5312(b)(1) of this title and reduced by an amount, based upon the amount of the combined annual income of the parents or the parent and the parent's spouse, determined in accordance with regulations which the Secretary shall prescribe under section 5312(b)(2) of this title.
- (2) In no case may the amount of dependency and indemnity compensation payable to any parent under this subsection be less than \$5 monthly.

§ 1523. Combination of ratings

(a) The Secretary shall provide that, for the purpose of determining whether or not a veteran is permanently and totally disabled, ratings for service-connected disabilities may be combined with ratings for non-service-connected disabilities.

(b) Where a veteran, by virtue of subsection (a), is found to be entitled to a pension under section 1521 of this title, and is entitled to compensation for a service-connected disability, the Secretary shall pay such veteran the greater benefit.

§ 1524. Vocational training for certain pension recipients

(a)(1) In the case of a veteran under age 45 who is awarded a pension during the program period, the Secretary shall, based on information on file with the Department of Veterans Affairs, make a preliminary finding whether such veteran, with the assistance of a vocational training program under this section, has a good potential for achieving employment. If such potential is found to exist, the Secretary shall solicit from the veteran an application for vocational training under this section. If the veteran thereafter applies for such training, the Secretary shall provide the veteran with an evaluation, which may include a personal interview, to determine whether the achievement of a vocational goal is reasonably feasible

(2) If a veteran who is 45 years of age or older and is awarded pension during the program period, or a veteran who was awarded pension before the beginning of the program period, applies for vocational training under this section and the Secretary makes a preliminary finding on the basis of information in the application that, with the assistance of a vocational training program under subsection (b) of this section, the veteran has a good potential for achieving employment, the Secretary shall provide the veteran with an evaluation in order to determine whether the achievement of a vocational goal by the veteran is reasonably feasible. Any such evaluation shall include a personal interview by a Department employee trained in vocational counseling.

(3) For the purposes of this section, the term "program period" means the period beginning on February 1, 1985, and ending on

December 31, 1995.

(b)(1) If the Secretary, based upon an evaluation under subsection (a) of this section, determines that the achievement of a vocational goal by a veteran is reasonably feasible, the veteran shall be offered and may elect to pursue a vocational training program under this subsection. If the veteran elects to pursue such a program, the program shall be designed in consultation with the vet-

eran in order to meet the veteran's individual needs and shall be set forth in an individualized written plan of vocational rehabilita-

tion of the kind described in section 3107 of this title.

(2)(A) Subject to subparagraph (B) of this paragraph, a vocational training program under this subsection shall consist of vocationally oriented services and assistance of the kind provided under chapter 31 of this title and such other services and assistance of the kind provided under that chapter as are necessary to enable the veteran to prepare for and participate in vocational training or employ-

(B) A vocational training program under this subsection—
(i) may not exceed 24 months unless, based on a determination by the Secretary that an extension is necessary in order for the veteran to achieve a vocational goal identified (before the end of the first 24 months of such program) in the written plan formulated for the veteran, the Secretary grants an extension for a period not to exceed 24 months;

(ii) may not include the provision of any loan or subsistence allowance or any automobile adaptive equipment of the kind

provided under chapter 39 of this title; and

(iii) may include a program of education at an institution of higher learning (as defined in sections 3452(b) and 3452(f), respectively, of this title) only in a case in which the Secretary determines that the program involved is predominantly vocational in content.

(3) When a veteran completes a vocational training program under this subsection, the Secretary may provide the veteran with counseling of the kind described in section 3104(a)(2) of this title, placement and postplacement services of the kind described in section 3104(a)(5) of this title, and training of the kind described in section 3104(a)(6) of this title during a period not to exceed 18

months beginning on the date of such completion.

(4) A veteran may not begin pursuit of a vocational training program under this subsection after the later of (A) December 31, 1995, or (B) the end of a reasonable period of time, as determined by the Secretary, following either the evaluation of the veteran under subsection (a) of this section or the award of pension to the veteran as described in subsection (a)(2) of this section. Any determination by the Secretary of such a reasonable period of time shall be made pursuant to regulations which the Secretary shall prescribe.

(c) In the case of a veteran who has been determined to have a permanent and total non-service-connected disability and who, not later than one year after the date the veteran's eligibility for counseling under subsection (b)(3) of this section expires, secures employment within the scope of a vocational goal identified in the veteran's individualized written plan of vocational rehabilitation (or in a related field which requires reasonably developed skills and the use of some or all of the training or services furnished the veteran under such plan), the evaluation of the veteran as having a permanent and total disability may not be terminated by reason of the veteran's capacity to engage in such employment until the veteran first maintains such employment for a period of not less than 12 consecutive months.

- (d) A veteran who pursues a vocational training program under subsection (b) of this section shall have the benefit of the provisions of subsection (a) of section 1525 of this title beginning at such time as the veteran's entitlement to pension is terminated by reason of income from work or training (as defined in subsection (b)(1) of that section) without regard to the date on which the veteran's entitlement to pension is terminated.
- (e) Payments by the Secretary for education, training, and other services and assistance under subsection (b) of this section (other than the services of Department employees) shall be made from the Department appropriations account from which payments for pension are made.

- (a) In the case of a veteran whose entitlement to pension is terminated after January 31, 1985, by reason of income from work or training, the veteran shall retain for a period of three years beginning on the date of such termination all eligibility for care and services under such chapter that the veteran would have had if the veteran's entitlement to pension had not been terminated. Care and services for which such a veteran retains eligibility include, when applicable, drugs and medicines under section 1712(d) of this title.
- (b) For purposes of this section, the term "terminated by reason of income from work or training" means terminated as a result of the veteran's receipt of earnings from activity performed for remuneration or with gain, but only if the veteran's annual income from sources other than such earnings would, taken alone, not result in the termination of the veteran's pension.

In each case, the rate payable shall be reduced by the amount of the surviving spouse's annual income and, subject to subsection (g) of this section, the annual income of each such child.
- (d)(1) If a surviving spouse who is entitled to pension under subsection (b) of this section is in need of regular aid and attendance, the annual rate of pension payable to such surviving spouse shall

¹As explained in the footnote to section 1521, the rates specified in this section were increased, as of December 1, 2001, as follows:

⁽¹⁾ Surviving spouses alone and with a child or children of the deceased veteran in custody of the surviving spouse (subsecs. (b) and (c)): Surviving spouse alone, \$6,407; surviving spouse and one child in his or her custody, \$8,389; and for each additional child in his or her custody, \$1,630.

⁽²⁾ Surviving spouses in need of aid and attendance (subsec. (d)): Surviving spouse alone, \$10,243; surviving spouse with one child in his or her custody, \$12,221; and for each additional child in his or her custody, \$1,630.

be \$3,806, reduced by the amount of the surviving spouse's annual income.

- (2) If a surviving spouse who is entitled to pension under subsection (c) of this section is in need of regular aid and attendance, the annual rate of pension payable to the surviving spouse shall be \$4,543. If there are two or more children of the veteran in such surviving spouse's custody, the annual rate of pension shall be increased by \$600 for each such child in excess of one. The rate payable shall be reduced by the amount of the surviving spouse's annual income and, subject to subsection (g) of this section, the annual income of each such child.
- (e)(1) If the surviving spouse is permanently housebound but does not qualify for pension at the aid and attendance rate provided by subsection (d) of this section, the annual rate of pension payable to such surviving spouse under subsection (b) of this section shall be \$2,908 and the annual rate of pension payable to such surviving spouse under subsection (c) of this section shall be \$3,645. If there are two or more children of the veteran in such surviving spouse's custody, the annual rate of pension shall be increased by \$600 for each such child in excess of one. The rate payable shall be reduced by the amount of the surviving spouse's annual income and, subject to subsection (g) of this section, the income of any child of the veteran for whom the surviving spouse is receiving increased pension.

(2) For purposes of paragraph (1) of this subsection, the requirement of "permanently housebound" shall be met when the surviving spouse is substantially confined to such surviving spouse's house (ward or clinical areas, if institutionalized) or immediate premises by reason of a disability or disabilities reasonably certain

(2) for one year or more; or

(3) for any period of time if a child was born of the marriage,

or was born to them before the marriage.

(g) In determining the annual income of a surviving spouse for the purposes of this section, if there is a child of the veteran in the custody of the surviving spouse, that portion of the annual income of the child that is reasonably available to or for the surviving spouse shall be considered to be income of the surviving spouse, unless in the judgment of the Secretary to do so would work a hardship on the surviving spouse.

(h) As used in this section and section 1542 of this title, the term "veteran" includes a person who has completed at least two years of honorable active military, naval, or air service, as certified by

the Secretary concerned, but whose death in such service was not in line of duty.

§ 1542. Children of veterans of a period of war 1

The Secretary shall pay to each child (1) who is the child of a deceased veteran of a period of war who met the service requirements prescribed in section 1521(j) of this title, or who at the time of death was receiving (or entitled to receive) compensation or retirement pay for a service-connected disability, and (2) who is not in the custody of a surviving spouse eligible for pension under section 1541 of this title, pension at the annual rate of \$600, as increased from time to time under section 5312 of this title and reduced by the amount of such child's annual income; or, if such child is residing with a person who is legally responsible for such child's support, at an annual rate equal to the amount by which the appropriate annual rate provided under section 1541(c) of this title exceeds the sum of the annual income of such child and such person, but in no event may such annual rate of pension exceed the amount by which \$600, as increased from time to time under section 5312 of this title, exceeds the annual income of such child. The appropriate annual rate under such section 1541(c) for the purposes of the preceding sentence shall be determined in accordance with regulations which the Secretary shall prescribe.

(5) During any period during which the provisions of section 1710A(a) of this title are not in effect, the Secretary may furnish nursing home care which the Secretary determines is needed to any veteran described in paragraph (1), with the priority for such care on the same basis as if provided under that paragraph.

(b)(1) The Secretary may furnish to a veteran described in paragraph (2) of this subsection such domiciliary care as the Secretary determines is needed for the purpose of the furnishing of medical

- (2) This subsection applies in the case of the following veterans:

- (c) While any veteran is receiving hospital care or nursing home care in any Department facility, the Secretary may, within the limits of Department facilities, furnish medical services to correct or treat any non-service-connected disability of such veteran, in addition to treatment incident to the disability for which such veteran is hospitalized, if the veteran is willing, and the Secretary finds such services to be reasonably necessary to protect the health of such veteran. (C) Subject to paragraphs (2) and (3) of this subsection, a veteran who served on active duty in the Southwest Asia theater of operations during the Persian Gulf War is eligible for hospital care, medical services, and nursing home care under subsection (a)(2)(F) for any disability, notwithstanding that there is insufficient medical evidence to conclude that such disability may be associated

vided under subsection (a)(2)(F) with respect to—

(i) a disability that is found, in accordance with guidelines issued by the Under Secretary for Health, to have resulted from a cause other than an exposure described in paragraph (A)(A)(ii): or

(ii) a disease for which the National Academy of Sciences, in a report issued in accordance with section 3 of the Agent Orange Act of 1991, has determined that there is limited or suggestive evidence of the lack of a positive association between occurrence of the disease in humans and exposure to a herbicide agent.

(B) In the case of a veteran described in paragraph (1)(C) or (1)(D), hospital care, medical services, and nursing home care may not be provided under subsection (a)(2)(F) with respect to a disability that is found, in accordance with guidelines issued by the Under Secretary for Health, to have resulted from a cause other than the service described in that paragraph.

(B) The term "radiation-exposed veteran" has the meaning

given that term in section 1112(c)(3) of this title.

(5) When the Secretary first provides care for veterans using the authority provided in paragraph (1)(D), the Secretary shall establish a system for collection and analysis of information on the general health status and health care utilization patterns of veterans receiving care under that paragraph. Not later than 18 months after first providing care under such authority, the Secretary shall submit to Congress a report on the experience under that authority. The Secretary shall include in the report any recommendations of the Secretary for extension of that authority.

(f)(1) The Secretary may not furnish hospital care or nursing home care under this section to a veteran who is eligible for such care under subsection (a)(3) of this section unless the veteran agrees to pay to the United States the applicable amount deter-

(2) A veteran who is furnished hospital care or nursing home care under this section and who is required under paragraph (1) of this subsection to agree to pay an amount to the United States in order to be furnished such care shall be liable to the United States for an amount equal to-

(A) the lesser of-

(i) the cost of furnishing such care, as determined by the Secretary; or

(ii) the amount determined under paragraph (3) of this

subsection; and

(B) before September 30, 2007, an amount equal to \$10 for every day the veteran receives hospital care and \$5 for every day the veteran receives nursing home care.

(3)(A) In the case of hospital care furnished during any 365-day period, the amount referred to in paragraph (2)(A)(ii) of this sub-

section is-

(i) the amount of the inpatient Medicare deductible, plus

(ii) one-half of such amount for each 90 days of care (or fraction thereof) after the first 90 days of such care during such

365-day period.

(B) In the case of nursing home care furnished during any 365days period, the amount referred to in paragraph (2)(A)(ii) of this subsection is the amount of the inpatient Medicare deductible for each 90 days of such care (or fraction thereof) during such 365-day period.

¹ Effective October 1, 2002, section 202(b) of Public Law 107-135 (115 Stat. 2457), provides:

⁽b) REDUCED COPAYMENTS FOR CARE.—Subsection (f) of section 1710 is amended—
(1) in paragraph (1), by inserting "or (4" after "paragraph (2)";
(2) by redesignating paragraph (4) as paragraph (5); and
(3) by inserting after paragraph (3) the following new paragraph (4):
"(4) In the case of a veteran covered by this subsection who is also described by section 1705(a)(7) of this title, the amount for which the veteran shall be liable to the United States for bearing learn, under this subsection shall be an amount or each to the total care. for hospital care under this subsection shall be an amount equal to 20 percent of the total amount for which the veteran would otherwise be liable for such care under subparagraphs (2)(B) and (3)(A) but for this paragraph.".

- (C)(i) Except as provided in clause (ii) of this subparagraph, in the case of a veteran who is admitted for nursing home care under this section after being furnished, during the preceding 365-day period, hospital care for which the veteran has paid the amount of the inpatient Medicare deductible under this subsection and who has not been furnished 90 days of hospital care in connection with such payment, the veteran shall not incur any liability under paragraph (2) of this subsection with respect to such nursing home care until—
 - (I) the veteran has been furnished, beginning with the first day of such hospital care furnished in connection with such payment, a total of 90 days of hospital care and nursing home care; or
 - (II) the end of the 365-day period applicable to the hospital care for which payment was made,

whichever occurs first.

- (ii) In the case of a veteran who is admitted for nursing home care under this section after being furnished, during any 365-day period, hospital care for which the veteran has paid an amount under subparagraph (A)(ii) of this paragraph and who has not been furnished 90 days of hospital care in connection with such payment, the amount of the liability of the veteran under paragraph (2) of this subsection with respect to the number of days of such nursing home care which, when added to the number of days of such hospital care, is 90 or less, is the difference between the inpatient Medicare deductible and the amount paid under such subparagraph until—
 - (I) the veteran has been furnished, beginning with the first day of such hospital care furnished in connection with such payment, a total of 90 days of hospital care and nursing home care; or
 - (II) the end of the 365-day period applicable to the hospital care for which payment was made,

whichever occurs first.

- (D) In the case of a veteran who is admitted for hospital care under this section after having been furnished, during the preceding 365-day period, nursing home care for which the veteran has paid the amount of the inpatient Medicare deductible under this subsection and who has not been furnished 90 days of nursing home care in connection with such payment, the veteran shall not incur any liability under paragraph (2) of this subsection with respect to such hospital care until—
 - (i) the veteran has been furnished, beginning with the first day of such nursing home care furnished in connection with such payment, a total of 90 days of nursing home care and hospital care; or
 - (ii) the end of the 365-day period applicable to the nursing home care for which payment was made,

whichever occurs first.

(E) A veteran may not be required to make a payment under this subsection for hospital care or nursing home care furnished under this section during any 90-day period in which the veteran is furnished medical services under paragraph (3) of subsection (a) to the

extent that such payment would cause the total amount paid by the veteran under this subsection for hospital care and nursing home care furnished during that period and under subsection (g) for medical services furnished during that period to exceed the amount of the inpatient Medicare deductible in effect on the first day of such period.

(F) A veteran may not be required to make a payment under this subsection or subsection (g) for any days of care in excess of 360

days of care during any 365-calendar-day period.

(4) ¹ For the purposes of this subsection, the term "inpatient Medicare deductible" means the amount of the inpatient hospital deductible in effect under section 1813(b) of the Social Security Act (42 U.S.C. 1895e(b)) on the first day of the 365-day period applicable under paragraph (3) of this subsection.

(g)(1) The Secretary may not furnish medical services under subsection (a) of this section (including home health services under section 1717 of this title) to a veteran who is eligible for hospital care under this chapter by reason of subsection (a)(3) of this section unless the veteran agrees to pay to the United States in the case of each outpatient visit the applicable amount or amounts estab-

lished by the Secretary by regulation.

(2) A veteran who is furnished medical services under subsection (a) of this section and who is required under paragraph (1) of this subsection to agree to pay an amount to the United States in order to be furnished such services shall be liable to the United States, in the case of each visit in which such services are furnished to the veteran, for an amount which the Secretary shall establish by regulation.

(3) This subsection does not apply with respect to home health services under section 1717 of this title to the extent that such

services are for improvements and structural alterations.

(h) Nothing in this section requires the Secretary to furnish care to a veteran to whom another agency of Federal, State, or local government has a duty under law to provide care in an institution of such government.

such government.

§1710A. Required nursing home care

- (a) The Secretary (subject to section 1710(a)(4) of this title) shall provide nursing home care which the Secretary determines is needed (1) to any veteran in need of such care for a service-connected disability, and (2) to any veteran who is in need of such care and who has a service-connected disability rated at 70 percent or more.
- (b)(1) The Secretary shall ensure that a veteran described in subsection (a) who continues to need nursing home care is not, after placement in a Department nursing home, transferred from the facility without the consent of the veteran, or, in the event the veteran cannot provide informed consent, the representative of the veteran.
- (2) Nothing in subsection (a) may be construed as authorizing or requiring that a veteran who is receiving nursing home care in a Department nursing home on the date of the enactment of this section be displaced, transferred, or discharged from the facility.
- (c) The provisions of subsection (a) shall terminate on December 31, 2003.

(Added by P.L. 106–117, 101(a), Nov. 30, 1999, 113 Stat. 1547; amended P.L. 106–419, 224(a), Nov. 1, 2000, 114 Stat. 1846.)

§1710B. Extended care services

- (a) The Secretary (subject to section 1710(a)(4) of this title and subsection (c) of this section) shall operate and maintain a program to provide extended care services to eligible veterans in accordance with this section. Such services shall include the following:
 - (1) Geriatric evaluation.
 - (2) Nursing home care (A) in facilities operated by the Secretary, and (B) in community-based facilities through contracts under section 1720 of this title.
 - (3) Domiciliary services under section 1710(b) of this title.
 - (4) Adult day health care under section 1720(f) of this title.
 - (5) Such other noninstitutional alternatives to nursing home care as the Secretary may furnish as medical services under section 1701(10) of this title.
 - (6) Respite care under section 1720B of this title.
- (b) The Secretary shall ensure that the staffing and level of extended care services provided by the Secretary nationally in facilities of the Department during any fiscal year is not less than the staffing and level of such services provided nationally in facilities of the Department during fiscal year 1998.
- (c)(1) Except as provided in paragraph (2), the Secretary may not furnish extended care services for a non-service-connected disability other than in the case of a veteran who has a compensable service-connected disability unless the veteran agrees to pay to the United States a copayment (determined in accordance with subsection (d)) for any period of such services in a year after the first 21 days of such services provided that veteran in that year.
 - (2) Paragraph (1) shall not apply—

(A) to a veteran whose annual income (determined under section 1503 of this title) is less than the amount in effect under section 1521(b) of this title; or

(B) with respect to an episode of extended care services that a veteran is being furnished by the Department on November

30, 1999.

(d)(1) A veteran who is furnished extended care services under this chapter and who is required under subsection (c) to pay an amount to the United States in order to be furnished such services shall be liable to the United States for that amount.

(2) In implementing subsection (c), the Secretary shall develop a methodology for establishing the amount of the copayment for which a veteran described in subsection (c) is liable. That method-

ology shall provide for—

- (A) establishing a maximum monthly copayment (based on all income and assets of the veteran and the spouse of such veteran);
- (B) protecting the spouse of a veteran from financial hardship by not counting all of the income and assets of the veteran and spouse (in the case of a spouse who resides in the community) as available for determining the copayment obligation; and
- (C) allowing the veteran to retain a monthly personal allowance.
- (e)(1) There is established in the Treasury of the United States a revolving fund known as the Department of Veterans Affairs Extended Care Fund (hereinafter in this section referred to as the "fund"). Amounts in the fund shall be available, without fiscal year limitation and without further appropriation, exclusively for the purpose of providing extended care services under subsection (a).

(2) All amounts received by the Department under this section

shall be deposited in or credited to the fund.

(Added P.L. 106–117, §101(c), Nov. 30, 1999, 113 Stat. 1548; amended P.L. 107–14, §8(a)(2), (16), June 5, 2001, 115 Stat. 34, 35; P.L. 107–103, §509(b), Dec. 27, 2001, 115 Stat. 997.)

§1711. Care during examinations and in emergencies

- (a) The Secretary may furnish hospital care incident to physical examinations where such examinations are necessary in carrying out the provisions of other laws administered by the Secretary.
- [(b) Repealed by P.L. 107–135, 208(d), 115 Stat. 2463 (see sec. 1784).]
- (c)(1) The Secretary may contract with any organization named in, or approved by the Secretary under, section 5902 of this title to provide for the furnishing by the Secretary, on a reimbursable basis (as prescribed by the Secretary), of emergency medical services to individuals attending any national convention of such organization, except that reimbursement shall not be required for services furnished under this subsection to the extent that the individual receiving such services would otherwise be eligible under this chapter for medical services.
- (2) The authority of the Secretary to enter into contracts under this subsection shall be effective for any fiscal year only to such extent or in such amounts as are provided in appropriation Acts.

§ 1712. Dental care; drugs and medicines for certain disabled veterans; vaccines

- (a)(1) Outpatient dental services and treatment, and related dental appliances, shall be furnished under this section only for a dental condition or disability—
 - (A) which is service-connected and compensable in degree;
 - (B) which is service-connected, but not compensable in degree, but only if—
 - (i) the dental condition or disability is shown to have been in existence at the time of the veteran's discharge or release from active military, naval, or air service;

(ii) the veteran had served on active duty for a period of not less than 180 days or, in the case of a veteran who served on active duty during the Persian Gulf War, 90 days immediately before such discharge or release;

(iii) application for treatment is made within 90 days after such discharge or release, except that (I) in the case of a veteran who reentered active military, naval, or air service within 90 days after the date of such veteran's prior discharge or release from such service, application may be made within 90 days from the date of such veteran's subsequent discharge or release from such service, and (II) if a disqualifying discharge or release has been corrected by competent authority, application may be made within 90 days after the date of correction; and

(iv) the veteran's certificate of discharge or release from active duty does not bear a certification that the veteran was provided, within the 90-day period immediately before the date of such discharge or release, a complete dental examination (including dental X-rays) and all appropriate dental services and treatment indicated by the examination to be needed;

(C) which is a service-connected dental condition or disability due to combat wounds or other service trauma, or of a former prisoner of war;

(D) which is associated with and is aggravating a disability resulting from some other disease or injury which was incurred in or aggravated by active military, naval, or air service;

- (E) which is a non-service-connected condition or disability of a veteran for which treatment was begun while such veteran was receiving hospital care under this chapter and such services and treatment are reasonably necessary to complete such treatment;
- (F) from which a veteran who is a former prisoner of war and who was detained or interned for a period of not less than 90 days is suffering:
- (G) from which a veteran who has a service-connected disability rated as total is suffering; or

(H) the treatment of which is medically necessary (i) in preparation for hospital admission, or (ii) for a veteran otherwise

receiving care or services under this chapter.

(2) The Secretary concerned shall at the time a member of the Armed Forces is discharged or released from a period of active military, naval, or air service of not less than 180 days provide to such member a written explanation of the provisions of clause (B) of paragraph (1) of this subsection and enter in the service records of the member a statement signed by the member acknowledging receipt of such explanation (or, if the member refuses to sign such statement, a certification from an officer designated for such purpose by the Secretary concerned that the member was provided such explanation).

(3) The total amount which the Secretary may expend for furnishing, during any twelve-month period, outpatient dental services, treatment, or related dental appliances to a veteran under this section through private facilities for which the Secretary has contracted under clause (1), (2), or (5) of section 1503(a) of this title may not exceed \$1,000 unless the Secretary determines, prior to the furnishing of such services, treatment, or appliances and based on an examination of the veteran by a dentist employed by the Department (or, in an area where no such dentist is available, by a dentist conducting such examination under a contract or fee arrangement), that the furnishing of such services, treatment, or ap-

pliances at such cost is reasonably necessary.

(4)(A) Except as provided in subparagraph (B) of this paragraph, in any year in which the President's Budget for the fiscal year beginning October 1 of such year includes an amount for expenditures for contract dental care under the provisions of this sub-section and section 1503 of this title during such fiscal year in excess of the level of expenditures made for such purpose during fiscal year 1978, the Secretary shall, not later than February 15 of such year, submit a report to the appropriate committees of the Congress justifying the requested level of expenditures for contract dental care and explaining why the application of the criteria prescribed in section 1503 of this title for contracting with private facilities and in the second sentence of section 1710(c) of this title for furnishing incidental dental care to hospitalized veterans will not preclude the need for expenditures for contract dental care in excess of the fiscal year 1978 level of expenditures for such purpose. In any case in which the amount included in the President's Budget for any fiscal year for expenditures for contract dental care under such provisions is not in excess of the level of expenditures made for such purpose during fiscal year 1978 and the Secretary determines after the date of submission of such budget and before the end of such fiscal year that the level of expenditures for such contract dental care during such fiscal year will exceed the fiscal year 1978 level of expenditures, the Secretary shall submit a report to the appropriate committees of the Congress containing both a justification (with respect to the projected level of expenditures for such fiscal year) and an explanation as required in the preceding sentence in the case of a report submitted pursuant to such sentence. Any report submitted pursuant to this paragraph shall include a comment by the Secretary on the effect of the application

of the criteria prescribed in the second sentence of section 1710(c) of this title for furnishing incidental dental care to hospitalized veterans.

(B) A report under subparagraph (A) of this paragraph with respect to a fiscal year is not required if, in the documents submitted by the Secretary to the Congress in justification for the amounts included for Department programs in the President's Budget, the Secretary specifies with respect to contract dental care described in such subparagraph—

(i) the actual level of expenditures for such care in the fiscal year preceding the fiscal year in which such Budget is sub-

mitted:

(ii) a current estimate of the level of expenditures for such care in the fiscal year in which such Budget is submitted; and (iii) the amount included in such Budget for such care.

(b) Dental services and related appliances for a dental condition or disability described in paragraph (1)(B) of subsection (a) shall be furnished on a one-time completion basis, unless the services rendered on a one-time completion basis are found unacceptable within the limitations of good professional standards, in which event such additional services may be afforded as are required to complete professionally acceptable treatment.

(c) Dental appliances, wheelchairs, artificial limbs, trusses, special clothing, and similar appliances to be furnished by the Secretary under this section may be procured by the Secretary either by purchase or by manufacture, whichever the Secretary de-

termines may be advantageous and reasonably necessary.

(d) The Secretary shall furnish to each veteran who is receiving additional compensation or allowance under chapter 11 of this title, or increased pension as a veteran of a period of war, by reason of being permanently housebound or in need of regular aid and attendance, such drugs and medicines as may be ordered on prescription of a duly licensed physician as specific therapy in the treatment of any illness or injury suffered by such veteran. The Secretary shall continue to furnish such drugs and medicines so ordered to any such veteran in need of regular aid and attendance whose pension payments have been discontinued solely because such veteran's annual income limitation, but only so long as such veteran's annual income does not exceed such maximum annual income limitation by more than \$1,000.

(e) In order to assist the Secretary of Health and Human Services in carrying out national immunization programs under other provisions of law, the Secretary may authorize the administration of immunizations to eligible veterans who voluntarily request such immunizations in connection with the provision of care for a disability under this chapter in any Department health care facility. Any such immunization shall be made using vaccine furnished by the Secretary of Health and Human Services at no cost to the Department. For such purpose, notwithstanding any other provision of law, the Secretary of Health and Human Services may provide such vaccine to the Department at no cost. Section 7316 of this title shall apply to claims alleging negligence or malpractice on the part of Department personnel granted immunity under such section.

§1712A. Eligibility for readjustment counseling and related mental health services 1

(a)(1)(A) Upon the request of any veteran referred to in subparagraph (B), the Secretary shall furnish counseling to the veteran to assist the veteran in readjusting to civilian life. Such counseling may include a general mental and psychological assessment of the veteran to ascertain whether such veteran has mental or psychological problems associated with readjustment to civilian life.

(B) Subparagraph (A) applies to the following veterans:

(i) Any veteran who served on active duty-

(I) in a theater of combat operations (as determined by the Secretary in consultation with the Secretary of Defense) during the Vietnam era; or

(II) after May 7, 1975, in an area at a time during which

hostilities occurred in that area.

(ii) Any veteran (other than a veteran covered by clause (i)) who served on active duty during the Vietnam era who seeks or is furnished such counseling before January 1, 2004.

(2)(A) Upon the request of any veteran (other than a veteran covered by paragraph (1)) who served in the active military, naval, or air service in a theater of combat operations (as so determined) during a period of war, or in any other area during a period in which hostilities (as defined in subparagraph (B)) occurred in such area, the Secretary may furnish counseling to the veteran to assist the veteran in readjusting to civilian life.

(B) For the purposes of subparagraph (A), the term "hostilities" means an armed conflict in which the members of the Armed

¹Section 103(b) of Public Law 96–22 provides:
"(b) In the event of a declaration of war by the Congress after June 13, 1979, the Secretary of Veterans Affairs not later than six months after the date of such declaration, shall determine and recommend to the Congress whether eligibility for the readjustment counseling and related mental health services provided for in section 612A (now 1712A) of title 38, United States Code (as added by subsection (a) of this section) should be extended to the veterans of such war.

Forces are subjected to danger comparable to the danger to which members of the Armed Forces have been subjected in combat with enemy armed forces during a period of war, as determined by the

Secretary in consultation with the Secretary of Defense.

(b)(1) If, on the basis of the assessment furnished under subsection (a) of this section, a physician or psychologist employed by the Department (or, in areas where no such physician or psychologist is available, a physician or psychologist carrying out such function under a contract or fee arrangement with the Secretary) determines that the provision of mental health services to such veteran is necessary to facilitate the successful readjustment of the veteran to civilian life, such veteran shall, within the limits of Department facilities, be furnished such services on an outpatient basis. For the purposes of furnishing such mental health services, the counseling furnished under subsection (a) of this section shall be considered to have been furnished by the Department as a part of hospital care. Any hospital care and other medical services considered necessary on the basis of the assessment furnished under subsection (a) of this section shall be furnished only in accordance with the eligibility criteria otherwise set forth in this chapter (including the eligibility criteria set forth in section 1784 of this title).

(2) Mental health services furnished under paragraph (1) of this subsection may, if determined to be essential to the effective treatment and readjustment of the veteran, include such consultation, counseling, training, services, and expenses as are described in sec-

tions 1782 and 1783 of this title.

- [(c) Repealed by P.L. 104–262, 331(b), 110 Stat. 3198.]
- (d) The Under Secretary for Health may provide for such training of professional, paraprofessional, and lay personnel as is necessary to carry out this section effectively, and, in carrying out this section, may utilize the services of paraprofessionals, individuals who are volunteers working without compensation, and individuals who are veteran-students (as described in section 3485 of this title) in initial intake and screening activities.
- (e)(1) In furnishing counseling and related mental health services under subsections (a) and (b) of this section, the Secretary shall have available the same authority to enter into contracts with private facilities that is available to the Secretary (under sections 1703(a)(2) and 1710(a)(1)(B) of this title) in furnishing medical services to veterans suffering from total service-connected disabilities.
- (2) Before furnishing counseling or related mental health services described in subsections (a) and (b) of this section through a contract facility, as authorized by this subsection, the Secretary shall approve (in accordance with criteria which the Secretary shall prescribe by regulation) the quality and effectiveness of the program operated by such facility for the purpose for which the counseling or services are to be furnished.
- (3) The authority of the Secretary to enter into contracts under this subsection shall be effective for any fiscal year only to such extent or in such amounts as are provided in appropriation Acts.
- (f) The Secretary, in cooperation with the Secretary of Defense, shall take such action as the Secretary considers appropriate to no-

tify veterans who may be eligible for assistance under this section

of such potential eligibility.

(g)(1)(A) Except as provided in subparagraph (C) of this paragraph, the Secretary may close or relocate a center in existence on January 1, 1988, only as described in the national plan required by paragraph (3) of this subsection (or in a revision to such plan under paragraph (4) of this subsection in which the closure or relocation of that center is proposed).

(B) A closure or relocation of a center which is proposed in such national plan may be carried out only after the end of the 120-day period beginning on the date on which the national plan is submitted. A closure or relocation of a center not proposed in such plan may be carried out only after the end of the 60-day period beginning on the date the Secretary submits a revision to such plan

in which the closure or relocation of that center is proposed.

(C) The Secretary may relocate a center in existence on January 1, 1988, without regard to the national plan (including any revision to such plan) if such relocation is to a new location away from a Department general health-care facility when such relocation is necessitated by circumstances beyond the control of the Department. Such a relocation may be carried out only after the end of the 30-day period beginning on the date on which the Secretary notifies the Committees on Veterans' Affairs of the Senate and the House of Representatives of the proposed relocation, of the circumstances making it necessary, and of the reason for the selection of the new site for the center.

- (2)(A) Not later than April 1, 1988, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report on the Secretary's evaluation of the effectiveness in helping to meet the readjustment needs of veterans who served on active duty during the Vietnam era of the readjustment counseling and mental health services provided pursuant to this section (and of outreach efforts with respect to such counseling and services). Such report shall give particular attention, in light of the results of the study required by section 102 of the Veterans' Health Care Amendments of 1983 (Public Law 98–160) to the provision of such counseling and services to veterans with post-traumatic stress disorder and to the diagnosis and treatment of such disorder.
- (B) The report required by subparagraph (A) of this paragraph shall include—
 - (i) the opinion of the Secretary with respect to (I) the extent to which the readjustment needs of veterans who served on active duty during the Vietnam era remain unmet, and (II) the extent to which the provision of readjustment counseling services under this section in centers is needed to meet such needs; and
 - (ii) in light of the opinion submitted pursuant to clause (i) of this subparagraph, such recommendations for amendments to this subsection and for other legislative and administrative action as the Secretary considers appropriate.
- (3)(A) The Secretary, after considering the recommendations of the Under Secretary for Health, shall submit to such committees a report setting forth a national plan for all centers in existence on January 1, 1988. Such national plan shall set forth the Secretary's

proposals as to each such center for a period (to be determined by the Secretary) of not less than 12 months beginning on the date of the submission of the report. The plan shall include, as to each center, whether the Secretary proposes to relocate the center to a general Department facility, relocate the center to a new location away from a general Department facility, expand the center in the same location, or close the center. The plan shall also set forth any proposal of the Secretary to open additional centers.

(B) The plan shall include the Secretary's evaluation as to how, in light of each of the criteria described in subparagraph (C) of this paragraph, the proposal set forth in the plan for each center covered by the plan would ensure the continued availability and effective furnishing of readjustment counseling services to eligible veterans needing such services in the geographic area served by that

center.

(C) The Secretary shall make the evaluation described in subparagraph (B) of this paragraph with respect to any center in light of the following:

(i) The distribution of Vietnam-era veterans in the geographic area served by the center and the relationships between the location of such center and the general Department facility and such distribution.

(ii) The distance between the center and the general Depart-

ment facility.

(iii) The availability of other entities (such as State, local, or private outreach facilities) which provide assistance to Vietnam-era veterans in the area served by the center.

(iv) The availability of transportation to, and parking at, the

center and the general Department facility.

(v) The availability, cost, and suitability of the space at the

general Department facility.

(vi) The overall cost impact of the proposed closure or relocation, including a comparison of the recurring nonpersonnel costs of providing readjustment counseling to the same estimated number of veterans at the center and the general Department facility.

(vii) The workload trends over the two previous fiscal years, and projected over the next fiscal year (or longer), at the cen-

ter.

(viii) Such other factors as the Secretary determines to be relevant to making the evaluation described in subparagraph

(B) of this paragraph.

- (D) For the purposes of this paragraph, the term "general Department facility" means a Department facility which is not a center and at which readjustment counseling would be furnished in a particular geographic area upon the closure or relocation of a center.
- (4) After submitting the plan required by paragraph (3) of this subsection, the Secretary may submit to the committees a revision to such plan in order to modify the proposal set forth in the plan as to any center. Any such revision shall include, with respect to each center addressed in the revision, a description of the Secretary's evaluation of the matters specified in paragraphs (3)(B) and (3)(C) of this subsection.

- (5) For purposes of determining a period of time under paragraph (1)(B) of this subsection, if the national plan (or a revision to the national plan) is submitted to the committees during the 121-day period beginning 60 days before and ending 60 days after the final day of a session of the Congress, it shall be deemed to have been submitted on the sixty-first day after the final day of such session.
 - [(h) Repealed. P.L. 102–83, §4(b).]
 - (i) For the purposes of this section:
 - (1) The term "center" means a facility (including a Resource Center designated under subsection (h)(3)(A) of this section) which is operated by the Department for the provision of services under this section and which (A) is situated apart from Department general health-care facilities, or (B) was so situated but has been relocated to a Department general health-care facility.
 - (2) The term "Department general health-care facility" means a health-care facility which is operated by the Department for the furnishing of health-care services under this chapter, not limited to services provided through the program established under this section.

health services as the Secretary finds to be necessary or appropriate for the effective and economical treatment of the veteran.

- (2) Improvements and structural alterations may be furnished as part of such home health services only as necessary to assure the continuation of treatment for the veteran's disability or to provide access to the home or to essential lavatory and sanitary facilities. The cost of such improvements and structural alterations (or the amount of reimbursement therefor) under this subsection may not exceed—

§ 1718. Therapeutic and rehabilitative activities

- (a) In providing rehabilitative services under this chapter, the Secretary, upon the recommendation of the Under Secretary for Health, may use the services of patients and members in Department health care facilities for therapeutic and rehabilitative purposes. Such patients and members shall not under these circumstances be held or considered as employees of the United States for any purpose. The Secretary shall prescribe the conditions for the use of such services.
- (b)(1) In furnishing rehabilitative services under this chapter, the Secretary, upon the recommendation of the Under Secretary for Health, may enter into a contract or other arrangement with any appropriate source (whether or not an element of the Department

of Veterans Affairs or of any other Federal entity) to provide for therapeutic work for patients and members in Department health care facilities.

(2) Notwithstanding any other provision of law, the Secretary may also furnish rehabilitative services under this subsection through contractual arrangements with nonprofit entities to provide for such therapeutic work for such patients. The Secretary shall establish appropriate fiscal, accounting, management, recordkeeping, and reporting requirements with respect to the activities of any such nonprofit entity in connection with such contractual ar-

rangements.

(c)(1) There is hereby established in the Treasury of the United States a revolving fund known as the Department of Veterans Affairs Special Therapeutic and Rehabilitation Activities Fund (hereinafter in this section referred to as the "fund") for the purpose of furnishing rehabilitative services authorized in subsection (b) of this section. Such amounts of the fund as the Secretary may determine to be necessary to establish and maintain operating accounts for the various rehabilitative services activities may be deposited in checking accounts in other depositaries selected or established by the Secretary.

(2) All funds received by the Department under contractual arrangements made under subsection (b) of this section, or by nonprofit entities described in paragraph (2) of such subsection, shall be deposited in or credited to the fund, and the Secretary shall distribute out of the fund moneys to participants at rates not less than the wage rates specified in the Fair Labor Standards Act (29 U.S.C. 201 et seq.) and regulations prescribed thereunder for work

of similar character.

(3) The Under Secretary for Health shall prepare, for inclusion in the annual report submitted to Congress under section 529 of this title, a description of the scope and achievements of activities carried out under this section (including pertinent data regarding productivity and rates of distribution) during the prior twelve months and an estimate of the needs of the program of therapeutic and rehabilitation activities to be carried out under this section for the ensuing fiscal year.

(d) In providing rehabilitative services under this chapter, the Secretary shall take appropriate action to make it possible for the patient to take maximum advantage of any benefits to which such patient is entitled under chapter 31, 34, or 35 of this title, and, if the patient is still receiving treatment of a prolonged nature under this chapter, the provision of rehabilitative services under this chapter shall be continued during, and coordinated with, the pursuit of education and training under such chapter 31, 34, or 35.

(e) The Secretary shall prescribe regulations to ensure that the priorities set forth in section 1705 of this title shall be applied, insofar as practicable, to participation in therapeutic and rehabilitation activities carried out under this section.

(f)(1) The Secretary may not consider any of the matters stated in paragraph (2) as a basis for the denial or discontinuance of a rating of total disability for purposes of compensation or pension based on the veteran's inability to secure or follow a substantially gainful occupation as a result of disability.

(2) Paragraph (1) applies to the following:

(A) A veteran's participation in an activity carried out under this section.

(B) A veteran's receipt of a distribution as a result of partici-

pation in an activity carried out under this section.

(C) A veteran's participation in a program of rehabilitative services that (i) is provided as part of the veteran's care furnished by a State home and (ii) is approved by the Secretary as conforming appropriately to standards for activities carried out under this section.

(D) A veteran's receipt of payment as a result of participa-

tion in a program described in subparagraph (C).

(3) A distribution of funds made under this section and a payment made to a veteran under a program of rehabilitative services described in paragraph (2)(C) shall be considered for the purposes of chapter 15 of this title to be a donation from a public or private relief or welfare organization.

§ 1719. Repair or replacement of certain prosthetic and other appliances

The Secretary may repair or replace any artificial limb, truss, brace, hearing aid, spectacles, or similar appliance (not including dental appliances) reasonably necessary to a veteran and belonging to such veteran which was damaged or destroyed by a fall or other accident caused by a service-connected disability for which such veteran is in receipt of, or but for the receipt of retirement pay would be entitled to, disability compensation.

§ 1720. Transfers for nursing home care; adult day health

(a)(1) Subject to subsection (b) of this section, the Secretary may transfer to a non-Department nursing home, for care at the expense of the United States—

(A) a veteran

(i) who has been furnished care by the Secretary in a facility under the direct jurisdiction of the Secretary; and

(ii) who the Secretary determines—

(I) requires a protracted period of nursing home care which can be furnished in the non-Department nursing home; and

(II) in the case of a veteran who has been furnished hospital care in a facility under the direct jurisdiction of the Secretary, has received maximum benefits from such care; and

(B) a member of the Armed Forces—

(i) who has been furnished care in a hospital of the Armed Forces;

(ii) who the Secretary concerned determines has received maximum benefits from such care but requires a protracted period of nursing home care; and

(iii) who upon discharge from the Armed Forces will be-

come a veteran.

- (2) The Secretary may transfer a person to a nursing home under this subsection only if the Secretary determines that the cost to the United States of the care of such person in the nursing home will not exceed—
 - (A) the amount equal to 45 percent of the cost of care furnished by the Department in a general hospital under the direct jurisdiction of the Secretary (as such cost may be determined annually by the Secretary); or

(B) the amount equal to 50 percent of such cost, if such higher amount is determined to be necessary by the Secretary (upon the recommendation of the Under Secretary for Health)

to provide adequate care.

(3) Nursing home care may not be furnished under this subsection at the expense of the United States for more than six months in the aggregate in connection with any one transfer except—

(A) in the case of a veteran—

(i) who is transferred to a non-Department nursing home from a hospital under the direct jurisdiction of the Secretary; and

(ii) whose hospitalization was primarily for a service-con-

nected disability;

(B) in a case in which the nursing home care is required for a service-connected disability; or

(C) in a case in which, in the judgment of the Secretary, a

longer period of nursing home care is warranted.

(4) A veteran who is furnished care by the Secretary in a hospital or domiciliary facility in Alaska or Hawaii may be furnished nursing home care at the expense of the United States under this subsection even if such hospital or domiciliary facility is not under the direct jurisdiction of the Secretary.

- (b) No veteran may be transferred or admitted to any institution for nursing home care under this section, unless such institution is determined by the Secretary to meet such standards as the Secretary may prescribe. The standards prescribed and any report of inspection of institutions furnishing care to veterans under this section made by or for the Secretary shall, to the extent possible, be made available to all Federal, State, and local agencies charged with the responsibility of licensing or otherwise regulating or inspecting such institutions.
- (c) In applying the provisions of section 2(b)(1) of the Service Contract Act of 1965 (41 U.S.C. 351(b)(1)) with respect to any contract entered into under this section to provide nursing home care of veterans, the payment of wages not less than those specified in

section 6(b) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(b)) shall be deemed to constitute compliance with such provisions.

(d)(1) Subject to subsection (b) of this section, the Secretary may authorize for any veteran requiring nursing home care for a service-connected disability direct admission for such care at the expense of the United States to any non-Department nursing home. The Secretary may also authorize a direct admission to such a nursing home for nursing home care for any veteran who has been discharged from a hospital under the direct jurisdiction of the Secretary and who is currently receiving medical services as part of home health services from the Department.

(2) Direct admission authorized by paragraph (1) of this subsection may be authorized upon determination of need therefor—

(A) by a physician employed by the Department; or

(B) in areas where no such physician is available, by a physician carrying out such function under contract or fee arrangement.

based on an examination by such physician.

(3) The amount which may be paid for such care and the length of care available under this subsection shall be the same as authorized under subsection (a) of this section.

(e)(1) The cost of intermediate care for purposes of payment by the United States pursuant to subsection (a)(2)(B) of this section shall be determined by the Secretary except that the rate of reimbursement shall be commensurately less than that provided for nursing home care.

(2) For the purposes of this section, the term "non-Department nursing home" means a public or private institution not under the direct jurisdiction of the Secretary which furnishes nursing home

care

(f)(1)(A) The Secretary may furnish adult day health care services to a veteran enrolled under section 1705(a) of this title who

would otherwise require nursing home care.

(B) The Secretary may provide in-kind assistance (through the services of Department employees and the sharing of other Department resources) to a facility furnishing care to veterans under subparagraph (A) of this paragraph. Any such in-kind assistance shall be provided under a contract between the Secretary and the facility concerned. The Secretary may provide such assistance only for use solely in the furnishing of adult day health care and only if, under such contract, the Department receives reimbursement for the full cost of such assistance, including the cost of services and supplies and normal depreciation and amortization of equipment. Such reimbursement may be made by reduction in the charges to the United States or by payment to the United States. Any funds received through such reimbursement shall be credited to funds allotted to the Department facility that provided the assistance.

(2) The Secretary may conduct, at facilities over which the Secretary has direct jurisdiction, programs for the furnishing of adult day health care to veterans who are eligible for such care under paragraph (1) of this subsection, except that necessary travel and incidental expenses (or transportation in lieu thereof) may be furnished under such a program only under the terms and conditions

set forth in section 111 of this title. The furnishing of care under any such program shall be subject to the limitations that are applicable to the duration of adult day health care furnished under paragraph (1) of this subsection.

§ 1720A. Treatment and rehabilitative services for persons with drug or alcohol dependency

(a) The Secretary, in consultation with the Secretary of Labor and the Director of the Office of Personnel Management, may take appropriate steps to (1) urge all Federal agencies and appropriate private and public firms, organizations, agencies, and persons to provide appropriate employment and training opportunities for veterans who have been provided treatment and rehabilitative services under this title for alcohol or drug dependence or abuse disabilities and have been determined by competent medical authority to be sufficiently rehabilitated to be employable, and (2) provide all possible assistance to the Secretary of Labor in placing such veterans in such opportunities.

(b) Upon receipt of an application for treatment and rehabilitative services under this title for an alcohol or drug dependence or abuse disability from any individual who has been discharged or released from active military, naval, or air service but who is not eligible for such treatment and services, the Secretary shall—

(1) provide referral services to assist such individual, to the maximum extent practicable, in obtaining treatment and rehabilitative services from sources outside the Department; and

- (2) if pertinent, advise such individual of such individual's rights to apply to the appropriate military, naval, or air service and the Department for review of such individual's discharge or release from such service.
- (c)(1) Any person serving in the active military, naval, or air service who is determined by the Secretary concerned to have an alcohol or drug dependence or abuse disability to any facility in order for the Secretary to furnish care or treatment and rehabilitative services for such disability. Care and services provided to a member so transferred shall be provided as if such member were a veteran. Any transfer of any such member for such care and services shall be made pursuant to such terms as may be agreed upon by the Secretary concerned and the Secretary, subject to the provisions of sections 1535 and 1536 of title 31.

§1720C. Noninstitutional alternatives to nursing home care

- (a) The Secretary may furnish medical, rehabilitative, and health-related services in noninstitutional settings for veterans who are eligible under this chapter for, and are in need of, nursing home care. The Secretary shall give priority for participation in such program to veterans who—
 - (1) are in receipt of, or are in need of, nursing home care primarily for the treatment of a service-connected disability; or
 - (2) have a service-connected disability rated at 50 percent or more.

(b)(1) Under the program conducted pursuant to subsection (a), the Secretary shall (A) furnish appropriate health-related services solely through contracts with appropriate public and private agencies that provide such services, and (B) designate Department health-care employees to furnish case management services to veteran furnished services under the program.

(2) For the purposes of paragraph (1), the term "case management services" includes the coordination and facilitation of all services furnished to a veteran by the Department of Veterans Affairs, either directly or through contract, including assessment of needs, planning referral (including referral for services to be furnished by the Department, either directly or through a contract, or by an entity other than the Department), monitoring, reassessment, and fol-

The Secretary may provide such assistance only for use solely in the furnishing of appropriate services under this section and only if, under such contract, the Department receives reimbursement for the full cost of such assistance (including the cost of services and supplies and normal depreciation and amortization of equipment). Such reimbursement may be made by reduction in the charges to the United States or by payment to the United States. Any funds received through such reimbursement shall be credited to funds allotted to the Department facility that provided the assistance.
- (d) The total cost of providing services or in-kind assistance in the case of any veteran for any fiscal year under the program may not exceed 65 percent of the cost that would have been incurred by the Department during that fiscal year if the veteran had been furnished, instead, nursing home care under section 1710 of this title during that fiscal year.

(a)(1) During the period through December 31, 2004, the Secretary shall operate a program under which the Secretary provides counseling and appropriate care and services to veterans who the Secretary determines require such counseling and care and services to overcome psychological trauma, which in the judgment of a mental health professional employed by the Department, resulted from a physical assault of a sexual nature, battery of a sexual nature, or sexual harassment which occurred while the veteran was serving on active duty.

- (2) In furnishing counseling to a veteran under this subsection, the Secretary may, during the period through December 31, 2004, provide such counseling pursuant to a contract with a qualified mental health professional if (A) in the judgment of a mental health professional employed by the Department, the receipt of counseling by that veteran in facilities of the Department would be clinically inadvisable, or (B) Department facilities are not capable of furnishing such counseling to that veteran economically because of geographical inaccessibility.
- (b)(1) The Secretary shall give priority to the establishment and operation of the program to provide counseling and care and services under subsection (a). In the case of a veteran eligible for counseling and care and services under subsection (a), the Secretary shall ensure that the veteran is furnished counseling and care and services under this section in a way that is coordinated with the furnishing of such care and services under this chapter.

(C) provide referral services to assist veterans who are not eligible for services under this chapter to obtain those from sources outside the Department.

(c) The Secretary shall provide information on the counseling and treatment available to veterans under this section. Efforts by the Secretary to provide such information—

§ 1725. Reimbursement for emergency treatment

(a) GENERAL AUTHORITY.—(1) Subject to subsections (c) and (d), the Secretary may reimburse a veteran described in subsection (b) for the reasonable value of emergency treatment furnished the veteran in a non-Department facility.

(2) In any case in which reimbursement is authorized under subsection (a)(1), the Secretary, in the Secretary's discretion, may, in lieu of reimbursing the veteran, make payment of the reasonable value of the furnished emergency treatment directly—

(A) to a hospital or other health care provider that furnished the treatment; or

(B) to the person or organization that paid for such treatment on behalf of the veteran.

(b) ELIGIBILITY.—(1) A veteran referred to in subsection (a)(1) is an individual who is an active Department health-care participant who is personally liable for emergency treatment furnished the veteran in a non-Department facility.

(2) A veteran is an active Department health-care participant if—

(A) the veteran is enrolled in the health care system established under section 1705(a) of this title; and

(B) the veteran received care under this chapter within the 24-month period preceding the furnishing of such emergency treatment.

(3) A veteran is personally liable for emergency treatment furnished the veteran in a non-Department facility if the veteran—

(A) is financially liable to the provider of emergency treatment for that treatment;

(B) has no entitlement to care or services under a healthplan contract (determined, in the case of a health-plan contract as defined in subsection (f)(2)(B) or (f)(2)(C), without regard to any requirement or limitation relating to eligibility for care or services from any department or agency of the United States);

(C) has no other contractual or legal recourse against a third party that would, in whole or in part, extinguish such liability to the provider; and

(D) is not eligible for reimbursement for medical care or services under section 1728 of this title.

(c) LIMITATIONS ON REIMBURSEMENT.—(1) The Secretary, in accordance with regulations prescribed by the Secretary, shall—

(A) establish the maximum amount payable under subsection (a);

(B) delineate the circumstances under which such payments may be made, to include such requirements on requesting reimbursement as the Secretary shall establish; and

(C) provide that in no event may a payment under that subsection include any amount for which the veteran is not personally liable.

(2) Subject to paragraph (1), the Secretary may provide reimbursement under this section only after the veteran or the provider of emergency treatment has exhausted without success all claims

and remedies reasonably available to the veteran or provider

against a third party for payment of such treatment.

(3) Payment by the Secretary under this section on behalf of a veteran to a provider of emergency treatment shall, unless rejected and refunded by the provider within 30 days of receipt, extinguish any liability on the part of the veteran for that treatment. Neither the absence of a contract or agreement between the Secretary and the provider nor any provision of a contract, agreement, or assignment to the contrary shall operate to modify, limit, or negate the requirement in the preceding sentence.

(d) INDEPENDENT RIGHT OF RECOVERY.—(1) In accordance with regulations prescribed by the Secretary, the United States shall have the independent right to recover any amount paid under this section when, and to the extent that, a third party subsequently

makes a payment for the same emergency treatment.

(2) Any amount paid by the United States to the veteran (or the veteran's personal representative, successor, dependents, or survivors) or to any other person or organization paying for such treatment shall constitute a lien in favor of the United States against any recovery the payee subsequently receives from a third party for the same treatment.

(3) Any amount paid by the United States to the provider that furnished the veteran's emergency treatment shall constitute a lien against any subsequent amount the provider receives from a third party for the same emergency treatment for which the United

States made payment.

(4) The veteran (or the veteran's personal representative, successor, dependents, or survivors) shall ensure that the Secretary is promptly notified of any payment received from any third party for emergency treatment furnished to the veteran. The veteran (or the veteran's personal representative, successor, dependents, or survivors) shall immediately forward all documents relating to such payment, cooperate with the Secretary in the investigation of such payment, and assist the Secretary in enforcing the United States right to recover any payment made under subsection (c)(3).

(e) WAIVER.—The Secretary, in the Secretary's discretion, may waive recovery of a payment made to a veteran under this section that is otherwise required by subsection (d)(1) when the Secretary determines that such waiver would be in the best interest of the United States, as defined by regulations prescribed by the Sec-

retary.

- (2) Paragraph (1) of this subsection applies to a non-service-connected disability—

§ 1729A. Department of Veterans Affairs Medical Care Collections Fund

- (a) There is in the Treasury a fund to be known as the Department of Veterans Affairs Medical Care Collections Fund.
- (b) Amounts recovered or collected after June 30, 1997, under any of the following provisions of law shall be deposited in the fund:
 - (1) Section 1710(f) of this title.
 - (2) Section 1710(g) of this title.
 - (3) Section 1711 of this title.
 - (4) Section 1722A of this title.
 - (5) Section 1725 of this title.
 - (6) Section 1729 of this title.
 - (7) Section 1784 of this title.
 - (8) Public Law 87–693, popularly known as the "Federal Medical Care Recovery Act" (42 U.S.C. 2651 et seq.), to the ex-

tent that a recovery or collection under that law is based on medical care or services furnished under this chapter.

(c)(1) Subject to the provisions of appropriations Acts, amounts in the fund shall be available, without fiscal year limitation, to the

Secretary for the following purposes:

(A) Furnishing medical care and services under this chapter, to be available during any fiscal year for the same purposes and subject to the same limitations (other than with respect to the period of availability for obligation) as apply to amounts appropriated from the general fund of the Treasury for that fiscal year for medical care.

(B) Expenses of the Department for the identification, billing, auditing, and collection of amounts owed the United States by reason of medical care and services furnished under this

chapter.

(2) Amounts available under paragraph (1) may not be used for any purpose other than a purpose set forth in subparagraph (A) or

(B) of that paragraph.

- (3)(A) If for fiscal year 1998 the Secretary determines that the total amount to be recovered under the provisions of law specified in subsection (b) will be less than the amount contained in the latest Congressional Budget Office baseline estimate (computed under section 257 of the Balanced Budget and Emergency Deficit Control Act of 1985) for the amount of such recoveries for fiscal year 1998 by at least \$25,000,000, the Secretary shall promptly certify to the Secretary of the Treasury the amount of the shortfall (as estimated by the Secretary) that is in excess of \$25,000,000. Upon receipt of such a certification, the Secretary of the Treasury shall, not later than 30 days after receiving the certification, deposit in the fund, from any unobligated amounts in the Treasury, an amount equal to the amount certified by the Secretary.
- (B) If for fiscal year 1998 a deposit is made under subparagraph (A) and the Secretary subsequently determines that the actual amount recovered for that fiscal year under the provisions of law specified in subsection (b) is greater than the amount estimated by the Secretary that was used for purposes of the certification by the Secretary under subparagraph (A), the Secretary shall pay into the general fund of the Treasury, from amounts available for medical care, an amount equal to the difference between the amount actually recovered and the amount so estimated (but not in excess of the amount of the deposit under subparagraph (A) pursuant to such certification).
- (C) If for fiscal year 1998 a deposit is made under subparagraph (A) and the Secretary subsequently determines that the actual amount recovered for that fiscal year under the provisions of law specified in subsection (b) is less than the amount estimated by the Secretary that was used for purposes of the certification by the Secretary under subparagraph (A), the Secretary shall promptly certify to the Secretary of the Treasury the amount of the shortfall. Upon receipt of such a certification, the Secretary of the Treasury shall, not later than 30 days after receiving the certification, deposit in the fund, from any unobligated amounts in the Treasury, an amount equal to the amount certified by the Secretary.

(d) Of the total amount recovered or collected by the Department during a fiscal year under the provisions of law referred to in subsection (b) and made available from the fund, the Secretary shall make available to each Department health care facility of the Department an amount that bears the same ratio to the total amount so made available as the amount recovered or collected by such facility during that fiscal year under such provisions of law bears to such total amount recovered or collected during that fiscal year. The Secretary shall make available to each facility the entirety of the amount specified to be made available to such facility by the preceding sentence.

(e)(1) The Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives quarterly reports on the operation of this section for fiscal years 1998, 1999, and 2000 and for the first quarter of fiscal year 2001. Each such report shall specify the amount collected under each of the provisions specified in subsection (b) during the preceding quarter and the amount originally estimated to be collected under each such

provision during such quarter.

(2) A report under paragraph (1) for a quarter shall be submitted not later than 45 days after the end of that quarter.

(f) Amounts recovered or collected under the provisions of law referred to in subsection (b) shall be treated for the purposes of sections 251 and 252 of the Balanced Budget and Emergency Deficit Control Act of 1985 (2 U.S.C. 901, 902) as offsets to discretionary appropriations (rather than as offsets to direct spending) to the extent that such amounts are made available for expenditure in appropriations Acts for the purposes specified in subsection (c).

§ 1730. Community residential care

- (a) Subject to this section and regulations to be prescribed by the Secretary under this section, the Secretary may assist a veteran by referring such veteran for placement in, and aiding such veteran in obtaining placement in, a community residential-care facility if—
 - (1) at the time of initiating the assistance the Secretary—
 - (A) is furnishing the veteran medical services on an outpatient basis or hospital, domiciliary, or nursing home care; or
 - (B) has furnished the veteran such care or services within the preceding 12 months; and
 - (2) placement of the veteran in a community residential-care facility is appropriate.
- (b)(1) The Secretary may not provide assistance under subsection (a) of this section with respect to a community residential-care facility unless such facility is approved by the Secretary for the purposes of this section.
- (2) The Secretary's approval of a facility for the purposes of this section shall be based upon the Secretary's determination, after inspection of the facility, that the facility meets the standards established in regulations prescribed under this section. Such standards shall include the following:
 - (A) Health and safety criteria, including a requirement of compliance with applicable State laws and local ordinances relating to health and safety.
 - (B) A requirement that the costs charged for care by a facility be reasonable, as determined by the Secretary, giving consideration to such factors as (i) the level of care, supervision, and other services to be provided, (ii) the cost of goods and services in the geographic area in which the facility is located, and (iii) comparability with other facilities in such area providing similar services.

- (3) Payment of the charges of a community residential-care facility for any care or service provided to a veteran whom the Secretary has referred to that facility under this section is not the responsibility of the United States or of the Department.
- (c)(1) In order to determine continued compliance by community residential-care facilities that have been approved under subsection (b) of this section with the standards established in regulations prescribed under this section, the Secretary shall provide for periodic inspection of such facilities.
- (2) If the Secretary determines that a facility is not in compliance with such standards, the Secretary (in accordance with regulations prescribed under this section)—

(B) may, with the permission of the veteran (or the person or entity authorized by law to give permission on behalf of the veteran), assist in removing a veteran from such facility.

Regulations prescribed to carry out this paragraph shall provide for reasonable notice and, upon request made on behalf of the facility, a hearing before any action authorized by this paragraph is taken.

(d) The Secretary shall prescribe regulations to carry out this section. Such regulations shall include the standards required by subsection (b) of this section.

(e)(1) To the extent possible, the Secretary shall make available each report of an inspection of a community residential-care facility under subsection (b)(2) or (c)(1) of this section to each Federal, State, and local agency charged with the responsibility of licensing or otherwise regulating or inspecting such facility.

The premium rate, cash, loan, paid-up, and extended values on the ordinary life insurance issued under this subsection shall be based on the same mortality tables and interest rates as the insurance issued under the modified life policy. Settlements on policies involving annuities on insurance issued under this subsection shall be based on the same mortality or annuity tables and interest rates as such settlements on the modified life policy. If the insured is totally disabled on the day before the insured's sixty-fifth birthday and premiums on the insured's modified life insurance policy are being waived under section 1912 of this title or the insured is entitled on that date to waiver under such section the insured shall be automatically granted the maximum amount of insurance authorized under this subsection and premiums on such insurance shall be waived during the continuous total disability of the insured.

Any insured whose modified life insurance policy issued under this subsection is in force by payment or waiver of premiums on the day before the insured's seventieth birthday may be granted insurance on the ordinary life plan upon the same terms and conditions as are set forth in subsection (d) of this section except that in applying such provisions the seventieth birthday is to be substituted for the sixty-fifth birthday. Notwithstanding any other provision of law or regulations the Secretary under such terms and conditions as the Secretary determines to be reasonable and practicable and upon written application and payment of the required premiums, reserves, or other necessary amounts made within one year from the effective date of this subsection by an insured having in force a modified life plan issued under subsection (b) or (c) of this section, including any replacement insurance issued under subsection (d) of this section or other provision of this title, can exchange such insurance without proof of good health for an amount of insurance issued under this subsection equal to the insurance then in force or which was in force on the day before such insured's sixty-fifth birthday, whichever is the greater.

Also, the Secretary, upon application in writing made by the insured during the one-year period beginning September 1, 1991, and without proof of good health, is authorized to apply any national service life insurance dividend credits and deposits of such insured existing at the date of the insured's application to purchase paid up insurance. After September 1, 1992, the Secretary may, from time to time, provide for further one-year periods during which insureds may purchase additional paid up insurance from existing dividend credits and deposits. Any such period for the purchase of additional paid up insurance may be allowed only if the Secretary determines in the case of any such period that it would be actuarially and administratively sound to do so. Any dividends, dividend credits, or deposits on endowment policies may be used under this subsection only to purchase additional paid up endowment insurance which matures concurrently with the basic policy. Any dividends, dividend credits, or deposits on policies (other than endowment policies) may be used under this section only to purchase additional paid up whole life insurance. The paid up insurance granted under this subsection shall be in addition to any insurance otherwise authorized under this title, or under prior provisions of law. The paid up insurance granted under this subsection shall be issued on the same terms and conditions as are contained in the standard policies of national service life insurance except (1) the premium rates for such insurance and all cash and loan values thereon shall be based on such table of mortality and rate of interest per annum as may be prescribed by the Secretary; (2) the total disability income provision authorized under section 1915 of this title may not be added to insurance issued under this section; and (3) the insurance shall include such other changes in terms and conditions as the Secretary determines to be reasonable and practicable.

§ 1908. Premium payments

The Secretary shall, by regulations, prescribe the time and method of payment of the premiums on insurance, but payments of premiums in advance shall not be required for periods of more than one month each, and may at the election of the insured be deducted from the insured's active-service pay or be otherwise made. An amount equal to the first premium due under a National Service Life Insurance policy may be advanced from current appropriations for active-service pay to any person in the active service in the Army, Navy, Air Force, Marine Corps, or Coast Guard, which amount shall constitute a lien upon any service or other pay accru-

ing to the person for whom such advance was made and shall be collected therefrom if not otherwise paid. No disbursing or certifying officer shall be responsible for any loss incurred by reason of such advance. Any amount so advanced in excess of available service or other pay shall constitute a lien on the policy within the provisions of section 5301(b) of this title.

§ 1910. Incontestability

Subject to the provisions of section 1911 of this title all contracts or policies of insurance heretofore or hereafter issued, reinstated, or converted shall be incontestable from the date of issue, reinstatement, or conversion except for fraud, nonpayment of premium, or on the ground that the applicant was not a member of the military or naval forces of the United States. However, in any case in which a contract or policy of insurance is canceled or voided after March 16, 1954, because of fraud, the Secretary shall refund to the insured, if living, or, if deceased, to the person designated as beneficiary (or if none survives, to the estate of the insured) all money, without interest, paid as premiums on such contract or policy for any period subsequent to two years after the date such fraud induced the Secretary to issue, reinstate, or convert such insurance less any dividends, loan, or other payment made to the insured under such contract or policy.

§1911. Forfeiture

Any person guilty of mutiny, treason, spying, or desertion, or who, because of conscientious objections, refuses to perform service in the Armed Forces of the United States or refuses to wear the uniform of such force, shall forfeit all rights to National Service Life Insurance. No insurance shall be payable for death inflicted as a lawful punishment for crime or for military or naval offense, except when inflicted by an enemy of the United States; but the cash surrender value, if any, of such insurance on the date of such death shall be paid to the designated beneficiary, if living, or otherwise to the beneficiary or beneficiaries within the permitted class in accordance with the order specified in section 1916(b) of this title.

§ 1912. Total disability waiver

(a) Upon application by the insured and under such regulations as the Secretary may promulgate, payment of premiums on insurance may be waived during the continuous total disability of the insured, which continues or has continued for six or more consecutive months, if such disability began (1) after the date of the insured's application for insurance, (2) while the insurance was in force under premium-paying conditions, and (3) before the insured's sixty-fifth birthday. Notwithstanding any other provision of this chapter, in any case in which the total disability of the insured commenced on or after the insured's sixtieth birthday but before the insured's sixty-fifth birthday, the Secretary shall not grant waiver of any premium becoming due prior to January 1, 1965.

(b) The Secretary, upon any application made after August 1, 1947, shall not grant waiver of any premium becoming due more than one year before the receipt by the Secretary of application for the same, except as provided in this section. Any premiums paid for months during which waiver is effective shall be refunded. The Secretary shall provide by regulations for examination or reexamination of an insured claiming benefits under this section, and may deny benefits for failure to cooperate. If it is found that an insured is no longer totally disabled, the waiver of premiums shall cease as of the date of such finding and the policy of insurance may be continued by payment of premiums as provided in said policy. In any case in which the Secretary finds that the insured's failure to make timely application for waiver of premiums or the insured's failure to submit satisfactory evidence of the existence or continuance of total disability was due to circumstances beyond the insured's control, the Secretary may grant waiver or continuance of waiver of premiums.

(c) If the insured dies without filing application for waiver, the beneficiary, within one year after the death of the insured, or, if the beneficiary is insane or a minor, within one year after removal of such legal disability, may file application for waiver with evidence of the insured's right to waiver under this section. Premium rates shall be calculated without charge for the cost of waiver of premiums provided in this section and no deduction from benefits

otherwise payable shall be made on account thereof.

(d) In any case in which an insured has been denied or would have been denied premium waiver under section 602(n) of the National Service Life Insurance Act of 1940 or this section solely because the insured became totally disabled between the date of valid application for insurance and the subsequent effective date thereof, and in which it is shown that (1) the total disability was incurred in line of duty between October 8, 1940, and July 31, 1946, inclusive, or June 27, 1950, and April 30, 1951, inclusive, and (2) the insured remained continuously so totally disabled to the date of death or June 8, 1960, whichever is earlier, the Secretary may grant waiver of premiums from the beginning of and during the continuous total disability of such insured. Application for waiver of premiums under this subsection must be filed by the insured or, in the event of the insured's death, by the beneficiary within two years after the date of enactment of this subsection, except that if

the insured or the beneficiary be insane or a minor within the twoyear period, application for such waiver may be filed within two years after removal of such legal disability, or if an insane insured shall die before the removal of the disability, application may be filed by the beneficiary within two years after the insured's death. No insurance shall be placed in force under this subsection in any case in which there was an award of benefits under the Servicemen's Indemnity Act of 1951 or of gratuitous insurance under section 1922(b) of this title. The amount of insurance placed in force hereunder together with any other United States Government life insurance or national service life insurance in force at the time of death, or at the time of the insured's application for waiver hereunder, may not exceed \$10,000 and shall be reduced by the amount of any gratuitous insurance awarded under the National Service Life Insurance Act of 1940. Waiver of premiums under this subsection shall render the insurance nonparticipating during the period such premium waiver is in effect. The cost of waiver of premium and death benefits paid as a result of this subsection shall be borne by the United States.

§ 1913. Death before six months' total disability

Whenever premiums are not waived under section 1912 of this title solely because the insured died prior to the continuance of total disability for six months, and proof of such facts, satisfactory to the Secretary, is filed by the beneficiary with the Department within one year after the insured's death, the insurance shall be deemed to be in force at the date of the death, and the unpaid premiums shall become a lien against the proceeds of the insurance. If the beneficiary is insane or a minor, proof of such facts may be filed within one year after removal of such legal disability.

§ 1914. Statutory total disabilities

Without prejudice to any other cause of disability, the permanent loss of the use of both feet, of both hands, or of both eyes, or of one foot and one hand, or of one foot and one eye, or of one hand and one eye, or the total loss of hearing of both ears, or the organic loss of speech, shall be deemed total disability for insurance purposes.

§ 1915. Total disability income provision

The Secretary shall, except as hereinafter provided, upon application by the insured and proof of good health satisfactory to the Secretary and payment of such extra premium as the Secretary shall prescribe, include in any National Service Life Insurance pol-

icy on the life of the insured (except a policy issued under section 620 of the National Service Life Insurance Act of 1940, or section 1922 of this title) provisions whereby an insured who is shown to have become totally disabled for a period of six consecutive months or more commencing after the date of such application and before attaining the age of sixty-five and while the payment of any premium is not in default, shall be paid monthly disability benefits from the first day of the seventh consecutive month of and during the continuance of such total disability of \$10 for each \$1,000 of such insurance in effect when such benefits become payable. The total disability provision authorized under this section shall not be issued unless application therefor is made either prior to the insured's fifty-fifth birthday, or before the insured's sixtieth birthday and prior to January 1, 1966. The total disability provision authorized under this section shall not be added to a policy containing the total disability coverage heretofore issued under section 602(v) of the National Service Life Insurance Act of 1940, or the provisions of this section as in effect before January 1, 1965, except upon surrender of such total disability coverage, proof of good health, if required, satisfactory to the Secretary, and payment of such extra premium as the Secretary shall determine is required in such cases. Participating policies containing additional provisions for the payment of disability benefits may be separately classified for the purpose of dividend distribution from otherwise similar policies not containing such benefits.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1151, § 715; P.L. 88–355, July 7, 1964, 78 Stat. 272; renumbered § 1915 and amended P.L. 102–83, §§ 4(b)(1), (2)(E), 5(a), (c)(1), Aug. 6, 1991, 105 Stat. 404–406.)

§ 1916. Insurance which matured before August 1, 1946

(a) Insurance which matured before August 1, 1946, is payable in the following manner:

(1) If the beneficiary to whom payment is first made was under thirty years of age at the time of maturity, in two hundred and forty equal monthly installments.

(2) If the beneficiary to whom payment is first made was thirty or more years of age at the time of maturity, in equal monthly installments for one hundred and twenty months certain, with such payments continuing during the remaining lifetime of such beneficiary.

(3) If elected by the insured or a beneficiary entitled to make such an election under prior provisions of law, as a refund life income in monthly installments payable for such period certain as may be required in order that the sum of the installments certain, including a last installment of such reduced amount as may be necessary, shall equal the face value of the contract, less any indebtedness, with such payments continuing throughout the lifetime of the first beneficiary. A refund life income optional settlement is not available in any case in which such settlement would result in payments of installments over a shorter period than one hundred and twenty months. If the mode of payment is changed to a refund life income in accordance with prior provisions of law, after payment has commenced, payment of monthly installments will be adjusted as

of the date of maturity of such policy with credit being allowed for payments previously made on the insurance.

- (b) Such insurance shall be payable only to a widow, widower, child, parent, brother or sister of the insured. Any installments certain of such insurance remaining unpaid at the death of any beneficiary shall be paid in equal monthly installments in an amount equal to the monthly installments paid to the first beneficiary, to the person or persons then in being within the following classes, and in the order named, unless designated by the insured in a different order:
 - (1) To the widow or widower of the insured, if living.

(2) If no widow or widower, to the child or children of the insured, if living, in equal shares.

(3) If no widow, widower, or child, to the parent or parents of the insured who last bore that relationship, if living, in equal shares.

(4) If no widow, widower, child, or parent, to the brothers

and sisters of the insured, if living, in equal shares.

(c) The provisions of this section shall not be construed to enlarge the classes of beneficiaries heretofore authorized under section 602(d) of the National Service Life Insurance Act of 1940, for payment of gratuitous insurance.

- (d) If no beneficiary of insurance which matured before August 1, 1946, was designated by the insured or if the designated beneficiary did not survive the insured, the beneficiary shall be determined in accordance with the order specified in subsection (b) and the insurance shall be payable in equal monthly installments in accordance with subsection (a). The right of any beneficiary to payment of any installments of such insurance shall be conditioned upon his or her being alive to receive such payments. No person shall have a vested right to any installment or installments of any such insurance and any installments not paid to a beneficiary during such beneficiary's lifetime shall be paid to the beneficiary or beneficiaries within the permitted class next entitled to priority, as provided in subsection (b).
- (e) No installments of insurance which matured before August 1, 1946, shall be paid to the heirs or legal representatives as such of the insured or of any beneficiary, and if no person within the permitted class survives to receive the insurance or any part thereof no payment of the unpaid installments shall be made, except that if the reserve of a contract of converted National Service Life Insurance, together with dividends accumulated thereon, less any indebtedness under such contract, exceeds the aggregate amount paid to beneficiaries, the excess shall be paid to the estate of the insured unless the estate of the insured would escheat under the laws of the insured's place of residence, in which event no payment shall be made. When the amount of an individual monthly payment of such insurance is less than \$5, such amount may, in the discretion of the Secretary, be allowed to accumulate without interest and be disbursed annually.
- (f) Any payments of insurance made to a person, represented by the insured to be within the permitted class of beneficiaries, shall be deemed to have been properly made and to satisfy fully the obli-

gation of the United States under such insurance policy to the extent of such payments.

§ 1917. Insurance maturing on or after August 1, 1946

- (a) The insured shall have the right to designate the beneficiary or beneficiaries of insurance maturing on or after August 1, 1946, and shall, subject to regulations, at all times have the right to change the beneficiary or beneficiaries of such insurance without the consent of such beneficiary or beneficiaries.
- (b) Insurance maturing on or after August 1, 1946, shall be payable in accordance with the following optional modes of settlement:
 - (1) In one sum.

(2) In equal monthly installments of from thirty-six to two hundred and forty in number, in multiples of twelve.

(3) In equal monthly installments for one hundred and twenty months certain with such payments continuing during the remaining lifetime of the first beneficiary.

- (4) As a refund life income in monthly installments payable for such period certain as may be required in order that the sum of the installments certain, including a last installment of such reduced amount as may be necessary, shall equal the face value of the contract, less any indebtedness, with such payments continuing throughout the lifetime of the first beneficiary; however, such optional settlement shall not be available in any case in which such settlement would result in payments of installments over a shorter period than one hundred and twenty months.
- (c) Except as provided in the second and third sentences of this subsection, unless the insured elects some other mode of settlement, such insurance shall be payable to the designated beneficiary or beneficiaries in thirty-six equal monthly installments. The first beneficiary may elect to receive payment under any option which provides for payment over a longer period of time than the option elected by the insured, or if no option has been elected by the insured, in excess of thirty-six months. In the case of insurance maturing after September 30, 1981, and for which no option has been elected by the insured, the first beneficiary may elect to receive payment in one sum. If the option selected requires payment to any one beneficiary of monthly installments of less than \$10, the amount payable to such beneficiary shall be paid in such maximum number of monthly installments as are a multiple of twelve as will provide a monthly installment of not less than \$10. If the present value of the amount payable at the time any person initially becomes entitled to payment thereof is not sufficient to pay at least twelve monthly installments of not less than \$10 each, such amount shall be payable in one sum. Options (3) and (4) shall not be available if any firm, corporation, legal entity (including the estate of the insured), or trustee is beneficiary.
- (d) If the beneficiary of such insurance is entitled to a lump-sum settlement but elects some other mode of settlement and dies be-

fore receiving all the benefits due and payable under such mode of settlement, the present value of the remaining unpaid amount shall be payable to the estate of the beneficiary. If no beneficiary is designated by the insured, or if the designated beneficiary does not survive the insured, or if a designated beneficiary not entitled to a lump-sum settlement survives the insured, and dies before receiving all the benefits due and payable, then the commuted value of the remaining unpaid insurance (whether accrued or not) shall be paid in one sum to the estate of the insured. In no event shall there be any payment to the estate of the insured or of the beneficiary of any sums unless it is shown that any sums paid will not escheat.

(e) Under such regulations as the Secretary may promulgate, the cash surrender value of any policy of insurance or the proceeds of an endowment contract which matures by reason of completion of the endowment period may be paid to the insured under option (2) or (4) of this section. All settlements under option (4), however, shall be calculated on the basis of The Annuity Table for 1949. If the option selected requires payment of monthly installments of less than \$10, the amount payable shall be paid in such maximum number of monthly installments as are a multiple of twelve as will provide a monthly installment of not less than \$10.

§ 1918. Assignments

- (a) Assignments of all or any part of the beneficiary's interest may be made by a designated beneficiary to a widow, widower, child, father, mother, grandfather, grandmother, brother, or sister of the insured, when the designated contingent beneficiary, if any, joins the beneficiary in the assignment, and if the assignment is delivered to the Secretary before any payments of the insurance shall have been made to the beneficiary. However, an interest in an annuity, when assigned, shall be payable in equal monthly installments in such multiple of twelve as most nearly equals the number of installments certain under such annuity, or in two hundred and forty installments, whichever is the lesser. The provisions of this subsection shall not be applicable to insurance maturing after July 26, 1962.
- (b) Except as to insurance granted under the provisions of section 1922(b) of this title, any person to whom insurance maturing after July 26, 1962, is payable may assign all or any portion of such person's interest in such insurance to a widow, widower, child, father, mother, grandfather, grandmother, brother, or sister of the insured when the designated contingent beneficiary, if any, joins the beneficiary in the assignment. Such joinder shall not be required in any case in which the insurance proceeds are payable in a lump sum.

§ 1919. National Service Life Insurance appropriation

(a) The National Service Life Insurance appropriation is continued and there is authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, such sums as may be necessary to carry out the provisions of this chapter and the provisions heretofore prescribed in the National Service Life Insurance Act of 1940, or related Acts, for the payment of liabilities under National Service Life Insurance. Payment from this appropriation shall be made upon and in accordance with awards by the Secretary.

(b) All premiums heretofore and hereafter paid on insurance issued or reinstated under section 602(v)(1) of the National Service Life Insurance Act of 1940 where the requirement of good health was waived under such section because of a service-incurred injury or disability shall be credited directly to the National Service Life Insurance appropriation and any payments of benefits heretofore and hereafter made on such insurance shall be made directly from

such appropriation.

§ 1920. National Service Life Insurance Fund

(a) The National Service Life Insurance Fund heretofore created in the Treasury is continued as a permanent trust fund. Except as otherwise provided in this chapter, all premiums paid on account of National Service Life Insurance shall be deposited and covered into the Treasury to the credit of such fund, which, together with interest earned thereon, shall be available for the payment of liabilities under such insurance, including payment of dividends and refunds of unearned premiums. Payments from this fund shall be made upon and in accordance with awards by the Secretary.

(b) The Secretary is authorized to set aside out of such fund such reserve amounts as may be required under accepted actuarial principles to meet all liabilities under such insurance; and the Secretary of the Treasury is authorized to invest and reinvest such fund, or any part thereof, in interest-bearing obligations of the United States or in obligations guaranteed as to principal and interest by the United States, and to sell such obligations for the pur-

poses of such fund.

§ 1921. Extra hazard costs

(a) The United States shall bear the excess mortality cost and the cost of waiver of premiums on account of total disability traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary.

(b) Whenever benefits under insurance become payable because of the death of the insured as the result of disease or injury traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary, the liability for payment of such benefits shall be borne by the United States in an amount which, when added to the reserve of the policy at the time of death of the insured will equal the then value of such benefits under such policy. Where life contingencies are involved in the calculation of the value of such benefits of insurance heretofore or hereafter matured, the calculation of such liability or liabilities shall be based upon such mortality table or tables as the Secretary may prescribe with interest at the rate of 3 per centum per annum. The Secretary shall transfer from time to time from the National Service Life Insurance appropriation to the National Service Life Insurance Fund such sums as may be necessary to carry out the provisions of this section.

- (c) Whenever the premiums under insurance are waived because of the total disability of the insured as the result of disease or injury traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary, the premiums so waived shall be paid by the United States and the Secretary shall transfer from time to time an amount equal to the amount of such premiums from the National Service Life Insurance appropriation to the National Service Life Insurance Fund.
- (d) Whenever benefits under the total disability income provision become, or have become, payable because of total disability of the insured as a result of disease or injury traceable to the extra hazard of the military or naval service, as such hazard may be determined by the Secretary, the liability shall be borne by the United States, and the Secretary shall transfer from the National Service Life Insurance appropriation to the National Service Life Insurance Fund from time to time any amounts which become, or have become, payable to the insured on account of such total disability, and to transfer from the National Service Life Insurance Fund to the National Service Life Insurance appropriation the amount of the reserve held on account of the total disability benefit. When a person receiving such payments on account of total disability recovers from such disability, and is then entitled to continue protection under the total disability income provision, the Secretary shall transfer to the National Service Life Insurance Fund a sum sufficient to set up the then required reserve on such total disability benefit.
- (e) Any disability for which a waiver was required as a condition to tendering a person a commission under Public Law 816, Seventy-seventh Congress, shall be deemed to be a disability resulting from an injury or disease traceable to the extra hazard of military or naval service for the purpose of applying this section.

§ 1922. Service disabled veterans' insurance

(a) Any person who is released from active military, naval, or air service, under other than dishonorable conditions on or after April 25, 1951, and is found by the Secretary to be suffering from a disability or disabilities for which compensation would be payable if 10 per centum or more in degree and except for which such person would be insurable according to the standards of good health established by the Secretary, shall, upon application in writing made

within two years from the date service-connection of such disability is determined by the Secretary and payment of premiums as provided in this subchapter, be granted insurance by the United States against the death of such person occurring while such insurance is in force. If such a person is shown by evidence satisfactory to the Secretary to have been mentally incompetent during any part of the two-year period, application for insurance under this section may be filed within two years after a guardian is appointed or within two years after the removal of such disability as determined by the Secretary, whichever is the earlier date. If the guardian was appointed or the removal of the disability occurred before January 1, 1959, application for insurance under this section may be made within two years after that date. Insurance granted under this section shall be issued upon the same terms and conditions as are contained in the standard policies of National Service Life Insurance except (1) the premium rates for such insurance shall be based on the Commissioners 1941 Standard Ordinary Table of Mortality and interest at the rate of 21/4 per centum per annum; (2) all cash, loan, paid-up, and extended values shall be based upon the Commissioners 1941 Standard Ordinary Table of Mortality and interest at the rate of $2\frac{1}{4}$ per centum per annum; (3) all settlements on policies involving annuities shall be calculated on the basis of The Annuity Table for 1949, and interest at the rate of $2\frac{1}{4}$ per centum per annum; (4) insurance granted under this section shall be on a nonparticipating basis and all premiums and other collections therefor shall be credited directly to a revolving fund in the Treasury of the United States, and any payments on such insurance shall be made directly from such fund. Appropriations to such fund are hereby authorized. As to insurance issued under this section, waiver of premiums pursuant to section 602(n) of the National Service Life Insurance Act of 1940 and section 1912 of this title shall not be denied on the ground that the service-connected disability became total before the effective date of such insurance.

(b)(1) Any person who, on or after April 25, 1951, was otherwise qualified for insurance under the provisions of section 620 of the National Service Life Insurance Act of 1940, or under subsection (a) of this section, but who did not apply for such insurance and who is shown by evidence satisfactory to the Secretary (A) to have been mentally incompetent from a service-connected disability, (i) at the time of release from active service, or (ii) during any part of the two-year period from the date the service connection of a disability is first determined by the Secretary, or (iii) after release from active service but is not rated service-connected disabled by the Secretary until after death; and (B) to have remained continuously so mentally incompetent until date of death; and (C) to have died before the appointment of a guardian, or within two years after the appointment of a guardian; shall be deemed to have applied for and to have been granted such insurance, as of the date of death, in an amount which, together with any other United States Government or National Service life insurance in force, shall aggregate \$10,000. The date to be used for determining whether such person was insurable according to the standards of good health established by the Secretary, except for the service-connected disability, shall be the date of release from active service or

the date the person became mentally incompetent, whichever is the later.

- (2) Payments of insurance granted under subsection (b)(1) of this section shall be made only to the following beneficiaries and in the order named— $\,$
 - (A) to the widow or widower of the insured, if living and while unremarried;
 - (B) if no widow or widower entitled thereto, to the child or children of the insured, if living, in equal shares;
 - (C) if no widow or widower or child entitled thereto, to the parent or parents of the insured who last bore that relationship, if living, in equal shares.
- (3) No application for insurance payments under this subsection shall be valid unless filed with the Secretary within two years after the date of death of the insured or before January 1, 1961, whichever is the later, and the relationship of the applicant shall be proved as of the date of death of the insured by evidence satisfactory to the Secretary. Persons shown by evidence satisfactory to the Secretary to have been mentally or legally incompetent at the time the right to apply for death benefits expires, may make such application at any time within one year after the removal of such disability.
- (4) Notwithstanding section 1917 of this title, insurance under this subsection shall be payable to the beneficiary determined under paragraph (2) of this subsection in a lump sum.
- (c) The premium rate of any term insurance issued under this section shall not exceed the renewal age 70 premium rate.

Such application must be filed not later than (1) October 31, 1993, or (2) the end of the one-year period beginning on the date on which the Secretary notifies the person that the person is entitled to a waiver of premiums under section 1912 of this title, whichever is later.
- (c) Supplemental insurance granted under this section shall be granted upon the same terms and conditions as insurance granted under section 1922(a) of title, except that such insurance may not be granted to a person under this section unless the application is made for such insurance before the person attains 65 years of age.
- (d) No waiver of premiums shall be made in the case of any person for supplemental insurance granted under this section.

§ 1923. Veterans' Special Life Insurance

(a) Insurance heretofore granted under the provisions of section 621 of the National Service Life Insurance Act of 1940, against the death of the policyholder occurring while such insurance is in force, is subject to the same terms and conditions as are contained in standard policies of National Service Life Insurance on the fiveyear level premium term plan except (1) such insurance may not be exchanged for or converted to insurance on any other plan; (2) the premium rates for such insurance shall be based on the Commissioners 1941 Standard Ordinary Table of Mortality and interest at the rate of 21/4 per centum per annum; (3) all settlements on policies involving annuities shall be calculated on the basis of The Annuity Table for 1949, and interest at the rate of 21/4 per centum per annum; (4) all premiums and other collections on such insurance and any total disability provisions added thereto shall be credited to a revolving fund in the Treasury of the United States, which, together with interest earned thereon, shall be available for the payment of liabilities under such insurance and any total disability provisions added thereto, including payments of dividends and refunds of unearned premiums.

(b) Any term insurance heretofore issued under section 621 of the National Service Life Insurance Act of 1940, may be converted to a permanent plan of insurance or exchanged for a policy of limited convertible five-year level premium term insurance issued under this subsection. Insurance issued under this subsection shall be issued upon the same terms and conditions as are contained in the standard policies of National Service Life Insurance except (1) after September 1, 1960, limited convertible term insurance may not be issued or renewed on the term plan after the insured's fiftieth birthday; (2) the premium rates for such limited convertible term or permanent plan insurance shall be based on table X-18 (1950-54 Intercompany Table of Mortality) and interest at the rate of $2\frac{1}{2}$ per centum per annum; (3) all settlements on policies involving annuities on insurance issued under this subsection shall be calculated on the basis of The Annuity Table for 1949, and interest at the rate of 2½ per centum per annum; (4) all cash, loan, paidup, and extended values, and, except as otherwise provided in this subsection, all other calculations in connection with insurance issued under this subsection shall be based on table X-18 (1950-54 Intercompany Table of Mortality) and interest at the rate of 2½ per centum per annum; (5) all premiums and other collections on insurance issued under this subsection and any total disability in-

come provisions added thereto shall be credited directly to the revolving fund referred to in subsection (a) of this section, which together with interest earned thereon, shall be available for the payment of liabilities under such insurance and any total disability provisions added thereto, including payments of dividends and re-

fund with a maturity date as may be agreed upon by the two Secretaries. The rate of interest on such obligations shall be fixed by the Secretary of the Treasury at a rate equal to the rate of interest, computed as of the end of the month preceding the date of issue of such obligations, borne by all marketable interest-bearing obligations of the United States then forming a part of the public debt that are not due or callable until after the expiration of five years from the date of original issue; except that where such average rate is not a multiple of one-eighth of 1 per centum, the rate of interest of such obligations shall be the multiple of one-eighth of 1 per centum nearest such average rate.

§ 1924. In-service waiver of premiums

(a) Waiver of all premiums on five-year level premium term insurance and that portion of any permanent insurance premiums representing the cost of the pure insurance risk, as determined by the Secretary, granted on National Service Life Insurance or United States Government life insurance under section 622 of the National Service Life Insurance Act of 1940 and in effect on January 1, 1959, shall, unless canceled, continue in effect according to the provisions of such section for the remainder of the insured's continuous active service and for one hundred and twenty days thereafter. Such premium waiver renders the contract of insurance nonparticipating during the period the waiver is in effect.

(b) Whenever benefits become payable because of the maturity of such insurance while under the premium waiver continued by this section, liability for payment of such benefits shall be borne by the United States in an amount which, when added to any reserve of the policy at the time of maturity, will equal the then value of such benefits under such policy. Where life contingencies are involved in the calculation of the value of such benefits, the calculation of such liability or liabilities shall be based upon such mortality table or tables as the Secretary may prescribe with interest at the rate of 2½ per centum per annum as to insurance issued under sections 620 and 621 of the National Service Life Insurance Act of 1940, at the rate of 3 per centum per annum as to other National Service Life Insurance, and $3\frac{1}{2}$ per centum per annum as to United States Government life insurance. The Secretary shall transfer from time to time from the National Service Life Insurance appropriation to the National Service Life Insurance Fund and from the military and naval insurance appropriation to the United States Government Life Insurance Fund such sums as may be necessary to carry out the provisions of this section.

(c) In any case in which insurance continued in force under this section matures on or after January 1, 1972, an amount equal to the amount of premiums, less dividends, waived on and after that date shall be placed as an indebtedness against the insurance and, unless otherwise paid, shall be deducted from the proceeds. In such case, the liability of the Government under subsection (b) of this

section shall be reduced by the amount so deducted from the proceeds.

§ 1925. Limited period for acquiring insurance

- (a) Any person (other than a person referred to in subsection (f) of this section) heretofore eligible to apply for National Service Life Insurance after October 7, 1940, and before January 1, 1957, who is found by the Secretary to be suffering (1) from a service-connected disability or disabilities for which compensation would be payable if 10 percent or more in degree and except for which such person would be insurable according to the standards of good health established by the Secretary; or (2) from a non-service-connected disability which renders such person uninsurable according to the standards of good health established by the Secretary and such person establishes to the satisfaction of the Secretary that such person is unable to obtain commercial life insurance at a substandard rate, shall, upon application in writing made before May 2, 1966, compliance with the health requirements of this section and payment of the required premiums, be granted insurance under this section.
- (b) If, notwithstanding the applicant's service-connected disability, such person is insurable according to the standards of good health established by the Secretary, the insurance granted under this section shall be issued upon the same terms and conditions as are contained in the standard policies of National Service Life Insurance except (1) five-year level premium term insurance may not be issued; (2) the net premium rates shall be based on the 1958 Commissioners Standard Ordinary Basic Mortality Table, increased at the time of issue by such an amount as the Secretary determines to be necessary for sound actuarial operations, and thereafter such premiums may be adjusted as the Secretary determines to be so necessary but at intervals of not less than two years; (3) an additional premium to cover administrative costs to the Government as determined by the Secretary at times of issue shall be charged for insurance issued under this subsection and for any total disability income provision attached thereto, and thereafter such costs may be adjusted as the Secretary determines to be necessary but at intervals of not less than five years; (4) all cash, loan, extended and paid-up insurance values shall be based on the 1958 Commissioners Standard Ordinary Basic Mortality Table; (5) all settlements on policies involving annuities shall be calculated on the basis of The Annuity Table for 1949; (6) all calculations in connection with insurance issued under this subsection shall be based on interest at the rate of $3\frac{1}{2}$ percent per annum; and (7) the insurance shall include such other changes in terms and conditions as the Secretary determines to be reasonable and practicable.
- (c) If the applicant's service-connected disability or disabilities render the applicant uninsurable according to the standards of good health established by the Secretary, or if the applicant has a non-service-connected disability which renders the applicant uninsurable according to the standards of good health established by

the Secretary and such person establishes to the satisfaction of the Secretary that such person is unable to obtain commercial life insurance at a substandard rate and such uninsurability existed as of the date of approval of this section, the insurance granted under this section shall be issued upon the same terms and conditions as are contained in standard policies of National Service Life Insurance, except (1) five-year level premium term insurance may not be issued; (2) the premiums charged for the insurance issued under this subsection shall be increased at the time of issue by such an amount as the Secretary determines to be necessary for sound actuarial operations and thereafter such premiums may be adjusted from time to time as the Secretary determines to be necessary; for the purpose of any increase at time of issue or later adjustment the service-connected group and the non-service-connected group may be separately classified; (3) an additional premium to cover administrative costs to the Government as determined by the Secretary at the time of issue shall be charged for insurance issued under this subsection and for any total disability income provision attached thereto (for which the insured may subsequently become eligible) and thereafter such costs may be adjusted as the Secretary determines to be necessary but at intervals of not less than five years and for this purpose the service-connected and non-serviceconnected can be separately classified; (4) all settlements on policies involving annuities shall be calculated on the basis of The Annuity Table for 1949; (5) all calculations in connection with insurance issued under this subsection shall be based on interest at the rate of 3½ percent per annum; and (6) the insurance shall include such other changes in terms and conditions as the Secretary determines to be reasonable and practicable.

(d)(1) All premiums and collections on insurance issued pursuant to this section and any total disability income provision attached thereto shall be credited to the Veterans Reopened Insurance Fund, a revolving fund established in the Treasury of the United States, and all payments on such insurance and any total disability provision attached thereto, including payments of dividends and refunds of unearned premiums, shall be made from that fund and the interest earned on the assets of that fund. For actuarial and accounting purposes, the assets and liabilities (including liabilities for repayment of advances hereinafter authorized, and adjustment of premiums) attributable to the insured groups established under this section shall be separately determined. Such amounts in the Veterans Special Term Insurance Fund in the Treasury, not exceeding \$1,650,000 in the aggregate, as may hereafter be determined by the Secretary to be in excess of the actuarial liabilities of that fund, including contingency reserves, shall be available for transfer to the Veterans Reopened Insurance Fund as needed to provide initial capital. Any amounts so transferred shall be repaid to the Treasury over a reasonable period of time with interest as determined by the Secretary of the Treasury taking into consideration the average yield on all marketable interest-bearing obligations of the United States of comparable maturities then forming a part of the public

(2) The Secretary is authorized to set aside out of the revolving fund established under this section such reserve amounts as may be required under accepted actuarial principles to meet all liabilities on insurance issued under this section and any total disability income provision attached thereto. The Secretary of the Treasury is authorized to invest in and to sell and retire special interestbearing obligations of the United States for the account of the revolving fund. Such obligations issued for this purpose shall have maturities fixed with due regard for the needs of the fund and shall bear interest at a rate equal to the average market yield (computed by the Secretary of the Treasury on the basis of market quotations as of the end of the calendar month next preceding the date of issue) on all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of four years from the end of such calendar month; except that where such average market yield is not a multiple of one-eighth of 1 percent, the rate of interest of such obligation shall be the multiple of one-eighth of 1 percent nearest such market yield.

(3) Notwithstanding the provisions of section 1982 of this title, the Secretary shall, from time to time, determine the administrative costs to the Government which in the Secretary's judgment are properly allocable to insurance issued under this section and any total disability income provision attached thereto, and shall transfer from the revolving fund, the amount of such cost allocable to the Department to the appropriation "General Operating Expenses, Department of Veterans Affairs", and the remainder of such cost to the general fund receipts in the Treasury. The initial administrative costs of issuing insurance under this section and any total disability income provision attached thereto shall be so transferred over such period of time as the Secretary determines to be reasonable and practicable.

(e) Notwithstanding the provisions of section 1982 of this title, a medical examination (including any supplemental examination or tests) when required of an applicant for issuance of insurance under this section or any total disability income provisions attached thereto shall be at the applicant's own expense by a duly licensed physician.

(f) No insurance shall be granted under this section to any person referred to in section 107 of this title or to any person while on active duty or active duty for training under a call or order to such duty for a period of thirty-one days or more.

§ 1926. Authority for higher interest rates for amounts payable to beneficiaries

Notwithstanding sections 1902, 1923, and 1925 of this title, if the beneficiary of an insurance policy receives the proceeds of such policy under a settlement option under which such proceeds are paid in equal monthly installments over a limited period of months, the interest that may be added to each such installment may be at a rate that is higher than the interest rate prescribed in the appro-

priate section of this subchapter. The Secretary may from time to time establish a higher interest rate under the preceding sentence only in accordance with a determination that such higher rate is administratively and actuarially sound for the program of insurance concerned. Any such higher interest rate shall be paid on the unpaid balance of such monthly installments.

(Added P.L. 96–128, § 302(a), Nov. 28, 1979, 93 Stat. 986, § 726; renumbered § 1926 and amended P.L. 102–83, §§ 4(b)(1), (2)(E), 5(a), (c)(1), Aug. 6, 1991, 105 Stat. 404–406.)

§ 1927. Authority for higher monthly installments payable to certain annuitants

- (a) Subject to subsections (b) and (c) of this section, the Secretary may from time to time adjust the dollar amount of the monthly installments payable to a beneficiary of National Service Life Insurance, Veterans Special Life Insurance, or Veterans Reopened Insurance who is receiving the proceeds of such insurance under a life annuity settlement option. The Secretary may make such an adjustment only if the Secretary determines that the adjustment is administratively and actuarially sound for the program of insurance concerned. The Secretary may make such an adjustment without regard to the provisions of sections 1902, 1923, and 1925 of this title with respect to interest rates and the use of mortality tables.
- (b) The Secretary shall determine the amount in the trust funds in the Treasury held for payment of proceeds to National Service Life Insurance, Veterans Special Life Insurance, and Veterans Reopened Insurance beneficiaries attributable to interest and mortality gains on the reserves held for annuity accounts. Such amount shall be available for distribution to the life annuitants referred to in subsection (a) of this section as a fixed percentage of, and in addition to, the monthly installment amount to which the annuitants are entitled under this subchapter. For the purposes of this section, gains on the reserves are defined as funds attributable solely to annuity accounts that are in excess of actuarial liabilities.
- (c) The monthly amount of an annuity authorized in sections 1902, 1923, and 1925 of this title, as adjusted under this section, may not be less than the monthly amount of such annuity that would otherwise be applicable without regard to this section.

§ 1928. Authority for payment of interest on settlements

- (a) Subject to subsection (b) of this section, the Secretary may pay interest on the proceeds of a participating National Service Life Insurance, Veterans' Special Life Insurance, and Veterans Reopened Insurance policy from the date the policy matures to the date of payment of the proceeds to the beneficiary or, in the case of an endowment policy, to the policyholder.
- (b)(1) The Secretary may pay interest under subsection (a) of this section only if the Secretary determines that the payment of such interest is administratively and actuarially sound for the settlement option involved.

(2) Interest paid under subsection (a) of this section shall be at the rate that is established by the Secretary for dividends held on credit or deposit in policyholders' accounts under the insurance program involved.

(Added P.L. 100–687, 1401(a)(1), Nov. 18, 1988, 102 Stat. 4128, 728; renumbered 1928 and amended P.L. 102–83, 400(1), (2)(E), 5(a), Aug. 6, 1991, 105 Stat. 404–406)

§ 1929. Authority to adjust premium discount rates

(a) Notwithstanding sections 1902, 1923, and 1925 of this title and subject to subsection (b) of this section, the Secretary may from time to time adjust the discount rates for premiums paid in advance on National Service Life Insurance, Veterans' Special Life Insurance, and Veterans Reopened Insurance.

(b)(1) In adjusting a discount rate pursuant to subsection (a) of this section, the Secretary may not set such rate at a rate lower than the rate authorized for the program of insurance involved under section 1902, 1923, or 1925 of this title.

(2) The Secretary may make an adjustment under subsection (a) of this section only if the Secretary determines that the adjustment is administratively and actuarially sound for the program of insurance involved.

Provision shall be made for reconversion of any such policies to a

higher premium rate or, upon proof of good health satisfactory to the Secretary, to a lower premium rate, in accordance with regulations to be issued by the Secretary. No reconversion shall be made

to a five-year level premium term policy.

- (b) An insured who on or after the insured's sixty-fifth birthday has a five-year level premium term policy of insurance in force by payment of premiums may exchange such policy for insurance on a special endowment at age ninety-six plan upon written application; payment of the required premium; and surrender of the fiveyear level premium term policy and any total disability provision attached thereto with all rights, title, and interests thereunder. However, if it is found by the Secretary subsequent to the exchange that prior thereto the term policy matured because of total permanent disability of the insured or that the insured was entitled to total disability benefits under the total disability provision attached to such policy, the insured, upon surrender of the special endowment at age ninety-six policy and any provision for waiver of premiums issued under subsection (c) of this section with all rights, title, and interest thereunder, will be entitled to benefits payable under the prior contract. In such case, the cash value less any indebtedness on the endowment policy shall be refunded together with any premiums paid on a provision for waiver of premiums. Insurance on the special endowment at age ninety-six plan shall be issued at the attained age of the insured upon the same terms and conditions as are contained in standard policies of United States Government Life Insurance except:
 - (1) the insurance shall not mature and no benefits shall be paid thereunder because of total permanent disability;
 - (2) the premiums for such insurance shall be as prescribed by the Secretary;
 - (3) such insurance cannot be exchanged, converted, or reconverted to any other plan of insurance;
 - (4) all cash, loan, paid-up, and extended term insurance values shall be as prescribed by the Secretary; and
 - (5) the insurance shall be subject to such other changes in terms and conditions as the Secretary determines to be reasonable and practicable.
- (c) The Secretary shall, upon application made by the insured at the same time as the insured exchanges the term policy for an endowment policy issued under the provisions of subsection (b) of this section, and upon payment of such extra premium as the Secretary shall prescribe, include in such endowment policy a provision for waiver of premiums on the policy and on the provision during the total permanent disability of the insured, if such disability began after the date of such application and while the policy and the provision are in force by payment of premiums. The Secretary shall not grant waiver of any premium becoming due more than one year before receipt by the Secretary of claim for the same, except as provided in this subsection. Any premiums paid for months during which waiver is effective shall be refunded. The Secretary shall provide by regulations for examination or reexamination of an insured claiming waiver of premiums under this subsection, and may deny waiver for failure to cooperate. If it is found that an insured is no longer totally and permanently disabled, the waiver of pre-

miums shall cease as of the date of such finding and the policy and provision may be continued by payment of premiums as provided therein. In any case in which the Secretary finds that the insured's failure to make timely claim for waiver of premiums, or to submit satisfactory evidence of the existence or continuance of total permanent disability was due to circumstances beyond the insured's control, the Secretary may grant waiver or continuance of waiver of premiums. If the insured dies without filing claim for waiver, the beneficiary, within one year after the death of the insured, or, if the beneficiary is insane or a minor, within one year after removal of such legal disability, may file claim for waiver with evidence of the insured's right to waiver under this subsection. Policies containing a provision for waiver of premiums issued under this subsection may be separately classified for the purpose of dividend distribution from otherwise similar policies not containing such provision.

- (c) On and after July 19, 1939, the rate of interest charged on any loan secured by a lien on insurance shall not exceed 5 percent per annum.

§ 1945. Renewal

At the expiration of any term period any insurance policy issued on the five-year level premium term plan which has not been exchanged or converted to a permanent plan of insurance and which is not lapsed shall be renewed as level premium term insurance without application for a successive five-year period at the premium rate for the attained age without medical examination. However, renewal shall be effected in cases where the policy is lapsed only if the insured makes application for reinstatement and renewal of the insured's term policy within five years after the date of lapse, and reinstatement in such cases shall be under the terms and conditions prescribed by the Secretary.

§ 1946. Dividends to pay premiums

Until and unless the Secretary has received from the insured a request in writing for payment of dividends in cash or that the dividends be placed on deposit in accordance with the provisions of the insured's policy, any regular annual dividends shall be applied in payment of premiums becoming due on insurance after the date the dividend is payable on or after December 31, 1958.

§ 1947. Incontestability

406.)

Subject to the provisions of section 1954 of this title all contracts or policies of insurance heretofore or hereafter issued, reinstated, or converted shall be incontestable from the date of issuance, reinstatement, or conversion, except for fraud, nonpayment of premiums, or on the ground that the applicant was not a member of the military or naval forces of the United States. The insured under such contract or policy may, without prejudicing the insured's rights, elect to make claim to the Department or to bring suit under section 1984 of this title on any prior contract or policy, and if found entitled thereto, shall, upon surrender of any subsequent contract or policy, be entitled to payments under the prior contract or policy. In any case in which a contract or policy of insurance is canceled or voided after March 16, 1954, because of fraud, the Secretary shall refund to the insured, if living, or, if deceased, to the person designated as beneficiary (or if none survives, to the estate of the insured) all money, without interest, paid as premiums on such contract or policy for any period subsequent to two years after the date such fraud induced the Secretary to issue, reinstate, or convert such insurance less any dividends, loan, or other payment made to the insured under such contract or policy.

§ 1948. Total disability provision

The Secretary shall include in United States Government life insurance policies provision whereby an insured, who is totally disabled as a result of disease or injury for a period of four consecutive months or more before attaining the age of sixty-five years and before default in payment of any premium, shall be paid disability benefits at the rate of \$5.75 monthly for each \$1,000 of insurance in force when total disability benefits become payable. The amount of such monthly payment under the provisions of this section shall not be reduced because of payment of permanent and total disability benefits under the insurance policy. Such payments shall be effective as of the first day of the fifth consecutive month, and shall be made monthly during the continuance of such total disability. Such payments shall be concurrent with or independent of permanent and total disability benefits under the insurance policy. In addition to the monthly disability benefits the payment of premiums on the life insurance and for the total disability benefits authorized by this section shall be waived during the continuance of such total disability. Regulations shall provide for reexaminations of beneficiaries under this section; and, in the event that it is found that an insured is no longer totally disabled, the waiver of premiums and payment of benefits shall cease and the insurance policy, including the total disability provision, may be continued by payment of premiums as provided in said policy and the total disability provision. Neither the dividends nor the amount payable in any settlement under any United States Government life insurance policy shall be decreased because of disability benefits granted under the provisions of this section. The payment of total disability benefits shall not prejudice the right of any insured, who is totally and permanently disabled, to permanent and total disability benefits under the insured's insurance policy. The provision authorized by this section shall not be included in any United States Government life insurance policy heretofore or hereafter issued, except upon application, payment of premium by the insured, and proof of good health satisfactory to the Secretary. The benefit granted under this section shall be on the basis of multiples of \$500, and not less than \$1,000 or more than the amount of insurance in force at time of application. The Secretary shall determine the amount of the monthly premium to cover the benefits of this section, and in order to continue such benefits in force the monthly premiums shall be payable until the insured attains the age of sixty-five years or until the prior maturity of the policy. In all other respects such monthly premium shall be payable under the same terms and conditions as the regular monthly premium on the United States Government life insurance policy.

§ 1949. Change of beneficiary

Subject to regulations, the insured shall at all times have the right to change the beneficiary or beneficiaries of a United States Government life insurance policy without the consent of such beneficiary or beneficiaries.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1160, 749; renumbered 1949, P.L. 102–83, 56), Aug. 6, 1991, 105 Stat. 406.)

§ 1950. Payment to estates

If no beneficiary of insurance is designated by the insured, either while alive or by last will, or if the designated beneficiary does not survive the insured, then there shall be paid to the estate of the insured the present value of the remaining unpaid monthly installments. If the designated beneficiary survives the insured and dies before receiving all of the installments of insurance payable and applicable, then there shall be paid to the estate of such beneficiary the present value of the remaining unpaid monthly installments. No payments shall be made to any estate which under the laws of the residence of the insured or the beneficiary, as the case may be, would escheat, but same shall escheat to the United States and be credited to the United States Government Life Insurance Fund.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1160, §750; P.L. 99–576, §701(31), Oct. 28, 1986, 100 Stat. 3293; renumbered §1950, P.L. 102–83, §5(a), Aug. 6, 1991, 105 Stat. 406.)

§ 1951. Payment of insurance

United States Government life insurance, except as provided in this subchapter, shall be payable in two hundred and forty equal monthly installments. When the amount of an individual monthly payment is less than \$5, such amount may in the discretion of the Secretary be allowed to accumulate without interest and be disbursed annually.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1161, 751; renumbered 1951 and amended P.L. 102–83, 4(b)(1), (2)(E), 5(a), Aug. 6, 1991, 105 Stat. 404–406.)

§ 1952. Optional settlement

- (a) The Secretary may provide in insurance contracts for optional settlements, to be selected by the insured, whereby such insurance may be made payable either in one sum or in installments for thirty-six months or more. A provision may also be included in such contracts authorizing the beneficiary to elect to receive payment of the insurance in installments for thirty-six months or more, but only if the insured has not exercised the right of election as provided in this subchapter. Even though the insured may have exercised the right of election the beneficiary may elect to receive such insurance in installments spread over a greater period of time than that selected by the insured. Notwithstanding any provision to the contrary in any insurance contract, the beneficiary may, in the case of insurance maturing after September 30, 1981, and for which the insured has not exercised the right of election of the insured as provided in this subchapter, elect to receive payment of the insurance in one sum.
- (b) Under such regulations as the Secretary may promulgate, the cash surrender value of any policy of insurance or the proceeds of an endowment contract which matures by reason of completion of the endowment period may be paid to the insured (1) in equal monthly installments of from thirty-six to two hundred and forty

in number, in multiples of twelve; or (2) as a refund life income in monthly installments payable for such periods certain as may be required in order that the sum of the installments certain, including a last installment of such reduced amount as may be necessary, shall equal the cash value of the contract, less any indebtedness, with such payments continuing throughout the lifetime of the insured. However, all settlements under option (2) above shall be calculated on the basis of The Annuity Table for 1949. If the option selected requires payment of monthly installments of less than \$10, the amount payable shall be paid in such maximum number of monthly installments as are a multiple of twelve as will provide a monthly installment of not less than \$10.

§ 1953. Assignments

Any person to whom United States Government life insurance shall be payable may assign such person's interest in such insurance to the spouse, child, grandchild, parent, brother, sister, uncle, aunt, nephew, niece, brother-in-law, or sister-in-law of the insured. Insofar as applicable, the definitions contained in section 3 of the World War Veterans' Act, 1924, in effect on December 31, 1958, shall apply to this section.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1161, §753; P.L. 96–128, §304, Nov. 28, 1979, 93 Stat. 986; renumbered §1953, P.L. 102–83, §5(a), Aug. 6, 1991, 105 Stat. 406.)

§ 1954. Forfeiture

No yearly renewable term insurance or United States Government life insurance shall be payable for death inflicted as a lawful punishment for crime or military offense, except when inflicted by the enemy. In such cases the cash surrender value of United States Government life insurance, if any, on the date of such death shall be paid to the designated beneficiary if living, or if there be no designated beneficiary alive at the death of the insured the said value shall be paid to the estate of the insured.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1161, 754; renumbered 1954, P.L. 102–83, 5(a), Aug. 6, 1991, 105 Stat. 406.)

§ 1955. United States Government Life Insurance Fund

(a) All premiums paid on account of United States Government life insurance shall be deposited and covered into the Treasury to the credit of the United States Government Life Insurance Fund and shall be available for the payment of losses, dividends, refunds, and other benefits provided for under such insurance, including such liabilities as shall have been or shall hereafter be reduced to judgment in a district court of the United States or the United States District Court for the District of Columbia. Payments from this fund shall be made upon and in accordance with awards by the Secretary.

(b) The Secretary is authorized to set aside out of the funds so collected such reserve funds as may be required, under accepted actuarial principles, to meet all liabilities under such insurance; and

the Secretary of the Treasury is authorized to invest and reinvest the said United States Government Life Insurance Fund, or any part thereof, in interest-bearing obligations of the United States or bonds of the Federal farm-loan banks and to sell said obligations of the United States or the bonds of the Federal farm-loan banks for the purposes of such Fund.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1161, §755; renumbered §1955 and amended P.L. 102-83, §§ 4(b)(1), (2)(E), 5(a), Aug. 6, 1991, 105 Stat. 404-406.)

§ 1956. Military and naval insurance appropriation

All sums heretofore or hereafter appropriated for the military and naval insurance appropriation and all premiums collected for yearly renewable term insurance deposited and covered into the Treasury to the credit of this appropriation shall be made available to the Department. All premiums that may hereafter be collected for yearly renewable term insurance shall be deposited and covered into the Treasury for the credit of this appropriation. Such sum is made available for the payment of the liabilities of the United States incurred under contracts of yearly renewable term insurance. Payments from this appropriation shall be made upon and in accordance with the awards by the Secretary.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1162, §756; renumbered §1956 and amended P.L. 102–83, §§ 4(a)(3), (4), (b)(1), (2)(E), 5(a), Aug. 6, 1991, 105 Stat. 404–406.)

§ 1957. Extra hazard costs

- (a) The United States shall bear the excess mortality and disability cost resulting from the hazards of war on United States Government life insurance.
- (b) Whenever benefits under United States Government life insurance become, or have become, payable because of total permanent disability of the insured or because of the death of the insured as a result of disease or injury traceable to the extra hazard of the military or naval service, as such hazard may be determined by the Secretary, the liability shall be borne by the United States. In such cases the Secretary shall transfer from the military and naval insurance appropriation to the United States Government Life Insurance Fund a sum which, together with the reserve of the policy at the time of maturity by total permanent disability or death, will equal the then value of such benefits. When a person receiving total permanent disability benefits under a United States Government life insurance policy recovers from such disability and is then entitled to continue a reduced amount of insurance, the Secretary shall transfer to the military and naval insurance appropriation all of the loss reserve to the credit of such policy claim except a sum sufficient to set up the then required reserve on the reduced amount of the insurance that may be continued, which sum shall be retained in the United States Government Life Insurance Fund for the purpose of such reserve.
- (c) Whenever benefits under the total disability provision become, or have become, payable because of total disability of the insured as a result of disease or injury traceable to the extra hazard of the military or naval service, as such hazard may be determined by the Secretary, the liability shall be borne by the United States, and the Secretary shall transfer from the military and naval insurance ap-

propriation to the United States Government Life Insurance Fund from time to time any amounts which become or have become payable to the insured on account of such total disability, and shall transfer from the United States Government Life Insurance Fund to the military and naval insurance appropriation the amount of the reserve held on account of the total disability benefit. When a person receiving such payments on account of total disability recovers from such disability and is then entitled to continued protection under the total disability provision, the Secretary shall transfer to the United States Government Life Insurance Fund a sum sufficient to set up the then required reserve on such total disability benefit.

(d) Any disability for which a waiver was required as a condition to tendering a person a commission under Public Law 816, Seventy-seventh Congress, shall be deemed to be a disability resulting from an injury or disease traceable to the extra hazard of military or naval service for the purpose of applying this section.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1162, \$757; renumbered \$1957 and amended P.L. 102–83, \$\$4(b)(1), (2)(E), 5(a), Aug. 6, 1991, 105 Stat. 404–406.)

§ 1958. Statutory total permanent disability

Without prejudice to any other cause of disability, the permanent loss of the use of both feet, of both hands, or of both eyes, or of one foot and one hand, or of one foot and one eye, or of one hand and one eye, or the loss of hearing of both ears, or the organic loss of speech, shall be deemed total permanent disability for insurance purposes. This section shall be deemed to be in effect on and after April 6, 1917, and shall apply only to automatic insurance, yearly renewable term insurance, and United States Government life insurance issued prior to December 15, 1936.

§ 1959. Waiver of disability for reinstatement

(a) In the event that all provisions of the rules and regulations other than the requirements as to the physical condition of the applicant have been complied with, an application for reinstatement, in whole or in part, of lapsed United States Government life insurance may be approved if made within two years after the date of lapse and if the applicant's disability is the result of an injury or disease, or of an aggravation thereof, suffered or contracted in the active military or naval service during the period beginning April 6, 1917, and ending July 2, 1921, and the applicant during the applicant's lifetime submits proof satisfactory to the Secretary showing that the applicant is not totally and permanently disabled. As a condition to the acceptance of an application for reinstatement under this section, the applicant shall be required to pay all the back monthly premiums which would have become payable if such insurance had not lapsed, together with interest at the rate of 5 per centum per annum, compounded annually, on each premium from the date said premium is due by the terms of the policy.

(b) Premium liens established under the provisions of section 304 of the World War Veterans' Act, 1924, shall continue to bear interest at the rate of 5 per centum per annum, compounded annually,

and will be deducted from any settlement of insurance to which they are attached.

§ 1960. Waiver of premium payments on due date

(a) The Secretary is authorized to provide by regulations for waiving the payment of premiums on United States Government life insurance on the due date thereof and the insurance may be deemed not to lapse in the cases of the following persons: (1) those who are confined in hospital under the Department for a compensable disability during the period while they are so confined; (2) those who are rated as temporarily totally disabled by reason of any injury or disease entitling them to compensation during the period of such total disability and while they are so rated; (3) those who, while mentally incompetent and for whom no legal guardian had been or has been appointed, allowed or may allow their insurance to lapse during the period for which they have been or hereafter may be rated mentally incompetent, or until a guardian has notified the Department of the guardian's qualification, but not later than six months after appointment of a guardian. In mentally incompetent cases the waiver is to be made without application and retroactive when necessary. Relief from payment of premiums on the due date thereof shall be for full calendar months, beginning with the month in which said confinement to hospital, the temporary total disability rating, or the mental incompetency began or begins and ending with that month during the half or major fraction of which such persons are no longer entitled to waiver as provided above.

(b) All premiums the payment of which when due is waived as provided in this section shall bear interest at the rate of 5 percent per annum, compounded annually, from the due date of each premium, and if not paid by the insured shall be deducted from the insurance in any settlement thereunder, or when the same matures either because of permanent total disability or death. In the event any lien or other indebtedness established by this section or prior corresponding provision of law exists against any policy of United States Government life insurance in excess of the then cash surrender value thereof at the time of the termination of such policy of insurance for any reason other than by death or total permanent disability the Secretary is authorized to transfer and pay from the military and naval insurance appropriation to the United States Government Life Insurance Fund a sum equal to the amount such lien or indebtedness exceeds the then cash surrender value.

§ 1961. Authority for higher interest rates for amounts payable to beneficiaries

Notwithstanding section 1944(b) of this title, if the beneficiary of an insurance policy issued under the provisions of this subchapter receives the proceeds of such policy under a settlement option under which such proceeds are paid in equal monthly installments over a limited period of months, the interest that may be added to each such installment may be at a rate that is higher than the interest rate prescribed in such section. The Secretary may from time to time establish a higher interest rate under the preceding sentence only in accordance with a determination that such higher rate is administratively and actuarially sound. Any such higher interest rate shall be paid on the unpaid balance of such monthly installments.

(Added P.L. 96–128, \S 303(a), Nov. 28, 1979, 93 Stat. 986, \S 761; renumbered \S 1961 and amended P.L. 102–83, $\S\S$ 4(b)(1), (2)(E), 5(a), (c)(1), Aug. 6, 1991, 105 Stat. 404–406.)

§ 1962. Authority for higher monthly installments payable to certain annuitants

(a) Subject to subsections (b) and (c) of this section, the Secretary may from time to time adjust the dollar amount of the monthly installments payable to a beneficiary of United States Government Life Insurance who is receiving the proceeds of such insurance under a life annuity settlement option. The Secretary may make such an adjustment only if the Secretary determines that the adjustment is administratively and actuarially sound. The Secretary may make such an adjustment without regard to the provisions of section 1944 of this title with respect to interest rates and the use of mortality tables.

(b) The Secretary shall determine the amount in the trust fund in the Treasury held for payment of proceeds to United States Government Life Insurance beneficiaries attributable to interest and mortality gains on the reserves held for annuity accounts. Such termination shall be made by written notice to the individual's official address and shall be effective 60 days after the date of such notice. Such termination of insurance may be vacated if, before the effective date of termination, the individual remits all amounts past due for such insurance and demonstrates to the satisfaction of the Secretary concerned that the failure to make timely remittances was justifiable.

(3) During any fiscal year, or portion thereof, that a member is on active duty or active duty for training under a call or order to such duty that specifies a period of less than thirty-one days, or is authorized or required to perform inactive duty training scheduled in advance by competent authority, and is insured under Servicemembers' Group Life Insurance, the Secretary concerned shall collect from the member (by deduction from pay or otherwise) an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring such member under such policy, less any costs traceable to the extra hazard of such duty in the uniformed service.

(4) Any amount not deducted from the basic or other pay of a member insured under Servicemembers' Group Life Insurance, or collected from the member by the Secretary concerned, if not otherwise paid, shall be deducted from the proceeds of any insurance thereafter payable. The initial monthly amount under paragraph (1) or (2) hereof, or fiscal year amount under paragraph (3) hereof, determined by the Secretary to be charged under this section for Servicemembers' Group Life Insurance may be continued from year to year, except that the Secretary may redetermine such monthly or fiscal year amounts from time to time in accordance with experience. No refunds will be made to any member of any amount properly deducted from the member's basic or other pay, or collected from the member by the Secretary concerned, to cover the insurance granted under Servicemembers' Group Life Insurance.

(b) For each month for which any member is so insured, there shall be contributed from the appropriation made for active duty pay of the uniformed service concerned an amount determined by the Secretary and certified to the Secretary concerned to be the cost of Servicemembers' Group Life Insurance which is traceable to the extra hazard of duty in the uniformed services. Effective January 1, 1970, such cost shall be determined by the Secretary on the basis of the excess mortality incurred by members and former members of the uniformed services insured under Servicemembers' Group Life Insurance above what their mortality would have been under peacetime conditions as such mortality is determined by the Secretary using such methods and data as the Secretary shall determine to be reasonable and practicable. The Secretary is authorized to make such adjustments regarding contributions from pay appropriations as may be indicated from actual experience.

(c) An amount equal to the first amount due on Servicemembers' Group Life Insurance may be advanced from current appropriations for active-service pay to any such member, which amount shall constitute a lien upon any service or other pay accruing to the person from whom such advance was made and shall be collected therefrom if not otherwise paid. No disbursing or certifying officer shall be responsible for any loss incurred by reason of such ad-

(d)(1) The sums withheld from the basic or other pay of members, or collected from them by the Secretary concerned, under subsection (a) of this section, and the sums contributed from appropriations under subsection (b) of this section, together with the income derived from any dividends or premium rate adjustments received from insurers shall be deposited to the credit of a revolving fund established in the Treasury of the United States. All premium payments and extra hazard costs on Servicemembers' Group Life Insurance and the administrative cost to the Department of insurance issued under this subchapter shall be paid from the revolving

(2) The Secretary is authorized to set aside out of the revolving fund such amounts as may be required to meet the administrative costs to the Department of insurance issued under this subchapter and all current premium payments and extra hazard costs on any insurance policy or policies purchased under section 1966 of this title. The Secretary of the Treasury is authorized to invest in and to sell and retire special interest-bearing obligations of the United States for the account of the revolving fund. Such obligations issued for this purpose shall have maturities fixed with due regard for the needs of the fund and shall bear interest at a rate equal to the average market yield (computed by the Secretary of the Treasury on the basis of market quotations as of the end of the calendar month next preceding the date of issue) on all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of four years from the end of such calendar month; except that where such average market yield is not a multiple of one-eighth of 1 per centum, the rate of interest of such obligation shall be the multiple of one-eighth of 1 per centum nearest such market yield.

(3) Notwithstanding the provisions of section 1982 of this title, the Secretary shall, from time to time, determine the administrative costs to the Department which in the Secretary's judgment are properly allocable to insurance issued under this subchapter and shall transfer such cost from the revolving fund to the appropriation "General Operating Expenses, Department of Veterans Affairs".

(e) The Secretary of Defense shall prescribe regulations for the administration of the functions of the Secretaries of the military departments under this section. Such regulations shall prescribe such procedures as the Secretary of Defense, after consultation with the Secretary, may consider necessary to ensure that such functions are carried out in a timely and complete manner and in accordance with the provisions of this section, including specifically the provisions of subsection (a)(2) of this section relating to contributions from appropriations made for active duty pay.

(f)(1) No tax, fee, or other monetary payment may be imposed or collected by any State, or by any political subdivision or other governmental authority of a State, on or with respect to any premium paid under an insurance policy purchased under this subchapter.

(2) Paragraph (1) of this subsection shall not be construed to exempt any company issuing a policy of insurance under this subchapter from the imposition, payment, or collection of a tax, fee, or other monetary payment on the net income or profit accruing to or realized by that company from business conducted under this subchapter, if that tax, fee, or payment is applicable to a broad range of business activity.

(g)(1)(A) During any period in which a spouse of a member is insured under this subchapter and the member is on active duty, there shall be deducted each month from the member's basic or other pay until separation or release from active duty an amount determined by the Secretary as the premium allocable to the pay period for providing that insurance coverage. No premium may be charged for providing insurance coverage for a child.

(B) During any month in which a member is assigned to the Ready Reserve of a uniformed service under conditions which meet the qualifications set forth in section 1965(5)(B) of this title and the spouse of the member is insured under a policy of insurance purchased by the Secretary under section 1966 of this title, there shall be contributed from the appropriation made for active duty pay of

the uniformed service concerned an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring the spouse of such member under this policy, less any costs traceable to the extra hazards of such duty in the uniformed services. Any amounts so contributed on behalf of any individual shall be collected by the Secretary concerned from such individual (by deduction from pay or otherwise) and shall be credited to the appropriation from which such contribution was made.

(2)(A) The Secretary shall determine the premium amounts to be charged for life insurance coverage for spouses of members under this subchapter.

(B) The premium amounts shall be determined on the basis of sound actuarial principles and shall include an amount necessary to cover the administrative costs to the insurer or insurers providing such insurance.

(C) Each premium rate for the first policy year shall be continued for subsequent policy years, except that the rate may be adjusted for any such subsequent policy year on the basis of the experience under the policy, as determined by the Secretary in advance of that policy year.

(h) Any overpayment of a premium for insurance coverage for an insurable dependent of a member that is terminated under section 1968(a)(5) of this title shall be refunded to the member.

§ 1970. Beneficiaries; payment of insurance

(a) Any amount of insurance under this subchapter in force on any member or former member on the date of the insured's death shall be paid, upon the establishment of a valid claim therefor, to the person or persons surviving at the date of the insured's death, in the following order of precedence:

First, to the beneficiary or beneficiaries as the member or former member may have designated by a writing received prior to death (1) in the uniformed services if insured under Servicemembers' Group Life Insurance, or (2) in the administrative office established under section 1966(b) of this title if separated or released from service, or if assigned to the Retired Reserve, and insured under Servicemembers' Group Life Insurance, or if insured under Veterans' Group Life Insurance;

Second, if there be no such beneficiary, to the widow or widower of such member or former member;

Third, if none of the above, to the child or children of such member or former member and descendants of deceased children by representation; Fourth, if none of the above, to the parents of such member or former member or the survivor of them;

Fifth, if none of the above, to the duly appointed executor or administrator of the estate of such member or former member;

Sixth, if none of the above, to other next of kin of such member or former member entitled under the laws of domicile of such member or former member at the time of the insured's death.

(b) If any person otherwise entitled to payment under this section does not make claim therefor within one year after the death of the member or former member, or if payment to such person within that period is prohibited by Federal statute or regulation, payment may be made in the order of precedence as if such person had predeceased the member or former member, and any such payment shall be a bar to recovery by any other person.

(c) If, within two years after the death of the member or former member, no claim for payment has been filed by any person entitled under the order of precedence set forth in this section, and neither the Secretary nor the administrative office established by the insurance company or companies pursuant to section 1966(b) of this title has received any notice that any such claim will be made, payment may be made to a claimant as may in the judgment of the Secretary be equitably entitled thereto, and such payment shall be a bar to recovery by any other person.

(d) The member may elect settlement of insurance under this subchapter either in a lump sum or in thirty-six equal monthly installments. If no such election is made by the member the beneficiary or beneficiaries may elect settlement either in a lump sum or in thirty-six equal monthly installments. If the member has elected settlement in a lump sum, the beneficiary or beneficiaries may elect settlement in thirty-six equal monthly installments.

- (e) Until and unless otherwise changed, a beneficiary designation and settlement option filed by a member with the member's uniformed service under prior provisions of law will be effective with respect to the increased insurance authorized under the Veterans' Insurance Act of 1974 and the insurance shall be settled in the same proportionate amount as the portion designated for such beneficiary or beneficiaries bore to the amount of insurance heretofore in effect.
- (f) Notwithstanding the provisions of any other law, payment of matured Servicemembers' Group Life Insurance or Veterans' Group Life Insurance benefits may be made directly to a minor, widow or widower on the member's own behalf, and payment in such case shall be a complete acquittance to the insurer.
- (g) Any payments due or to become due under Servicemembers' Group Life Insurance or Veterans' Group Life Insurance made to, or on account of, an insured or a beneficiary shall be exempt from taxation, shall be exempt from the claims of creditors, and shall not be liable to attachment, levy, or seizure by or under any legal or equitable process whatever, either before or after receipt by the beneficiary. The preceding sentence shall not apply to (1) collection of amounts not deducted from the member's pay, or collected from the member by the Secretary concerned under section 1969(a) of this title, (2) levy under subchapter D of chapter 64 of the Internal Revenue Code of 1986 (26 U.S.C. 6331 et seq.) (relating to the sei-

zure of property for collection of taxes), and (3) the taxation of any property purchased in part or wholly out of such payments.

- (h) Insurance payable under this subchapter may not be paid in any amount to the extent that such amount would escheat to a State. Payment of insurance under this subchapter may not be made to the estate of the insured or the estate of any beneficiary of the insured unless it is affirmatively shown that any amount to be paid will not escheat to a State. Any amount to be paid under this subchapter shall be reduced to the extent necessary to comply with this subsection.
- (i) Any amount of insurance in force on an insurable dependent of a member under this subchapter on the date of the dependent's death shall be paid, upon the establishment of a valid claim therefor, to the member or, in the event of the member's death before payment to the member can be made, then to the person or persons entitled to receive payment of the proceeds of insurance on the member's life under this subchapter.

§ 1971. Basic tables of premiums; readjustment of rates

(a) Each policy or policies purchased under section 1966 of this title shall include for the first policy year a schedule of basic premium rates by age which the Secretary shall have determined on a basis consistent with the lowest schedule of basic premium rates generally charged for new group life insurance policies issued to large employers, this schedule of basic premium rates by age to be applied, except as otherwise provided in this section, to the distribution by age of the amount of group life insurance under the policy at its date of issue to determine an average basic premium per \$1,000 of insurance. Each policy so purchased shall also include provisions whereby the basic rates of premium determined for the first policy year shall be continued for subsequent policy years, except that they may be readjusted for any subsequent year, based on the experience under the policy, such readjustment to be made by the insurance company or companies issuing the policy on a basis determined by the Secretary in advance of such year to be consistent with the general practice of life insurance companies under policies of group life insurance issued to large employers.

(b) The total premiums for Servicemembers' Group Life Insurance shall be the sum of the amounts computed according to the provisions of subsection (a) above and the estimated cost traceable to the extra hazard of active duty in the uniformed services as determined by the Secretary, subject to the provision that such estimated costs traceable to the extra hazard shall be retroactively re-

adjusted annually in accordance with section 1969(b).

(c) Each policy so purchased shall include a provision that, in the event the Secretary determines that ascertaining the actual age distribution of the amounts of group life insurance in force at the date of issue of the policy or at the end of the first or any subsequent year of insurance thereunder would not be possible except at a disproportionately high expense, the Secretary may approve the determination of a tentative average group life premium, for the first or any subsequent policy year, in lieu of using the actual age distribution. Such tentative average premium rate shall be redetermined by the Secretary during any policy year upon request by the insurance company or companies issuing the policy, if experience indicates that the assumptions made in determining the tentative

average premium rate for that policy year were incorrect.

(d) Each policy so purchased shall contain a provision stipulating the maximum expense and risk charges for the first policy year, which charges shall have been determined by the Secretary on a basis consistent with the general level of such charges made by life insurance companies under policies of group life insurance issued to large employers. Such maximum charges shall be continued from year to year, except that the Secretary may redetermine such maximum charges for any year either by agreement with the insurance company or companies issuing the policy or upon written notice given by the Secretary to such companies at least one year in advance of the beginning of the year for which such redetermined

maximum charges will be effective.

(e) Each such policy shall provide for an accounting to the Secretary not later than ninety days after the end of each policy year, which shall set forth, in a form approved by the Secretary, (1) the amounts of premiums actually accrued under the policy from its date of issue to the end of such policy year, (2) the total of all mortality and other claim charges incurred for that period, and (3) the amounts of the insurers' expense and risk charge for that period. Any excess of the total of item (1) over the sum of items (2) and (3) shall be held by the insurance company or companies issuing the policy as a special contingency reserve to be used by such insurance company or companies for charges under such policy only, such reserve to bear interest at a rate to be determined in advance of each policy year by the insurance company or companies issuing the policy, which rate shall be approved by the Secretary as being consistent with the rates generally used by such company or companies for similar funds held under other group life insurance policies. If and when the Secretary determines that such special contingency reserve has attained an amount estimated by the Secretary to make satisfactory provision for adverse fluctuations in future charges under the policy, any further excess shall be deposited to the credit of the revolving fund established under section 1969(d)(1) of this title. If and when such policy is discontinued, and if after all charges have been made, there is any positive balance remaining in such special contingency reserve, such balance shall be deposited to the credit of the revolving fund, subject to the right of the insurance company or companies issuing the policy to make such deposit in equal monthly installments over a period of not more than two years.

§ 1972. Benefit certificates

The Secretary shall arrange to have each member insured under a policy purchased under section 1966 of this title receive a certificate setting forth the benefits to which the member is entitled thereunder, to whom such benefit shall be payable, to whom claims should be submitted, and summarizing the provisions of the policy principally affecting the member. Such certificate shall be in lieu of the certificate which the insurance company or companies would otherwise be required to issue.

§ 1973. Forfeiture

Any person guilty of mutiny, treason, spying, or desertion, or who, because of conscientious objections, refuses to perform service in the Armed Forces of the United States or refuses to wear the uniform of such force, shall forfeit all rights to Servicemembers' Group Life Insurance under this subchapter. No such insurance shall be payable for death inflicted as a lawful punishment for crime or for military or naval offense, except when inflicted by an enemy of the United States.

§ 1977. Veterans' Group Life Insurance

(a)(1) Veterans' Group Life Insurance shall be issued in the amounts specified in section 1967(a) of this title. In the case of any individual, the amount of Veterans' Group Life Insurance may not exceed the amount of Servicemembers' Group Life Insurance coverage continued in force after the expiration of the period of duty or travel under section 1967(b) or 1968(a) of this title. No person may carry a combined amount of Servicemembers' Group Life Insurance and Veterans' Group Life Insurance in excess of \$250,000 at any one time.

(2) If any person insured under Veterans' Group Life Insurance again becomes insured under Servicemembers' Group Life Insurance but dies before terminating or converting such person's Veterans' Group Insurance, Veterans' Group Life Insurance shall be payable only if such person is insured for less than \$250,000 under Servicemembers' Group Life Insurance, and then only in an amount which, when added to the amount of Servicemembers' Group Life Insurance payable, does not exceed \$250,000.

(b) Veterans' Group Life Insurance shall (1) provide protection against death; (2) be issued on a renewable five-year term basis; (3) have no cash, loan, paid-up, or extended values; (4) except as otherwise provided, lapse for nonpayment of premiums; and (5) contain such other terms and conditions as the Secretary determines to be reasonable and practicable which are not specifically provided for in this section, including any provisions of this subchapter not specifically made inapplicable by the provisions of this section.

(c) The premiums for Veterans' Group Life Insurance shall be established under the criteria set forth in sections 1971(a) and (c) of this title, except that the Secretary may provide for average premiums for such various age groupings as the Secretary may decide to be necessary according to sound actuarial principles, and shall include an amount necessary to cover the administrative cost of such insurance to the company or companies issuing such insurance. Such premiums shall be payable by the insureds thereunder as provided by the Secretary directly to the administrative office established for such insurance under section 1966(b) of this title.

In any case in which a member or former member who was mentally incompetent on the date such member or former member first became insured under Veterans' Group Life Insurance dies within one year of such date, such insurance shall be deemed not to have lapsed for nonpayment of premiums and to have been in force on the date of death. Where insurance is in force under the preceding sentence, any unpaid premiums may be deducted from the proceeds of the insurance. Any person who claims eligibility for Veterans' Group Life Insurance based on disability incurred during a period of duty shall be required to submit evidence of qualifying health conditions and, if required, to submit to physical examinations at

their own expense.

(d) Any amount of Veterans' Group Life Insurance in force on any person on the date of such person's death shall be paid, upon the establishment of a valid claim therefor, pursuant to the provisions of section 1970 of this title. However, any designation of beneficiary or beneficiaries for Servicemembers' Group Life Insurance filed with a uniformed service until changed, shall be considered a designation of beneficiary or beneficiaries for Veterans' Group Life Insurance, but not for more than sixty days after the effective date of the insured's Veterans' Group Insurance, unless at the end of such sixty-day period, the insured is incompetent in which event such designation may continue in force until the disability is removed but not for more than five years after the effective date of the insured's Veterans' Group Life Insurance. Except as indicated above in incompetent cases, after such sixty-day period, any designation of beneficiary or beneficiaries for Veterans' Group Life Insurance to be effective must be by a writing signed by the insured and received by the administrative office established under section 1966(b) of this title.

(e) An insured under Veterans' Group Life Insurance shall have the right at any time to convert such insurance to an individual policy of life insurance upon written application for conversion made to the participating company the insured selects and payment of the required premiums. The individual policy will be issued without medical examination on a plan then currently written by such company which does not provide for the payment of any sum less than the face value thereof or for the payment of an additional amount as premiums in the event the insured performs active duty, active duty for training, or inactive duty training. The Veterans' Group Life Insurance policy converted to an individual policy under this subsection shall terminate on the day before the date on which the individual policy becomes effective. Upon request to the administrative office established under section 1966(b) of this title, an insured under Veterans' Group Life Insurance shall be furnished a list of life insurance companies participating in the program established under this subchapter. In addition to the life insurance companies participating in the program established under this subchapter, the list furnished to an insured under this section shall include additional life insurance companies (not so participating) which meet qualifying criteria, terms, and conditions established by the Secretary and agree to sell insurance to former members in accordance with the provisions of this section.

(f) The provisions of subsections (d) and (e) of section 1971 of this title shall be applicable to Veterans' Group Life Insurance. However, a separate accounting shall be required for each program of insurance authorized under this subchapter. In such accounting, the Secretary is authorized to allocate claims and other costs among such programs of insurance according to accepted actuarial

principles.

- (g) Åny person whose Servicemembers' Group Life Insurance was continued in force after termination of duty or discharge from service under the law as in effect prior to the date on which the Veterans' Group Life Insurance program (provided for under section 1977 of this title) became effective, and whose coverage under Servicemembers' Group Life Insurance terminated less than four years prior to such date, shall be eligible within one year from the effective date of the Veterans' Group Life Insurance program to apply for and be granted Veterans' Group Life Insurance in an amount equal to the amount of the insured's Servicemembers' Group Life Insurance which was not converted to an individual policy under prior law. Veterans' Group Life Insurance issued under this subsection shall be issued for a term period equal to five years, less the time elapsing between the termination of the applicant's Servicemembers' Group Life Insurance and the effective date on which the Veterans' Group Life Insurance program became effective. Veterans' Group Life Insurance under this subsection shall only be issued upon application to the administrative office established under section 1966(b) of this title, payment of the required premium, and proof of good health satisfactory to that office, which proof shall be submitted at the applicant's own expense. Any person who cannot meet the good health requirements for insurance under this subsection solely because of a service-connected disability shall have such disability waived. For each month for which any eligible veteran, whose service-connected disabilities are waived, is insured under this subsection there shall be contributed to the insurer or insurers issuing the policy or policies from the appropriation "Compensation and Pensions, Department of Veterans Affairs" an amount necessary to cover the cost of the insurance in excess of the premiums established for eligible veterans, including the cost of the excess mortality attributable to such veteran's service-connected disabilities. The Secretary may establish, as the Secretary may determine to be necessary according to sound actuarial principles, a separate premium, age groupings for premium purposes, accounting, and reserves, for persons granted insurance under this subsection different from those established for other persons granted insurance under this section. Appropriations to carry out the purpose of this section are hereby authorized.

§ 1980. Option to receive accelerated death benefit

- (a) For the purpose of this section, a person shall be considered to be terminally ill if the person has a medical prognosis such that the life expectancy of the person is less than a period prescribed by the Secretary. The maximum length of such period may not exceed 12 months.
- (b)(1) A terminally ill person insured under Servicemembers' Group Life Insurance or Veterans' Group Life Insurance may elect to receive in a lump-sum payment a portion of the face value of the insurance as an accelerated death benefit reduced by an amount necessary to assure that there is no increase in the actuarial value of the benefit paid, as determined by the Secretary.
- (2) The Secretary shall prescribe the maximum amount of the accelerated death benefit available under this section that the Secretary finds to be administratively practicable and actuarially sound, but in no event may the amount of the benefit exceed the amount equal to 50 percent of the face value of the person's insurance in force on the date the election of the person to receive the benefit is approved.
- (3) A person making an election under this section may elect to receive an amount that is less than the maximum amount prescribed under paragraph (2). The Secretary shall prescribe the increments in which a reduced amount under this paragraph may be elected.

- (d) Deductions under section 1969 of this title and premiums under section 1977(c) of this title shall be reduced, in a manner consistent with the percentage reduction in the face value of the insurance as a result of payment of an accelerated death benefit under this section, effective with respect to any amounts which would otherwise become due on or after the date of payment under this section.
- (e) The Secretary shall prescribe regulations to carry out this section. Such regulations shall include provisions regarding—
 - (1) the form and manner in which an application for an election under this section shall be made; and
 - (2) the procedures under which any such application shall be considered.
- (f)(1) An election to receive a benefit under this section shall be irrevocable.
- (2) A person may not make more than one election under this section, even if the election of the person is to receive less than the maximum amount of the benefit available to the person under this section.
- (g) If a person insured under Servicemembers' Group Life Insurance elects to receive a benefit under this section and the person's Servicemembers' Group Life Insurance is thereafter converted to Veterans' Group Life Insurance as provided in section 1968(b) of this title, the amount of the benefit paid under this section shall reduce the amount of Veterans' Group Life Insurance available to the person under section 1977(a) of this title.
- (h) Notwithstanding any other provision of law, the amount of the accelerated death benefit received by a person under this section shall not be considered income or resources for purposes of determining eligibility for or the amount of benefits under any Federal or federally-assisted program or for any other purpose.

SUBCHAPTER IV—GENERAL

§ 1981. Replacement of surrendered and expired insurance

(a) Any person who surrendered a policy of National Service Life Insurance or United States Government life insurance on a permanent plan for its cash value while in the active service after April 24, 1951, and before January 1, 1957, who was entitled on December 31, 1958, to reinstate or replace such insurance under section 623 of the National Service Life Insurance Act of 1940, may, upon application in writing made while on continuous active duty which began before January 1, 1959, or within one hundred and twenty days after separation therefrom, be granted, without medical examination, permanent plan insurance on the same plan not in excess of the amount surrendered for cash, or may reinstate such surrendered insurance upon payment of the required reserve and the premium for the current month. Waiver of premiums and total disability income benefits otherwise authorized under this chapter

shall not be denied in any case of issue or reinstatement of insurance on a permanent plan under this section or the prior corresponding provision of law in which it is shown to the satisfaction of the Secretary that total disability of the applicant began before the date of application. The cost of the premiums waived and total disability income benefits paid by virtue of the preceding sentence and the excess mortality cost in any case where the insurance matures by death from such total disability shall be borne by the United States and the Secretary shall transfer from time to time from the National Service Life Insurance appropriation to the National Service Life Insurance Fund and from the military and naval insurance appropriation to the United States Government Life Insurance Fund such sums as may be necessary to reimburse the funds for such costs.

(b) Any person who had United States Government life insurance or National Service Life Insurance on the five-year level premium term plan, the term of which expired while such person was in the active service after April 25, 1951, or within one hundred and twenty days after separation from such active service, and in either case before January 1, 1957, who was entitled on December 31, 1958, to replace such insurance under section 623 of the National Service Life Insurance Act of 1940, shall, upon application made while on continuous active duty which began before January 1, 1959, or within one hundred and twenty days after separation therefrom, payment of premiums and evidence of good health satisfactory to the Secretary, be granted an equivalent amount of insurance on the five-year level premium term plan at the premium rate for such person's then attained age.

§ 1984. Suits on insurance

(a) In the event of disagreement as to claim, including claim for refund of premiums, under contract of National Service Life Insurance, United States Government life insurance, or yearly renewable term insurance between the Secretary and any person or persons claiming thereunder an action on the claim may be brought against the United States either in the United States District Court for the District of Columbia or in the district court of the United States in and for the district in which such person or any one of them resides, and jurisdiction is conferred upon such courts to hear and determine all such controversies. All persons having or claiming to have an interest in such insurance may be made parties to such suit, and such as are not inhabitants of or found within the district in which suit is brought may be brought in by order of the court to be served personally or by publication or in such other reasonable manner as the court may direct. In all cases where the Secretary acknowledges the indebtedness of the United States upon any such contract of insurance and there is a dispute as to the person or persons entitled to payment, a suit in the nature of a bill of interpleader may be brought at the request of the Secretary in the name of the United States against all persons having or claiming to have any interest in such insurance in the United States District Court for the District of Columbia or in the district court in and for the district in which any such claimant resides; however, no less than thirty days before instituting such suit the Secretary shall mail a notice of such intention to each of the persons to be made parties to the suit. The courts of appeals for the several circuits, including the District of Columbia, shall respectively exercise appellate jurisdiction and, except as provided in section 1254 of title 28, the decrees of such courts of appeals shall be final.

(b) No suit on yearly renewable term insurance, United States Government life insurance, or National Service Life Insurance shall be allowed under this section unless the same shall have been brought within six years after the right accrued for which the claim is made. For the purposes of this section it shall be deemed that the right accrued on the happening of the contingency on which the claim is founded. The limitation of six years is suspended for the period elapsing between the filing with the Secretary of the claim sued upon and the denial of the claim. However, if a claim is timely filed the claimant shall have not less than ninety days from the date of mailing of notice of denial within which to file suit. After June 28, 1936, notice of denial of the claim under a contract of insurance shall be by registered mail or by certified mail directed to the claimant's last address of record. Infants, insane persons, or persons under other legal disability, or persons rated as incompetent or insane by the Secretary shall have three years in which to bring suit after the removal of their disabilities. If suit is seasonably begun and fails for defect in process, or for other reasons not affecting the merits, a new action, if one lies, may be brought within a year though the period of limitation has elapsed. No State or

other statute of limitations shall be applicable to suits filed under this section.

- (c) In any suit, action, or proceeding brought under the provisions of this section subpenas for witnesses who are required to attend a court of the United States in any district may run into any other district. However, no writ of subpena shall issue for witnesses living out of the district in which the court is held at a greater distance than one hundred miles from the place of holding the same without the permission of the court being first had upon proper application and cause shown. The word "district" and the words "district court" as used in this section shall be construed to include the District of Columbia and the United States District Court for the District of Columbia.
- (d) Attorneys of the Department, when assigned to assist in the trial of cases, and employees of the Department when ordered in writing by the Secretary to appear as witnesses, shall be paid the regular travel and subsistence allowance paid to other employees when on official travel status.
- (e) Part-time and fee-basis employees of the Department, in addition to their regular travel and subsistence allowance, when ordered in writing by the Secretary to appear as witnesses in suits under this section, may be allowed, within the discretion and under written orders of the Secretary, a fee in an amount not to exceed \$50 per day.

(f) Employees of the Department who are subpensed to attend the trial of any suit, under the provisions of this section, as witnesses for a party to such suit shall be granted court leave or authorized absence, as applicable, for the period they are required to be away from the Department in answer to such subpense.

(g) Whenever a judgment or decree shall be rendered in an action brought under the provisions of this section, the court, as a part of its judgment or decree, shall determine and allow reasonable fees for the attorneys of the successful party or parties and apportion same if proper, said fees not to exceed 10 per centum of the amount recovered and to be paid by the Department out of the payments to be made under the judgment or decree at a rate not exceeding one-tenth of each of such payments until paid; except that, in a suit brought by or on behalf of an insured during the insured's lifetime for waiver of premiums on account of total disability, the court, as part of its judgment or decree, shall determine and allow a reasonable fee to be paid by the insured to the insured's attorney.

(h) The term "claim" as used in this section means any writing which uses words showing an intention to claim insurance benefits; and the term "disagreement" means a denial of the claim, after consideration on its merits, by the Secretary or any employee or organizational unit of the Department heretofore or hereafter designated therefor by the Secretary.

(i) The Attorney General of the United States is authorized to agree to a judgment to be rendered by the chief judge of the United States court having jurisdiction of the case, pursuant to compromise approved by the Attorney General upon the recommendation of the United States attorney charged with the defense, upon such terms and for sums within the amount claimed to be payable, in any suit brought under the provisions of this section, on a con-

tract of yearly renewable term insurance, and the Secretary shall make payments in accordance with any such judgment. The Comptroller General of the United States shall allow credit in the accounts of disbursing officers for all payments of insurance made in accordance with any such judgment. All such judgments shall constitute final settlement of the claim and no appeal therefrom shall be authorized.

Except in the event of suit as provided in section 1984 of this title, or other appropriate court proceedings, all decisions rendered by the Secretary under the provisions of this chapter shall be final and conclusive on all questions of law or fact, and no other official of the United States shall have jurisdiction to review any such decisions.

§ 2302. Funeral expenses

- (a) In the case of a deceased veteran—
 - (1) who at the time of death was in receipt of compensation (or but for the receipt of retirement pay would have been entitled to compensation) or was in receipt of pension, or

- (2) who was a veteran of any war or was discharged or released from the active military, naval, or air service for a disability incurred or aggravated in line of duty, whose body is held by a State (or a political subdivision of a State), and with respect to whom the Secretary determines—
 - (A) that there is no next of kin or other person claiming the body of the deceased veteran, and
 - (B) that there are not available sufficient resources to cover burial and funeral expenses,

the Secretary, in the Secretary's discretion, having due regard to the circumstances in each case, may pay a sum not exceeding \$300 to such person as the Secretary prescribes to cover the burial and funeral expenses of the deceased veteran and the expense of preparing the body and transporting it to the place of burial. For the purpose of this subsection, the term "veteran" includes a person who died during a period deemed to be active military, naval, or air service under section 106(c) of this title.

(b) Except as hereafter provided in this subsection, no deduction shall be made from the burial allowance because of the veteran's net assets at the time of the death of such veteran, or because of any contribution from any source toward the burial and funeral expenses (including transportation) unless the amount of expenses incurred is covered by the amount actually paid therefor by the United States, a State, any agency or political subdivision of the United States or of a State, or the employer of the deceased veteran. No claim shall be allowed (1) for more than the difference between the entire amount of the expenses incurred and the amount paid by any or all of the foregoing, or (2) when the burial allowance would revert to the funds of a public or private organization or would discharge such an organization's obligation without payment. The burial allowance or any part thereof shall not be paid in any case where specific provision is otherwise made for payment of expenses of funeral, transportation, and interment under any other Act.

§ 2303. Death in Department facility; plot allowance

(a)(1) When a veteran dies in a facility described in paragraph (2), the Secretary shall—

(A) pay the actual cost (not to exceed \$300) of the burial and funeral or, within such limits, may make contracts for such services without regard to the laws requiring advertisement for proposals for supplies and services for the Department; and

under section 1741 of this title.

- (b) In addition to the benefits provided for under section 2302 of this title and subsection (a) of this section, in the case of a veteran who is eligible for a burial allowance under such section 2302, or under such subsection, who was discharged from the active military, naval, or air service for a disability incurred or aggravated in line of duty, or who is a veteran of any war and who is not buried in a national cemetery or other cemetery under the jurisdiction of the United States—
 - (1) if such veteran is buried (without charge for the cost of a plot or interment) in a cemetery, or a section of a cemetery, that (A) is used solely for the interment of persons who are (i) eligible for burial in a national cemetery, and (ii) members of a reserve component of the Armed Forces not otherwise eligible for such burial or former members of such a reserve component not otherwise eligible for such burial who are discharged or released from service under conditions other than dishonorable, and (B) is owned by a State or by an agency or political subdivision of a State, the Secretary shall pay to such State, agency, or political subdivision the sum of \$300 as a plot or interment allowance for such veteran; and
 - (2) if such veteran (other than a veteran whose eligibility for benefits under this subsection is based on being a veteran of any war) is buried in a cemetery, or a section of a cemetery, other than as described in clause (1) of this subsection, the Secretary shall pay a sum not exceeding \$300 as a plot or interment allowance to such person as the Secretary prescribes, except that if any part of the plot or interment costs of a burial to which this clause applies has been paid or assumed by a State, an agency or political subdivision of a State, or a former employer of the deceased veteran, no claim for such allowance shall be allowed for more than the difference between the entire amount of the expenses incurred and the amount paid or assumed by any or all of the foregoing entities.

§ 2304. Claims for reimbursement

Applications for payments under section 2302 of this title must be filed within two years after the burial of the veteran. If the burial allowance was not payable at the death of the veteran because of the nature of the veteran's discharge from the service, but after the veteran's death the veteran's discharge has been corrected by competent authority so as to reflect a discharge from the service under conditions other than dishonorable, then the burial allowance may be paid if a claim is filed within two years from the date of correction of the discharge. If a claimant's application is incomplete at the time it is originally submitted, the Secretary shall notify the applicant of the evidence necessary to complete the application. If such evidence is not received within one year from the date of such notification, no allowance may be paid.

§ 2305. Persons eligible under prior law

The death of any person who had a status which would, under the laws in effect on December 31, 1957, afford entitlement to the burial benefits and other benefits provided for in this chapter, but who did not meet the service requirements contained in this chapter, shall afford entitlement to such benefits, notwithstanding the failure of such person to meet such service requirements.

§ 2306. Headstones, markers, and burial receptacles

(a) The Secretary shall furnish, when requested, appropriate Government headstones or markers at the expense of the United States for the unmarked graves of the following:

(1) Any individual buried in a national cemetery or in a post

(4) Any individual described in section 2402(5) of this title who is buried in a veterans' cemetery owned by a State.

(5) Any individual who at the time of death was entitled to retired pay under chapter 1223 of title 10 or would have been entitled to retired pay under that chapter but for the fact that

the person was under 60 years of age.

(b)(1) The Secretary shall furnish, when requested, an appropriate memorial headstone or marker for the purpose of commemorating an eligible individual whose remains are unavailable. Such a headstone or marker shall be furnished for placement in a national cemetery area reserved for that purpose under section 2403 of this title, a veterans' cemetery owned by a State, or, in the case of a veteran, in a State, local, or private cemetery.

- (2) For purposes of paragraph (1), an eligible individual is any of the following:
 - (A) A veteran.

(B) The spouse or surviving spouse of a veteran.

- (B) The term "surviving spouse" includes an unremarried surviving spouse whose subsequent remarriage was terminated by death or divorce.
- (c) A headstone or marker furnished under subsection (a), (b), or (d) of this section may be of any material, including but not limited to marble, granite, bronze, or slate, requested by the person entitled to request such headstone or marker if the material requested is determined by the Secretary (1) to be cost effective, and (2) in a case in which the headstone or marker is to be placed in a national cemetery, to be aesthetically compatible with the area of the cemetery in which it is to be placed.
- (d)(1) The Secretary shall furnish, when requested, an appropriate Government marker at the expense of the United States for the grave of an individual described in paragraph (2) or (5) of subsection (a) who is buried in a private cemetery, notwithstanding that the grave is marked by a headstone or marker furnished at private expense. Such a marker may be furnished only if the individual making the request for the Government marker certifies to the Secretary that the marker will be placed on the grave for which the marker is requested.
- (2) Any marker furnished under this subsection shall be delivered by the Secretary directly to the cemetery where the grave is located.
- (3) The authority to furnish a marker under this subsection expires on December 31, 2006.
- (4) Not later than February 1, 2006, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report on the use of the authority under this subsection. The report shall include the following:

- (3) Regulations or procedures under paragraph (2) may specify that—
 - (A) an outer burial receptacle other than a grave liner be provided in lieu of a grave liner at the election of the survivors of the interred veteran; and
 - (B) if an outer burial receptacle other than a grave liner is provided in lieu of a grave liner upon an election of such survivors, such survivors be required—
 - (i) to pay the amount by which the cost of the outer burial receptacle exceeds the cost of the grave liner that would otherwise have been provided in the absence of the election; and
 - (ii) to pay the amount of the administrative costs incurred by the Secretary (or, with respect to Arlington National Cemetery, the Secretary of the Army) in providing the outer burial receptacle in lieu of such grave liner.
- (4) Regulations or procedures under paragraph (2) may provide for the use of a voucher system, or other system of reimbursement approved by the Secretary (or, with respect to Arlington National Cemetery, the Secretary of the Army), for payment for outer burial receptacles other than grave liners provided under such regulations or procedures.
- (f)(1) When the Secretary has furnished a headstone or marker under subsection (a) for the unmarked grave of an individual, the Secretary shall, if feasible, add a memorial inscription to that headstone or marker rather than furnishing a separate headstone or marker under that subsection for the surviving spouse of such individual.
- (2) When the Secretary has furnished a memorial headstone or marker under subsection (b) for purposes of commemorating a veteran or an individual who died in the active military, naval, or air service, the Secretary shall, if feasible, add a memorial inscription to that headstone or marker rather than furnishing a separate memorial headstone or marker under that subsection for the surviving spouse of such individual.

Where a veteran dies as the result of a service-connected disability, or is in receipt of (but for the receipt of retirement pay or pension under this title would have been entitled to) disability compensation, the Secretary may pay, in addition to any amount paid pursuant to section 2302 or 2307 of this title, the cost of transportation of the deceased veteran for burial in a national cemetery.  - (1) enrolled in an approved program of education that leads to employment in a high technology industry (as determined pursuant to regulations prescribed by the Secretary); and
 - (2) charged tuition and fees for the program of education that, when divided by the number of months (and fractions thereof) in the enrollment period, exceeds the amount equal to 200 percent of the monthly rate of basic educational assistance

 $^{^1\}mathrm{As}$ provided by section 104(c) of P.L. 107–103, section 3014A takes effect on October 1, 2002, and applies with respect to enrollments in courses or programs of education or training beginning on or after that date.

(c)(1) The amount of the accelerated payment of basic educational assistance made to an individual making an election under subsection (a) for a program of education shall be the lesser of—

(A) the amount equal to 60 percent of the established

charges for the program of education; or

(B) the aggregate amount of basic educational assistance to which the individual remains entitled under this chapter at the time of the payment.

(2) In this subsection, the term "established charges", in the case of a program of education, means the actual charges (as determined pursuant to regulations prescribed by the Secretary) for tuition and fees which similarly circumstanced nonveterans enrolled in the program of education would be required to pay. Established charges shall be determined on the following basis:

(A) In the case of an individual enrolled in a program of education offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the term, quarter, or se-

mester.

(3) The educational institution providing the program of education for which an accelerated payment of basic educational assistance allowance is elected by an individual under subsection (a) shall certify to the Secretary the amount of the established charges for the program of education.

(2) If the monthly rate of basic educational assistance allowance otherwise payable to an individual under section 3015 of this title increases during the enrollment period of a program of education for which an accelerated payment of basic educational assistance is made under this section, the charge to the individual's entitlement to basic educational assistance under this chapter shall be deter-

(f) The Secretary may not make an accelerated payment under this section for a program of education to an individual who has received an advance payment under section 3680(d) of this title for

- (D) for months occurring during a subsequent fiscal year, the amount for months occurring during the previous fiscal year increased under subsection (h); or
- (2) at an appropriately reduced rate, as determined under regulations which the Secretary shall prescribe, for an approved program of education pursued on less than a full-time basis.
- (b) In the case of an individual entitled to an educational assistance allowance under section 3011 or 3018 of this title whose obligated period of active duty on which such entitlement is based is two years, a basic educational assistance allowance under this chapter shall (except as provided in the succeeding subsections of this section) be paid—

(1) for an approved program of education pursued on a full-

time basis, at the monthly rate of—

- (A) for months beginning on or after January 1, 2002, \$650;

may not exceed \$950 per month.

(2) In the case of an individual who after October 7, 1997, receives an enlistment bonus under section 308a or 308f of title 37, receipt of that bonus does not affect the eligibility of that individual for an increase under paragraph (1) in the rate of the basic educational assistance allowance applicable to that individual, and the Secretary concerned may provide such an increase for that individual (and enter into an agreement with that individual that the United States agrees to make payments pursuant to such an increase) without regard to any provision of law (enacted before, on, or after the date of the enactment of this paragraph) that limits the

authority to make such payments.

(e)(1)(A) Except as provided in subparagraph (B) of this paragraph and subject to paragraph (2) of this subsection, in the case of an individual who on December 31, 1989, was entitled to educational assistance under chapter 34 of this title, the rate of the basic educational assistance allowance applicable to such individual under this chapter shall be increased by the amount equal to one-half of the educational assistance allowance that would be applicable to such individual under such chapter 34 (as of the time the assistance under this chapter is provided and based on the rates in effect on December 31, 1989) if such chapter were in effect.

(2) The number of months for which the rate of the basic educational assistance allowance applicable to an individual is increased under paragraph (1) of this subsection may not exceed the number of months of entitlement to educational assistance under chapter 34 of this title that the individual had remaining on De-

cember 31, 1989.

- (f) In the case of an individual for whom the Secretary of Defense made contributions under section 3222(c) of this title and who is entitled to educational assistance under section 3018A, 3018B, or 3018C of this chapter, the Secretary shall increase the rate of the basic educational assistance allowance applicable to such individual in excess of the rate provided under subsection (a) of this section in a manner consistent with, as determined by the Secretary of Defense, the agreement entered into with such individual pursuant to the rules and regulations issued by the Secretary of Defense under section 3222(c) of this title.
- (g) In the case of an individual who has made contributions authorized by section 3011(e) or 3012(f) of this title, effective as of the first day of the enrollment period following receipt of such contributions from such individual by the Secretary concerned, the monthly amount of basic educational assistance allowance applicable to such individual under subsection (a), (b), or (c) shall be the monthly rate otherwise provided for under the applicable subsection increased by—
 - (1) an amount equal to \$5 for each \$20 contributed by such individual under section 3011(e) or 3012(f) of this title, as the case may be, for an approved program of education pursued on a full-time basis; or
 - (2) an appropriately reduced amount based on the amount so contributed, as determined under regulations which the Secretary shall prescribe, for an approved program of education pursued on less than a full-time basis.
- (h) With respect to any fiscal year, the Secretary shall provide a percentage increase (rounded to the nearest dollar) in the rates payable under subsections (a)(1) and (b)(1) equal to the percentage by which—
 - (1) the Consumer Price Index (all items, United States city average) for the 12-month period ending on the June 30 preceding the beginning of the fiscal year for which the increase is made, exceeds
 - (2) such Consumer Price Index for the 12-month period preceding the 12-month period described in paragraph (1).

SUBCHAPTER IV—TIME LIMITATION FOR USE OF ELIGI-BILITY AND ENTITLEMENT; GENERAL AND ADMINISTRA-TIVE PROVISIONS

§3031. Time limitation for use of eligibility and entitlement

- (a) Except as provided in subsections (b) through (g), and subject to subsection (h), of this section, the period during which an individual entitled to educational assistance under this chapter may use such individual's entitlement expires at the end of the 10-year period beginning on the date of such individual's last discharge or release from active duty, except that such 10-year period shall begin—
 - (1) in the case of an individual who becomes entitled to such assistance under clause (A) or (B) of section 3012(a)(1) of this

title, on the later of the date of such individual's last discharge or release from active duty or the date on which the four-year requirement described in clause (A)(ii) or (B)(ii), respectively, of such section 3012(a)(1) is met;

(2) in the case of an individual who becomes entitled to such assistance under section 3011(a)(1)(B), on the later of the date of such individual's last discharge or release from active duty

or January 1, 1990; and

(3) in the case of an individual who becomes entitled to such assistance under section 3011(a)(1)(C) or 3012(a)(1)(C) of this

title, on the date of the enactment of this paragraph.

(b) In the case of any eligible individual who has been prevented, as determined by the Secretary, from pursuing a program of education under this chapter within the 10-year period prescribed by subsection (a) of this section because such individual had not met the nature of discharge requirement of this chapter before the nature of such individual's discharge or release was changed by appropriate authority, such 10-year period shall not run during the period of time that such individual was so prevented from pursuing such program of education.

(c) In the case of an individual eligible for educational assistance under the provisions of this chapter who, after such individual's last discharge or release from active duty, was detained by a foreign government or power, the 10-year period described in subsection (a) of this section shall not run (1) while such individual is so detained, or (2) during any period immediately following such individual's release from such detention during which such individual is hospitalized at a military, civilian, or Department of Veterans

Affairs medical facility.

(d) In the case of an individual eligible for educational assistance under this chapter—

(1) who was prevented from pursuing such individual's chosen program of education before the expiration of the 10-year period for use of entitlement under this chapter otherwise applicable under this section because of a physical or mental disability which was not the result of the individual's own willful misconduct, and

(2) who applies for an extension of such 10-year period within one year after (A) the last day of such period, or (B) the last day on which such individual was so prevented from pursuing

such program, whichever is later,

such 10-year period shall not run with respect to such individual during the period of time that such individual was so prevented from pursuing such program and such 10-year period will again begin running on the first day following such individual's recovery from such disability on which it is reasonably feasible, as determined under regulations which the Secretary shall prescribe, for such individual to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(e)(1) Except as provided in paragraph (2) of this subsection, in the case of an individual described in section 3011(a)(1)(B), 3011(a)(1)(C), 3012(a)(1)(B), or 3012(a)(1)(C) of this title who is entitled to basic educational assistance under this chapter, the 10-year period prescribed in subsection (a) of this section shall be re-

duced by an amount of time equal to the amount of time that such individual was not serving on active duty during the period begin-

ning on January 1, 1977, and ending on June 30, 1985.

(2) In the case of an individual to which paragraph (1) of this subsection is applicable and who is described in section 3452(a)(1)(B) of this title, the 10-year period prescribed in subsection (a) of this section shall not be reduced by any period in 1977 before the individual began serving on active duty.

- (f)(1) If an individual eligible for educational assistance under this chapter is enrolled under this chapter in an educational institution regularly operated on the quarter or semester system and the period of such individual's entitlement under this chapter would, under section 3013, expire during a quarter or semester, such period shall be extended to the end of such quarter or semester.
- (2) If an individual eligible for educational assistance under this chapter is enrolled under this chapter in an educational institution not regularly operated on the quarter or semester system and the period of such individual's entitlement under this chapter would, under section 3013, expire after a major portion of the course is completed, such period shall be extended to the end of the course or for 12 weeks, whichever is the lesser period of extension.
- (g) In the case of an individual described in section 3011(f)(3) of this title, the period during which that individual may use the individual's entitlement to educational assistance allowance expires on the last day of the 10-year period beginning on the date of the enactment of the Veterans Millennium Health Care and Benefits Act if that date is later than the date that would otherwise be applicable to that individual under this section.
- (h) For purposes of subsection (a) of this section, an individual's last discharge or release from active duty shall not include any discharge or release from a period of active duty of less than 90 days of continuous service unless the individual involved is discharged or released for a service-connected disability, for a medical condition which preexisted such service and which the Secretary determines is not service connected, for hardship, or as result of a reduction in force as described in section 3011(a)(1)(A)(ii)(III) of this title.

- (a) In the case of an individual entitled to educational assistance under this chapter who is pursuing a program of education—
 - (1) while on active duty; or
 - (2) on less than a half-time basis,

the amount of the monthly educational assistance allowance payable to such individual under this chapter is the amount determined under subsection (b) of this section.

(b) The amount of the educational assistance allowance payable to an individual described in subsection (a) of this section is the least of the following: (1) the amount of the educational assistance allowance otherwise payable to such individual under this chapter, (2) the established charges for tuition and fees that the educational institution involved requires similarly circumstanced nonveterans enrolled in the same program to pay, or (3) the amount of the charges of the educational institution elected by the individual under section 3014(b)(1) of this title.

(c)(1) Except as provided in paragraph (2) of this subsection, the amount of the monthly educational assistance allowance payable to an individual pursuing a full-time program of apprenticeship or other on-job training under this chapter is—

(A) for each of the first six months of the individual's pursuit of such program, 75 percent of the monthly educational assistance allowance otherwise payable to such individual under this

(B) for each of the second six months of the individual's pursuit of such program, 55 percent of such monthly educational

assistance allowance; and

(C) for each of the months following the first 12 months of the individual's pursuit of such program, 35 percent of such

monthly educational assistance allowance.

(2) In any month in which an individual pursuing a program of education consisting of a program of apprenticeship or other on-job training fails to complete 120 hours of training, the amount of monthly educational assistance allowance payable under this chapter to the individual shall be limited to the same proportion of the applicable rate determined under paragraph (1) of this subsection as the number of hours worked during such month, rounded to the nearest eight hours, bears to 120 hours.

(3)(A) Except as provided in subparagraph (B) of this paragraph, for each month that an individual is paid a monthly educational assistance allowance under this chapter, the individual's entitlement

under this chapter shall be charged at the rate of-

(i) 75 percent of a month in the case of payments made in accordance with paragraph (1)(A) of this subsection;

(ii) 55 percent of a month in the case of payments made in accordance with paragraph (1)(B) of this subsection; and

(iii) 35 percent of a month in the case of payments made in accordance with paragraph (1)(C) of this subsection.

(B) Any such charge to the individual's entitlement shall be reduced proportionately in accordance with the reduction in payment

under paragraph (2) of this subsection.

(d)(1)(A) The amount of the educational assistance allowance payable under this chapter to an individual who enters into an agreement to pursue, and is pursuing, a program of education exclusively by correspondence is an amount equal to 55 percent of the established charge which the institution requires nonveterans to pay for the course or courses pursued by such individual.

(B) For purposes of this paragraph, the term "established charge"

means the lesser of-

(i) the charge for the course or courses determined on the basis of the lowest extended time payment plan offered by the institution and approved by the appropriate State approving agency; or

(ii) the actual charge to the individual for such course or courses.

(2) Such allowance shall be paid quarterly on a pro rata basis for the lessons completed by the individual and serviced by the institution

(3) In each case in which the rate of payment to an individual is determined under paragraph (1) of this subsection, the period of entitlement of such individual under this chapter shall be charged at the rate of one month for each payment of educational assistance to the individual that is equal to the amount of monthly educational assistance the individual would otherwise be eligible to receive for full-time pursuit of an institutional course under this chapter.

(e)(1) Notwithstanding subsection (a) of this section, each individual who is pursuing a program of education consisting exclusively of flight training approved as meeting the requirements of section 3034(d) of this title shall be paid an educational assistance allowance under this chapter in the amount equal to 60 percent of the established charges for tuition and fees which similarly circumstanced nonveterans enrolled in the same flight course are required to pay.

(2) No educational assistance allowance may be paid under this chapter to an individual for any month during which such individual is pursuing a program of education consisting exclusively of flight training until the Secretary has received from that individual and the institution providing such training a certification of the flight training received by the individual during that month and the tuition and other fees charged for that training.

(3) The number of months of entitlement charged in the case of any individual for a program of education described in paragraph (1) of this subsection shall be equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such program by the monthly rate of educational assistance which, except for paragraph (1) of this subsection, such individual would otherwise be paid under subsection (a)(1), (b)(1), (d), or (e)(1) of section 3015 of this title, as the case may be.

(4) The number of solo flying hours for which an individual may be paid an educational assistance allowance under this subsection may not exceed the minimum number of solo flying hours required by the Federal Aviation Administration for the flight rating or certification which is the goal of the individual's flight training.

(f)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a licensing or certification test described in section 3452(b) of this title is the lesser of \$2,000 or the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for such licensing or certification test is equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such test by the full-time monthly institutional rate of educational assistance which, except for paragraph (1), such individual would otherwise be

paid under subsection (a)(1), (b)(1), (d), or (e)(1) of section 3015 of this title, as the case may be.

(3) In no event shall payment of educational assistance under this subsection for such a test exceed the amount of the individual's available entitlement under this chapter.

§3103. Periods of eligibility

(a) Except as provided in subsection (b), (c), or (d) of this section, a rehabilitation program may not be afforded to a veteran under this chapter after the end of the twelve-year period beginning on the date of such veteran's discharge or release from active military, naval, or air service.

(b)(1) In any case in which the Secretary determines that a veteran has been prevented from participating in a vocational rehabilitation program under this chapter within the period of eligibility prescribed in subsection (a) of this section because a medical condition of such veteran made it infeasible for such veteran to participate in such a program, the twelve-year period of eligibility shall not run during the period of time that such veteran was so prevented from participating in such a program, and such period of eligibility shall again begin to run on the first day following such veteran's recovery from such condition on which it is reasonably feasible, as determined under regulations which the Secretary shall prescribe, for such veteran to participate in such a program.

(2) In any case in which the Secretary determines that a veteran has been prevented from participating in a vocational rehabilita-

tion program under this chapter within the period of eligibility prescribed in subsection (a) of this section because—

(A) such veteran had not met the requirement of a discharge or release from active military, naval, or air service under conditions other than dishonorable before (i) the nature of such discharge or release was changed by appropriate authority, or (ii) the Secretary determined, under regulations prescribed by the Secretary, that such discharge or release was under conditions other than dishonorable, or

(B) such veteran's discharge or dismissal was, under section 5303 of this title, a bar to benefits under this title before the Secretary made a determination that such discharge or dis-

missal is not a bar to such benefits,

the twelve-year period of eligibility shall not run during the period of time that such veteran was so prevented from participating in

such a program.

(3) In any case in which the Secretary determines that a veteran has been prevented from participating in a vocational rehabilitation program under this chapter within the period of eligibility prescribed in subsection (a) of this section because such veteran had not established the existence of a service-connected disability rated at 10 percent or more, the twelve-year period of eligibility shall not run during the period such veteran was so prevented from participating in such a program.

(c) In any case in which the Secretary determines that a veteran is in need of services to overcome a serious employment handicap, such veteran may be afforded a vocational rehabilitation program after the expiration of the period of eligibility otherwise applicable to such veteran if the Secretary also determines, on the basis of such veteran's current employment handicap and need for such services, that an extension of the applicable period of eligibility is

necessary for such veteran and-

(1) that such veteran had not previously been rehabilitated

to the point of employability;

(2) that such veteran had previously been rehabilitated to the point of employability but (A) the need for such services had arisen out of a worsening of such veteran's service-connected disability that precludes such veteran from performing the duties of the occupation for which such veteran was previously trained in a vocational rehabilitation program under this chapter, or (B) the occupation for which such veteran had been so trained is not suitable in view of such veteran's current employment handicap and capabilities; or

(3) under regulations which the Secretary shall prescribe, that an extension of the period of eligibility of such veteran is necessary to accomplish the purposes of a rehabilitation pro-

gram for such veteran.

(d) In any case in which the Secretary has determined that a veteran's disability or disabilities are so severe that the achievement of a vocational goal currently is not reasonably feasible, such veteran may be afforded a program of independent living services and assistance in accordance with the provisions of section 3120 of this title after the expiration of the period of eligibility otherwise applicable to such veteran if the Secretary also determines that an ex-

tension of the period of eligibility of such veteran is necessary for such veteran to achieve maximum independence in daily living.

(e) In any case in which the Secretary has determined that a veteran was prevented from participating in a vocational rehabilitation program under this chapter within the period of eligibility otherwise prescribed in this section as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10, such period of eligibility shall not run for the period of such active duty service plus four months. (Added P.L. 96–466, \$101(a), Oct. 17, 1980, 94 Stat. 2173, \$1503; amended P.L. 99–576, \$333(b)(2), Oct. 28, 1986, 100 Stat. 3279; P.L. 101–237, \$423(b)(1)(A), Dec. 18, 1989, 103 Stat. 2092; P.L. 102–40, \$402(d)(1), May 7, 1991, 105 Stat. 239; renumbered \$3103 and amended, P.L. 102–83, \$5(a), (c)(1), Aug. 6, 1991, 105 Stat. 406; P.L. 103–446, \$1201(d)(8), Nov. 2, 1994, 108 Stat. 4684; P.L. 104–275, \$101(c), Oct. 9, 1996, 110 Stat. 3324; P.L. 107–103, \$103(c)(2), Dec. 27, 2001, 115 Stat. 979.)

shall prescribe, include the following:

- (1) Evaluation, including periodic reevaluations as appropriate with respect to a veteran participating in a rehabilitation program, of the potential for rehabilitation of a veteran, including diagnostic and related services (A) to determine whether the veteran has an employment handicap or a serious employment handicap and whether a vocational goal is reasonably feasible for such veteran, and (B) to provide a basis for planning a suitable vocational rehabilitation program or a program of services and assistance to improve the vocational rehabilitation potential or independent living status of such veteran, as appropriate.
- (2) Educational, vocational, psychological, employment, and personal adjustment counseling.
- (3) An allowance and other appropriate assistance, as authorized by section 3108 of this title.

- (13) Travel and incidental expenses under the terms and conditions set forth in section 111 of this title, plus, in the case of a veteran who because of such veteran's disability has transportation expenses in addition to those incurred by persons not so disabled, a special transportation allowance to defray such additional expenses during rehabilitation, job seeking, and the initial employment stage.

(14) Special services (including services related to blindness

and deafness) including—

(A) language training, speech and voice correction, training in ambulation, and one-hand typewriting;

§ 3105. Duration of rehabilitation programs

- (a) In any case in which the Secretary is unable to determine whether it currently is reasonably feasible for a veteran to achieve a vocational goal, the period of extended evaluation under section 3106(c) of this title may not exceed twelve months, except that such period may be extended for additional periods of up to six months each if the Secretary determines before granting any such extension that it is reasonably likely that, during the period of any such extension, a determination can be made whether the achievement of a vocational goal is reasonably feasible in the case of such veteran.
- (b) Except as provided in subsection (c) of this section, the period of a vocational rehabilitation program for a veteran under this chapter following a determination of the current reasonable feasi-

bility of achieving a vocational goal may not exceed forty-eight months, except that the counseling and placement and postplacement services described in section 3104(a)(2) and (5) of this title may be provided for an additional period not to exceed eighteen months in any case in which the Secretary determines the provision of such counseling and services to be necessary to accomplish the purposes of a rehabilitation program in the individual case

- (c) The Secretary may extend the period of a vocational rehabilitation program for a veteran to the extent that the Secretary determines that an extension of such period is necessary to enable such veteran to achieve a vocational goal if the Secretary also determines—
 - (1) that such veteran had previously been rehabilitated to the point of employability but (A) such veteran's need for further vocational rehabilitation has arisen out of a worsening of such veteran's service-connected disability that precludes such veteran from performing the duties of the occupation for which such veteran had been so rehabilitated, or (B) the occupation for which such veteran had been so rehabilitated is not suitable in view of such veteran's current employment handicap and capabilities; or

(2) under regulations which the Secretary shall prescribe, that such veteran has a serious employment handicap and that an extension of such period is necessary to accomplish the pur-

poses of a rehabilitation program for such veteran.

(d) Unless the Secretary determines that a longer period is necessary and likely to result in a substantial increase in a veteran's level of independence in daily living, the period of a program of independent living services and assistance for a veteran under this chapter (following a determination by the Secretary that such veteran's disability or disabilities are so severe that the achievement of a vocational goal currently is not reasonably feasible) may not exceed twenty-four months.

(e)(1) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of a subsistence allowance and other assistance described in paragraph (2) shall not—

(A) be charged against any entitlement of any veteran under

this chapter; or

- (B) be counted toward the aggregate period for which section 3695 of this title limits an individual's receipt of allowance or assistance.
- (2) The payment of the subsistence allowance and other assistance referred to in paragraph (1) is the payment of such an allowance or assistance for the period described in paragraph (3) to a veteran for participation in a vocational rehabilitation program under this chapter if the Secretary finds that the veteran had to suspend or discontinue participation in such vocational rehabilitation program as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10.
- (3) The period for which, by reason of this subsection, a subsistence allowance and other assistance is not charged against entitlement or counted toward the applicable aggregate period under sec-

tion 3695 of this title shall be the period of participation in the vocational rehabilitation program for which the veteran failed to receive credit or with respect to which the veteran lost training time, as determined by the Secretary.

§ 3106. Initial and extended evaluations; determinations regarding serious employment handicap

(a) The Secretary shall provide any veteran who has a service-connected disability rated at 10 percent or more and who applies for benefits under this chapter with an initial evaluation consisting of such services described in section 3104(a)(1) of this title as are necessary (1) to determine whether such veteran is entitled to and eligible for benefits under this chapter, and (2) in the case of a veteran who is determined to be entitled to and eligible for such benefits, to determine—

(A) whether such veteran has a serious employment handi-

cap, and

(B) whether the achievement of a vocational goal currently is reasonably feasible for such veteran if it is reasonably feasible to make such determination without extended evaluation.

- (b) In any case in which the Secretary has determined that a veteran has a serious employment handicap and that the achievement of a vocational goal currently is reasonably feasible for such veteran, such veteran shall be provided an individualized written plan of vocational rehabilitation developed under section 3107(a) of this title.
- (c) In any case in which the Secretary has determined that a veteran has a serious employment handicap but the Secretary is unable to determine, in an initial evaluation pursuant to subsection (a) of this section, whether or not the achievement of a vocational goal currently is reasonably feasible, such veteran shall be provided with an extended evaluation consisting of the services described in section 3104(a)(1) of this title, such services under this chapter as the Secretary determines necessary to improve such veteran's potential for participation in a program of services designed to achieve a vocational goal and enable such veteran to achieve maximum independence in daily living, and assistance as authorized by section 3108 of this title.
- (d) In any case in which the Secretary has determined that a veteran has a serious employment handicap and also determines, following such initial and any such extended evaluation, that achievement of a vocational goal currently is not reasonably feasible, the Secretary shall determine whether the veteran is capable of participating in a program of independent living services and assistance under section 3120 of this title.
- (e) The Secretary shall in all cases determine as expeditiously as possible whether the achievement of a vocational goal by a veteran currently is reasonably feasible. In the case of a veteran provided extended evaluation under subsection (c) of this section (including

any periods of extensions under section 3105(a) of this title), the Secretary shall make such determination not later than the end of such extended evaluation or period of extension, as the case may be. In determining whether the achievement of a vocational goal currently is reasonably feasible, the Secretary shall resolve any reasonable doubt in favor of determining that such achievement currently is reasonably feasible.

(f) In connection with each period of extended evaluation of a veteran and each rehabilitation program for a veteran who is determined to have a serious employment handicap, the Secretary shall assign a Department of Veterans Affairs employee to be responsible for the management and followup of the provision of all services (including appropriate coordination of employment assistance under section 3117 of this title) and assistance under this chapter to such veteran.

§3107. Individualized vocational rehabilitation plan

(a) The Secretary shall formulate an individualized written plan of vocational rehabilitation for a veteran described in section 3106(b) of this title. Such plan shall be developed with such veteran and shall include, but not be limited to (1) a statement of long-range rehabilitation goals for such veteran and intermediate rehabilitation objectives related to achieving such goals, (2) a statement of the specific services (which shall include counseling in all cases) and assistance to be provided under this chapter, (3) the projected date for the initiation and the anticipated duration of each such service, and (4) objective criteria and an evaluation procedure and schedule for determining whether such objectives and goals are being achieved.

(b) The Secretary shall review at least annually the plan formulated under subsection (a) of this section for a veteran and shall afford such veteran the opportunity to participate in each such review. On the basis of such review, the Secretary shall (1) redevelop such plan with such veteran if the Secretary determines, under regulations which the Secretary shall prescribe, that redevelopment of such plan is appropriate, or (2) disapprove redevelopment of such plan if the Secretary determines, under such regulations,

that redevelopment of such plan is not appropriate.

(c)(1) Each veteran for whom a plan has been developed or redeveloped under subsection (a) or (b)(1), respectively, of this section or in whose case redevelopment of a plan has been disapproved under subsection (b)(2) of this section, shall be informed of such veteran's opportunity for a review as provided in paragraph (2) of this subsection.

(2) In any case in which a veteran does not agree to such plan as proposed, to such plan as redeveloped, or to the disapproval of redevelopment of such plan, such veteran may submit to the person described in section 3106(f) of this title a written statement containing such veteran's objections and request a review of such plan

as proposed or redeveloped, or a review of the disapproval of redevelopment of such plan, as the case may be.

(3) The Secretary shall review the statement submitted under paragraph (2) of this subsection and the plan as proposed or as redeveloped, and, if applicable, the disapproval of redevelopment of the plan, and render a decision on such review not later than ninety days after the date on which such veteran submits such statement, unless the case is one for which a longer period for review, not to exceed 150 days after such veteran submits such statement, is allowed under regulations prescribed by the Secretary, in which case the Secretary shall render a decision no later than the last day of the period prescribed in such regulations.

§ 3108. Allowances

(a)(1) Except in the case of a veteran who makes an election under subsection (f) of this section and subject to the provisions of paragraph (3) of this subsection, each veteran shall be paid a subsistence allowance in accordance with this section during a period determined by the Secretary to be a period of such veteran's participation under this chapter in a rehabilitation program.

(2) In any case in which the Secretary determines, at the conclusion of such veteran's pursuit of a vocational rehabilitation program under this chapter, that such veteran has been rehabilitated to the point of employability, such veteran shall be paid a subsistence allowance, as prescribed in this section for full-time training for the type of program that the veteran was pursuing, for two months while satisfactorily following a program of employment services provided under section 3104(a)(5) of this title.

(B) such Consumer Price Index for the 12-month period preceding the 12-month period described in subparagraph (A).

(c)(1) In any case in which the vocational rehabilitation program for a veteran includes training on the job by an employer in any month, such employer shall be required to submit to the Secretary a statement in writing showing any wage, compensation, or other income paid (directly or indirectly) by the employer to such veteran for such month. Based upon such written statement, the Secretary is authorized to reduce the subsistence allowance of such veteran to an amount considered equitable and just in accordance with criteria which the Secretary shall establish in regulations which the Secretary shall prescribe.

(2) A veteran pursuing on-job training or work experience as part of a vocational rehabilitation program in a Federal, State, or local government agency or federally recognized Indian tribe under the provisions of section 3115(a)(1) of this title without pay or for nominal pay shall be paid the appropriate subsistence allowance rate provided in subsection (b) of this section for an institutional program.

(2) A veteran participating in extended evaluation on less than a full-time basis may be paid a proportional subsistence allowance in accordance with regulations which the Secretary shall prescribe.

(e) In any case in which a veteran is pursuing a rehabilitation program on a residential basis in a specialized rehabilitation facility, the Secretary may (1) pay to such facility the cost of such veteran's room and board in lieu of payment to such veteran of the subsistence allowance (not including any portion payable for any dependents) payable under subsection (b) of this section, and (2) pay to such veteran that portion of the allowance for dependents payable, as determined by such veteran's dependency status, under subsection (b) of this section for a full-time institutional program.

(f)(1)(A) In any case in which the Secretary determines that a veteran is eligible for and entitled to rehabilitation under this chapter, to the extent that such veteran has remaining eligibility for and entitlement to educational assistance benefits under chapter 30 of this title, such veteran may elect, as part of a vocational rehabilitation program under this chapter, to pursue an approved program of education and receive allowances and other forms of assistance equivalent to those authorized for veterans enrolled under chapter 30 of this title, if the Secretary approves the educational, professional, or vocational objective chosen by such veteran for such program.

(B) In the event that such veteran makes such an election, the terms and conditions applicable to the pursuit of a comparable program of education and the payment of allowances and provision of assistance under chapter 30 of this title for such a comparable program shall be applied to the pursuit of the approved program of education under this chapter.

(2) A veteran who is receiving an allowance pursuant to paragraph (1) of this subsection may not receive any of the services or assistance described in section 3104(a)(3), (7), and (8) of this title (other than an allowance and other assistance under this subsection)

(g)(1) Notwithstanding any other provision of this title and subject to the provisions of paragraph (2) of this subsection, no subsistence allowance may be paid under this section in the case of any veteran who is pursuing a rehabilitation program under this chapter while incarcerated in a Federal, State, or local penal institution for conviction of a felony.

(2) Paragraph (1) of this subsection shall not apply in the case of any veteran who is pursuing a rehabilitation program under this chapter while residing in a halfway house or participating in a work-release program in connection with such veteran's conviction

In any case in which the Secretary has determined under section 3106(f) of this title that the achievement of a vocational goal by a veteran currently is not reasonably feasible, such veteran shall be entitled, in accordance with the provisions of section 3120 of this title, to a program of independent living services and assistance designed to enable such veteran to achieve maximum independence in daily living.

In any case in which the Secretary determines that a veteran has failed to maintain satisfactory conduct or cooperation, the Secretary may, after determining that

all reasonable counseling efforts have been made and are not reasonably likely to be effective, discontinue services and assistance unless the Secretary determines that mitigating circumstances exist. (3) Use of the facilities of a State or local government agency under subsection (a)(1) of this section or use of facilities and services under subsection (a)(4) of this section, shall be procured through contract, agreement, or other cooperative arrangement.

(4) The Secretary shall prescribe regulations providing for the monitoring of training and work experiences provided under such subsection (a)(1) at State or local government agencies and otherwise ensuring that such training or work experience is in the best interest of the veteran and the Federal Government.

The Secretary shall promote the development and establishment of such opportunities through Department of Veterans Affairs staff outreach efforts to employers and through Department of Veterans Affairs coordination with Federal, State, and local governmental agencies and appropriate nongovernmental organizations. In carrying out the provisions of this subsection with respect to veterans referred to in clause (3) of the first sentence of this subsection, the Secretary shall place particular emphasis on the needs of categories of such veterans on the basis of applicable rates of unemployment.

(b)(1) The Secretary, pursuant to regulations prescribed in accordance with paragraph (3) of this subsection, may make payments to employers for providing on-job training to veterans who have been rehabilitated to the point of employability in individual cases in which the Secretary determines that such payment is necessary to obtain needed on-job training or to begin employment. Such payments may not exceed the direct expenses incurred by such employers in providing such on-job training or employment

When a person elects to enroll in the program, such person must participate for at least 12 consecutive months before disenrolling or suspending participation.

(b) The requirement for 12 consecutive months of participation required by subsection (a) of this section shall not apply when (1) the participant suspends participation or disenrolls from the program because of personal hardship as defined in regulations issued jointly by the Secretary and the Secretary of Defense, or (2) the

participant is discharged or released from active duty.

(c) A participant shall be permitted to suspend participation or disenroll from the program at the end of any 12-consecutive-month period of participation. If participation is suspended, the participant shall be eligible to make additional contributions to the program under such terms and conditions as shall be prescribed by regulations issued jointly by the Secretary and the Secretary of Defense.

(d) If a participant disenrolls from the program, such participant forfeits any entitlement to benefits under the program except as provided in subsection (e) of this section. A participant who disenrolls from the program is eligible for a refund of such participant's contributions as provided in section 3223 of this title.

(e) A participant who has disenrolled may be permitted to reenroll in the program under such conditions as shall be prescribed

jointly by the Secretary and the Secretary of Defense.

(f) An individual who serves in the Selected Reserve may not receive credit for such service under both the program established by this chapter and the program established by chapter 106 of title 10 but shall elect (in such form and manner as the Secretary of Veterans Affairs may prescribe) the program to which such service is to be credited.

the participant.

(d) In the event the participant (1) dies while on active duty, (2) dies after discharge or release from active duty, or (3) disenrolls or is disenrolled from the program without having utilized any entitlement, the participant may have accrued under the program, or, in the event the participant utilizes part of such participant's entitlement and disenrolls or is disenrolled from the program, the amount contributed by the Secretary of Defense under the authority of section 3222(c) of this title remaining in the fund shall be refunded to such Secretary.

SUBCHAPTER III—ENTITLEMENT; DURATION

§ 3231. Entitlement; loan eligibility

(a)(1) Subject to the provisions of section 3695 of this title limiting the aggregate period for which any person may receive assistance under two or more programs of educational or vocational assistance administered by the Department of Veterans Affairs, a

participant shall be entitled to a maximum of 36 monthly benefit payments (or their equivalent in the event of part-time benefits).

(2) Except as provided in paragraph (5)(E) of this subsection and in subsection (e) of this section and section 3233 of this title and subject to section 3241 of this title, the amount of the monthly payment to which any eligible veteran is entitled shall be ascertained by (A) adding all contributions made to the fund by the eligible veteran, (B) multiplying the sum by 3, (C) adding all contributions made to the fund for such veteran by the Secretary of Defense, and (D) dividing the sum by the lesser of 36 or the number of months in which contributions were made by such veteran.

(3) Payment of benefits under this chapter may be made only for periods of time during which an eligible veteran is actually enrolled in and pursuing an approved program of education and, except as provided in paragraph (4), only after an eligible veteran has been

discharged or released from active duty.

(4) Payment of benefits under this chapter may be made after a participant has completed their first obligated period of active duty (which began after December 31, 1976), or 6 years of active duty (which began after December 31, 1976), whichever period is less.

(5)(A) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of an educational assistance allowance described in subparagraph (B) of this paragraph—

(i) shall not be charged against the entitlement of any eligi-

ble veteran under this chapter; and

- (ii) shall not be counted toward the aggregate period for which section 3695 of this title limits an individual's receipt of assistance.
- (B) The payment of an educational assistance allowance referred to in subparagraph (A) of this paragraph is any payment of a monthly benefit under this chapter to an eligible veteran for pursuit of a course or courses under this chapter if the Secretary finds that the eligible veteran—

(i) in the case of a person not serving on active duty, had to discontinue such course pursuit as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10; or

(ii) in the case of a person serving on active duty, had to discontinue such course pursuit as a result of being ordered to a new duty location or assignment or to perform an increased

amount of work; and

(iii) failed to receive credit or training time toward completion of the individual's approved educational, professional, or vocational objective as a result of having to discontinue, as described in clause (i) or (ii) of this subparagraph, his or her course pursuit.

(C) The period for which, by reason of this subsection, an educational assistance allowance is not charged against entitlement or counted toward the applicable aggregate period under section 3695 of this title shall not exceed the portion of the period of enrollment in the course or courses for which the individual failed to receive credit or with respect to which the individual lost training time, as determined under subparagraph (B)(iii) of this paragraph.

(D) The amount in the fund for each eligible veteran who received a payment of an educational assistance allowance described in subparagraph (B) of this paragraph shall be restored to the amount that would have been in the fund for the veteran if the payment had not been made. For purposes of carrying out the previous sentence, the Secretary of Defense shall deposit into the fund, on behalf of each such veteran, an amount equal to the entire amount of the payment made to the veteran.

(E) In the case of a veteran who discontinues pursuit of a course or courses as described in subparagraph (B) of this paragraph, the formula for ascertaining the amount of the monthly payment to which the veteran is entitled in paragraph (2) of this subsection

shall be implemented as if—

(i) the payment made to the fund by the Secretary of Defense

under subparagraph (D) of this paragraph, and

(ii) any payment for a course or courses described in subparagraph (B) of this paragraph that was paid out of the fund,

had not been made or paid.

(a)(1) Except as provided in paragraphs (2) and (3), and subject to paragraph (4), of this subsection, educational assistance benefits shall not be afforded an eligible veteran under this chapter more than 10 years after the date of such veteran's last discharge or release from active duty.

(2)(A) If any eligible veteran was prevented from initiating or completing such veteran's chosen program of education during the delimiting period determined under paragraph (1) of this subsection because of a physical or mental disability which was not the result of such veteran's own willful misconduct, such veteran shall, upon application made in accordance with subparagraph (B) of this paragraph, be granted an extension of the applicable delimiting period for such length of time as the Secretary determines, from the evidence, that such veteran was so prevented from initiating or

completing such program of education.

(B) An extension of the delimiting period applicable to an eligible veteran may be granted under subparagraph (A) of this paragraph by reason of the veteran's mental or physical disability only if the veteran submits an application for such extension to the Secretary within one year after (i) the last date of the delimiting period otherwise applicable to the veteran under paragraph (1) of this subsection, or (ii) the termination date of the period of the veteran's mental or physical disability, whichever is later.

(3) When an extension of the applicable delimiting period is

granted an eligible veteran under paragraph (2) of this subsection, the delimiting period with respect to such veteran shall again begin to run on the first day after such veteran's recovery from such disability on which it is reasonably feasible, as determined in accordance with regulations prescribed by the Secretary, for such veteran to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(4) For purposes of paragraph (1) of this subsection, a veteran's last discharge or release from active duty shall not include any discharge or release from a period of active duty of less than 90 days of continuous service unless the individual involved is discharged or released for a service-connected disability, for a medical condition which preexisted such service and which the Secretary determines is not service connected, for hardship, or as a result of a reduction in force as described in section 3011(a)(1)(A)(ii)(III) of this

- (b)(1) In the event that an eligible veteran has not utilized any or all of such veteran's entitlement by the end of the delimiting period applicable to the veteran under subsection (a) of this section and at the end of one year thereafter has not filed a claim for utilizing such entitlement, such eligible veteran is automatically disenrolled.
- (2)(A) Any contributions which were made by a veteran disenrolled under paragraph (1) of this subsection and remain in the fund shall be refunded to the veteran after notice of disenrollment is transmitted to the veteran and the veteran applies for such refund.
- (B) If no application for refund of contributions under subparagraph (A) of this paragraph is received from a disensolled veteran within one year after the date the notice referred to in such subparagraph is transmitted to the veteran, it shall be presumed, for the purposes of section 1322(a) of title 31, that the veteran's whereabouts is unknown and the funds shall be transferred as provided in such section.
- (c)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a licensing or certification test described in section 3452(b) of this title is the lesser of \$2,000 or the fee charged for the test.
- (2) The number of months of entitlement charged in the case of any individual for such licensing or certification test is equal to the number (including any fraction) determined by dividing the total

amount paid to such individual for such test by the full-time monthly institutional rate of the educational assistance allowance which, except for paragraph (1), such individual would otherwise be paid under this chapter.

(3) In no event shall payment of educational assistance under this subsection for such a test exceed the amount of the individual's

(3) for each of the months following the first 12 months of the individual's pursuit of such program, 35 percent of such

monthly benefit payment.

- (b) In any month in which an individual pursuing a program of education consisting of a program of apprenticeship or other on-job training fails to complete 120 hours of training, the amount of the monthly benefit payment payable under this chapter to the individual shall be limited to the same proportion of the applicable rate determined under subsection (a) of this section as the number of hours worked during such month, rounded to the nearest eight hours, bears to 120 hours.
- (c) For each month that an individual is paid a monthly benefit payment under this chapter, the individual's entitlement under this chapter shall be charged at the rate of—

 - (2) 55 percent of a month in the case of payments made in accordance with subsection (a)(2) of this section; and

SUBCHAPTER I—PURPOSE; DEFINITIONS

§3451. Purpose

The Congress of the United States hereby declares that the education program created by this chapter is for the purpose of (1) enhancing and making more attractive service in the Armed Forces of the United States, (2) extending the benefits of a higher education to qualified and deserving young persons who might not otherwise be able to afford such an education, (3) providing vocational readjustment and restoring lost educational opportunities to those service men and women whose careers have been interrupted or impeded by reason of active duty after January 31, 1955, and (4) aiding such persons in attaining the vocational and educational

status which they might normally have aspired to and obtained had they not served their country.

(Added P.L. 89–358, §2, Mar. 3, 1966, 80 Stat. 12, §1651; renumbered §3451, P.L. 102–83, §5(a), Aug. 6, 1991, 105 Stat. 406.)

§ 3452. Definitions

For the purposes of this chapter and chapter 36 of this title—(a)(1) The term "eligible veteran" means any veteran who—

(A) served on active duty for a period of more than 180 days, any part of which occurred after January 31, 1955, and before January 1, 1977, and was discharged or released therefrom under conditions other than dishonorable;

(B) contracted with the Armed Forces and was enlisted in or assigned to a reserve component prior to January 1, 1977, and as a result of such enlistment or assignment served on active duty for a period of more than 180 days, any part of which commenced within 12 months after January 1, 1977, and was discharged or released from such active duty under conditions other than dishonorable; or

(C) was discharged or released from active duty, any part of which was performed after January 31, 1955, and before January 1, 1977, or following entrance into active service from an enlistment provided for under subparagraph (B), because of a

service-connected disability.

(2) The requirement of discharge or release, prescribed in subparagraph (A) or (B) of paragraph (1), shall be waived in the case of any individual who served more than 180 days in an active-duty status for so long as such individual continues on active duty without a break therein.

(3) For purposes of paragraph (1)(A) and section 3461(a), the term "active duty" does not include any period during which an individual (A) was assigned full time by the Armed Forces to a civilian institution for a course of education which was substantially the same as established courses offered to civilians, (B) served as a cadet or midshipman at one of the service academies, or (C) served under the provisions of section 12103(d) of title 10 pursuant to an enlistment in the Army National Guard or the Air National Guard or as a Reserve for service in the Army Reserve, Naval Reserve, Air Force Reserve, Marine Corps Reserve, or Coast Guard Reserve unless at some time subsequent to the completion of such period of active duty for training such individual served on active duty for a consecutive period of one year or more (not including any service as a cadet or midshipman at one of the service academies).

(b) The term "program of education" means any curriculum or any combination of unit courses or subjects pursued at an educational institution which is generally accepted as necessary to fulfill requirements for the attainment of a predetermined and identified educational, professional, or vocational objective. Such term also means any curriculum of unit courses or subjects pursued at an educational institution which fulfill requirements for the attainment of more than one predetermined and identified educational, professional, or vocational objective if all the objectives pursued are generally recognized as being reasonably related to a single career field. Such term also means any unit course or subject, or combina-

tion of courses or subjects, pursued by an eligible veteran at an educational institution, required by the Administrator of the Small Business Administration as a condition to obtaining financial assistance under the provisions of section 7(i)(1) of the Small Business Act (15 U.S.C. 636(i)(1)). Such term also includes licensing or certification tests, the successful completion of which demonstrates an individual's possession of the knowledge or skill required to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession, provided such tests and the licensing or credentialing organizations or entities that offer such tests are approved by the Secretary in accordance with section 3689 of this title.

(c) The term "educational institution" means any public or private elementary school, secondary school, vocational school, correspondence school, business school, junior college, teachers' college, college, normal school, professional school, university, or scientific or technical institution, or other institution furnishing education for adults. For the period ending on September 30, 1996, such term includes any entity that provides training required for completion of any State-approved alternative teacher certification program (as determined by the Secretary). Such term also includes any private entity (that meets such requirements as the Secretary may establish) that offers, either directly or under an agreement with another entity (that meets such requirements), a course or courses to fulfill requirements for the attainment of a license or certificate generally recognized as necessary to obtain, maintain, or advance in employment in a profession or vocation in a high technology occupation (as determined by the Secretary).

(d) The term "dependent" means—

(1) a child of an eligible veteran;

(2) a dependent parent of an eligible veteran; and

(3) the spouse of an eligible veteran.

(e) The term "training establishment" means any establishment providing apprentice or other training on the job, including those under the supervision of a college or university or any State department of education, or any State apprenticeship agency, or any State board of vocational education, or any joint apprenticeship committee, or the Bureau of Apprenticeship and Training established pursuant to the Act of August 16, 1937, popularly known as the "National Apprenticeship Act" (29 U.S.C. 50 et seq.), or any agency of the Federal Government authorized to supervise such training.

(f) The term "institution of higher learning" means a college, university, or similar institution, including a technical or business school, offering postsecondary level academic instruction that leads to an associate or higher degree if the school is empowered by the appropriate State education authority under State law to grant an associate or higher degree. When there is no State law to authorize the granting of a degree, the school may be recognized as an institution of higher learning if it is accredited for degree programs by a recognized accrediting agency. Such term shall also include a hospital offering educational programs at the postsecondary level without regard to whether the hospital grants a postsecondary degree. Such term shall also include an educational institution which is not located in a State, which offers a course leading to a standard college degree, or the equivalent, and which is recognized as such by the secretary of education (or comparable official) of the country or

other jurisdiction in which the institution is located.

(g) The term "standard college degree" means an associate or higher degree awarded by (1) an institution of higher learning that is accredited as a collegiate institution by a recognized regional or national accrediting agency; or (2) an institution of higher learning that is a "candidate" for accreditation as that term is used by the regional or national accrediting agencies; or (3) an institution of higher learning upon completion of a course which is accredited by an agency recognized to accredit specialized degree-level programs. For the purpose of this section, the accrediting agency must be one recognized by the Secretary of Education under the provisions of section 3675 of this title.

SUBCHAPTER II—ELIGIBILITY AND ENTITLEMENT

§ 3461. Eligibility; entitlement; duration

Entitlement

(a) Except as provided in subsection (c) and in the second sentence of this subsection, each eligible veteran shall be entitled to educational assistance under this chapter or chapter 36 for a period of one and one-half months (or the equivalent thereof in part-time educational assistance) for each month or fraction thereof of the veteran's service on active duty after January 31, 1955. If an eligible veteran has served a period of 18 months or more on active duty after January 31, 1955, and has been released from such service under conditions that would satisfy the veteran's active duty obligation, the veteran shall be entitled to educational assistance under this chapter for a period of 45 months (or the equivalent thereof in part-time educational assistance). In the case of any person serving on active duty on December 31, 1976, or a person whose eligibility is based on section 3452(a)(1)(B) of this chapter, the ending date for computing such person's entitlement shall be the date of such person's first discharge or release from active duty after December 31, 1976.

Entitlement Limitations

(b) Whenever the period of entitlement under this section of an eligible veteran who is enrolled in an educational institution regularly operated on the quarter or semester system ends during a quarter or semester, such period shall be extended to the termination of such unexpired quarter or semester. In educational institutions not operated on the quarter or semester system, whenever the period of eligibility ends after a major portion of the course is completed such period shall be extended to the end of the course or for twelve weeks, whichever is the lesser period.

(c) Except as provided in subsection (b) and in subchapter V of this chapter, no eligible veteran shall receive educational assist-

ance under this chapter in excess of 45 months.

(Added P.L. 89–358, § 2, Mar. 3, 1966, 80 Stat. 13, § 1661; amended P.L. 90–77, § 306(b)(2), Aug. 31, 1967, 81 Stat. 188; P.L. 90–631, § 1(b), Oct. 23, 1968, 82 Stat. 1331; P.L. 91–219, § 204(a)(1), Mar. 26, 1970, 84 Stat. 79; P.L. 92–540, § 401(1), Oct. 24, 1972, 86 Stat. 1089; P.L. 93–508, § 202, Dec. 3, 1974, 88 Stat. 1581; P.L. 94–502, § § 203, 211(2), § 403(a), Oct. 15, 1976, 90 Stat. 2386, 2388, 2393; P.L. 96–466, § 601(b), Oct. 17, 1980, 94 Stat. 2208; renumbered § 3461 and amended P.L. 102–83, § 5(a), (c)(1), Aug. 6, 1991, 105 Stat. 406.)

§ 3462. Time limitations for completing a program of education

Delimiting Period for Completion

(a)(1) Subject to paragraph (4) of this subsection, no educational assistance shall be afforded an eligible veteran under this chapter beyond the date 10 years after the veteran's last discharge or release from active duty after January 31, 1955; except that, in the case of any eligible veteran who was prevented from initiating or completing such veteran's chosen program of education within such time period because of a physical or mental disability which was not the result of such veteran's own willful misconduct, such veteran shall, upon application made within one year after (A) the last date of the delimiting period otherwise applicable under this section, (B) the termination of the period of such mental or physical disability, or (C) October 1, 1980, whichever is the latest, be granted an extension of the applicable delimiting period for such length of time as the Secretary determines, from the evidence, that such veteran was so prevented from initiating or completing such program of education. When an extension of the applicable delimiting period is granted a veteran under the preceding sentence, the delimiting period with respect to such veteran will again begin running on the first day following such veteran's recovery from such disability on which it is reasonably feasible, as determined in accordance with regulations which the Secretary shall prescribe, for such veteran to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(2)(A) Notwithstanding the provisions of paragraph (1) of this subsection, any veteran shall be permitted to use any of such veteran's unused entitlement under section 3461 of this title for the purposes of eligibility for an education loan, pursuant to the provisions of subchapter III of chapter 36 of this title, after the delimiting date otherwise applicable to such veteran under such paragraph (1), if such veteran was pursuing an approved program of education on a full-time basis at the time of the expiration of such

veteran's eligibility.

(B) Notwithstanding any other provision of this chapter or chapter 36 of this title, any veteran whose delimiting period is extended under subparagraph (A) of this paragraph may continue to use any unused loan entitlement under this paragraph as long as the vet-

eran continues to be enrolled on a full-time basis in pursuit of the approved program of education in which such veteran was enrolled at the time of expiration of such veteran's eligibility (i) until such entitlement is exhausted, (ii) until the expiration of two years after November 23, 1977, or the date of the expiration of the delimiting date otherwise applicable to such veteran under paragraph (1) of this subsection, whichever is later, or (iii) until such veteran has completed the approved program of education in which such veteran was enrolled at the end of the delimiting period referred to in paragraph (1) of this subsection, whichever occurs first.

(3) [Repealed. P.L. 107–14, § 8(a)(5).]

(4) For purposes of paragraph (1) of this subsection, a veteran's last discharge or release from active duty shall not include any discharge or release from a period of active duty of less than 90 days of continuous service unless the individual involved is discharged or released for a service-connected disability, for a medical condition which preexisted such service and which the Secretary determines is not service connected, for hardship, or as a result of a reduction in force as described in section 3011(a)(1)(A)(ii)(III) of this title.

Correction of Discharge

(b) In the case of any eligible veteran who has been prevented, as determined by the Secretary, from completing a program of education under this chapter within the period prescribed by subsection (a), because the veteran had not met the nature of discharge requirements of this chapter before a change, correction, or modification of a discharge or dismissal made pursuant to section 1553 of title 10, the correction of the military records of the proper service department under section 1552 of title 10, or other corrective action by competent authority, then the 10-year delimiting period shall run from the date the veteran's discharge or dismissal was changed, corrected, or modified.

Savings Clause

(c) In the case of any eligible veteran who was discharged or released from active duty before June 1, 1966, the 10-year delimiting period shall run from such date, if it is later than the date which otherwise would be applicable. In the case of any eligible veteran who was discharged or released from active duty before August 31, 1967, and who pursues a course of farm cooperative training, apprenticeship or other training on the job, the 10-year delimiting period shall run from August 31, 1967, if it is later than the date which would otherwise be applicable.

(d) In the case of any veteran (1) who served on or after January 31, 1955, (2) who became eligible for educational assistance under the provisions of this chapter or chapter 36 of this title, and (3) who, subsequent to the veteran's last discharge or release from active duty, was captured and held as a prisoner of war by a foreign government or power, there shall be excluded, in computing the veteran's 10-year period of eligibility for educational assistance, any period during which the veteran was so detained and any pe-

riod immediately following the veteran's release from such detention during which the veteran was hospitalized at a military, civilian, or Department of Veterans Affairs medical facility.

(é) No educational assistance shall be afforded any eligible veteran under this chapter or chapter 36 of this title after December 31, 1989.

§ 3470. Selection of program

Subject to the provisions of this chapter, each eligible veteran may select a program of education to assist the veteran in attaining an educational, professional, or vocational objective at any educational institution (approved in accordance with chapter 36 of this title) selected by the veteran, which will accept and retain the veteran as a student or trainee in any field or branch of knowledge which such institution finds the veteran qualified to undertake or pursue.

§ 3471. Applications; approval

Any eligible veteran, or any person on active duty (after consultation with the appropriate service education officer), who desires to initiate a program of education under this chapter shall submit an application to the Secretary which shall be in such form, and contain such information, as the Secretary shall prescribe. The Secretary shall approve such application unless the Secretary finds that (1) such veteran or person is not eligible for or entitled to the educational assistance for which application is made, (2) the veteran's or person's selected educational institution or training establishment fails to meet any requirement of this chapter or chapter 36 of this title, (3) the veteran's or person's enrollment in, or pursuit of, the program of education selected would violate any provision of this chapter or chapter 36 of this title, or (4) the veteran or person is already qualified, by reason of previous education or training, for the educational, professional, or vocational objective for which the program of education is offered. The Secretary shall notify the veteran or person of the approval or disapproval of the veteran's or person's application.

§ 3474. Discontinuance for unsatisfactory conduct or progress

The Secretary shall discontinue the educational assistance allowance of an eligible veteran if, at any time, the Secretary finds that according to the regularly prescribed standards and practices of the educational institution, the veteran's attendance, conduct, or progress is unsatisfactory. The Secretary may renew the payment of the educational assistance allowance only if the Secretary finds that—

- (1) the veteran will be resuming enrollment at the same educational institution in the same program of education and the educational institution has both approved such veteran's reenrollment and certified it to the Department of Veterans Affairs; or
- (2) in the case of a proposed change of either educational institution or program of education by the veteran—
 - (A) the cause of the unsatisfactory attendance, conduct, or progress has been removed;
 - (B) the program proposed to be pursued is suitable to the veteran's aptitudes, interests, and abilities; and
 - (C) if a proposed change of program is involved, the change meets the requirements for approval under section 1791 of this title.

SUBCHAPTER IV—PAYMENTS TO ELIGIBLE VETERANS; VETERAN–STUDENT SERVICES

§ 3481. Educational assistance allowance

General

(a) The Secretary shall, in accordance with the applicable provisions of this section and chapter 36 of this title, pay to each eligible veteran who is pursuing a program of education under this chapter an educational assistance allowance to meet, in part, the expenses of the veteran's subsistence, tuition, fees, supplies, books, equipment, and other educational costs.

Institutional Training

(b) The educational assistance allowance of an eligible veteran pursuing a program of education, other than a program exclusively by correspondence, at an educational institution shall be paid as provided in chapter 36 of this title.

(Added P.L. 89–358, §2, Mar. 3, 1966, 80 Stat. 17, §1681; amended P.L. 91–219, §205, Mar. 26, 1970, 84 Stat. 81; P.L. 91–584, §6, Dec. 24, 1970, 84 Stat. 1576; P.L. 92–540, §202, Oct. 24, 1972, 86 Stat. 1079; P.L. 94–502, §§210(2), 211(10), Oct. 15, 1976, 90 Stat. 2388, 2389; P.L. 97–35, §2003(b)(4), Aug. 13, 1981, 95 Stat. 782; P.L. 101–237, §423(b)(1)(A), Dec. 18, 1989, 103 Stat. 2092; renumbered §3481, P.L. 102–83, §5(a), Aug. 6, 1991, 105 Stat. 406.)

§ 3482. Computation of educational assistance allowances

(a)(1) Except as provided in subsection (b), (c), or (g) of this section, or section 3687 of this title, while pursuing a program of education under this chapter of half-time or more, each eligible veteran shall be paid the monthly educational assistance allowance set forth in column II, III, IV, or V (whichever is applicable as determined by the veteran's dependency status) opposite the applicable type of program as shown in column I:

Column I	Column II	Column III	Column IV	Column V
Type of program	No de- pendents	One de- pendent	Two de- pendents	More than two dependents
1.19.19.11.11				The amount in column IV, plus the following for each dependent in excess of two:
Institutional training: Full-time	\$376	\$448	\$510	\$32
Three-quarter-time	283	336	383	24
Half-time	188	224	255	17
Cooperative	304	355	404	23

(2) A "cooperative" program, other than a "farm cooperative" program, means a full-time program of education which consists of institutional courses and alternate phases of training in a business or industrial establishment with the training in the business or in-

dustrial establishment being strictly supplemental to the institutional portion.

(b) The educational assistance allowance of an individual pursuing a program of education—

(1) while on active duty, or

(2) on less than a half-time basis,

shall be computed at the rate of (A) the established charges for tuition and fees which the institution requires similarly circumstanced nonveterans enrolled in the same program to pay, or (B) \$376 per month for a full-time course, whichever is the lesser. An individual's entitlement shall be charged for institutional courses on the basis of the applicable monthly training time rate as determined under section 3688 of this title.

(c)(1) An eligible veteran who is enrolled in an educational institution for a "farm cooperative" program consisting of institutional agricultural courses prescheduled to fall within 44 weeks of any period of 12 consecutive months and who pursues such program on—

(A) a full-time basis (a minimum of ten clock hours per week or four hundred and forty clock hours in such year prescheduled to provide not less than eighty clock hours in any three-month period),

(B) a three-quarter-time basis (a minimum of 7 clock hours

per week), or

(C) a half-time basis (a minimum of 5 clock hours per week), shall be eligible to receive an educational assistance allowance at the appropriate rate provided in the table in paragraph (2) of this subsection, if such eligible veteran is concurrently engaged in agricultural employment which is relevant to such institutional agricultural courses as determined under standards prescribed by the Secretary. In computing the foregoing clock hour requirements there shall be included the time involved in field trips and individual and group instruction sponsored and conducted by the educational institution through a duly authorized instructor of such institution in which the veteran is enrolled.

(2) The monthly educational assistance allowance of an eligible veteran pursuing a farm cooperative program under this chapter shall be paid as set forth in column II, III, IV, or V (whichever is applicable as determined by the veteran's dependency status) opposite the basis shown in column I:

Column I	Column II	Column III	Column IV	Column V
Basis	No de- pendents	One de- pendent	Two de- pendents	More than two dependents
Full-time Three-quarter-time Half-time	\$304 228 152	\$355 266 178	\$404 303 202	The amount in column IV, plus the following for each dependent in excess of two: \$23 18 12

(d)(1) Notwithstanding the prohibition in section 3471 of this title prohibiting enrollment of an eligible veteran in a program of education in which such veteran has "already qualified," a veteran shall be allowed up to six months of educational assistance (or the equivalent thereof in part-time assistance) for the pursuit of refresher training to permit such veteran to update such veteran's

knowledge and skills and to be instructed in the technological advances which have occurred in such veteran's field of employment during and since the period of such veteran's active military service.

(2) A veteran pursuing refresher training under this subsection shall be paid an educational assistance allowance based upon the rate prescribed in the table in subsection (a)(1) or in subsection (c)(2) of this section, whichever is applicable.

(3) The educational assistance allowance paid under the authority of this subsection shall be charged against the period of entitlement the veteran has earned pursuant to section 3461(a) of this

title.

(e) The educational assistance allowance of an eligible veteran pursuing an independent study program which leads to a standard college degree shall be computed at the rate provided in subsection (b) of this section. If the entire training is to be pursued by independent study, the amount of such veteran's entitlement to educational assistance under this chapter shall be charged in accordance with the rate at which the veteran is pursuing the independent study program but at not more than the rate at which such entitlement is charged for pursuit of such program on less than a half-time basis. In any case in which independent study is combined with resident training, the educational assistance allowance shall be paid at the applicable institutional rate based on the total training time determined by adding the number of semester hours (or the equivalent thereof) of resident training to the number of semester hours (or the equivalent thereof) of independent study that do not exceed the number of semester hours (or the equivalent thereof) required for the less than half-time institutional rate, as determined by the Secretary, for resident training. A veteran's entitlement shall be charged for a combination of independent study and resident training on the basis of the applicable monthly training time rate as determined under section 3688 of this title.

(f) The educational assistance allowance of an eligible veteran pursuing a course by open circuit television shall be computed in the same manner that such allowance is computed under sub-

section (e) of this section for an independent study program.

(g)(1) Subject to the provisions of paragraph (2) of this subsection, the amount of the educational assistance allowance paid to an eligible veteran who is pursuing a program of education under this chapter while incarcerated in a Federal, State, or local penal institution for conviction of a felony may not exceed such amount as the Secretary determines, in accordance with regulations which the Secretary shall prescribe, is necessary to cover the cost of established charges for tuition and fees required of similarly circumstanced nonveterans enrolled in the same program and to cover the cost of necessary supplies, books, and equipment, or the applicable monthly educational assistance allowance prescribed for a veteran with no dependents in subsection (a)(1) or (c)(2) of this section or section 3687(b)(1) of this title, whichever is the lesser. The amount of the educational assistance allowance payable to a veteran while so incarcerated shall be reduced to the extent that the tuition and fees of the veteran for any course are paid under

any Federal program (other than a program administered by the Secretary) or under any State or local program.

(2) Paragraph (1) of this subsection shall not apply in the case of any veteran who is pursuing a program of education under this chapter while residing in a halfway house or participating in a work-release program in connection with such veteran's conviction of a felony.

(h)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a licensing or certification test described in section 3452(b) of this title is the lesser of \$2,000 or

the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for such licensing or certification test is equal to the number (including any fraction) determined by dividing the total amount paid to such individual for such test by the full-time monthly institutional rate of the educational assistance allowance which, except for paragraph (1), such individual would otherwise be paid under this chapter.

(3) In no event shall payment of educational assistance under this subsection for such a test exceed the amount of the individual's

available entitlement under this chapter.

§ 3485. Work-study allowance

(a)(1) Individuals utilized under the authority of subsection (b) shall be paid an additional educational assistance allowance (hereinafter in this section referred to as "work-study allowance"). Such allowance shall be paid in return for an individual's entering into an agreement described in paragraph (3).

(2) Such work-study allowance shall be paid in an amount equal

to the product of—

(A) the applicable hourly minimum wage; and

(B) the number of hours worked during the applicable period.

(3) An agreement described in this paragraph is an agreement of an individual to perform services, during or between periods of enrollment, aggregating not more than a number of hours equal to 25 times the number of weeks in the semester or other applicable enrollment period, required in connection with a qualifying workstudy activity.

(4) For the purposes of this section, the term "qualifying workstudy activity" means any of the following:

(A) The outreach services program under subchapter II of chapter 77 of this title as carried out under the supervision of a Department employee or, during the five-year period beginning on the date of the enactment of the Veterans Education and Benefits Expansion Act of 2001, outreach services to servicemembers and veterans furnished by employees of a State approving agency.

(B) The preparation and processing of necessary papers and other documents at educational institutions or regional offices

or facilities of the Department.

(C) The provision of hospital and domiciliary care and medical treatment under chapter 17 of this title, including, during the five-year period beginning on the date of the enactment of the Veterans Education and Benefits Expansion Act of 2001, the provision of such care to veterans in a State home for which payment is made under section 1741 of this title.

(D) Any other activity of the Department as the Secretary

determines appropriate.

(E) In the case of an individual who is receiving educational assistance under chapter 1606 of title 10, an activity relating to the administration of that chapter at Department of Defense, Coast Guard, or National Guard facilities.

(F) During the five-year period beginning on the date of the enactment of the Veterans Education and Benefits Expansion Act of 2001, an activity relating to the administration of a na-

tional cemetery or a State veterans' cemetery.

(5) An individual may elect, in a manner prescribed by the Secretary, to be paid in advance an amount equal to 40 percent of the total amount of the work-study allowance agreed to be paid under the agreement in return for the individual's agreement to perform the number of hours of work specified in the agreement (but not more than an amount equal to 50 times the applicable hourly minimum wage).

(6) For the purposes of this subsection and subsection (e), the term "applicable hourly minimum wages" means—

(A) the hourly minimum wage under section 6(a) of the Fair

Labor Standards Act of 1938 (29 U.S.C. 206(a)); or

(B) the hourly minimum wage under comparable law of the State in which the services are to be performed, if such wage is higher than the wage referred to in subparagraph (A) and the Secretary has made a determination to pay such higher

wage

(b) Notwithstanding any other provision of law, the Secretary shall, subject to the provisions of subsection (e) of this section, utilize, in connection with the activities specified in subsection (a)(1) of this section, the services of individuals who are pursuing programs of rehabilitation, education, or training under chapter 30, 31, 32 or 34 of this title or chapter 106 of title 10, at a rate equal to at least three-quarters of that required of a full-time student. In carrying out this section, the Secretary, wherever feasible, shall give priority to veterans with disabilities rated at 30 percent or more for purposes of chapter 11 of this title. In the event an individual ceases to be at least a three-quarter-time student before completing such agreement, the individual may, with the approval

of the Secretary, be permitted to complete such agreement.

(c) The Secretary shall determine the number of individuals whose services the Department of Veterans Affairs can effectively utilize and the types of services that such individuals may be required to perform, on the basis of a survey, which the Secretary shall conduct annually, of each Department of Veterans Affairs regional office in order to determine the numbers of individuals whose services can effectively be utilized during an enrollment period in each geographical area where Department of Veterans Affairs activities are conducted, and shall determine which individuals shall be offered agreements under this section in accordance with regulations which the Secretary shall prescribe, including as criteria (1) the need of the individual to augment the veteran's educational assistance or subsistence allowance; (2) the availability to the individual of transportation to the place where the individual's services are to be performed; (3) the motivation of the individual; and (4) in the case of a disabled veteran pursuing a course of vocational rehabilitation under chapter 31 of this title, the compatibility of the work assignment to the veteran's physical condition.

(d) While performing the services authorized by this section, individuals shall be deemed employees of the United States for the purposes of the benefits of chapter 81 of title 5 but not for the purposes of laws administered by the Office of Personnel Management.

(e)(1) Subject to paragraph (2) of this subsection, the Secretary may, notwithstanding any other provision of law, enter into an agreement with an individual under this section, or a modification of such an agreement, whereby the individual agrees to perform services of the kind described in clauses (A) through (E) of subsection (a)(1) of this section and agrees that the Secretary shall, in lieu of paying the work-study allowance payable for such services, as provided in subsection (a) of this section, deduct the amount of the allowance from the amount which the individual has been determined to be indebted to the United States by virtue of such indi-

vidual's participation in a benefits program under this chapter, chapter 30, 31, 32, 35, or 36 (other than an education loan under subchapter III) of this title, or chapter 106 of title 10 (other than an indebtedness arising from a refund penalty imposed under section 2135 of such title).

(2)(A) Subject to subparagraph (B) of this paragraph, the provisions of this section (other than those provisions which are determined by the Secretary to be inapplicable to an agreement under this subsection) shall apply to any agreement authorized under paragraph (1) of this subsection.

(B) For the purposes of this subsection, the Secretary may—

(i) waive, in whole or in part, the limitations in subsection (a) of this section concerning the number of hours and periods during which services can be performed by the individual and the provisions of subsection (b) of this section requiring the individual's pursuit of a program of rehabilitation, education, or training:

(ii) in accordance with such terms and conditions as may be specified in the agreement under this subsection, waive or defer charging interest and administrative costs pursuant to section 5315 of this title on the indebtedness to be satisfied by

performance of the agreement; and

(iii) notwithstanding the indebtedness offset provisions of section 5314 of this title, waive or defer until the termination of an agreement under this subsection the deduction of all or any portion of the amount of indebtedness covered by the agreement from future payments to the individual as described in section 5314 of this title.

(3)(A) Subject to the provisions of subparagraphs (B) and (C) of this paragraph, an agreement authorized under this subsection shall terminate in accordance with the provisions of this section and the terms and conditions of the agreement which are consistent with this subsection.

(B) In no event shall an agreement under this subsection continue in force after the total amount of the individual's indebtedness described in paragraph (1) of this subsection has been re-

couped, waived, or otherwise liquidated.

(C) Notwithstanding the provisions of subparagraphs (A) and (B) of this paragraph, if the Secretary finds that an individual was without fault and was allowed to perform services described in the agreement after its termination, the Secretary shall, as reasonable compensation therefor, pay the individual at the applicable hourly minimum wage rate for such services as the Secretary determines were satisfactorily performed.

(4) The Secretary shall promulgate regulations to carry out this subsection.

SUBCHAPTER I—DEFINITIONS

§3500. Purpose

The Congress hereby declares that the educational program established by this chapter is for the purpose of providing opportunities for education to children whose education would otherwise be

impeded or interrupted by reason of the disability or death of a parent from a disease or injury incurred or aggravated in the Armed Forces after the beginning of the Spanish-American War, and for the purpose of aiding such children in attaining the educational status which they might normally have aspired to and obtained but for the disability or death of such parent. The Congress further declares that the educational program extended to the surviving spouses of veterans who died of service-connected disabilities and to spouses of veterans with a service-connected total disability permanent in nature is for the purpose of assisting them in preparing to support themselves and their families at a standard of living level which the veteran, but for the veteran's death or service disability, could have expected to provide for the veteran's family.

applicable under chapter 11 of this title.
(2) The term "child" includes individuals who are married

and individuals who are above the age of twenty-three years.
(3) The term "duty with the Armed Forces" as used in section 3512 of this title means (A) active duty, (B) active duty for training for a period of six or more consecutive months, or (C) active duty for training required by section 12103(d) of title 10.

(b) If an eligible person has attained the person's majority and is under no known legal disability, all references in this chapter to

"parent or guardian" shall refer to the eligible person.

(c) Any provision of this chapter which requires any action to be taken by or with respect to the parent or guardian of an eligible person who has not attained such person's majority, or who, having attained such person's majority, is under a legal disability, shall not apply when the Secretary determines that its application would not be in the best interest of the eligible person, would result in undue delay, or would not be administratively feasible. In such a case the Secretary, where necessary to protect the interest of the eligible person, may designate some other person (who may be the eligible person) as the person by or with respect to whom the action so required should be taken.

(d) No eligible person may be afforded educational assistance under this chapter unless such person was discharged or released after each period such person was on duty with the Armed Forces under conditions other than dishonorable, or while such person is

on duty with the Armed Forces.

SUBCHAPTER II—ELIGIBILITY AND ENTITLEMENT

§3510. Eligibility and entitlement generally

Each eligible person shall, subject to the provisions of this chapter, be entitled to receive educational assistance.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1194, \S 1710; renumbered \S 3510, P.L. 102–83, \S 5(a), Aug. 6, 1991, 105 Stat. 406.)

§3511. Duration of educational assistance

- (a)(1) Each eligible person shall be entitled to educational assistance under this chapter for a period not in excess of 45 months (or to the equivalent thereof in part-time training). In no event may the aggregate educational assistance afforded to a spouse made eligible under both 3501(a)(1)(D)(i) and 3501(a)(1)(D)(ii) of this title exceed 45 months.
- (2)(A) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of an educational assistance allowance described in subparagraph (B) of this paragraph shall not—
 - (i) be charged against the entitlement of any individual under this chapter; or
 - (ii) be counted toward the aggregate period for which section 3695 of this title limits an individual's receipt of assistance.
- (B) The payment of the educational assistance allowance referred to in subparagraph (A) of this paragraph is the payment of such an allowance to an individual for pursuit of a course or courses under this chapter if the Secretary finds that the individual—
 - (i) had to discontinue such course pursuit as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10; and
 - (ii) failed to receive credit or training time toward completion of the individual's approved educational, professional, or vocational objective as a result of having to discontinue, as described in clause (i) of this subparagraph, his or her course pursuit.
- (C) The period for which, by reason of this subsection, an educational assistance allowance is not charged against entitlement or counted toward the applicable aggregate period under section 3695 of this title shall not exceed the portion of the period of enrollment in the course or courses for which the individual failed to receive credit or with respect to which the individual lost training time, as determined under subparagraph (B)(ii) of this paragraph.

(b) If any eligible person pursuing a program of education, or of special restorative training, under this chapter ceases to be an "eligible person" because—

(1) the parent or spouse from whom eligibility is derived is found no longer to have a "total disability permanent in na-

ture", as defined in section 3501(a)(8) of this title,

(2) the parent or spouse from whom eligibility is derived based upon the provisions of section 3501(a)(1)(A)(iii) or 3501(a)(1)(C) of this title is no longer listed in one of the categories specified therein, or

(3) the spouse, as an eligible person under section 3501(a)(1)(D) of this title, is divorced, without fault on such person's part, from the person upon whose disability such per-

son's eligibility is based,

then such eligible person (if such person has sufficient remaining entitlement) may, nevertheless, be afforded educational assistance under this chapter until the end of the quarter or semester for which enrolled if the educational institution in which such person is enrolled is operated on a quarter or semester system, or if the educational institution is not so operated until the end of the course, or until 12 weeks have expired, whichever first occurs.

(c) Any entitlement used by an eligible person as a result of eligibility under section 3501(a)(1)(A)(iii), 3501(a)(1)(C), or 3501(a)(1)(D)(i) of this title shall be deducted from any entitlement to which such person may subsequently be entitled under this

chapter.

§ 3512. Periods of eligibility

(a) The educational assistance to which an eligible person (within the meaning of section 3501(a)(1)(A) of this title) is entitled under section 3511 of this title or subchapter V of this chapter may be afforded the person during the period beginning on the person's eighteenth birthday, or on the successful completion of the person's secondary schooling, whichever first occurs, and ending on the person's twenty-sixth birthday, except that—

(1) if the person is above the age of compulsory school attendance under applicable State law, and the Secretary determines that the person's best interests will be served thereby, such period may begin before the person's eighteenth birthday;

(2) if the person has a mental or physical handicap, and the Secretary determines that the person's best interests will be served by pursuing a program of special restorative training or a specialized course of vocational training approved under section 3536 of this title, such period may begin before the person's eighteenth birthday, but not before the person's four-teenth birthday:

(3) if the Secretary first finds that the parent from whom eligibility is derived has a service-connected total disability permanent in nature, or if the death of the parent from whom eligibility is derived occurs, after the eligible person's eighteenth birthday but before the person's twenty-sixth birthday, then (unless paragraph (4) applies) such period shall end 8 years after the date that is elected by that person to be the beginning date of entitlement under section 3511 of this title or subchapter V of this chapter if—

(A) the Secretary approves that beginning date;

(B) the eligible person elects that beginning date by not later than the end of the 60-day period beginning on the date on which the Secretary provides written notice to that person of that person's opportunity to make such election, such notice including a statement of the deadline for the election imposed under this subparagraph; and

(C) that beginning date—

(i) in the case of a person whose eligibility is based on a parent who has a service-connected total disability permanent in nature, is the date determined pursuant to subsection (d); and

(ii) in the case of a person whose eligibility is based

on the death of a parent, is between—

(I) the date of the parent's death; and

(II) the date of the Secretary's decision that the death was service-connected;

(4) if the person serves on duty with the Armed Forces as an eligible person after the person's eighteenth birthday but before the person's twenty-sixth birthday, then such period shall end 8 years after the person's first discharge or release from such duty with the Armed Forces (excluding from such 8 years all periods during which the eligible person served on active duty before August 1, 1962, pursuant to (A) a call or order thereto issued to the person as a Reserve after July 30, 1961, or (B) an extension of enlistment, appointment, or period of duty with the Armed Forces pursuant to section 2 of Public Law 87–117); however, in no event shall such period be extended beyond the person's thirty-first birthday by reason of this paragraph;

(5) if the person becomes eligible by reason of the provisions of section 3501(a)(1)(A)(iii) of this title after the person's eighteenth birthday but before the person's twenty-sixth birthday, then (unless paragraph (4) applies) such period shall end eight years after the date on which the person becomes eligible by reason of such provisions, but in no event shall such period be extended beyond the person's thirty-first birthday by reason of

this clause:

(6)(A) if such person is enrolled in an educational institution regularly operated on the quarter or semester system and such period ends during a quarter or semester, such period shall be extended to the end of the quarter or semester; or

(B) if such person is enrolled in an educational institution operated on other than a quarter or semester system and such period ends after a major portion of the course is completed, such period shall be extended to the end of the course, or until 12 weeks have expired, whichever first occurs; and

(7) if the person is pursuing a preparatory course described in section 3002(3)(B) of this title, such period may begin on the date that is the first day of such course pursuit, notwith-standing that such date may be before the person's eighteenth birthday, except that in no case may such person be afforded educational assistance under this chapter for pursuit of secondary schooling unless such course pursuit would otherwise be authorized under this subsection.

(b)(1)(A) Except as provided in subparagraph (B), a person made eligible by subparagraph (B) or (D) of section 3501(a)(1) of this title may be afforded educational assistance under this chapter during the 10-year period beginning on the date (as determined by the Secretary) the person becomes an eligible person within the meaning of section 3501(a)(1)(B), 3501(a)(1)(D)(i), or 3501(a)(1)(D)(ii) of this title. In the case of a surviving spouse made eligible by clause (ii) of section 3501(a)(1)(D) of this title, the 10-year period may not be reduced by any earlier period during which the person was eligible for educational assistance under this chapter as a spouse made eligible by clause (i) of that section.

(B) Notwithstanding subparagraph (A), an eligible person referred to in that subparagraph may, subject to the Secretary's approval, elect a later beginning date for the 10-year period than would otherwise be applicable to the person under that subparagraph. The beginning date so elected may be any date between the beginning date determined for the person under subparagraph (A)

and whichever of the following dates applies:

(i) The date on which the Secretary notifies the veteran from whom eligibility is derived that the veteran has a service-connected total disability permanent in nature.

(ii) The date on which the Secretary determines that the veteran from whom eligibility is derived died of a service-con-

nected disability.

(2) Notwithstanding the provisions of paragraph (1) of this subsection, in the case of any eligible person (as defined in section 3501(a)(1)(B), (C), or (D) of this title) who was prevented from initiating or completing such person's chosen program of education within such period because of a physical or mental disability which was not the result of such person's own willful misconduct, such person shall, upon application made within one year after (A) the last date of the delimiting period otherwise applicable under this section, (B) the termination of the period of mental or physical disability, or (C) October 1, 1980, whichever is the latest, be granted an extension of the applicable delimiting period for such length of time as the Secretary determines, from the evidence, that such person was so prevented from initiating or completing such program of education. When an extension of the applicable delimiting period is granted under the exception in the preceding sentence, the delimiting period will again begin running on the first day following such eligible person's recovery from such disability on which it is reasonably feasible, as determined in accordance with regulations which the Secretary shall prescribe, for such eligible person to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(c) Notwithstanding the provisions of subsection (a) of this section, an eligible person may be afforded educational assistance beyond the age limitation applicable to such person under such subsection if (1) such person suspends pursuit of such person's program of education after having enrolled in such program within the time period applicable to such person under such subsection, (2) such person is unable to complete such program after the period of suspension and before attaining the age limitation applicable to such person under such subsection, and (3) the Secretary finds that the suspension was due to conditions beyond the control of such person; but in no event shall educational assistance be afforded such person by reason of this subsection beyond the age limitation applicable to such person under subsection (a) of this section plus a period of time equal to the period such person was required to suspend the pursuit of such person's program, or beyond such person's thirty-first birthday, whichever is earlier.

(d) The term "first finds" as used in this section means the effective date of the rating or date of notification to the veteran from whom eligibility is derived establishing a service-connected total disability permanent in nature whichever is more advantageous to

the eligible person.

(e) No person made eligible by section 3501(a)(1)(C) of this title may be afforded educational assistance under this chapter beyond 10 years after the date on which the spouse was listed by the Secretary concerned in one of the categories referred to in such section or December 24, 1970, whichever last occurs.

(f) Any eligible person (as defined in section 3501(a)(1)(B), (C), or (D) of this chapter) shall be entitled to an additional period of eligibility for an education loan under subchapter III of chapter 36 of this title beyond the maximum period provided for in this section pursuant to the same terms and conditions set forth with respect to an eligible veteran in section 3462(a)(2) of this title.

[(g) Repealed. P.L. 107–103, § 108(b)(2).]

(h) Notwithstanding any other provision of this section, if an eligible person, during the delimiting period otherwise applicable to such person under this section, serves on active duty pursuant to an order to active duty issued under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10, such person shall be granted an extension of such delimiting period for the length of time equal to the period of such active duty plus four months.

§3513. Application

The parent or guardian of a person or the eligible person if such person has attained legal majority for whom educational assistance is sought under this chapter shall submit an application to the Secretary which shall be in such form and contain such information as the Secretary shall prescribe. If the Secretary finds that the person on whose behalf the application is submitted is an eligible person, the Secretary shall approve the application provisionally. The Secretary shall notify the parent or guardian or eligible person (if the person has attained legal majority) of the provisional approval or of the disapproval of the application.

§3514. Processing of applications

(a) Further processing of an application for educational assistance and the award of such assistance shall be pursuant to the requirements of subchapters III and IV of this chapter unless the parent or guardian requests special restorative training for the eligible person, in which case the application will be processed under subchapter V of this chapter.

(b) If the request for special restorative training is approved, educational assistance will be afforded pursuant to the terms of subchapter V of this chapter. If the request for special restorative training is disapproved, or if approved the restorative training is completed or discontinued, any educational assistance subsequently afforded will be in accordance with subchapters III and IV of this chapter.

SUBCHAPTER III—PROGRAM OF EDUCATION

§3520. Educational and vocational counseling

The Secretary may, upon request, arrange for educational or vocational counseling for persons eligible for benefits under this chapter to assist such persons in selecting their educational, vocational, or professional objectives and in developing their programs of education.

§ 3521. Approval of application

The Secretary shall approve an application if the Secretary finds that—

(1) the proposed program of education constitutes a "program of education" as that term is defined in this chapter;

(2) the eligible person is not already qualified, by reason of previous education or training, for the educational, professional, or vocational objective for which the program of education is offered;

(3) the eligible person's proposed educational institution or training establishment is in compliance with all the require-

ments of this chapter and chapter 36 of this title; and

(4) it does not appear that the enrollment in or pursuit of such person's program of education would violate any provisions of this chapter or chapter 36 of this title.

§ 3523. Disapproval of enrollment in certain courses

(a) The Secretary shall not approve the enrollment of an eligible person in—

(1) any bartending course or personality development course;

(2) any sales or sales management course which does not provide specialized training within a specific vocational field;

(3) any type of course which the Secretary finds to be avocational or recreational in character (or the advertising for which the Secretary finds contains significant avocational or recreational themes) unless the eligible person submits justification showing that the course will be of bona fide use in the pursuit of the person's present or contemplated business or occupation; or

(4) any independent study program except an accredited independent study program (including open circuit television)

leading to a standard college degree.

(b) The Secretary shall not approve the enrollment of an eligible person in any course of flight training other than one given by an educational institution of higher learning for credit toward a standard college degree the eligible person is seeking.

(c) The Secretary shall not approve the enrollment of an eligible

person in any course to be pursued by radio.

- (d) The Secretary shall not approve the enrollment of an eligible person in any course which is to be pursued as a part of such person's regular secondary school education (except as provided in section 3533 of this title), but this subsection shall not prevent the enrollment of an eligible person in a course not leading to a standard college degree if the Secretary finds that such person has ended such person's secondary school education (by completion or otherwise) and that such course is a specialized vocational course pursued for the purpose of qualifying in a bona fide vocational objective.
- (e) An eligible person may not enroll in any course at an educational institution which is not located in a State or in the Republic of the Philippines, unless such course is pursued at an approved institution of higher learning and the course is approved by the Secretary. The Secretary, in the Secretary's discretion, may deny or

discontinue educational assistance under this chapter in the case of any eligible person in such an institution if the Secretary determines that such enrollment is not in the best interest of the eligible person or the Federal Government.

§3524. Discontinuance for unsatisfactory progress

The Secretary shall discontinue the educational assistance allowance on behalf of an eligible person if, at any time, the Secretary finds that according to the regularly prescribed standards and practices of the educational institution such person is attending, the person's attendance, conduct, or progress is unsatisfactory. The Secretary may renew the payment of the educational assistance allowance only if the Secretary finds that—

- (1) the eligible person will be resuming enrollment at the same educational institution in the same program of education and the educational institution has both approved such eligible person's reenrollment and certified it to the Department of Veterans Affairs; or
- (2) in the case of a proposed change of either educational institution or program of education by the eligible person—
 - (A) the cause of the unsatisfactory attendance, conduct, or progress has been removed;
 - (B) the program proposed to be pursued is suitable to the eligible person's aptitudes, interests, and abilities; and
 - (C) if a proposed change of program is involved, the change meets the requirements for approval under section 3691 of this title.

Such a course, at the discretion of the Secretary, may contain elements that would contribute toward an ultimate objective of a program of education.

(b) The total period of educational assistance under this subchapter and other subchapters of this chapter may not exceed the amount of entitlement as established in section 3511 of this title, except that the Secretary may extend such period in the case of any person if the Secretary finds that additional assistance is necessary to accomplish the purpose of special restorative training as stated in subsection (a) of this section.

- (c) Full-time training for the purpose of this section shall be determined by the Secretary with respect to the capacities of the individual trainee.

§ 3543. Special administrative provisions

- (a) In carrying out the Secretary's responsibilities under this chapter the Secretary may by agreement arrange with public or private educational institutions or others to provide training arrangements as may be suitable and necessary to accomplish the purposes of this subchapter. In any instance where the Secretary finds that a customary tuition charge is not applicable, the Secretary may agree on the fair and reasonable amounts which may be charged for the training provided to the eligible person.
- (b) The Secretary shall make such rules and regulations as the Secretary may deem necessary in order to promote good conduct on the part of the persons who are following courses of special restorative training and otherwise to carry out the purposes of this chapter.

(c) In a case in which the Secretary authorizes training under section 3541(a) of this title on behalf of an eligible person, the parent or guardian shall be entitled-

Approval of courses by State approving agencies shall be in accordance with the provisions of this chapter and chapters 34 and 35 of this title and such other regulations and policies as the State approving agency may adopt. Each State approving agency shall furnish the Secretary with a current list of educational institutions specifying courses which it has approved, and, in addition to such list, it shall furnish such other information to the Secretary as it and the Secretary may determine to be necessary to carry out the purposes of this chapter and chapters 34 and 35 of this title. Each State approving agency shall notify the Secretary of the disapproval of any course previously approved and shall set forth the reasons for such disapproval.

(b) The Secretary shall be responsible for the approval of courses of education offered by any agency of the Federal Government authorized under other laws to supervise such education. The Secretary may approve any course in any other educational institution

in accordance with the provisions of this chapter and chapters 34 and 35 of this title.

(c) In the case of programs of apprenticeship where—

(1) the standards have been approved by the Secretary of Labor pursuant to section 2 of the Act of August 16, 1937 (popularly known as the "National Apprenticeship Act") (29 U.S.C. 50a), as a national apprenticeship program for operation in more than one State, and

(2) the training establishment is a carrier directly engaged in interstate commerce which provides such training in more

than one State,

the Secretary shall act as a "State approving agency" as such term is used in section 3687(a)(1) of this title and shall be responsible

for the approval of all such programs.

(d)(1) Pursuant to regulations prescribed by the Secretary in consultation with the Secretary of Labor, the Secretary and State approving agencies shall actively promote the development of programs of training on the job (including programs of apprenticeship) for the purposes of sections 3677 and 3687 of this title and shall utilize the services of disabled veterans' outreach program specialists under section 4103A of this title to promote the development of such programs.

(2) In conjunction with outreach services provided by the Secretary under chapter 77 of this title for education and training benefits, each State approving agency shall conduct outreach programs and provide outreach services to eligible persons and veterans about education and training benefits available under applicable

Federal and State law.

(e) A program of education exclusively by correspondence, and the correspondence portion of a combination correspondence-residence course leading to a vocational objective, that is offered by an educational institution (as defined in section 3452(c) of this title) may be approved only if (1) the educational institution is accredited by an entity recognized by the Secretary of Education, and (2) at least 50 percent of those pursuing such a program or course require six months or more to complete the program or course.

(a) The Secretary and each State approving agency shall take cognizance of the fact that definite duties, functions, and responsibilities are conferred upon the Secretary and each State approving agency under the educational programs established under this chapter and chapters 34 and 35 of this title. To assure that such programs are effectively and efficiently administered, the cooperation of the Secretary and the State approving agencies is essential. It is necessary to establish an exchange of information pertaining to activities of educational institutions, and particular attention

should be given to the enforcement of approval standards, enforcement of enrollment restrictions, and fraudulent and other criminal activities on the part of persons connected with educational institutions in which eligible persons or veterans are enrolled under this chapter and chapters 34 and 35 of this title.

§ 3674. Reimbursement of expenses

(a)(1) Subject to paragraphs (2) through (4) of this subsection, the Secretary is authorized to enter into contracts or agreements with State and local agencies to pay such State and local agencies for reasonable and necessary expenses of salary and travel incurred by employees of such agencies and an allowance for administrative expenses in accordance with the formula contained in subsection (b) of this section in (A) rendering necessary services in ascertaining the qualifications of educational institutions for furnishing courses of education to eligible persons or veterans under this chapter and chapters 30 through 35 of this title and chapter 106 of title 10, and in the supervision of such educational institutions, and (B) furnishing, at the request of the Secretary, any other services in connection with such chapters. Each such contract or agreement shall be conditioned upon compliance with the standards and provisions of such chapters. The Secretary may also reimburse such agencies for work performed by their subcontractors where such work has a direct relationship to the requirements of such chapters, and has had the prior approval of the Secretary.

(2)(A) The Secretary shall make payments to State and local agencies, out of amounts available for the payment of readjustment benefits, for the reasonable and necessary expenses of salary and travel incurred by employees of such agencies in carrying out contracts or agreements entered into under this section, for expenses approved by the Secretary that are incurred in carrying out activities described in section 3674A(a)(3) of this title (except for administrative overhead expenses allocated to such activities), and for the allowance for administrative expenses described in subsection (b).

(B) The Secretary shall make such a payment to an agency within a reasonable time after the agency has submitted a report pursuant to paragraph (3) of this subsection.

(C) Subject to paragraph (4) of this subsection, the amount of any such payment made to an agency for any period shall be equal to the amount of the reasonable and necessary expenses of salary and travel certified by such agency for such period in accordance with paragraph (3) of this subsection plus the allowance for administrative expenses described in subsection (b) and the amount of expenses approved by the Secretary that are incurred in carrying out activities described in section 3674A(a)(3) of this title for such pe-

riod (except for administrative overhead expenses allocated to such activities).

(3) Each State and local agency with which a contract or agreement is entered into under this section shall submit to the Secretary on a monthly or quarterly basis, as determined by the agency, a report containing a certification of the reasonable and necessary expenses incurred for salary and travel by such agency under such contract or agreement for the period covered by the report. The report shall be submitted in the form and manner required by the Secretary.

(4) The total amount made available under this section for any fiscal year may not exceed \$13,000,000 or, for each of fiscal years 2001 and 2002, \$14,000,000. For any fiscal year in which the total amount that would be made available under this section would exceed the amount applicable to that fiscal year under the preceding sentence except for the provisions of this paragraph, the Secretary shall provide that each agency shall receive the same percentage of the amount applicable to that fiscal year under the preceding sentence as the agency would have received of the total amount that would have been made available without the limitation of this paragraph.

(b) The allowance for administrative expenses incurred pursuant to subsection (a) of this section shall be paid in accordance with the following formula:

Total salary cost reimbursable under this section	Allowable for administrative expense
\$5,000 or less	\$693. \$1,247. \$1,247 for the first \$10,000, plus \$1,155 for each additional \$5,000 or fraction thereof. \$7.548.
\$40,000. Over \$40,000 but not exceeding \$75,000. Over \$75,000 but not exceeding	\$7,548 for the first \$40,000, plus \$999 for each additional \$5,000 or fraction thereof. \$14,969.
\$80,000. Over \$80,000	\$14,969 for the first \$80,000, plus \$872 for each additional \$5,000 or fraction thereof.

(c) Each State and local agency with which the Secretary contracts or enters into an agreement under subsection (a) of this section shall report to the Secretary periodically, but not less often than annually, as determined by the Secretary, on the activities in the preceding twelve months (or the period which has elapsed since the last report under this subsection was submitted) carried out under such contract or agreement. Each such report shall describe, in such detail as the Secretary shall prescribe, services performed and determinations made in connection with ascertaining the qualifications of educational institutions in connection with this chapter and chapters 32, 34, and 35 of this title and in supervising such institutions.

(2) take into account the results of annual evaluations carried out under paragraph (1) when negotiating the terms and conditions of a contract or agreement under section 3674 of

§ 3675. Approval of accredited courses

(a)(1) A State approving agency may approve the courses offered by an educational institution when—

(A) such courses have been accredited and approved by a nationally recognized accrediting agency or association;

(B) such courses are conducted under the Act of February 23, 1917 (20 U.S.C. 11 et seq.);

(C) such courses are accepted by the State department of education for credit for a teacher's certificate or a teacher's de-

gree; or

(D) such courses are approved by the State as meeting the requirement of regulations prescribed by the Secretary of Health and Human Services under sections 1819(f)(2)(A)(i) and 1919(f)(2)(A)(i) of the Social Security Act (42 U.S.C. 1395i-3(f)(2)(A)(i) and 1396r(f)(2)(A)(i).

(2)(A) For the purposes of this chapter, the Secretary of Education shall publish a list of nationally recognized accrediting agencies and associations which that Secretary determines to be reliable authority as to the quality of training offered by an educational institution.

(B) Except as provided in section 3672(e) of this title, a State approving agency may utilize the accreditation of any accrediting association or agency listed pursuant to subparagraph (A) of this paragraph for approval of courses specifically accredited and ap-

proved by such accrediting association or agency.

(3)(A) An educational institution shall submit an application for approval of courses to the appropriate State approving agency. In making application for approval, the institution (other than an elementary school or secondary school) shall transmit to the State approving agency copies of its catalog or bulletin which must be certified as true and correct in content and policy by an authorized representative of the institution.

(B) Each catalog or bulletin transmitted by an institution under

subparagraph (A) of this paragraph shall—

(i) state with specificity the requirements of the institution with respect to graduation;

(ii) include the information required under paragraphs (6) and (7) of section 3676(b) of this title; and

(iii) include any attendance standards of the institution, if the institution has and enforces such standards.

(b) As a condition of approval under this section, the State approving agency must find the following:

(2) The educational institution maintains a written record of the previous education and training of the eligible person or veteran that clearly indicates that appropriate credit has been given by the educational institution for previous education and training, with the training period shortened proportionately.

(3) The educational institution and its approved courses meet the criteria of paragraphs (1), (2), and (3) of section 3676(c) of

this title.

§ 3676. Approval of nonaccredited courses

(a) No course of education which has not been approved by a State approving agency pursuant to section 3675 of this title, which is offered by a public or private, profit or nonprofit, educational institution shall be approved for the purposes of this chapter unless the educational institution offering such course submits to the appropriate State approving agency a written application for approval of such course in accordance with the provisions of this chapter.

(b) Such application shall be accompanied by not less than two copies of the current catalog or bulletin which is certified as true and correct in content and policy by an authorized owner or official

and includes the following:

Identifying data, such as volume number and date of publication;

- (2) Names of the institution and its governing body, officials and faculty;
- (3) A calendar of the institution showing legal holidays, beginning and ending date of each quarter, term, or semester, and other important dates;
- (4) Institution policy and regulations on enrollment with respect to enrollment dates and specific entrance requirements for each course;
- (5) Institution policy and regulations relative to leave, absences, class cuts, makeup work, tardiness and interruptions for unsatisfactory attendance;
- (6) Institution policy and regulations relative to standards of progress required of the student by the institution (this policy will define the grading system of the institution, the minimum grades considered satisfactory, conditions for interruption for unsatisfactory grades or progress and a description of the probationary period, if any, allowed by the institution, and conditions of reentrance for those students dismissed for unsatisfactory progress. A statement will be made regarding progress records kept by the institution and furnished the student);
- (7) Institution policy and regulations relating to student conduct and conditions for dismissal for unsatisfactory conduct;
- (8) Detailed schedules of fees, charges for tuition, books, supplies, tools, student activities, laboratory fees, service charges, rentals, deposits, and all other charges;
- (9) Policy and regulations of the institution relative to the refund of the unused portion of tuition, fees, and other charges in the event the student does not enter the course or withdraws or is discontinued therefrom;
- (10) A description of the available space, facilities, and equipment:
- (11) A course outline for each course for which approval is requested, showing subjects or units in the course, type of work or skill to be learned, and approximate time and clock hours to be spent on each subject or unit; and

(12) Policy and regulations of the institution relative to

granting credit for previous educational training.

(c) The appropriate State approving agency may approve the application of such institution when the institution and its non-accredited courses are found upon investigation to have met the following criteria:

(1) The courses, curriculum, and instruction are consistent in quality, content, and length with similar courses in public schools and other private schools in the State, with recognized

accepted standards.

(2) There is in the institution adequate space, equipment, instructional material, and instructor personnel to provide training of good quality.

(3) Educational and experience qualifications of directors, ad-

ministrators, and instructors are adequate.

(4) The institution maintains a written record of the previous education and training of the eligible person and clearly indicates that appropriate credit has been given by the institution for previous education and training, with the training period shortened proportionately and the eligible person and the Secretary so notified.

(5) A copy of the course outline, schedule of tuition, fees, and other charges, regulations pertaining to absence, grading policy, and rules of operation and conduct will be furnished the

eligible person upon enrollment.

(6) Upon completion of training, the eligible person is given a certificate by the institution indicating the approved course and indicating that training was satisfactorily completed.

(7) Adequate records as prescribed by the State approving agency are kept to show attendance and progress or grades, and satisfactory standards relating to attendance, progress, and conduct are enforced.

(8) The institution complies with all local, city, county, municipal, State, and Federal regulations, such as fire codes, building and sanitation codes. The State approving agency may require such evidence of compliance as is deemed necessary.

(9) The institution is financially sound and capable of ful-

filling its commitments for training.

(10) The institution does not utilize advertising of any type which is erroneous or misleading, either by actual statement, omission, or intimation. The institution shall not be deemed to have met this requirement until the State approving agency (A) has ascertained from the Federal Trade Commission whether the Commission has issued an order to the institution to cease and desist from any act or practice, and (B) has, if such an order has been issued, given due weight to that fact.

(11) The institution does not exceed its enrollment limita-

tions as established by the State approving agency.

(12) The institution's administrators, directors, owners, and

instructors are of good reputation and character.

(13) The institution has and maintains a policy for the refund of the unused portion of tuition, fees, and other charges in the event the eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to

completion and such policy must provide that the amount charged to the eligible person for tuition, fees, and other charges for a portion of the course shall not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges that the length of the completed portion of the course bears to its total length.

(14) Such additional criteria as may be deemed necessary by

the State approving agency.

(d) The Secretary may waive, in whole or in part, the requirements of subsection (c)(13) of this section in the case of an educational institution which—

- (1) is a college, university, or similar institution offering postsecondary level academic instruction that leads to an associate or higher degree,
- (2) is operated by an agency of a State or of a unit of local government,
- (3) is located within such State or, in the case of an institution operated by an agency of a unit of local government, within the boundaries of the area over which such unit has taxing jurisdiction, and
- (4) is a candidate for accreditation by a regional accrediting association,

if the Secretary determines, pursuant to regulations which the Secretary shall prescribe, that such requirements would work an undue administrative hardship because the total amount of tuition, fees, and other charges at such institution is nominal.

(e) Notwithstanding any other provision of this title, a course of education shall not be approved under this section if it is to be pursued in whole or in part by independent study.

§ 3677. Approval of training on the job

(a) Any State approving agency may approve a program of training on the job (other than a program of apprenticeship) only when it finds that the job which is the objective of the training is one in which progression and appointment to the next higher classification are based upon skills learned through organized and supervised training on the job and not on such factors as length of service and normal turnover, and that the provisions of subsections (b) and (c) of this section are met.

(b)(1) The training establishment offering training which is desired to be approved for the purposes of this chapter must submit to the appropriate State approving agency a written application for approval which, in addition to furnishing such information as is required by the State approving agency, contains a certification that—

(A) the wages to be paid the eligible veteran or person (i) upon entrance into training, are not less than wages paid non-veterans in the same training position and are at least 50 per centum of the wages paid for the job for which the veteran or

person is to be trained, and (ii) such wages will be increased in regular periodic increments until, not later than the last full month of the training period, they will be at least 85 per centum of the wages paid for the job for which such eligible veteran or person is being trained; and

(B) there is reasonable certainty that the job for which the eligible veteran or person is to be trained will be available to

§ 3680. Payment of educational assistance or subsistence allowances

Period for Which Payment May Be Made

(a) Payment of educational assistance or subsistence allowances to eligible veterans or eligible persons pursuing a program of education or training, other than a program by correspondence, in an educational institution under chapter 31, 34, or 35 of this title shall be paid as provided in this section and, as applicable, in section 3108, 3482, 3491, or 3532 of this title. Such payments shall be paid only for the period of such veterans' or persons' enrollment in, and pursuit of, such program, but no amount shall be paid—

- (1) to any eligible veteran or eligible person for any period when such veteran or person is not pursuing such veteran's or person's course in accordance with the regularly established policies and regulations of the educational institution, with the provisions of such regulations as may be prescribed by the Secretary pursuant to subsection (g) of this section, and with the requirements of this chapter or of chapter 34 or 35 of this title, but payment may be made for an actual period of pursuit of one or more unit subjects pursued for a period of time shorter than the enrollment period at the educational institution;
- (2) to any eligible veteran or person for auditing a course; or (3) to any eligible veteran or person for a course for which the grade assigned is not used in computing the requirements for graduation including a course from which the student withdraws unless—
 - (A) the eligible veteran or person withdraws because he or she is ordered to active duty; or
 - (B) the Secretary finds there are mitigating circumstances, except that, in the first instance of withdrawal (without regard to withdrawals described in subclause (A) of this clause) by the eligible veteran or person from a course or courses with respect to which the veteran or person has been paid assistance under this title, mitigating circumstances shall be considered to exist with respect to courses totaling not more than six semester hours or the equivalent thereof.

Notwithstanding the foregoing, the Secretary may, subject to such regulations as the Secretary shall prescribe, continue to pay allowances to eligible veterans and eligible persons enrolled in courses set forth in clause (1) of this subsection—

(A) during periods when the schools are temporarily closed under an established policy based upon an Executive order of the President or due to an emergency situation:

the President or due to an emergency situation;

(B) during periods between consecutive school terms where such veterans or persons transfer from one approved educational institution to another approved educational institution for the purpose of enrolling in and pursuing a similar course at the second institution if the period between such consecutive terms does not exceed 30 days; or

(C) during periods between school terms where the educational institution certifies the enrollment of the eligible veteran or eligible person on an individual term basis if (i) the period between those terms does not exceed eight weeks, and (ii) both the terms preceding and following the period are not shorter in length than the period.

Correspondence Training Certifications

(b) No educational assistance allowance shall be paid to an eligible veteran or spouse or surviving spouse enrolled in and pursuing a program of education exclusively by correspondence until the Secretary shall have received—

(1) from the eligible veteran or spouse or surviving spouse a certificate as to the number of lessons actually completed by

the veteran or spouse or surviving spouse and serviced by the educational institution; and

(2) from the training establishment a certification or an endorsement on the veteran's or spouse's or surviving spouse's certificate, as to the number of lessons completed by the veteran or spouse or surviving spouse and serviced by the institution.

Apprenticeship and Other On-Job Training

(c) No training assistance allowance shall be paid to an eligible veteran or eligible person enrolled in and pursuing a program of apprenticeship or other on-job training until the Secretary shall have received—

(1) from such veteran or person a certification as to such veteran's or person's actual attendance during such period; and

(2) from the training establishment a certification, or an endorsement on the veteran's or person's certificate, that such veteran or person was enrolled in and pursuing a program of apprenticeship or other on-job training during such period.

Advance Payment of Initial Educational Assistance or Subsistence Allowance

(d)(1) The educational assistance or subsistence allowance advance payment provided for in this subsection is based upon a finding by the Congress that eligible veterans and eligible persons may need additional funds at the beginning of a school term to meet the expenses of books, travel, deposits, and payment for living quarters, the initial installment of tuition, and the other special expenses which are concentrated at the beginning of a school term.

(2) Subject to the provisions of this subsection, and under regulations which the Secretary shall prescribe, an eligible veteran or eligible person shall be paid an educational assistance allowance or subsistence allowance, as appropriate, advance payment. Such advance payment shall be made in an amount equivalent to the allowance for the month or fraction thereof in which pursuit of the program will commence, plus the allowance for the succeeding month. In the case of a person on active duty, who is pursuing a program of education, the advance payment shall be in a lump sum based upon the amount payable for the entire quarter, semester, or term, as applicable. In no event shall an advance payment be made under this subsection to a veteran or person intending to pursue a program of education on less than a half-time basis. An advance payment may not be made under this subsection to any veteran or person unless the veteran or person requests such payment and the Secretary finds that the educational institution at which such veteran or person is accepted or enrolled has agreed to, and can satisfactorily, carry out the provisions of paragraphs (4)(B) and (C) and (5) of this subsection. The application for advance payment, to be made on a form prescribed by the Secretary, shall-

(A) in the case of an initial enrollment of a veteran or person in an educational institution, contain information showing that the veteran or person (i) is eligible for educational benefits, (ii) has been accepted by the institution, and (iii) has notified the institution of such veteran's or person's intention to attend that institution; and

(B) in the case of a re-enrollment of a veteran or person, contain information showing that the veteran or person (i) is eligible to continue such veteran's or person's program of education or training and (ii) intends to re-enroll in the same institution, and, in either case, shall also state the number of semester or clock-hours to be pursued by such veteran or person.

(3) For purposes of the Secretary's determination whether any veteran or person is eligible for an advance payment under this section, the information submitted by the institution, the veteran or person, shall establish such veteran's or person's eligibility unless there is evidence in such veteran's or person's file in the processing office establishing that the veteran or person is not eligible for such advance payment.

(4) The advance payment authorized by paragraph (2) of this subsection shall, in the case of an eligible veteran or eligible person, be (A) drawn in favor of the veteran or person; (B) mailed to the educational institution listed on the application form for temporary care and delivery to the veteran or person by such institution; and (C) delivered to the veteran or person upon such veteran's or person's registration at such institution, but in no event shall such delivery be made earlier than thirty days before the program of education is to commence.

(5) Upon delivery of the advance payment pursuant to paragraph (4) of this subsection, the institution shall submit to the Secretary a certification of such delivery. If such delivery is not effected within thirty days after commencement of the program of education in question, such institution shall return such payment to the Secretary forthwith.

Recovery of Erroneous Payments

(e)(1) Subject to paragraph (2), if an eligible veteran or eligible person fails to enroll in or pursue a course for which an educational assistance or subsistence allowance advance payment is made, the amount of such payment and any amount of subsequent payments which, in whole or in part, are due to erroneous information required to be furnished under subsection (d)(2) of this section, shall become an overpayment and shall constitute a liability of such veteran or person to the United States and may be recovered, unless waived pursuant to section 5302 of this title, from any benefit otherwise due such veteran or person under any law administered by the Department of Veterans Affairs or may be recovered in the same manner as any other debt due the United States.

(2) Paragraph (1) shall not apply to the recovery of an overpayment of an educational allowance or subsistence allowance advance payment to an eligible veteran or eligible person who fails to enroll in or pursue a course of education for which the payment is made if such failure is due to the death of the veteran or person.

Payments for Less Than Half-Time Training

(f) Payment of educational assistance allowance in the case of any eligible veteran or eligible person pursuing a program of education on less than a half-time basis shall be made in an amount computed for the entire quarter, semester, or term not later than the last day of the month immediately following the month in which certification is received from the educational institution that such veteran or person has enrolled in and is pursuing a program at such institution. Such lump sum payment shall be computed at the rate provided in section 3482(b) or 3532(a)(2) of this title, as applicable.

Determination of Enrollment, Pursuit, and Attendance

(g) The Secretary may, pursuant to regulations which the Secretary shall prescribe, determine and define enrollment in, pursuit of, and attendance at, any program of education or training or course by an eligible veteran or eligible person for any period for which the veteran or person receives an educational assistance or subsistence allowance under this chapter for pursuing such program or course. Subject to such reports and proof as the Secretary may require to show an eligible veteran's or eligible person's enrollment in and satisfactory pursuit of such person's program, the Secretary may withhold payment of benefits to such eligible veteran or eligible person until the required proof is received and the amount of the payment is approximately adjusted. The Secretary may accept such veteran's or person's monthly certification of enrollment in and satisfactory pursuit of such veteran's or person's program as sufficient proof of the certified matters.

The provisions of this subsection shall not apply to any course offered by an educational institution if the total number of veterans and persons receiving assistance under this chapter or chapter 30, 31, 32, or 35 of this title or under chapter 106 of title 10 who are enrolled in such institution equals 35 percent or less, or such other percent as the Secretary prescribes in regulations, of the total student enrollment at such institution (computed separately for the main campus and any branch or extension of such institution), except that the Secretary may apply the provisions of this subsection with respect to any course in which the Secretary has reason to be-

(a) Every officer or employee of the Department of Veterans Affairs who has, while such an officer or employee, owned any interest in, or received any wages, salary, dividends, profits, gratuities, or services from, any educational institution operated for profit in which an eligible person or veteran was pursuing a program of education or course under this chapter or chapter 34 or 35 of this title shall be immediately dismissed from such officer's or employee's office or employment.

(b) If the Secretary finds that any person who is an officer or employee of a State approving agency has, while such person was such an officer or employee, owned any interest in, or received any

wages, salary, dividends, profits, gratuities, or services from, an educational institution operated for profit in which an eligible person or veteran was pursuing a program of education or course under this chapter or chapter 34 or 35 of this title, the Secretary shall discontinue making payments under section 3674 of this title to such State approving agency unless such agency shall, without delay, take such steps as may be necessary to terminate the employment of such person and such payments shall not be resumed while such person is an officer or employee of the State approving agency, or State department of veterans' affairs or State department of education.

(c) A State approving agency shall not approve any course offered by an educational institution operated for profit, and, if any such course has been approved, shall disapprove each such course, if it finds that any officer or employee of the Department of Veterans Affairs or the State approving agency owns an interest in, or receives any wages, salary, dividends, profits, gratuities, or services from, such institution.

(d) The Secretary may, after reasonable notice and public hearings, waive in writing the application of this section in the case of any officer or employee of the Department of Veterans Affairs or of a State approving agency, if the Secretary finds that no detriment will result to the United States or to eligible persons or veterans by reasons of such interest or connection of such officer or employee.

§ 3684. Reports by veterans, eligible persons, and institutions; reporting fee

(a)(1) Except as provided in paragraph (2) of this subsection, the veteran or eligible person and the educational institution offering a course in which such veteran or eligible person is enrolled under chapter 31, 34, 35, or 36 of this title shall, without delay, report to the Secretary, in the form prescribed by the Secretary, such enrollment and any interruption or termination of the education of each such veteran or eligible person. The date of such interruption or termination will be the last date of pursuit, or, in the case of correspondence training, the last date a lesson was serviced by a school.

(2)(A) In the case of a program of independent study pursued on less than a half-time basis in an educational institution, the Secretary may approve a delay by the educational institution in reporting the enrollment or reenrollment of an eligible veteran or eligible person until the end of the term, quarter, or semester if the educational institution requests the delay and the Secretary determines that it is not feasible for the educational institution to monitor interruption or termination of the veteran's or eligible person's pursuit of such program.

(B) An educational institution which, pursuant to subparagraph (A) of this paragraph, is delaying the reporting of the enrollment

or reenrollment of a veteran shall provide the veteran with notice of the delay at the time that the veteran enrolls or reenrolls.

(3)(A) Subject to subparagraph (B) of this paragraph, an educational institution offering courses on a term, quarter, or semester basis may certify the enrollment of a veteran who is not on active duty, or of an eligible person, in such courses for more than one term, quarter, or semester at a time, but not for a period extending beyond the end of a school year (including the summer enrollment period).

(B) Subparagraph (A) of this paragraph shall not apply with respect to any term, quarter, or semester for which the veteran or eligible person is enrolled on a less than half-time basis and shall not be construed as restricting the Secretary from requiring that an educational institution, in reporting an enrollment for more than one term, quarter, or semester, specify the dates of any intervals

within or between any such terms, quarters, or semesters.

(b) The Secretary, prior to making payment of a reporting fee to an educational institution, as provided for in subsection (c) of this section, shall require such institution to certify that it has exercised reasonable diligence in determining whether such institution or any course offered by such institution approved for the enrollment of veterans or eligible persons meets all of the applicable requirements of chapters 31, 34, 35, and 36 of this title and that it will, without delay, report any failure to meet any such requirement to the Secretary.

(c) The Secretary may pay to any educational institution, or to any joint apprenticeship training committee acting as a training establishment, furnishing education or training under either this chapter or chapter 31, 34 or 35 of this title, a reporting fee which will be in lieu of any other compensation or reimbursement for reports or certifications which such educational institution or joint apprenticeship training committee is required to submit to the Secretary by law or regulation. Such reporting fee shall be computed for each calendar year by multiplying \$7 by the number of eligible veterans or eligible persons enrolled under this chapter or chapter 31, 34 or 35 of this title, or \$11 in the case of those eligible veterans and eligible persons whose educational assistance checks are directed in care of each institution for temporary custody and delivery and are delivered at the time of registration as provided under section 3680(d)(4) of this title, during the calendar year. The reporting fee shall be paid to such educational institution or joint apprenticeship training committee as soon as feasible after the end of the calendar year for which it is applicable. No reporting fee payable to an educational institution under this subsection shall be subject to offset by the Secretary against any liability of such institution for any overpayment for which such institution may be administratively determined to be liable under section 3685 of this title unless such liability is not contested by such institution or has been upheld by a final decree of a court of appropriate jurisdiction. The reporting fee payable under this subsection shall be paid from amounts appropriated for readjustment benefits.

(a)(1) Notwithstanding section 552a(p) of title 5 and subject to paragraph (2) of this subsection, the Secretary may suspend, terminate, reduce, or make a final denial of any financial assistance or payment under an educational assistance program provided for in chapter 30 or 32 of this title or in chapter 106 of title 10 in the case of any individual, or take other adverse action against such individual, based on information produced by a matching program with the Department of Defense.

(2) The Secretary may not take any action referred to in para-

graph (1) of this subsection until—

(A) the individual concerned has been provided a written notice containing a statement of the findings of the Secretary based on the matching program, a description of the proposed action, and notice of the individual's right to contest such findings within 10 days after the date of the notice; and

(B) the 10-day period referred to in subparagraph (A) of this

paragraph has expired.

(3) In computing the 10-day period referred to in paragraph (2) of this subsection, Saturdays, Sundays, and Federal holidays shall be excluded.

- (b) For the purposes of subsection (q) of section 552a of title 5, compliance with the provisions of subsection (a) of this section shall be considered compliance with the provisions of subsection (p) of such section 552a.
- (c) For purposes of this section, the term "matching program" has the same meaning provided in section 552a(a)(8) of title 5.

§ 3685. Overpayments to eligible persons or veterans

- (a) Whenever the Secretary finds that an overpayment has been made to a veteran or eligible person, the amount of such overpayment shall constitute a liability of such veteran or eligible person to the United States.
- (b) Whenever the Secretary finds that an overpayment has been made to a veteran or eligible person as the result of (1) the willful or negligent failure of an educational institution to report, as required under this chapter or chapter 34 or 35 of this title, to the Department of Veterans Affairs excessive absences from a course, or discontinuance or interruption of a course by the veteran or eligible person, or (2) the willful or negligent false certification by an educational institution, the amount of such overpayment shall constitute a liability of the educational institution to the United States.
- (c) Any overpayment referred to in subsection (a) or (b) of this section may be recovered, except as otherwise provided in the last

sentence of section 3684(c) of this title, in the same manner as any other debt due the United States.

- (d) Any overpayment referred to in subsection (a) or (b) of this section may be waived as to a veteran or eligible person as provided in section 5302 of this title. Waiver of any such overpayment as to a veteran or eligible person shall in no way release any educational institution from liability under subsection (b) of this section.
- (e)(1) Any amount collected from a veteran or eligible person pursuant to this section shall be reimbursed to the educational institution which is liable pursuant to subsection (b) of this section to the extent that collection was made from the educational institution.
- (2) Nothing in this section or any other provision of this title shall be construed as (A) precluding the imposition of any civil or criminal liability under this title or any other law, or (B) requiring any institution of higher learning to maintain daily attendance records for any course leading to a standard college degree.

§ 3686. Correspondence courses

- (a)(1) Each eligible veteran (as defined in section 3452(a)(1) and (2) of this title) and each eligible spouse or surviving spouse (as defined in section 3501(a)(1)(B), (C), or (D) of this title) who enters into an enrollment agreement to pursue a program of education exclusively by correspondence shall be paid an educational assistance allowance computed at the rate of 55 percent of the established charge which the institution requires nonveterans to pay for the course or courses pursued by the eligible veteran or spouse or surviving spouse. The term "established charge" as used herein means the charge for the course or courses determined on the basis of the lowest extended time payment plan offered by the institution and approved by the appropriate State approving agency or the actual cost to the veteran or spouse or surviving spouse, whichever is the lesser. Such allowance shall be paid quarterly on a pro rata basis for the lessons completed by the veteran or spouse or surviving spouse and serviced by the institution.
- (2) The period of entitlement of any veteran or spouse or surviving spouse who is pursuing any program of education exclusively by correspondence shall be charged with one month for each \$376 which is paid to the veteran or spouse or surviving spouse as an educational assistance allowance for such course.
- (3) Notwithstanding any other provision of law unless enacted in express limitation of this paragraph, funds in the Department of Veterans Affairs readjustment benefits account shall be available for payments under paragraph (1) of this subsection for pursuit of a program of education exclusively by correspondence in which the veteran or spouse or surviving spouse enrolls after September 30, 1981.
- (b) The enrollment agreement shall fully disclose the obligation of both the institution and the veteran or spouse or surviving

spouse and shall prominently display the provisions for affirmance, termination, refunds, and the conditions under which payment of the allowance is made by the Secretary to the veteran or spouse or surviving spouse. A copy of the enrollment agreement shall be furnished to each such veteran or spouse or surviving spouse at the time such veteran or spouse or surviving spouse signs such agreement. No such agreement shall be effective unless such veteran or spouse or surviving spouse shall, after the expiration of ten days after the enrollment agreement is signed, have signed and submitted to the Secretary a written statement, with a signed copy to the institution, specifically affirming the enrollment agreement. In the event the veteran or spouse or surviving spouse at any time notifies the institution of such veteran's or spouse's intention not to affirm the agreement in accordance with the preceding sentence, the institution, without imposing any penalty or charging any fee shall promptly make a full refund of all amounts paid.

(c) In the event a veteran or spouse or surviving spouse elects to terminate such veteran's or spouse's enrollment under an affirmed enrollment agreement, the institution may charge the veteran or spouse or surviving spouse a registration or similar fee not in excess of 10 percent of the tuition for the course, or \$50, whichever is less. Where the veteran or spouse or surviving spouse elects to terminate the agreement after completion of one or more but less than 25 percent of the total number of lessons comprising the course, the institution may retain such registration or similar fee plus 25 percent of the tuition for the course. Where the veteran or spouse or surviving spouse elects to terminate the agreement after completion of 25 percent but less than 50 percent of the lessons comprising the course, the institution may retain the full registration or similar fee plus 50 percent of the course tuition. If 50 percent or more of the lessons are completed, no refund of tuition is required.

§ 3687. Apprenticeship or other on-job training

(a) An eligible veteran (as defined in section 3452(a)(1) of this title) or an eligible person (as defined in section 3501(a) of this title) shall be paid a training assistance allowance as prescribed by subsection (b) of this section while pursuing a full-time—

(1) program of apprenticeship approved by a State approving agency as meeting the standards of apprenticeship published by the Secretary of Labor pursuant to section 2 of the Act of August 16, 1937 (popularly known as the "National Apprenticeship Act") (29 U.S.C. 50a), or

(2) program of other on-job training approved under provisions of section 3677 of this title,

subject to the conditions and limitations of chapters 34 and 35 of this title with respect to educational assistance.

(b)(1) The monthly training assistance allowance of an eligible veteran pursuing a program described under subsection (a) shall be as follows:

Column I	Column II	Column III	Column IV	Column V

(2) The monthly training assistance allowance of an eligible person pursuing a program described under subsection (a) shall be \$488 for the first six months, \$365 for the second six months, \$242 for the third six months, and \$122 for the fourth and any succeeding six-month periods of training.

(3) In any month in which an eligible veteran or person pursuing a program of apprenticeship or a program of other on-job training fails to complete one hundred and twenty hours of training in such month, the monthly training assistance allowance set forth in subsection (b)(1) or (2) of this section, as applicable, shall be reduced proportionately in the proportion that the number of hours worked bears to one hundred and twenty hours rounded off to the nearest eight hours.

(c) For the purpose of this chapter, the terms "program of apprenticeship" and "program of other on-job training" shall have the same meaning as "program of education"; and the term "training assistance allowance" shall have the same meaning as "educational assistance allowance" as set forth in chapters 34 and 35 of this title.

(d) With respect to any fiscal year, the Secretary shall provide a percentage increase (rounded to the nearest dollar) in the rates payable under subsection (b)(2) equal to the percentage by which—

(1) the Consumer Price Index (all items, United States city average) for the 12-month period ending on the June 30 preceding the beginning of the fiscal year for which the increase is made, exceeds

(2) such Consumer Price Index for the 12-month period preceding the 12-month period described in paragraph (1).

§ 3688. Measurement of courses

(a) For the purposes of this chapter and chapters 34 and 35 of this title—

(1) an institutional trade or technical course offered on a clock-hour basis, not leading to a standard college degree, involving shop practice as an integral part thereof, shall be considered a full-time course when a minimum of 22 hours per week of attendance (excluding supervised study) is required, with no more than $2\frac{1}{2}$ hours of rest periods per week allowed;

(2) an institutional course offered on a clock-hour basis, not leading to a standard college degree, in which theoretical or classroom instruction predominates shall be considered a fultime course when a minimum of 18 hours per week net of instruction (excluding supervised study but which may include customary intervals not to exceed 10 minutes between hours of

instruction) is required;

(3) an academic high school course requiring sixteen units for a full course shall be considered a full-time course when (A) a minimum of four units per year is required or (B) an individual is pursuing a program of education leading to an accredited high school diploma at a rate which, if continued, would result in receipt of such a diploma in four ordinary school years. For the purpose of subclause (A) of this clause, a unit is defined to be not less than one hundred and twenty sixtyminute hours or their equivalent of study in any subject in one

academic year;

(4) an institutional undergraduate course offered by a college or university on a standard quarter- or semester-hour basis, other than a course pursued as part of a program of education beyond the baccalaureate level, shall be considered a full-time course when a minimum of fourteen semester hours per semester or the equivalent thereof (including such hours for which no credit is granted but which are required to be taken to correct an educational deficiency and which the educational institution considers to be quarter or semester hours for other administrative purposes), for which credit is granted toward a standard college degree, is required, except that where such college or university certifies, upon the request of the Secretary, that (A) full-time tuition is charged to all undergraduate students carrying a minimum of less than fourteen such semester hours or the equivalent thereof, or (B) all undergraduate students carrying a minimum of less than fourteen such semester hours or the equivalent thereof, are considered to be pursuing a full-time course for other administrative purposes, then such an institutional undergraduate course offered by such college or university with such minimum number of such semester hours shall be considered a full-time course, but in the event such minimum number of semester hours is less than twelve semester hours or the equivalent thereof, then twelve semester hours or the equivalent thereof shall be considered a full-time course;

(5) a program of apprenticeship or a program of other on-job training shall be considered a full-time program when the eligible veteran or person is required to work the number of hours constituting the standard workweek of the training establishment, but a workweek of less than thirty hours shall not be considered to constitute full-time training unless a lesser number of hours has been established as the standard workweek for the particular establishment through bona fide collective bargaining;

(6) an institutional course offered as part of a program of education, not leading to a standard college degree, under section 3034(a)(3), 3241(a)(2), or 3533(a) of this title shall be considered a full-time course on the basis of measurement criteria provided in clause (2), (3), or (4) of this subsection as deter-

mined by the educational institution; and

(7) an institutional course not leading to a standard college degree offered by an educational institution on a standard quarter- or semester-hour basis shall be measured as full time on the same basis as provided in paragraph (4) of this subsection, but if the educational institution offering the course is not an institution of higher learning, then in no event shall such course be considered full time when it requires less than the minimum weekly hours of attendance required for full time by paragraph (1) or (2) of this subsection, as appropriate.

(b) The Secretary shall define part-time training in the case of the types of courses referred to in subsection (a), and shall define full-time and part-time training in the case of all other types of courses pursued under this chapter, chapter 30, 32, or 35 of this

title, or chapter 106 of title 10.

(a) In General.—(1) No payment may be made for a licensing or certification test described in section 3452(b) or 3501(a)(5) of this title unless the Secretary determines that the requirements of this section have been met with respect to such test and the organization or entity offering the test. The requirements of approval for tests and organizations or entities offering tests shall be in accordance with the provisions of this chapter and chapters 30, 32, 34, and 35 of this title and with regulations prescribed by the Secretary to carry out this section.

(2) To the extent that the Secretary determines practicable, State approving agencies may, in lieu of the Secretary, approve licensing and certification tests, and organizations and entities offering such

tests, under this section.

(b) REQUIREMENTS FOR TESTS.—(1) Subject to paragraph (2), a licensing or certification test is approved for purposes of this section only if—

(A) the test is required under Federal, State, or local law or regulation for an individual to enter into, maintain, or advance in employment in a predetermined and identified vocation or

profession; or

(B) the Secretary determines that the test is generally accepted, in accordance with relevant government, business, or industry standards, employment policies, or hiring practices, as attesting to a level of knowledge or skill required to qualify to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession.

(2) A licensing or certification test offered by a State, or a political subdivision of a State, is deemed approved by the Secretary for

purposes of this section.

- (c) REQUIREMENTS FOR ORGANIZATIONS OR ENTITIES OFFERING TESTS.—(1) Each organization or entity that is not an entity of the United States, a State, or political subdivision of a State, that offers a licensing or certification test for which payment may be made under chapter 30, 32, 34, or 35 of this title and that meets the following requirements, shall be approved by the Secretary to offer such test:
 - (A) The organization or entity certifies to the Secretary that the licensing or certification test offered by the organization or entity is generally accepted, in accordance with relevant government, business, or industry standards, employment policies, or hiring practices, as attesting to a level of knowledge or skill required to qualify to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession.
 - (B) The organization or entity is licensed, chartered, or incorporated in a State and has offered the test for a minimum of two years before the date on which the organization or entity first submits to the Secretary an application for approval under this section.
 - (C) The organization or entity employs, or consults with, individuals with expertise or substantial experience with respect to all areas of knowledge or skill that are measured by the test and that are required for the license or certificate issued.
 - (D) The organization or entity has no direct financial interest in—

(i) the outcome of the test; or

(ii) organizations that provide the education or training of candidates for licenses or certificates required for vocations or professions.

(E) The organization or entity maintains appropriate records with respect to all candidates who take the test for a period prescribed by the Secretary, but in no case for a period of less than three years.

(F)(i) The organization or entity promptly issues notice of the results of the test to the candidate for the license or certificate.

(ii) The organization or entity has in place a process to review complaints submitted against the organization or entity

with respect to the test or the process for obtaining a license

or certificate required for vocations or professions.

(G) The organization or entity furnishes to the Secretary such information with respect to the test as the Secretary requires to determine whether payment may be made for the test under chapter 30, 32, 34, or 35 of this title, including personal identifying information, fee payment, and test results. Such information shall be furnished in the form prescribed by the Secretary.

(H) The organization or entity furnishes to the Secretary the

following information:

(i) A description of the licensing or certification test offered by the organization or entity, including the purpose of the test, the vocational, professional, governmental, and other entities that recognize the test, and the license or certificate issued upon successful completion of the test.

(ii) The requirements to take the test, including the amount of the fee charged for the test and any prerequisite

education, training, skills, or other certification.

(iii) The period for which the license or certificate awarded upon successful completion of the test is valid, and the requirements for maintaining or renewing the license or certificate.

(I) Upon request of the Secretary, the organization or entity furnishes such information to the Secretary that the Secretary determines necessary to perform an assessment of—

(i) the test conducted by the organization or entity as compared to the level of knowledge or skills that a license or certificate attests; and

(ii) the applicability of the test over such periods of time

as the Secretary determines appropriate.

(2) With respect to each organization or entity that is an entity of the United States, a State, or political subdivision of a State, that offers a licensing or certification test for which payment may be made under chapters 30, 32, 34, or 35 of this title, the following provisions of paragraph (1) shall apply to the entity: subparagraphs (E), (F), (G), and (H).

- (d) Administration.—Except as otherwise specifically provided in this section or chapter 30, 32, 34, or 35 of this title, in implementing this section and making payment under any such chapter for a licensing or certification test, the test is deemed to be a "course" and the organization or entity that offers such test is deemed to be an "institution" or "educational institution", respectively, as those terms are applied under and for purposes of sections 3671, 3673, 3674, 3678, 3679, 3681, 3682, 3683, 3685, 3690, and 3696 of this title.
- (e) Professional Certification and Licensure Advisory Committee.—(1) There is established within the Department a committee to be known as the Professional Certification and Licensure Advisory Committee (hereinafter in this section referred to as the "Committee").

- (C) A vacancy in the Committee shall be filled in the manner in which the original appointment was made.
- (4)(A) The Secretary shall appoint the chairman of the Committee.

§ 3690. Overcharges by educational institutions; discontinuance of allowances; examination of records; false or misleading statements

Overcharges by Educational Institutions

(a) If the Secretary finds that an educational institution has-

(1) charged or received from any eligible veteran or eligible person pursuing a program of education under this chapter or chapter 34 or 35 of this title any amount for any course in excess of the charges for tuition and fees which such institution requires similarly circumstanced nonveterans not receiving assistance under such chapters who are enrolled in the same course to pay, or

(2) instituted, after October 24, 1972, a policy or practice with respect to the payment of tuition, fees, or other charges in the case of eligible veterans and the Secretary finds that the effect of such policy or practice substantially denies to veterans the benefits of the advance allowances under such section.

the Secretary may disapprove such educational institution for the enrollment of any eligible veteran or eligible person not already enrolled therein under this chapter or chapter 31, 34, or 35 of this title.

Discontinuance of Allowances

(b)(1) The Secretary may discontinue the educational assistance allowance of any eligible veteran or eligible person if the Secretary finds that the program of education or any course in which the veteran or person is enrolled fails to meet any of the requirements of this chapter or chapter 34 or 35 of this title, or if the Secretary finds that the educational institution offering such program or course has violated any provision of this chapter or chapter 34 or 35 of this title or fails to meet any of the requirements of such chapters.

(2) Except as provided in paragraph (3) of this subsection, any action by the Secretary under paragraph (1) of this subsection to discontinue (including to suspend) assistance provided to any eligible veteran or eligible person under this chapter or chapter 31, 32,

34, or 35 of this title shall be based upon evidence that the veteran or eligible person is not or was not entitled to such assistance. Whenever the Secretary so discontinues any such assistance, the Secretary shall concurrently provide written notice to such veteran or person of such discontinuance and that such veteran or person is entitled thereafter to a statement of the reasons for such action

and an opportunity to be heard thereon.

(3)(A) The Secretary may suspend educational assistance to eligible veterans and eligible persons already enrolled, and may disapprove the enrollment or reenrollment of any eligible veteran or eligible person, in any course as to which the Secretary has evidence showing a substantial pattern of eligible veterans or eligible persons, or both, who are receiving such assistance by virtue of their enrollment in such course but who are not entitled to such assistance because (i) the course approval requirements of this chapter are not being met, or (ii) the educational institution offering such course has violated one or more of the recordkeeping or reporting requirements of this chapter or chapter 30, 32, 34, or 35 of this title.

(B) Action may be taken under subparagraph (A) of this para-

graph only after—

(i) the Secretary provides to the State approving agency concerned and the educational institution concerned written notice of any such failure to meet such approval requirements and any such violation of such recordkeeping or reporting requirements;

(ii) such institution refuses to take corrective action or does not within 60 days after such notice (or within such longer period as the Secretary determines is reasonable and appro-

priate) take corrective action; and

(iii) the Secretary, not less than 30 days before taking action under such subparagraph, provides to each eligible veteran and eligible person already enrolled in such course written notice of the Secretary's intent to take such action (and the reasons therefor) unless such corrective action is taken within such 60 days (or within such longer period as the Secretary has determined is reasonable and appropriate), and of the date on which the Secretary intends to take action under such subparagraph.

Examination of Records

(c) Notwithstanding any other provision of law, the records and accounts of educational institutions pertaining to eligible veterans or eligible persons who received educational assistance under this chapter or chapter 31, 32, 34, or 35 of this title, as well as the records of other students which the Secretary determines necessary to ascertain institutional compliance with the requirements of such chapters, shall be available for examination by duly authorized representatives of the Government.

False or Misleading Statements

(d) Whenever the Secretary finds that an educational institution has willfully submitted a false or misleading claim, or that a vet-

eran or person, with the complicity of an educational institution, has submitted such a claim, the Secretary shall make a complete report of the facts of the case to the appropriate State approving agency and, where deemed advisable, to the Attorney General of the United States for appropriate action.

§ 3691. Change of program

(a) Except as provided in subsections (b) and (c) of this section, each eligible veteran and eligible person may make not more than one change of program of education, but an eligible veteran or eligible person whose program has been interrupted or discontinued due to the veteran's or person's own misconduct, the veteran's or person's own neglect, or the veteran's or person's own lack of application shall not be entitled to any such change.

(b) The Secretary, in accordance with procedures that the Secretary may establish, may approve a change other than a change under subsection (a) of this section (or an initial change in the case of a veteran or person not eligible to make a change under subsection (a)) in program if the Secretary finds that—

(1) the program of education which the eligible veteran or eligible person proposes to pursue is suitable to the veteran's or

person's aptitudes, interests, and abilities; and

(2) in any instance where the eligible veteran or eligible person has interrupted, or failed to progress in, the veteran's or person's program due to the veteran's or person's own misconduct, the veteran's or person's own neglect, or the veteran's or person's own lack of application, there exists a reasonable likelihood with respect to the program which the eligible veteran or eligible person proposes to pursue that there will not be a recurrence of such an interruption or failure to progress.

(c) The Secretary may also approve additional changes in program if the Secretary finds such changes are necessitated by circumstances beyond the control of the eligible veteran or eligible

person.

(d) For the purposes of this section, the term "change of program of education" shall not be deemed to include a change by a veteran or eligible person from the pursuit of one program to the pursuit of another program if—

(1) the veteran or eligible person has successfully completed

the former program;

(2) the program leads to a vocational, educational, or professional objective in the same general field as the former program;

(3) the former program is a prerequisite to, or generally re-

quired for, pursuit of the subsequent program; or

(4) in the case of a change from the pursuit of a subsequent program to the pursuit of a former program, the veteran or eli-

gible person resumes pursuit of the former program without loss of credit or standing in the former program.

§ 3693. Compliance surveys

(a) Except as provided in subsection (b) of this section, the Secretary shall conduct an annual compliance survey of each institution offering one or more courses approved for the enrollment of eligible veterans or persons if at least 300 veterans or persons are enrolled in such course or courses under provisions of this title or if any such course does not lead to a standard college degree. Such compliance survey shall be designed to ensure that the institution and approved courses are in compliance with all applicable provisions of chapters 30 through 36 of this title. The Secretary shall assign at least one education compliance specialist to work on compliance surveys in any year for each 40 compliance surveys required to be made under this section for such year.

(b) The Secretary may waive the requirement in subsection (a) of this section for an annual compliance survey with respect to an

SUBCHAPTER III—EDUCATION LOANS

§ 3698. Eligibility for loans; amount and conditions of loans; interest rate on loans

(a)(1) Subject to paragraph (2) of this subsection, each eligible veteran shall be entitled to a loan under this subchapter (if the program of education is pursued in a State) in an amount determined under, and subject to the conditions specified in, subsection (b)(1) of this section if the veteran satisfies the requirements set forth in subsection (c) of this section and the criteria established under subsection (g) of this section.

(2) Except in the case of a veteran to whom section 3462(a)(2) of this title is applicable, no loan may be made under this subchapter

after September 30, 1981.

(b)(1) Subject to paragraph (3) of this subsection, the amount of the loan to which an eligible veteran shall be entitled under this subchapter for any academic year shall be equal to the amount needed by such veteran to pursue a program of education at the institution at which the veteran is enrolled, as determined under

paragraph (2) of this subsection.

(2)(A) The amount needed by a veteran to pursue a program of education at an institution for any academic year shall be determined by subtracting (i) the total amount of financial resources (as defined in subparagraph (B) of this paragraph) available to the veteran which may be reasonably expected to be expended by such veteran for educational purposes in any year from (ii) the actual cost of attendance (as defined in subparagraph (C) of this paragraph) at the institution in which such veteran is enrolled.

(B) The term "total amount of financial resources" of any veteran

for any year means the total of the following:

(i) The annual adjusted effective income of the veteran less Federal income tax paid or payable by such veteran with respect to such income.

(ii) The amount of cash assets of the veteran.

(iii) The amount of financial assistance received by the veteran under the provisions of title IV of the Higher Education Act of 1965 (20 U.S.C. 1070 et seq.).

(iv) Educational assistance received by the veteran under

this title other than under this subchapter.

(v) Financial assistance received by the veteran under any scholarship or grant program other than those specified in clauses (iii) and (iv).

- (C) The term "actual cost of attendance" means, subject to such regulations as the Secretary may provide, the actual per-student charges for tuition, fees, room and board (or expenses related to reasonable commuting), books, and an allowance for such other expenses as the Secretary determines by regulation to be reasonably related to attendance at the institution at which the veteran is enrolled.
- (3) The aggregate of the amounts any veteran may borrow under this subchapter may not exceed \$376 multiplied by the number of months such veteran is entitled to receive educational assistance under section 3461 of this title, but not in excess of \$2,500 in any one regular academic year.

(c) An eligible veteran shall be entitled to a loan under this sub-

chapter if such veteran-

- (1) is in attendance at an educational institution on at least a half-time basis and (A) is enrolled in a course leading to a standard college degree, or (B) is enrolled in a course, the completion of which requires six months or longer, leading to an identified and predetermined professional or vocational objective, except that the Secretary may waive the requirements of subclause (B) of this clause, in whole or in part, if the Secretary determines, pursuant to regulations which the Secretary shall prescribe, it to be in the interest of the eligible veteran and the Federal Government;
- (2) enters into an agreement with the Secretary meeting the requirements of subsection (d) of this section; and

(3) satisfies any criteria established under subsection (g) of

No loan shall be made under this subchapter to an eligible veteran pursuing a program of correspondence, or apprenticeship or other on-job training.

(d) Any agreement between the Secretary and a veteran under

this subchapter—

- (1) shall include a note or other written obligation which provides for repayment to the Secretary of the principal amount of, and payment of interest on, the loan in installments (A) over a period beginning nine months after the date on which the borrower ceases to be at least a half-time student and ending ten years and nine months after such date, or (B) over such shorter period as the Secretary may have prescribed under subsection (g) of this section;
- (2) shall include provision for acceleration of repayment of all or any part of the loan, without penalty, at the option of the borrower;
- (3) shall provide that the loan shall bear interest, on the unpaid balance of the loan, at a rate prescribed by the Secretary, at the time the loan is contracted for which rate shall be comparable to the rate of interest charged students at such time on loans insured by the Secretary of Education under part B of title IV of the Higher Education Act of 1965, but in no event shall the rate so prescribed by the Secretary exceed the rate charged students on such insured loans, and shall provide that no interest shall accrue prior to the beginning date of repayment; and
- (4) shall provide that the loan shall be made without security and without endorsement.
- (e)(1) Except as provided in paragraph (2) of this subsection, whenever the Secretary determines that a default has occurred on any loan made under this subchapter, the Secretary shall declare an overpayment, and such overpayment shall be recovered from the veteran concerned in the same manner as any other debt due the United States.
- (2) If a veteran who has received a loan under this section dies or becomes permanently and totally disabled, then the Secretary shall discharge the veteran's liability on such loan by repaying the amount owed on such loan.

- (f) Payment of a loan made under this section shall be drawn in favor of the eligible veteran and mailed promptly to the educational institution in which such veteran is enrolled. Such institution shall deliver such payment to the eligible veteran as soon as practicable after receipt thereof. Upon delivery of such payment to the eligible veteran, such educational institution shall promptly submit to the Secretary a certification, on such form as the Secretary shall prescribe, of such delivery, and such delivery shall be deemed to be an advance payment under section 3680(d)(4) of this title for purposes of section 3684(b) of this title.
- (g)(1) The Secretary shall conduct, on a continuing basis, a review of the default experience with respect to loans made under this section.
- (2)(A) To ensure that loans are made under this section on the basis of financial need directly related to the costs of education, the Secretary may, by regulation, establish (i) criteria for eligibility for such loans, in addition to the criteria and requirements prescribed by subsections (c) and (d) of this section, in order to limit eligibility for such loans to eligible veterans attending educational institutions with relatively high rates of tuition and fees, and (ii) criteria under which the Secretary may prescribe a repayment period for certain types of loans made under this section that is shorter than the repayment period otherwise applicable under subsection (d)(1)(A) of this section. Criteria established by the Secretary under clause (i) of the preceding sentence may include a minimum amount of tuition and fees that an eligible veteran may pay in order to be eligible for such a loan (except that any such criterion shall not apply with respect to a loan for which the veteran is eligible as a result of an extension of the period of eligibility of such veteran for loans under this section provided for by section 3462(a)(2) of this title).
- (B) In prescribing regulations under subparagraph (A) of this paragraph, the Secretary shall take into consideration information developed in the course of the review required by paragraph (1) of this subsection.
- (C) Regulations may be prescribed under subparagraph (A) of this paragraph only after opportunity has been afforded for public comment thereon.

§ 3699. Revolving fund; insurance

(a) There is hereby established in the Treasury of the United States a revolving fund to be known as the "Department of Veterans Affairs Education Loan Fund" (hereinafter in this section referred to as the "Fund").

(b) The Fund shall be available to the Secretary, without fiscal year limitation, for the making of loans under this subchapter.

(c) There shall be deposited in the Fund (1) by transfer from current and future appropriations for readjustment benefits such amounts as may be necessary to establish and supplement the Fund in order to meet the requirements of the Fund, and (2) all collections of fees and principal and interest (including overpayments declared under section 3698(e) of this title) on loans made under this subchapter.

(d) The Secretary shall determine annually whether there has developed in the Fund a surplus which, in the Secretary's judgment, is more than necessary to meet the needs of the Fund, and such surplus, if any, shall be deemed to have been appropriated for

readjustment benefits.

(e) A fee shall be collected from each veteran or person obtaining a loan made under this subchapter for the purpose of insuring against defaults on loans made under this subchapter; and no loan shall be made under this subchapter until the fee payable with respect to such loan has been collected and remitted to the Secretary. The amount of the fee shall be established from time to time by the Secretary, but shall in no event exceed 3 percent of the total loan amount. The amount of the fee may be included in the loan to the veteran or person and paid from the proceeds thereof.

SUBCHAPTER I—GENERAL

§ 3701. Definitions

(a) For the purpose of this chapter, the term "housing loan" means a loan for any of the purposes specified by sections 3710(a) and 3712(a)(1) of this title.

(b) For the purposes of housing loans under this chapter—

(1) The term "World War II" (A) means the period beginning on September 16, 1940, and ending on July 25, 1947, and (B) includes, in the case of any veteran who enlisted or reenlisted in a Regular component of the Armed Forces after October 6, 1945, and before October 7, 1946, the period of the first such enlistment or reenlistment.

(2) The term "veteran" includes the surviving spouse of any veteran (including a person who died in the active military, naval, or air service) who died from a service-connected disability, but only if such surviving spouse is not eligible for benefits under this chapter on the basis of the spouse's own active duty or service in the Selected Reserve. The active duty or service in the Selected Reserve of the deceased spouse shall be deemed to have been active duty or service in the Selected Reserve by such surviving spouse for the purposes of this chapter.

serve by such surviving spouse for the purposes of this chapter.
(3) The term "veteran" also includes, for purposes of home loans, the spouse of any member of the Armed Forces serving on active duty who is listed, pursuant to section 556 of title 37, United States Code, and regulations issued thereunder, by the Secretary concerned in one or more of the following categories and has been so listed for a total of more than ninety days: (A) missing in action, (B) captured in line of duty by a hostile force, or (C) forcibly detained or interned in line of duty by a foreign government or power. The active duty of the member shall be deemed to have been active duty by such spouse for the purposes of this chapter. The loan eligibility of such spouse under this paragraph shall be limited to one loan guaranteed or made for the acquisition of a home, and entitlement to such loan shall terminate automatically, if not used, upon receipt by such spouse of official notice that the member is no longer listed in one of the categories specified in the first sentence of this paragraph.

(4) The term "veteran" also includes an individual serving on

(5)(A) The term "veteran" also includes an individual who is not otherwise eligible for the benefits of this chapter and (i) who has completed a total service of a least 6 years in the Selected Reserve and, following the completion of such service, was discharged from service with an honorable discharge, was placed on the retired list, was transferred to the Standby Reserve or an element of the Ready Reserve other than the Selected Reserve after service in the Selected Reserve character-

ized by the Secretary concerned as honorable service, or continues serving in the Selected Reserve, or (ii) who was discharged or released from the Selected Reserve before completing 6 years of service because of a service-connected disability.

(B) The term "Selected Reserve" means the Selected Reserve of the Ready Reserve of any of the reserve components (including the Army National Guard of the United States and the Air National Guard of the United States) of the Armed Forces, as required to be maintained under section 10143(a) of title 10.

(c) Benefits shall not be afforded under this chapter to any individual on account of service as a commissioned officer of the National Oceanic and Atmospheric Administration (or predecessor entity), or of the Regular or Reserve Corps of the Public Health Service, unless such service would have qualified such individual for benefits under title III of the Servicemen's Readjustment Act of 1944.

§ 3702. Basic entitlement

(a)(1) The veterans described in paragraph (2) of this subsection are eligible for the housing loan benefits of this chapter. In the case of any veteran who served on active duty during two or more of the periods specified in paragraph (2) for which eligibility for the housing loan benefits under this chapter may be granted, entitlement derived from service during the most recent such period (A) shall cancel any unused entitlement derived from service during any earlier such period, and (B) shall be reduced by the amount by which entitlement from service during any earlier such period has been used to obtain a direct, guaranteed, or insured housing loan—

(i) on real property which the veteran owns at the time of

application; or

(ii) as to which the Secretary has incurred actual liability or loss, unless in the event of loss or the incurrence and payment of such liability by the Secretary the resulting indebtedness of the veteran to the United States has been paid in full.

(2) The veterans referred to in the first sentence of paragraph (1)

of this subsection are the following:

(A) Each veteran who served on active duty at any time during World War II, the Korean conflict, or the Vietnam era and whose total service was for 90 days or more.

(B) Each veteran who after September 15, 1940, was discharged or released from a period of active duty for a service-connected disability.

(C) Each veteran, other than a veteran described in clause (A) or (B) of this paragraph, who—

(i) served after July 25, 1947, for a period of more than 180 days and was discharged or released therefrom under conditions other than dishonorable; or

(ii) has served more than 180 days in active duty status and continues on active duty without a break therein.

(D) Each veteran who served on active duty for 90 days or more at any time during the Persian Gulf War, other than a veteran ineligible for benefits under this title by reason of section 5303A(b) of this title.

(E) For the period beginning on October 28, 1992, and ending on September 30, 2009, each veteran described in section 3701(b)(5) of this title.

(3) Any unused entitlement of World War II or Korean conflict veterans which expired under provisions of law in effect before October 23, 1970, is hereby restored and shall not expire until used.

- (4) A veteran's entitlement under this chapter shall not be reduced by any entitlement used by the veteran's spouse which was based upon the provisions of paragraph (3) of section 3701(b) of this title.
- (b) In computing the aggregate amount of guaranty or insurance housing loan entitlement available to a veteran under this chapter, the Secretary may exclude the amount of guaranty or insurance housing loan entitlement used for any guaranteed, insured, or direct loan under the following circumstances:
 - (1)(A) The property which secured the loan has been disposed of by the veteran or has been destroyed by fire or other natural hazard; and
 - (B) the loan has been repaid in full, or the Secretary has been released from liability as to the loan, or if the Secretary has suffered a loss on such loan, the loss has been paid in full.
 - (2) A veteran-transferee has agreed to assume the outstanding balance on the loan and consented to the use of the veteran-transferee's entitlement, to the extent that the entitlement of the veteran-transferor had been used originally, in place of the veteran-transferor's for the guaranteed, insured, or direct loan, and the veteran-transferee otherwise meets the requirements of this chapter.

(3)(A) The loan has been repaid in full; and

(B) the loan for which the veteran seeks to use entitlement under this chapter is secured by the same property which secured the loan referred to in subparagraph (A) of this paragraph.

(4) In a case not covered by paragraph (1) or (2)—

- (A) the loan has been repaid in full and, if the Secretary has suffered a loss on the loan, the loss has been paid in full; or
- (B) the Secretary has been released from liability as to the loan and, if the Secretary has suffered a loss on the loan, the loss has been paid in full.

The Secretary may, in any case involving circumstances the Secretary deems appropriate, waive one or more of the conditions prescribed in paragraph (1). The authority of the Secretary under this subsection to exclude an amount of guaranty or insurance housing

loan entitlement previously used by a veteran may be exercised only once for that veteran under the authority of paragraph (4).

- (c) An honorable discharge shall be deemed to be a certificate of eligibility to apply for a guaranteed loan. Any veteran who does not have a discharge certificate, or who received a discharge other than honorable, may apply to the Secretary for a certificate of eligibility. Upon making a loan guaranteed or insured under this chapter, the lender shall forthwith transmit to the Secretary a report thereon in such detail as the Secretary may, from time to time, prescribe. Where the loan is guaranteed, the Secretary shall provide the lender with a loan guaranty certificate or other evidence of the guaranty. The Secretary shall also endorse on the veteran's discharge, or eligibility certificate, the amount and type of guaranty used, and the amount, if any, remaining. Nothing in this chapter shall preclude the assignment of any guaranteed loan or the security therefor
- (d) Housing loans will be automatically guaranteed under this chapter only if made (1) by any Federal land bank, national bank, State bank, private bank, building and loan association, insurance company, credit union, or mortgage and loan company, that is subject to examination and supervision by an agency of the United States or of any State, or (2) by any State, or (3) by any lender approved by the Secretary pursuant to standards established by the Secretary. Any housing loan proposed to be made to a veteran pursuant to this chapter by any lender not of a class specified in the preceding sentence may be guaranteed by the Secretary if the Secretary finds that it is in accord otherwise with the provisions of this chapter.

(e) The Secretary may at any time upon thirty days' notice require housing loans to be made by any lender or class of lenders to be submitted to the Secretary for prior approval. No guaranty or insurance liability shall exist with respect to any such loan unless evidence of guaranty or insurance is issued by the Secretary.

- (f) Any housing loan at least 20 percent of which is guaranteed under this chapter may be made by any national bank or Federal savings and loan association, or by any bank, trust company, building and loan association, or insurance company, organized or authorized to do business in the District of Columbia. Any such loan may be so made without regard to the limitations and restrictions of any other law relating to—
 - (1) ratio of amount of loan to the value of the property;
 - (2) maturity of loan;
 - (3) requirement for mortgage or other security;
 - (4) dignity of lien; or
 - (5) percentage of assets which may be invested in real estate loans.

§ 3703. Basic provisions relating to loan guaranty and insurance

(a)(1)(A) Any loan to a veteran eligible for benefits under this chapter, if made for any of the purposes specified in section 3710 of this title and in compliance with the provisions of this chapter, is automatically guaranteed by the United States in an amount not to exceed the lesser of—

(i)(I) in the case of any loan of not more than \$45,000, 50 percent of the loan;

(II) in the case of any loan of more than \$45,000, but not more than \$56,250, \$22,500;

(III) except as provided in subclause (iv) of this clause, in the case of any loan of more than \$56,250, the lesser of \$36,000 or 40 percent of the loan; or

(IV) in the case of any loan of more than \$144,000 for a purpose specified in clause (1), (2), (3), (6), or (8) of section 3710(a) of this title, the lesser of \$60,000 or 25 percent of the loan; or

(ii) the maximum amount of guaranty entitlement available to the veteran as specified in subparagraph (B) of this paragraph.

(B) The maximum amount of guaranty entitlement available to a veteran for purposes specified in section 3710 of this title shall be \$36,000, or in the case of a loan described in subparagraph (A)(i)(IV) of this paragraph, \$60,000, reduced by the amount of entitlement previously used by the veteran under this chapter and not restored as a result of the exclusion in section 3702(b) of this title

(2)(A) Any housing loan which might be guaranteed under the provisions of this chapter, when made or purchased by any financial institution subject to examination and supervision by any agency of the United States or of any State may, in lieu of such guaranty, be insured by the Secretary under an agreement whereby the Secretary will reimburse any such institution for losses incurred on such loan up to 15 per centum of the aggregate of loans so made or purchased by it.

(B) Loans insured under this section shall be made on such other terms, conditions, and restrictions as the Secretary may prescribe within the limitations set forth in this chapter.

(b) The liability of the United States under any guaranty, within the limitations of this chapter, shall decrease or increase pro rata with any decrease or increase of the amount of the unpaid portion of the obligation.

(c)(1) Loans guaranteed or insured under this chapter shall be payable upon such terms and conditions as may be agreed upon by the parties thereto, subject to the provisions of this chapter and regulations of the Secretary issued pursuant to this chapter, and shall bear interest not in excess of such rate as the Secretary may from time to time find the loan market demands, except that in es-

tablishing the rate of interest that shall be applicable to such loans, the Secretary shall consult with the Secretary of Housing and Urban Development regarding the rate of interest applicable to home loans insured under section 203(b) of the National Housing Act (12 U.S.C. 1709(b)).

- (2) The provisions of the Servicemen's Readjustment Act of 1944 which were in effect before April 1, 1958, with respect to the interest chargeable on loans made or guaranteed under such Act shall, notwithstanding the provisions of paragraph (1) of this subsection, continue to be applicable—

 - (A) to any loan made or guaranteed before April 1, 1958; and (B) to any loan with respect to which a commitment to guarantee was entered into by the Secretary before April 1, 1958.
- (3) This section shall not be construed to prohibit a veteran from paying to a lender any reasonable discount required by such lender, when the proceeds from the loan are to be used-
 - (A) to refinance indebtedness pursuant to clause (5), (8), (9)(B)(i) of section 3710(a) of this title or section 3712(a)(1)(F)of this title:
 - (B) to repair, alter, or improve a farm residence or other dwelling pursuant to clauses (4) and (7) of section 3710(a) of this title;
 - (C) to construct a dwelling or farm residence on land already owned or to be acquired by the veteran except where the land is directly or indirectly acquired from a builder or developer who has contracted to construct such dwelling for the veteran;
 - (D) to purchase a dwelling from a class of sellers which the Secretary determines are legally precluded under all circumstances from paying such a discount if the best interest of the veteran would be so served; or
 - (E) to refinance indebtedness and purchase a manufacturedhome lot pursuant to section $3710(\bar{a})(9)(B)(ii)$ or 3712(a)(1)(G)of this title, but only with respect to that portion of the loan used to refinance such indebtedness.
- (4)(A) In guaranteeing or insuring loans under this chapter, the Secretary may elect whether to require that such loans bear interest at a rate that is-
 - (i) agreed upon by the veteran and the mortgagee; or
 - (ii) established under paragraph (1).

The Secretary may, from time to time, change the election under this subparagraph.

- (B) Any veteran, under a loan described in subparagraph (A)(i), may pay reasonable discount points in connection with the loan. Except in the case of a loan for the purpose specified in section 3710(a)(8), 3710(b)(7), or 3712(a)(1)(F) of this title, discount points may not be financed as part of the principal amount of a loan guaranteed or insured under this chapter.
- (C) Not later than 10 days after an election under subparagraph (A), the Secretary shall transmit to the Committees on Veterans' Affairs of the Senate and House of Representatives a notification of the election, together with an explanation of the reasons there-
- (d)(1) The maturity of any housing loan shall not be more than thirty years and thirty-two days.

(2)(A) Any loan for a term of more than five years shall be amortized in accordance with established procedure.

(B) The Secretary may guarantee loans with provisions for various rates of amortization corresponding to anticipated variations in family income. With respect to any loan guaranteed under this subparagraph-

(i) the initial principal amount of the loan may not exceed the reasonable value of the property as of the time the loan is

made: and

(ii) the principal amount of the loan thereafter (including the amount of all interest to be deferred and added to principal) may not at any time be scheduled to exceed the projected value

of the property.

(C) For the purposes of subparagraph (B) of this paragraph, the projected value of the property shall be calculated by the Secretary by increasing the reasonable value of the property as of the time the loan is made at a rate not in excess of 2.5 percent per year, but in no event may the projected value of the property for the purposes of such subparagraph exceed 115 percent of such reasonable value. A loan made for a purpose other than the acquisition of a single-family dwelling unit may not be guaranteed under such sub-

paragraph.

- (3) Any real estate housing loan (other than for repairs, alterations, or improvements) shall be secured by a first lien on the realty. In determining whether a loan for the purchase or construction of a home is so secured, the Secretary may disregard a superior lien created by a duly recorded covenant running with the realty in favor of a private entity to secure an obligation to such entity for the homeowner's share of the costs of the management, operation, or maintenance of property, services or programs within and for the benefit of the development or community in which the veteran's realty is located, if the Secretary determines that the interests of the veteran borrower and of the Government will not be prejudiced by the operation of such covenant. In respect to any such superior lien to be created after June 6, 1969, the Secretary's determination must have been made prior to the recordation of the
- (e)(1) Except as provided in paragraph (2) of this subsection, an individual who pays a fee under section 3729 of this title, or who is exempted under section 3729(c) of this title from paying such fee, with respect to a housing loan guaranteed or insured under this chapter that is closed after December 31, 1989, shall have no liability to the Secretary with respect to the loan for any loss resulting from any default of such individual except in the case of fraud, misrepresentation, or bad faith by such individual in obtaining the loan or in connection with the loan default.

(2) The exemption from liability provided by paragraph (1) of this

subsection shall not apply to—

(A) an individual from whom a fee is collected (or who is exempted from such fee) under section 3729(b) of this title; or

(B) a loan made for any purpose specified in section 3712 of

(f) The application for or obtaining of a loan made, insured, or guaranteed under this chapter shall not be subject to reporting requirements applicable to requests for, or receipts of, Federal contracts, grants, loans, loan guarantees, loan insurance, or cooperative agreements except to the extent that such requirements are provided for in, or by the Secretary pursuant to, this title.

§ 3704. Restrictions on loans

(a) No loan for the purchase or construction of residential property shall be financed through the assistance of this chapter unless the property meets or exceeds minimum requirements for planning, construction, and general acceptability prescribed by the Secretary; however, this subsection shall not apply to a loan for the purchase of residential property on which construction is fully completed more than one year before such loan is made.

(b) Subject to notice and opportunity for a hearing, the Secretary may refuse to appraise any dwelling or housing project owned, sponsored, or to be constructed by any person identified with housing previously sold to veterans under this chapter as to which substantial deficiencies have been discovered, or as to which there has been a failure or indicated inability to discharge contractual liabilities to veterans, or as to which it is ascertained that the type of contract of sale or the methods or practices pursued in relation to the marketing of such properties were unfair or unduly prejudicial to veteran purchasers. The Secretary may also refuse to appraise any dwelling or housing project owned, sponsored, or to be constructed by any person refused the benefits of participation under the National Housing Act pursuant to a determination of the Secretary of Housing and Urban Development.

(c)(1) Except as provided in paragraph (2) of the subsection, no loan for the purchase or construction of residential property shall be financed through the assistance of this chapter unless the veteran applicant, at the time that the veteran applies for the loan, and also at the time that the loan is closed, certifies in such form as the Secretary may require, that the veteran intends to occupy the property as the veteran's home. Except as provided in paragraph (2) of this subsection, no loan for the repair, alteration, or improvement of residential property shall be financed through the assistance of the provisions of this chapter unless the veteran ap-

plicant, at the time that the veteran applies to the lender for the loan, and also at the time that the loan is closed, certifies, in such form as may be required by the Secretary, that the veteran occupies the property as the veteran's home. Notwithstanding the foregoing provisions of this subsection, in the case of a loan automatically guaranteed under this chapter, the veteran shall be required to make the certification only at the time the loan is closed. For the purposes of this chapter the requirement that the veteran recipient of a guaranteed or direct home loan must occupy or intend to occupy the property as the veteran's home means that the veteran as of the date of the veteran's certification actually lives in the property personally as the veteran's residence or actually intends upon completion of the loan and acquisition of the dwelling unit to move into the property personally within a reasonable time and to utilize such property as the veteran's residence. Notwithstanding the foregoing requirements of this subsection, the provisions for certification by the veteran at the time the veteran applies for the loan and at the time the loan is closed shall be considered to be satisfied if the Secretary finds that (1) in the case of a loan for repair, alteration, or improvement the veteran in fact did occupy the property at such times, or (2) in the case of a loan for construction or purchase the veteran intended to occupy the property as the veteran's home at such times and the veteran did in fact so occupy it when, or within a reasonable time after, the loan was closed.

- (2) In any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy a property because of such status, the occupancy requirements of—
 - (A) paragraph (1) of this subsection;
 - (B) paragraphs (1) through (5) and paragraph (7) of section 3710(a) of this title;
 - (C) section 3712(a)(5)(A)(i) of this title; and
 - (D) section 3712(e)(5) of this title;

shall be considered to be satisfied if the spouse of the veteran occupies the property as the spouse's home and the spouse makes the certification required by paragraph (1) of this subsection.

(d) Subject to notice and opportunity for a hearing, whenever the Secretary finds with respect to guaranteed or insured loans that any lender or holder has failed to maintain adequate loan accounting records, or to demonstrate proper ability to service loans adequately or to exercise proper credit judgment or has willfully or negligently engaged in practices otherwise detrimental to the interest of veterans or of the Government, the Secretary may refuse either temporarily or permanently to guarantee or insure any loans made by such lender or holder and may bar such lender or holder from acquiring loans guaranteed or insured under this chapter; however, the Secretary shall not refuse to pay a guaranty or insurance claim on loans theretofore entered into in good faith between a veteran and such lender. The Secretary may also refuse either temporarily or permanently to guarantee or insure any loans made by a lender or holder refused the benefits of participation under the National Housing Act pursuant to a determination of the Secretary of Housing and Urban Development.

- (e) Any housing loan which is financed through the assistance of this chapter and to which section 3714 of this chapter applies shall include a provision that the loan is immediately due and payable upon transfer of the property securing such loan to any transferee unless the acceptability of the assumption of the loan is established pursuant to such section 3714.
- (f) A loan for the purchase or construction of new residential property, the construction of which began after the energy efficiency standards under section 109 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12709), as amended by section 101(c) of the Energy Policy Act of 1992, take effect, may not be financed through the assistance of this chapter unless the new residential property is constructed in compliance with such standards.

§ 3705. Warranties

(a) The Secretary shall require that in connection with any property upon which there is located a dwelling designed principally for not more than a four-family residence and which is appraised for guaranty or insurance before the beginning of construction, the seller or builder, and such other person as may be required by the Secretary to become warrantor, shall deliver to the purchaser or owner of such property a warranty that the dwelling is constructed in substantial conformity with the plans and specifications (including any amendments thereof, or changes and variations therein, which have been approved in writing by the Secretary) on which the Secretary based the Secretary's valuation of the dwelling. The Secretary shall deliver to the builder, seller, or other warrantor the Secretary's written approval (which shall be conclusive evidence of such appraisal) of any amendment of, or change or variation in, such plans and specifications which the Secretary deems to be a substantial amendment thereof, or change or variation therein, and shall file a copy of such written approval with such plans and specifications. Such warranty shall apply only with respect to such instances of substantial nonconformity to such approved plans and specifications (including any amendments thereof, or changes or variations therein, which have been approved in writing, as provided in this section, by the Secretary) as to which the purchaser or home owner has given written notice to the warrantor within one year from the date of conveyance of title to, or initial occupancy of, the dwelling, whichever first occurs. Such warranty shall be in addition to, and not in derogation of, all other rights and privileges which such purchaser or owner may have under any other law or instrument. The provisions of this section shall apply to any such property covered by a mortgage insured or guaranteed by the Secretary on and after October 1, 1954, unless such mortgage is insured or guaranteed pursuant to a commitment therefor made before October 1, 1954.

(b) The Secretary shall permit copies of the plans and specifications (including written approvals of any amendments thereof, or changes or variations therein, as provided in this section) for dwellings in connection with which warranties are required by subsection (a) of this section to be made available in their appropriate local offices for inspection or for copying by any purchaser, home owner, or warrantor during such hours or periods of time as the Secretary may determine to be reasonable.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1206, §1805; P.L. 94–324, §7(9), June 30, 1976, 90 Stat. 721; P.L. 101–237, §313(b)(1), Dec. 18, 1989, 103 Stat. 2077; P.L. 102–54, §15(a)(1), June 13, 1991, 105 Stat. 288; renumbered §3705, P.L. 102–83, §5(a), Aug. 6, 1991, 105 Stat. 406; amended P.L. 103–446, §1202(a)(2), Nov. 2, 1994, 108 Stat. 4689.)

§ 3706. Escrow of deposits and downpayments

(a) Any deposit or downpayment made by an eligible veteran in connection with the purchase of proposed or newly constructed and previously unoccupied residential property in a project on which the Secretary has issued a Certificate of Reasonable Value, which purchase is to be financed with a loan guaranteed, insured, or made under the provisions of this chapter, shall be deposited forthwith by the seller, or the agent of the seller, receiving such deposit or payment, in a trust account to safeguard such deposit or payment from the claims of creditors of the seller. The failure of the seller or the seller's agent to create such trust account and to maintain it until the deposit or payment has been disbursed for the benefit of the veteran purchaser at settlement or, if the transaction does not materialize, is otherwise disposed of in accordance with the terms of the contract, may constitute an unfair marketing practice within the meaning of section 3704(b) of this title.

(b) If an eligible veteran contracts for the construction of a property in a project on which the Secretary has issued a Certificate of Reasonable Value and such construction is to be financed with the assistance of a construction loan to be guaranteed, insured, or made under the provisions of this title, it may be considered an unfair marketing practice under section 3704(b) of this chapter if any deposit or downpayment of the veteran is not maintained in a special trust account by the recipient until it is either (1) applied on behalf of the veteran to the cost of the land or to the cost of construction or (2), if the transaction does not materialize, is otherwise disposed of in accordance with the terms of the contract.

§ 3707. Adjustable rate mortgages

(a) The Secretary shall carry out a demonstration project under this section during fiscal years 1993, 1994, and 1995 for the purpose of guaranteeing loans in a manner similar to the manner in which the Secretary of Housing and Urban Development insures adjustable rate mortgages under section 251 of the National Housing Act.

(b) Interest rate adjustment provisions of a mortgage guaranteed

under this section shall—

(1) correspond to a specified national interest rate index approved by the Secretary, information on which is readily accessible to mortgagors from generally available published sources;

(2) be made by adjusting the monthly payment on an annual

basis;

(3) be limited, with respect to any single annual interest rate adjustment, to a maximum increase or decrease of 1 percentage point; and

(4) be limited, over the term of the mortgage, to a maximum increase of 5 percentage points above the initial contract inter-

est rate.

(c) The Secretary shall promulgate underwriting standards for

loans guaranteed under this section, taking into account—

(1) the status of the interest rate index referred to in subsection (b)(1) and available at the time an underwriting decision is made, regardless of the actual initial rate offered by the lender;

(2) the maximum and likely amounts of increases in mort-

gage payments that the loans would require;

(3) the underwriting standards applicable to adjustable rate mortgages insured under title II of the National Housing Act; and

(4) such other factors as the Secretary finds appropriate.

(d) The Secretary shall require that the mortgagee make available to the mortgagor, at the time of loan application, a written explanation of the features of the adjustable rate mortgage, including a hypothetical payment schedule that displays the maximum potential increases in monthly payments to the mortgagor over the first five years of the mortgage term.

(Added P.L. 102-547, $\S3(a)(1)$, Oct. 28, 1992, 106 Stat. 3634; amended P.L. 103-78, $\S7$, Aug. 13, 1993, 107 Stat. 769.)

§3708. Authority to buy down interest rates: pilot program

- (a) In order to enable the purchase of housing in areas where the supply of suitable military housing is inadequate, the Secretary may conduct a pilot program under which the Secretary may make periodic or lump sum assistance payments on behalf of an eligible veteran for the purpose of buying down the interest rate on a loan to that veteran that is guaranteed under this chapter for a purpose described in paragraph (1), (6), or (10) of section 3710(a) of this title.
- (b) An individual is an eligible veteran for the purposes of this section if—
 - (1) the individual is a veteran, as defined in section 3701(b)(4) of this title;
 - (2) the individual submits an application for a loan guaranteed under this chapter within one year of an assignment of the individual to duty at a military installation in the United States designated by the Secretary of Defense as a housing shortage area;

- (3) at the time the loan referred to in subsection (a) is made, the individual is an enlisted member, warrant officer, or an officer (other than a warrant officer) at a pay grade of O-3 or below:
- (4) the individual has not previously used any of the individual's entitlement to housing loan benefits under this chapter; and
- (5) the individual receives comprehensive prepurchase counseling from the Secretary (or the designee of the Secretary) before making application for a loan guaranteed under this chap-
- (c) Loans with respect to which the Secretary may exercise the buy down authority under subsection (a) shall—
 - (1) provide for a buy down period of not more than three years in duration;
 - (2) specify the maximum and likely amounts of increases in mortgage payments that the loans would require; and
 - (3) be subject to such other terms and conditions as the Sec-

- retary may prescribe by regulation.
 (d) The Secretary shall promulgate underwriting standards for loans for which the interest rate assistance payments may be made under subsection (a). Such standards shall be based on the interest rate for the second year of the loan.
- (e) The Secretary or lender shall provide comprehensive prepurchase counseling to eligible veterans explaining the features of interest rate buy downs under subsection (a), including a hypothetical payment schedule that displays the increases in monthly payments to the mortgagor over the first five years of the mortgage term. For the purposes of this subsection, the Secretary may assign personnel to military installations referred to in subsection (b)(2).
- (f) There is authorized to be appropriated \$3,000,000 annually to carry out this section.
- (g) The Secretary may not guarantee a loan under this chapter after September 30, 1998, on which the Secretary is obligated to make payments under this section.

SUBCHAPTER II—LOANS

§ 3710. Purchase or construction of homes

(a) Except as provided in section 3704(c)(2) of this title, any loan to a veteran, if made pursuant to the provisions of this chapter, is automatically guaranteed if such loan is for one or more of the following purposes:

(1) To purchase or construct a dwelling to be owned and oc-

cupied by the veteran as a home.

- (2) To purchase a farm on which there is a farm residence to be owned and occupied by the veteran as the veteran's home.
- (3) To construct on land owned by the veteran a farm residence to be occupied by the veteran as the veteran's home.
- (4) To repair, alter, or improve a farm residence or other dwelling owned by the veteran and occupied by the veteran as the veteran's home.

(5) To refinance existing mortgage loans or other liens which are secured of record on a dwelling or farm residence owned and occupied by the veteran as the veteran's home.

(6) To purchase a one-family residential unit in a condominium housing development or project, if such development or project is approved by the Secretary under criteria which the Secretary shall prescribe in regulations.

(7) To improve a dwelling or farm residence owned by the veteran and occupied by the veteran as the veteran's home through energy efficiency improvements, as provided in sub-

section (d).

(8) To refinance in accordance with subsection (e) of this section an existing loan guaranteed, insured, or made under this chapter.

(9)(A)(i) To purchase a manufactured home to be perma-

nently affixed to a lot that is owned by the veteran.

(ii) To purchase a manufactured home and a lot to which the

home will be permanently affixed.

(B)(i) To refinance, in accordance with the terms and conditions applicable under the provisions of subsection (e) of this section (other than paragraph (1)(E) of such subsection) to the guaranty of a loan for the purpose specified in clause (8) of this subsection, an existing loan guaranteed, insured, or made under this chapter that is secured by a manufactured home permanently affixed to a lot that is owned by the veteran.

(ii) To refinance, in accordance with section 3712(a)(5) of this title, an existing loan that was made for the purchase of, and that is secured by, a manufactured home that is permanently affixed to a lot and to purchase the lot to which the manufac-

0) To purchase a dwelling to be owned and occupied by the veteran as a home and make energy efficiency improvements,

as provided in subsection (d).

(11) To refinance in accordance with subsection (e) an existing loan guaranteed, insured, or made under this chapter, and to improve the dwelling securing such loan through energy efficiency improvements, as provided in subsection (d).

If there is an indebtedness which is secured by a lien against land owned by the veteran, the proceeds of a loan guaranteed under this section or made under section 3711 of this title for construction of a dwelling or farm residence on such land may be used also to liquidate such lien, but only if the reasonable value of the land is equal to or greater than the amount of the lien.

(b) No loan may be guaranteed under this section or made under section 3711 of this title unless—

(1) the proceeds of such loan will be used to pay for the prop-

erty purchased, constructed, or improved;

(2) the contemplated terms of payment required in any mortgage to be given in part payment of the purchase price or the construction cost bear a proper relation to the veteran's present and anticipated income and expenses;

(3) the veteran is a satisfactory credit risk, as determined in accordance with the credit underwriting standards established

pursuant to subsection (g) of this section;

(4) the nature and condition of the property is such as to be suitable for dwelling purposes;

(5) except in the case of a loan described in clause (7) or (8) of this subsection, the loan to be paid by the veteran for such property or for the cost of construction, repairs, or alterations, does not exceed the reasonable value thereof as determined pursuant to section 3731 of this title:

(6) if the loan is for repair, alteration, or improvement of property, such repair, alteration, or improvement substantially protects or improves the basic livability or utility of such property; and

(7) in the case of a loan (other than a loan made for a purpose specified in subsection (a)(8) of this section) that is made to refinance—

(A) a construction loan,

(B) an installment land sales contract, or

(C) a loan assumed by the veteran that provides for a lower interest rate than the loan being refinanced,

the amount of the loan to be guaranteed or made does not exceed the lesser of—

- (i) the reasonable value of the dwelling or farm residence securing the loan, as determined pursuant to section 3731 of this title; or
- (ii) the sum of the outstanding balance on the loan to be refinanced and the closing costs (including discounts) actually paid by the veteran, as specified by the Secretary in regulations; and
- (8) in the case of a loan to refinance a loan (other than a loan or installment sales contract described in clause (7) of this subsection or a loan made for a purpose specified in subsection (a)(8) of this section), the amount of the loan to be guaranteed or made does not exceed 90 percent of the reasonable value of the dwelling or farm residence securing the loan, as determined pursuant to section 3731 of this title.

[(c) Repealed. P.L. 100–198, § 3(a)(2).]

- (d)(1) The Secretary shall carry out a program to demonstrate the feasibility of guaranteeing loans for the acquisition of an existing dwelling and the cost of making energy efficiency improvements to the dwelling or for energy efficiency improvements to a dwelling owned and occupied by a veteran. A loan may be guaranteed under this subsection only if it meets the requirements of this chapter, except as those requirements are modified by this subsection.
- (2) The cost of energy efficiency measures that may be financed by a loan guaranteed under this section may not exceed the greater of—
 - (A) the cost of the energy efficiency improvements, up to \$3.000; or
 - (B) \$6,000, if the increase in the monthly payment for principal and interest does not exceed the likely reduction in monthly utility costs resulting from the energy efficiency improvements.

(3) Notwithstanding the provisions of section 3703(a)(1)(A) of this title, any loan guaranteed under this subsection shall be guaranteed in an amount equal to the sum of-

(A) the guaranty that would be provided under those provisions for the dwelling without the energy efficiency improve-

ments; and

(B) an amount that bears the same relation to the cost of the energy efficiency improvements as the guaranty referred to in subparagraph (A) bears to the amount of the loan minus the cost of such improvements.

(4) The amount of the veteran's entitlement, calculated in accordance with section 3703(a)(1)(B) of this title, shall not be affected by

the amount of the guaranty referred to in paragraph (3)(B)

(5) The Secretary shall take appropriate actions to notify eligible veterans, participating lenders, and interested realtors of the availability of loan guarantees under this subsection and the procedures and requirements that apply to the obtaining of such guarantees.

(6) For the purposes of this subsection:
(A) The term "energy efficiency improvement" includes a solar heating system, a solar heating and cooling system, or a combined solar heating and cooling system, and the application of a residential energy conservation measure.

(B) The term "solar heating" has the meaning given such term in section 3(1) of the Solar Heating and Cooling Demonstration Act of 1974 (42 U.S.C. 5502(1)) and, in addition, includes a passive system based on conductive, convective, or ra-

diant energy transfer.

- (C) The terms "solar heating and cooling" and "combined solar heating and cooling" have the meaning given such terms in section 3(2) of the Solar Heating and Cooling Demonstration Act of 1974 (42 U.S.C. 5502(2)) and, in addition, include a passive system based on conductive, convective, or radiant energy
- (D) The term "passive system" includes window and skylight glazing, thermal floors, walls, and roofs, movable insulation panels (when in conjunction with glazing), portions of a residential structure that serve as solar furnaces so as to add heat to the structure, double-pane window insulation, and such other energy-related components as are determined by the Secretary to enhance the natural transfer of energy for the purpose of heating or heating and cooling a residence.

(E) The term "residential energy conservation measure"

means-

(i) caulking and weatherstripping of all exterior doors and windows;

(ii) furnace efficiency modifications limited to—

(I) replacement burners, boilers, or furnaces designed to reduce the firing rate or to achieve a reduction in the amount of fuel consumed as a result of increased combustion efficiency,

(II) devices for modifying flue openings which will increase the efficiency of the heating system, and

(III) electrical or mechanical furnace ignition systems which replace standing gas pilot lights;

- (iii) clock thermostats;
- (iv) ceiling, attic, wall, and floor insulation;
- (v) water heater insulation;
- (vi) storm windows and doors;
- (vii) heat pumps; and
- (viii) such other energy conservation measures as the Secretary may identify for the purposes of this subparagraph.
- (e)(1) For a loan to be guaranteed for the purpose specified in subsection (a)(8) or for the purpose specified in subsection (a)(11) of this section—
 - (A) the interest rate of the loan must be less than the interest rate of the loan being refinanced or, in a case in which the loan is a fixed rate loan and the loan being refinanced is an adjustable rate loan, the loan bears interest at a rate that is agreed upon by the veteran and the mortgagee;

(B) the loan must be secured by the same dwelling or farm

residence as was the loan being refinanced;

(C) the amount of the loan may not exceed—

(i) an amount equal to the sum of the balance of the loan being refinanced and such closing costs (including any discount permitted pursuant to section 3703(c)(3)(A) of this title) as may be authorized by the Secretary (under regulations which the Secretary shall prescribe) to be included in the loan; or

(ii) in the case of a loan for the purpose specified in subsection (a)(11), an amount equal to the sum of the amount referred to with respect to the loan under clause (i) and

the amount specified under subsection (d)(2);

(D) notwithstanding section 3703(a)(1) of this title, the amount of the guaranty of the loan may not exceed the greater of (i) the original guaranty amount of the loan being refinanced, or (ii) 25 percent of the loan;

(E) the term of the loan may not exceed the original term of

the loan being refinanced by more than 10 years; and

(F) the veteran must own the dwelling or farm residence securing the loan and—

(i) must occupy such dwelling or residence as such vet-

eran's home;

(ii) must have previously occupied such dwelling or residence as such veteran's home and must certify, in such form as the Secretary shall require, that the veteran has previously so occupied such dwelling or residence; or

(iii) in any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy such residence or dwelling as a home because of such status, the spouse of the veteran must occupy, or must have previously occupied, such dwelling or residence as such spouse's home and must certify such occupancy in such form as the Secretary shall require.

(2) A loan to a veteran may be guaranteed by the Secretary under this chapter for the purpose specified in clause (8) of subsection (a) of this section without regard to the amount of outstanding guaranty entitlement available for use by such veteran,

and the amount of such veteran's guaranty entitlement shall not be charged as a result of any guaranty provided for such purpose. For purposes of section 3702(b) of this title, such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(3) If a veteran is deceased and if such veteran's surviving spouse was a co-obligor under an existing loan guaranteed, insured, or made under this chapter, such surviving spouse shall, only for the purpose specified in subsection (a)(8) of this section, be deemed to

be a veteran eligible for benefits under this chapter.

(f)(1) For a loan to be guaranteed for the purpose specified in subclause (A)(ii) or (B)(ii) of subsection (a)(9) of this section, the purchase of (or the refinancing of a loan secured by) the manufactured home and the lot for that home shall be considered as one loan and must comply with such criteria as may be prescribed by the Secretary in regulations.

(2) A loan may not be guaranteed for the purposes of subsection (a)(9) of this section unless the manufactured home purchased, upon being permanently affixed to the lot, is considered to be real property under the laws of the State where the lot is located.

(g)(1) For the purposes of this subsection, the term "veteran", when used with respect to a loan guaranteed or to be guaranteed under this chapter, includes the veteran's spouse if the spouse is jointly liable with the veteran under the loan.

(2) For the purpose of determining whether a veteran meets the standards referred to in subsection (b)(3) of this section and section 3712(e)(2) of this title, the Secretary shall prescribe regulations which establish—

(A) credit underwriting standards to be used in evaluating loans to be guaranteed under this chapter; and

(B) standards to be used by lenders in obtaining credit information and processing loans to be guaranteed under this chapter.

(3) In the regulations prescribed under paragraph (2) of this subsection, the Secretary shall establish standards that include—

(A) debt-to-income ratios to apply in the case of the veteran applying for the loan;

(B) criteria for evaluating the reliability and stability of the income of the veteran applying for the loan; and

(C) procedures for ascertaining the monthly income required by the veteran to meet the anticipated loan payment terms.

If the procedures described in clause (C) of this paragraph include standards for evaluating residual income, the Secretary shall, in establishing such standards, give appropriate consideration to State statistics (in States as to which the Secretary determines that such statistics are reliable) pertinent to residual income and the cost of living in the State in question rather than in a larger region.

(4)(A) Any lender making a loan under this chapter shall certify, in such form as the Secretary shall prescribe, that the leader has complied with the credit information and loan processing standards established under paragraph (2)(B) of this subsection, and that, to the best of the lender's knowledge and belief, the loan meets the

underwriting standards established under paragraph (2)(A) of this subsection.

(B) Any lender who knowingly and willfully makes a false certification under subparagraph (A) of this paragraph shall be liable to the United States Government for a civil penalty equal to two times the amount of the Secretary's loss on the loan involved or to another appropriate amount, not to exceed \$10,000, whichever is greater. All determinations necessary to carry out this subparagraph shall be made by the Secretary.

(5) Pursuant to regulations prescribed to carry out this paragraph, the Secretary may, in extraordinary situations, waive the application of the credit underwriting standards established under paragraph (2) of this subsection when the Secretary determines, considering the totality of circumstances, that the veteran is a satisfactory credit risk.

§ 3711. Direct loans to veterans

(a) The Congress finds that housing credit for purposes specified in section 3710 or 3712 of this title is not and has not been generally available to veterans living in rural areas, or in small cities and towns not near large metropolitan areas. It is therefore the purpose of this section to provide housing credit for veterans living in such rural areas and such small cities and towns.

(b) Whenever the Secretary finds that private capital is not generally available in any rural area or small city or town for the financing of loans guaranteed for purposes specified in section 3710 or 3712 of this title, the Secretary shall designate such rural area or small city or town as a "housing credit shortage area". The Secretary shall, with respect to any such area, make, or enter into commitments to make, to any veteran eligible under this title, a loan for any or all of the purposes described in section 3710(a) or 3712 of this title (other than the refinancing of a loan under section 3710(a)(8) or 3712(a)(1)(F)).

(c) No loan may be made under this section to a veteran unless the veteran shows to the satisfaction of the Secretary that—

(1) the veteran is unable to obtain from a private lender in such housing credit shortage area, at an interest rate not in excess of the rate authorized for guaranteed home loans or manufactured home loans, as appropriate, a loan for such purpose for which the veteran is qualified under section 3710 or 3712 of this title, as appropriate; and

(2) the veteran is unable to obtain a loan for such purpose from the Secretary of Agriculture under title III of the Consoli-

dated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) or title V of the Housing Act of 1949 (42 U.S.C. 1471 et seq.).

(d)(1) Loans made under this section shall bear interest at a rate determined by the Secretary, not to exceed the rate authorized for guaranteed home loans, or manufactured home loans, as appropriate, and shall be subject to such requirements or limitations prescribed for loans guaranteed under this title as may be applicable.

(2)(A) Except for any loan made under this chapter for the purposes described in section 3712 of this title, the original principal amount of any loan made under this section shall not exceed an amount which bears the same ratio to \$33,000 as the amount of guaranty to which the veteran is entitled under section 3710 of this title at the time the loan is made bears to \$36,000; and the guaranty entitlement of any veteran who heretofore or hereafter has been granted a loan under this section shall be charged with an amount which bears the same ratio to \$36,000 as the amount of the loan bears to \$33,000.

(B) The original principal amount of any loan made under this section for the purposes described in section 3712 of this title shall not exceed the amount that bears the same ratio to \$33,000 as the amount of guaranty to which the veteran is entitled under such section at the time the loan is made bears to \$20,000. The amount of the guaranty entitlement for purposes specified in section 3710 of this title of any veteran who is granted a loan under this section, or who before October 18, 1978, was granted a loan under this section, shall be charged with the amount that bears the same ratio to \$20,000 as the amount of the loan bears to \$33,000.

(3) No veteran may obtain loans under this section aggregating more than \$33,000.

(e) Loans made under this section shall be repaid in monthly installments, except that in the case of any such loan made for any of the purposes described in paragraphs (2), (3), or (4) of section 3710(a) of this title, the Secretary may provide that such loan shall be repaid in quarterly, semiannual, or annual installments.

(f) In connection with any loan under this section, the Secretary may make advances in cash to pay taxes and assessments on the real estate, to provide for repairs, alterations, and improvements, and to meet the incidental expenses of the transaction. The Secretary shall determine the expenses incident to origination of loans made under this section, which expenses, or a reasonable flat allowance in lieu thereof, shall be paid by the veteran in addition to the loan closing costs.

(g) The Secretary may sell, and shall offer for sale, to any person or entity approved for such purpose by the Secretary, any loan made under this section at a price which the Secretary determines to be reasonable under the conditions prevailing in the mortgage market when the agreement to sell the loan is made; and shall guarantee any loan thus sold subject to the same conditions, terms, and limitations which would be applicable were the loan guaranteed for purposes specified in section 3710 or 3712 of this title, as appropriate.

(h) The Secretary may exempt dwellings constructed through assistance provided by this section from the minimum land planning and subdivision requirements prescribed pursuant to subsection (a)

of section 3704 of this title, and with respect to such dwellings may prescribe special minimum land planning and subdivision requirements which shall be in keeping with the general housing facilities in the locality but shall require that such dwellings meet minimum requirements of structural soundness and general acceptability.

(i) The Secretary is authorized, without regard to the provisions of subsections (a), (b), and (c) of this section, to make or enter into a commitment to make a loan to any veteran to assist the veteran in acquiring a specially adapted housing unit authorized under chapter 21 of this title, if the veteran is determined to be eligible for the benefits of such chapter 21, and is eligible for loan guaranty benefits under this chapter.

(j)(1) If any builder or sponsor proposes to construct one or more dwellings in a housing credit shortage area, or in any area for a veteran who is determined to be eligible for assistance in acquiring a specially adapted housing unit under chapter 21 of this title, the Secretary may enter into commitment with such builder or sponsor, under which funds available for loans under this section will be reserved for a period not in excess of three months, or such longer period as the Secretary may authorize to meet the needs in any particular case, for the purpose of making loans to veterans to purchase such dwellings. Such commitment may not be assigned or transferred except with the written approval of the Secretary. The Secretary shall not enter into any such commitment unless such builder or sponsor pays a nonrefundable commitment fee to the Secretary in an amount determined by the Secretary, not to exceed 2 percent of the funds reserved for such builder or sponsor.

(2) Whenever the Secretary finds that a dwelling with respect to which funds are being reserved under this subsection has been sold, or contracted to be sold, to a veteran eligible for a direct loan under this section, the Secretary shall enter into a commitment to make the veteran a loan for the purchase of such dwelling. With respect to any loan made to an eligible veteran under this subsection, the Secretary may make advances during the construction of the dwelling, up to a maximum in advances of (A) the cost of the land plus (B) 80 percent of the value of the construction in

place.

(k) Without regard to any other provision of this chapter, the Secretary may take or cause to be taken such action as in the Secretary's judgment may be necessary or appropriate for or in connection with the custody, management, protection, and realization or sale of investments under this section, may determine the Secretary's necessary expenses and expenditures, and the manner in which the same shall be incurred, allowed and paid, may make such rules, regulations, and orders as the Secretary may deem necessary or appropriate for carrying out the Secretary's functions under this section and, except as otherwise expressly provided in this chapter, may employ, utilize, compensate, and, to the extent not inconsistent with the Secretary's basic responsibilities under this chapter, delegate any of the Secretary's functions under this section to such persons and such corporate or other agencies, including agencies of the United States, as the Secretary may designate.

§ 3712. Loans to purchase manufactured homes and lots

(a)(1) Notwithstanding any other provision of this chapter, any loan to a veteran eligible for the housing loan benefits of this chapter, if made pursuant to the provisions of this section, may be guaranteed if such loan is for one of the following purposes:

(A) To purchase a lot on which to place a manufactured

home already owned by the veteran.

(B) To purchase a single-wide manufactured home.

(C) To purchase a single-wide manufactured home and a lot on which to place such home.

(D) To purchase a double-wide manufactured home.

(E) To purchase a double-wide manufactured home and a lot

on which to place such home.

(F) To refinance in accordance with paragraph (4) of this subsection an existing loan guaranteed, insured, or made under this section.

(G) To refinance in accordance with paragraph (5) of this subsection an existing loan that was made for the purchase of, and that is secured by, a manufactured home and to purchase a lot on which such manufactured home is or will be placed.

- (2) A loan for any of the purposes described in paragraph (1) of this subsection (other than the refinancing under clause (F) of such paragraph of an existing loan) may include an amount determined by the Secretary to be appropriate to cover the cost of necessary preparation of a lot already owned or to be acquired by the veteran, including the costs of installing utility connections and sanitary facilities, of paving, and of constructing a suitable pad for the manufactured home.
- (3) Any loan made for the purposes described in clause (C), (E), or (G) of paragraph (1) of this subsection shall be considered as part of one loan. The transaction may be evidenced by a single loan instrument or by separate loan instruments for (A) that portion of the loan which finances the purchase of the manufactured home, and (B) that portion of the loan which finances the purchase of the lot and the necessary preparation of such lot.

(4)(A) For a loan to be guaranteed for the purpose specified in clause (F) of paragraph (1) of this subsection—

(i) the interest rate of the loan must be less than the interest rate of the loan being refinanced;

(ii) the loan must be secured by the same manufactured home or manufactured-home lot, or manufactured home and manufactured-home lot, as was the loan being refinanced;

(iii) the amount of the loan may not exceed an amount equal to the sum of the balance of the loan being refinanced and such closing costs (including any discount permitted pursuant to section 3703(c)(3)(A) of this title) as may be authorized by the Secretary, under regulations which the Secretary shall prescribe, to be included in such loan;

(iv) notwithstanding section 3703(a)(1) of this title, the amount of the guaranty of the loan may not exceed the greater of (I) the original guaranty amount of the loan being refi-

nanced, or (II) 25 percent of the loan;

(v) the term of the loan may not exceed the original term of

the loan being refinanced; and

(vi) the veteran must own the manufactured home, or the manufactured-home lot, or the manufactured home and the manufactured-home lot, securing the loan and-

(I) must occupy the home, a manufactured home on the

lot, or the home and the lot, securing the loan;

(II) must have previously occupied the home, a manufactured home on the lot, or the home and the lot, securing the loan as the veteran's home and must certify, in such form as the Secretary shall require, that the veteran has previously so occupied the home (or such a home on the lot); or

(III) in any case in which a veteran is in active duty status as a member of the Armed Forces and is unable to occupy the home, a manufactured home on the lot, or the home and the lot, as a home because of such status, the spouse of the veteran must occupy, or must have previously occupied, the manufactured home on the lot, or the home and the lot, as such spouse's home and must certify such occupancy in such form as the Secretary shall re-

quire.

(B) A loan to a veteran may be guaranteed by the Secretary under this chapter for the purpose specified in clause (F) of paragraph (1) of this subsection without regard to the amount of outstanding guaranty entitlement available for use by such veteran, and the amount of such veteran's guaranty entitlement shall not be charged as a result of any guaranty provided for such purpose. For purposes of section 3702(b) of this title, such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(C) If a veteran is deceased and if such veteran's surviving spouse was a co-obligor under an existing loan previously guaranteed, insured, or made for purposes specified in this section, such surviving spouse shall, only for the purpose specified in clause (F) of paragraph (1) of this subsection, be deemed to be a veteran eligi-

ble for benefits under this chapter.

(5)(A) For a loan to be guaranteed for the purpose specified in paragraph (1)(G) of this subsection or section 3710(a)(9)(B)(ii) of this title-

(i) the loan must be secured by the same manufactured home as was the loan being refinanced and such manufactured home must be owned and occupied by the veteran (except as provided in section 3704(c)(2) of this title) as such veteran's home;

(ii) the amount of the loan may not exceed an amount equal to the sum of—

(I) the purchase price of the lot,

(II) the amount (if any) determined by the Secretary to be appropriate under paragraph (2) of this subsection to cover the cost of necessary preparation of such lot,

(III) the balance of the loan being refinanced, and

(IV) such closing costs (including any discount permitted pursuant to section 3703(c)(3)(E) of this title) as may be authorized by the Secretary, under regulations which the Secretary shall prescribe, to be included in such loan.

(B) When a loan is made to a veteran for the purpose specified in paragraph (1)(G) of this subsection or section 3710(a)(9)(B)(ii) of this title, and the loan being refinanced was guaranteed, insured, or made under this section, the portion of the loan made for the purpose of refinancing such loan may be guaranteed by the Secretary under this chapter without regard to the amount of outstanding guaranty entitlement available for use by such veteran, and the amount of such veteran's guaranty entitlement shall not be charged as a result of any guaranty provided for such portion of such loan. For the purposes of section 3702(b) of this title, such portion of such loan shall be deemed to have been obtained with the guaranty entitlement used to obtain the loan being refinanced.

(b)(1) Use of entitlement for purposes specified in this section for the purchase of a manufactured home unit shall preclude the use of remaining entitlement for the purchase of an additional manufactured home unit until the unit which secured the loan has been disposed of by the veteran or has been destroyed by fire or other natural hazard.

(2) The Secretary shall restore entitlement to all housing loan benefits under this chapter for the veteran when the conditions prescribed in section 3702(b) of this title have been met.

(c)(1) Loans for any of the purposes authorized by subsection (a) of this section shall be submitted to the Secretary for approval prior to the closing of the loan, except that the Secretary may exempt any lender of a class listed in section 3702(d) of this title from compliance with such prior approval requirement if the Secretary determines that the experience of such lender or class of lenders in manufactured home financing warrants such exemption.

(2) Upon determining that a loan submitted for prior approval is eligible for guaranty for purposes specified in this section, the Secretary shall issue a commitment to guarantee such loan and shall thereafter guarantee the loan when made if such loan qualifies therefor in all respects.

(3)(A) The Secretary's guaranty may not exceed the lesser of (i) the lesser of \$20,000 or 40 percent of the loan, or (ii) the maximum amount of guaranty entitlement available to the veteran as specified in paragraph (4) of this subsection.

(B) A claim under the Secretary's guaranty shall, at the election of the holder of a loan, be made by the filing of an accounting with

the Secretary—

(i) within a reasonable time after the receipt by such holder of an appraisal by the Secretary of the value of the security for the loan; or

(ii) after liquidation of the security for the loan.

(C) If the holder of a loan applies for payment of a claim under clause (i) of subparagraph (B) of this paragraph, the amount of such claim payable by the Secretary shall be the lesser of—

(i) the amount equal to the excess, if any, of the total indebtedness over the amount of the appraisal referred to in such

clause; or

(ii) the amount equal to the guaranty under this section.

(D) If the holder of a loan files for payment of a claim under clause (ii) of subparagraph (B) of this paragraph, the amount of such claim payable by the Secretary shall be the lesser of—

(i) the amount equal to the excess, if any, of the total indebtedness over the greater of the value of the property securing the loan, as determined by the Secretary, or the amount of the liquidation or resale proceeds; or

(ii) the amount equal to the guaranty under the section.

(E) In any accounting filed pursuant to subparagraph (B)(ii) of this paragraph, the Secretary shall permit to be included therein accrued unpaid interest from the date of the first uncured default to such cutoff date as the Secretary may establish, and the Secretary shall allow the holder of the loan to charge against the liquidation or resale proceeds accrued interest from the cutoff date established to such further date as the Secretary may determine and such costs and expenses as the Secretary determines to be reasonable and proper.

(F) The liability of the United States under the guaranty provided for by this paragraph shall decrease or increase pro rata with any decrease or increase of the amount of the unpaid portion of the

obligation.

- (4) The maximum amount of guaranty entitlement available to a veteran for purposes specified in this section shall be \$20,000 reduced by the amount of any such entitlement previously used by the veteran. Use of entitlement for purposes specified in section 3710 or 3711 of this title shall reduce entitlement available for use for purposes specified in this section to the same extent that entitlement available for purposes specified in such section 3710 is reduced below \$20,000.
- (5) The amount of any loan guaranteed for purposes specified in this section shall not exceed an amount equal to 95 percent of the purchase price of the property securing the loan.

(d)(1) The maturity of any loan guaranteed for purposes specified

in this section shall not be more than—

- (A) fifteen years and thirty-two days, in the case of a loan for the purchase of a lot;
- (B) twenty years and thirty-two days, in the case of a loan for the purchase of—

(i) a single-wide manufactured home; or

(ii) a single-wide manufactured home and a lot;

(C) twenty-three years and thirty-two days, in the case of a loan for the purchase of a double-wide manufactured home; or

- (D) twenty-five years and thirty-two days, in the case of a loan for the purchase of a double-wide manufactured home and a lot.
- (2) Nothing in paragraph (1) of this subsection shall preclude the Secretary, under regulations which the Secretary shall prescribe, from consenting to necessary advances for the protection of the security or the holder's lien, to a reasonable extension of the term of such loan, or to a reasonable reamortization of such loan.

(e) No loan shall be guaranteed for purposes specified in this section unless—

- (1) the loan is repayable in approximately equal monthly installments:
- (2) the terms of repayment bear a proper relationship to the veteran's present and anticipated income and expenses, and the veteran is a satisfactory credit risk, as determined in accordance with the regulations prescribed under section 3710(g) of this title and taking into account the purpose of this program to make available lower cost housing to low and lower income veterans, especially those who have been recently discharged or released from active military, naval, or air service, who may not have previously established credit ratings;

(3) the loan is secured by a first lien on the manufactured home purchased with the proceeds of the loan and on any lot acquired or improved with the proceeds of the loan;

(4) the amount of the loan to be paid by the veteran is not in excess of the amount determined to be reasonable, based upon—

(A) with respect to any portion of the loan to purchase a new manufactured home, such cost factors as the Secretary considers proper to take into account;

(B) with respect to any portion of the loan to purchase a used manufactured home, the reasonable value of the property, as determined by the Secretary;

(C) with respect to any portion of the loan to purchase a lot, the reasonable value of such lot, as determined by the Secretary; and

(D) with respect to any portion of the loan to cover the cost of necessary site preparation, an appropriate amount, as determined by the Secretary;

(5) the veteran certifies, in such form as the Secretary shall prescribe, that the veteran will personally occupy the property as the veteran's home; except that the requirement of this clause shall not apply (A) in the case of a guaranteed loan that is for the purpose described in paragraph (1)(F) of subsection (a), or (B) in the case described in section 3704(c)(2);

(6) the manufactured home is or will be placed on a site which meets specifications which the Secretary shall establish by regulation; and

(7) the interest rate to be charged on the loan does not exceed the permissible rate established by the Secretary.

(f) The Secretary shall establish such rate of interest for manufactured home loans and manufactured home lot loans as the Secretary determines to be necessary in order to assure a reasonable

supply of manufactured home loan financing for veterans for purposes specified in this section.

(g) The Secretary shall promulgate such regulations as the Secretary determines to be necessary or appropriate in order to fully implement the provisions of this section, and such regulations may specify which provisions in other sections of this chapter the Secretary determines should be applicable to loans guaranteed or made for purposes specified in this section. The Secretary shall have such powers and responsibilities in respect to matters arising under this section as the Secretary has in respect to loans made

or guaranteed or under other sections of this chapter.

(h)(1) No loan for the purchase of a manufactured home shall be guaranteed for purposes specified in this section unless the manufactured home and lot, if any, meet or exceed standards for planning, construction, and general acceptability as prescribed by the Secretary and no loan for the purchase of a lot on which to place a manufactured home owned by a veteran shall be guaranteed for purposes specified in this section unless the lot meets such standards prescribed for manufactured home lots. Such standards shall be designed to encourage the maintenance and development of sites for manufactured homes which will be attractive residential areas and which will be free from, and not substantially contribute to, adverse scenic or environmental conditions.

(2) Any manufactured housing unit properly displaying a certification of conformity to all applicable Federal manufactured home construction and safety standards pursuant to section 616 of the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5415) shall be deemed to meet the

standards required by paragraph (1).

- (i) The Secretary shall require the manufacturer to become a warrantor of any new manufactured home which is approved for purchase with financing through the assistance of this chapter and to furnish to the purchaser a written warranty in such form as the Secretary shall require. Such warranty shall include (1) a specific statement that the manufactured home meets the standards prescribed by the Secretary pursuant to the provisions of subsection (h) of this section; and (2) a provision that the warrantor's liability to the purchaser or owner is limited under the warranty to instances of substantial nonconformity to such standards which become evident within one year from date of purchase and as to which the purchaser or owner gives written notice to the warrantor not later than ten days after the end of the warranty period. The warranty prescribed herein shall be in addition to, and not in derogation of, all other rights and privileges which such purchaser or owner may have under any other law or instrument and shall so provide in the warranty document.
- (j) Subject to notice and opportunity for a hearing, the Secretary is authorized to deny guaranteed or direct loan financing in the case of-
 - (1) manufactured homes constructed by a manufacturer who fails or is unable to discharge the manufacturer's obligations under the warranty;

(2) manufactured homes which are determined by the Secretary not to conform to the standards provided for in subsection (h); or

(3) a manufacturer of manufactured homes who has engaged in procedures or practices determined by the Secretary to be

unfair or prejudicial to veterans or the Government.

(k) Subject to notice and opportunity for a hearing, the Secretary may refuse to approve as acceptable any site in a manufactured home park or subdivision owned or operated by any person whose rental or sale methods, procedures, requirements, or practices are determined by the Secretary to be unfair or prejudicial to veterans renting or purchasing such sites. The Secretary may also refuse to guarantee or make direct loans for veterans to purchase manufactured homes offered for sale by any dealer if substantial deficiencies have been discovered in such homes, or if the Secretary determines that there has been a failure or indicated inability of the dealer to discharge contractual liabilities to veterans, or that the type of contract of sale or methods, procedures, or practices pursued by the dealer in the marketing of such properties have been unfair or prejudicial to veteran purchasers.

(l) The provisions of sections 3704(d) and 3721 of this title shall be fully applicable to lenders making guaranteed manufactured home loans and manufactured home lot loans and holders of such loans.

§ 3713. Release from liability under guaranty

(a) Whenever any veteran disposes of residential property securing a guaranteed, insured, or direct housing loan obtained by the veteran, the Secretary, upon application made by such veteran and by the transferee incident to such disposal, shall issue to such veteran in connection with such disposal a release relieving the veteran of all further liability to the Secretary on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Secretary has determined, after such investigation as the Secretary may deem appropriate, that (1) the loan is current, and (2) the purchaser of such property from such veteran (A) is obligated by contract to purchase such property and to assume full liability for the repayment of the balance of the loan remaining unpaid, and has assumed by contract all of the obligations of the veteran under the terms of the instruments creating and securing the loan, and (B)

qualifies from a credit standpoint, to the same extent as if the transferee were a veteran eligible for purposes specified in section 3710 of this title, for a guaranteed or insured or direct loan in an amount equal to the unpaid balance of the obligation for which the transferee has assumed liability.

- (b) If any veteran disposes of residential property securing a guaranteed, insured, or direct housing loan obtained by the veteran under this chapter without receiving a release from liability with respect to such loan under subsection (a), and a default subsequently occurs which results in liability of the veteran to the Secretary on account of the loan, the Secretary may relieve the veteran of such liability if the Secretary determines, after such investigation as the Secretary deems appropriate, that the property was disposed of by the veteran in such a manner, and subject to such conditions, that the Secretary would have issued the veteran a release from liability under subsection (a) with respect to the loan if the veteran had made application therefor incident to such disposal. Failure of a transferee to assume by contract all of the liabilities of the original veteran-borrower shall bar such release of liability only in cases in which no acceptable transferee, either immediate or remote, is legally liable to the Secretary for the indebtedness of the original veteran-borrower arising from termination of the loan. The failure of a veteran to qualify for release from liability under this subsection does not preclude relief from being granted under section 5302(b) of this title, if the veteran is eligible for relief under that section.
- (c) This section shall apply only to loans for which commitments are made before March 1, 1988.

§ 3714. Assumptions; release from liability

- (a)(1) Except as provided in subsection (f) of this section, if a veteran or any other person disposes of residential property securing a loan guaranteed, insured, or made under this chapter and the veteran or other person notifies the holder of the loan in writing before the property is disposed of, the veteran or other person, as the case may be, shall be relieved of all further liability to the Secretary with respect to the loan (including liability for any loss resulting from any default of the purchaser or any subsequent owner of the property) and the application for assumption shall be approved if the holder determines that—
 - (A) the loan is current; and
 - (B) the purchaser of the property from such veteran or other person—
 - (i) is obligated by contract to purchase such property and to assume full liability for the repayment of the balance of the loan remaining unpaid and has assumed by contract

all of the obligations of the veteran under the terms of the instruments creating and securing the loan; and

(ii) qualifies from a credit standpoint, to the same extent as if the purchaser were a veteran eligible under section 3710 of this title, for a guaranteed or insured or direct loan in an amount equal to the unpaid balance of the obligation for which the purchaser is to assume liability.

(2) For the purposes of paragraph (1), paragraph (3), and paragraph (4)(C)(ii) of this subsection, the Secretary shall be considered to be the holder of the loan if the actual holder is not an approved lender described in section 3702.

(3) If the holder of the loan determines that the loan is not current or that the purchaser of the property does not meet the requirements of paragraph (1)(B) of this subsection, the holder shall—

(A) notify the transferor and the Secretary of such determination; and

(B) notify the transferor that the transferor may appeal the determination to the Secretary.

(4)(A) Upon the appeal of the transferor after a determination described in paragraph (3) is made, the Secretary shall, in a timely manner, review and make a determination (or a redetermination in any case in which the Secretary made the determination described in such paragraph) with respect to whether the loan is current and whether the purchaser of the property meets the requirements of paragraph (1)(B) of this subsection. The Secretary shall transmit, in writing, a notice of the nature of such determination to the transferor and the holder and shall inform them of the action that shall or may be taken under subparagraph (B) of this paragraph as a result of the determination of the Secretary.

(B)(i) If the Secretary determines under subparagraph (A) of this paragraph that the loan is current and that the purchaser meets the requirements of paragraph (1)(B) of this subsection, the holder shall approve the assumption of the loan, and the transferor shall be relieved of all liability to the Secretary with respect to such loan

(ii) If the Secretary determines under subparagraph (A) of this paragraph that the purchaser does not meet the requirements of paragraph (1)(B) of this subsection, the Secretary may direct the holder to approve the assumption of the loan if—

(I) the Secretary determines that the transferor of the property is unable to make payments on the loan and has made reasonable efforts to find a buyer who meets the requirements of paragraph (1)(B) of this subsection and that, as a result, the proposed transfer is in the best interests of the Department and the transferor:

(II) the transferor has requested, within 15 days after receiving the notice referred to in subparagraph (A) of this paragraph, that the Secretary approve the assumption; and

(III) the transferor will, upon assumption of the loan by the purchaser, be secondarily liable on the loan.

(C) If—

(i) the loan is not approved for assumption under subparagraph (B) of this paragraph or paragraph (1) of this subsection; or

(ii) no appeal is made by the transferor under subparagraph (A) of this paragraph within 30 days after the holder informs the transferor of its determination under paragraph (3) of this subsection,

the holder may demand immediate, full payment of the principal, and all interest earned thereon, of such loan if the transferor dis-

poses of the property.

(b) If a person disposes of residential property described in subsection (a)(1) of this section and the person fails to notify the holder of the loan before the property is disposed of, the holder, upon learning of such action by the person, may demand immediate and full payment of the principal, interest, and all other amounts owing under the terms of the loan.

(c)(1) In any case in which the holder of a loan described in subsection (a)(1) of this section has knowledge of a person's disposing of residential property securing the loan, the holder shall notify the

Secretary of such action.

(2) If the holder fails to notify the Secretary in such a case, the holder shall be liable to the Secretary for any damage sustained by the Secretary as a result of the holder's failure, as determined at the time the Secretary is required to make payments in accordance with any insurance or guaranty provided by the Secretary with respect to the loan concerned.

(d) With respect to a loan guaranteed, insured, or made under this chapter, the Secretary shall provide, by regulation, that at least one instrument evidencing either the loan or the mortgage or deed of trust therefor, shall conspicuously contain, in such form as the Secretary shall specify, a notice in substantially the following form: "This loan is not assumable without the approval of the De-

partment of Veterans Affairs or its authorized agent".

(e) The Secretary shall establish in regulations a reasonable amount as the maximum amount that a lender may charge for processing an application for a creditworthiness determination and assumption of a loan pursuant to this section. Such regulations shall establish requirements for the timely processing of applications for acceptance of assumptions.

(f)(1) This section shall apply—

(A) in the case of loans other than loans to finance the purchase of real property described in section 3733(a)(1) of this title, only to loans for which commitments are made on or after March 1, 1988; and

(B) in the case of loans to finance the purchase of such property, only to loans which are closed after January 1, 1989.

(2) This section shall not apply to a loan which the Secretary has sold without recourse.

SUBCHAPTER III—ADMINISTRATIVE PROVISIONS

§ 3720. Powers of Secretary

(a) Notwithstanding the provisions of any other law, with respect to matters arising by reason of this chapter, the Secretary may—

(1) sue and be sued in the Secretary's official capacity in any court of competent jurisdiction, State or Federal, but nothing in this clause shall be construed as authorizing garnishment or attachment against the Secretary, the Department of Veterans

Affairs, or any of its employees;

(2) subject to specific limitations in this chapter, consent to the modification, with respect to rate of interest, time of payment of principal or interest or any portion thereof, security or other provisions of any note, contract, mortgage or other instrument securing a loan which has been guaranteed, insured, made or acquired under this chapter;

(3) pay, or compromise, any claim on, or arising because of,

any such guaranty or insurance;

(4) pay, compromise, waive or release any right, title, claim, lien or demand, however acquired, including any equity or any

right of redemption;

(5) purchase at any sale, public or private, upon such terms and for such prices as the Secretary determines to be reasonable, and take title to, property, real, personal or mixed; and similarly sell, at public or private sale, exchange, assign, convey, or otherwise dispose of any such property; and

(6) complete, administer, operate, obtain and pay for insurance on, and maintain, renovate, repair, modernize, lease, or otherwise deal with any property acquired or held pursuant to this chapter. The acquisition of any such property shall not deprive any State or political subdivision thereof of its civil or criminal jurisdiction of, on, or over such property (including power to tax) or impair the rights under the State or local law of any persons on such property. Without regard to section 3302(b) of title 31 or any other provision of law not expressly in limitation of this paragraph, the Secretary may permit brokers utilized by the Secretary in connection with such properties to deduct from rental collections amounts covering authorized fees, costs, and expenses incurred in connection with the management, repair, sale, or lease of any such properties and remit the net balances to the Secretary.

(b) The powers granted by this section may be exercised by the Secretary without regard to any other provision of law not enacted expressly in limitation of this section, which otherwise would govern the expenditure of public funds, except that title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 et seq.) shall apply to any contract for services or supplies on account of any property acquired pursuant to this section.

(c) The financial transactions of the Secretary incident to, or arising out of, the guaranty or insurance of loans pursuant to this chapter, and the acquisition, management, and disposition of property, real, personal, or mixed, incident to such activities and pursuant to this section, shall be final and conclusive upon all officers of the Government.

- (d) The right to redeem provided for by section 2410(c) of title 28 shall not arise in any case in which the subordinate lien or interest of the United States derives from a guaranteed or insured loan.
 - [(e) Repealed. P.L. 105–368, § 602(c)(1).]
- (f) Whenever loss, destruction, or damage to any residential property securing loans guaranteed, insured, made, or acquired by the Secretary under this chapter occurs as the result of a major disaster as determined by the President under the Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.), the Secretary shall (1) provide counseling and such other service to the owner of such property as may be feasible and shall inform such owner concerning the disaster assistance available from other Federal agencies and from State or local agencies, and (2) pursuant to subsection (a)(2) of this section, extend on an individual case basis such forbearance or indulgence to such owner as the Secretary determines to be warranted by the facts of the case and the circumstances of such owner.
- (g) The Secretary shall, at the request of the Secretary of Housing and Urban Development and without reimbursement, certify to such Secretary whether an applicant for assistance under any law administered by the Department of Housing and Urban Development is a veteran.
- (h)(1) The Secretary may, upon such terms and conditions as the Secretary considers appropriate, issue or approve the issuance of, and guarantee the timely payment of principal and interest on, certificates or other securities evidencing an interest in a pool of mortgage loans made in connection with the sale of properties acquired under this chapter.
- (2) The Secretary may not under this subsection guarantee the payment of principal and interest on certificates or other securities issued or approved after December 31, 2011.

issued or approved after December 31, 2011.

§ 3731. Appraisals

(a) The Secretary shall—

(1) subject to subsection (b)(2) and in consultation with appropriate representatives of institutions which are regularly engaged in making housing loans, prescribe uniform qualifications for appraisers, including the successful completion of a written test, submission of a sample appraisal, certification of an appropriate number of years of experience as an appraiser, and submission of recommendations from other appraisers;

(2) use such qualifications in determining whether to approve an appraiser to make appraisals of the reasonable value of any property, construction, repairs, or alterations for the

purposes of this chapter; and

(3) in consultation with local representatives of institutions described in clause (1) of this subsection, develop and maintain lists of appraisers who are approved under clause (2) of this subsection to make appraisals for the purposes of this chapter.

(b)(1) The Secretary shall select appraisers from a list required by subsection (a)(3) of this section on a rotating basis to make ap-

praisals for the purposes of this chapter.

(2) If uniform qualifications become applicable for appraisers who perform appraisals for or in connection with the Federal Government, the qualifications required by subsection (a)(1) of this section may be more stringent than such uniform qualifications, but the Secretary may use no written test in determining the qualifications of appraisers other than the test prescribed to implement such uniform qualifications

form qualifications.

(c) Except as provided in subsection (f) of this section, the appraiser shall forward an appraisal report to the Secretary for review. Upon receipt of such report, the Secretary shall determine the reasonable value of the property, construction, repairs, or alterations for purposes of this chapter, and notify the veteran of such determination. Upon request, the Secretary shall furnish a copy of the appraisal made of property for the purposes of this chapter to the lender proposing to make the loan which is to be secured by such property and is to be guaranteed under this chapter.

(d) If a lender (other than a lender authorized under subsection

(f) of this section to determine reasonable value)—

(1) has proposed to make a loan to be guaranteed under this

chapter,

(2) has been furnished a certificate of reasonable value of any property or of any construction, repairs, or alterations of

property which is to be the security for such loan, and

(3) within a reasonable period prescribed by the Secretary, has furnished to the Secretary an additional appraisal of the reasonable value of such property, construction, repairs, or alterations which was made by an appraiser selected by the lender from the list required by subsection (a)(3) of this section,

the Secretary shall consider both the initial appraisal and the additional appraisal and shall, if appropriate, issue a revised certificate of reasonable value of such property, construction, repairs, or alterations.

(e)(1) In no case may a veteran be required to pay all or any portion of the cost of the additional appraisal described in subsection (d)(3) of this section.

(2) If a veteran, within a reasonable period prescribed by the Secretary, has furnished to the Secretary an additional appraisal of the reasonable value of such property, construction, repairs, or alterations which was made by an appraiser selected by the veteran from the list required by subsection (a)(3) of this section, the Secretary shall consider such appraisal, along with other appraisals furnished to the Secretary, and shall, if appropriate, issue a revised certificate of reasonable value of such property, construction, repairs, or alterations.

(f)(1) Subject to the provisions of paragraphs (2) and (3) of this subsection, the Secretary may, in accordance with standards and procedures established in regulations prescribed by the Secretary, authorize a lender to determine the reasonable value of property for the purposes of this chapter if the lender is authorized to make loans which are automatically guaranteed under section 3702(d) of this title. In such a case, the appraiser selected by the Secretary pursuant to subsection (b) of this section shall submit the appraisal report directly to the lender for review, and the lender shall, as soon as possible thereafter, furnish a copy of the appraisal to the veteran who is applying for the loan concerned and to the Secretary.

(2) In exercising the authority provided in paragraph (1) of this subsection, the Secretary shall assign a sufficient number of personnel to carry out an appraisal-review system to monitor, on at least a random-sampling basis, the making of appraisals by appraisers and the effectiveness and the efficiency of the determina-

tion of reasonable value of property by lenders.
(3) [Repealed by P.L. 104–110, § 101(g); 110 Stat. 768)]

(4) Not later than April 30 of each year following a year in which the Secretary authorizes lenders to determine reasonable value of property under this subsection, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and the House of Representatives a report relating to the exercise of that authority during the year in which the authority was exercised.

(5) A report submitted pursuant to paragraph (4) of this sub-

section shall include, for the period covered by each report-

(A) the number and value of loans made by lenders exer-

(B) the number and value of such loans reviewed by the appraisal-review monitors referred to in paragraph (2) of this

(C) the number and value of loans made under this subsection of which the Secretary received notification of default;

(D) the amount of guaranty paid by the Secretary to such lenders by reason of defaults on loans as to which reasonable value was determined under this subsection; and

(E) such recommendations as the Secretary considers appropriate to improve the exercise of the authority provided for in this subsection and to protect the interests of the United States.

§ 3732. Procedure on default

(a)(1) In the event of default in the payment of any loan guaranteed under this chapter, the holder of the obligation shall notify the Secretary of such default. Upon receipt of such notice, the Secretary may, subject to subsection (c) of this section, pay to such holder the guaranty not in excess of the pro rata portion of the amount originally guaranteed. Except as provided in section 3703(e) of this title, if the Secretary makes such a payment, the Secretary shall be subrogated to the rights of the holder of the obligation to the extent of the amount paid on the guaranty.

(2) Before suit or foreclosure the holder of the obligation shall notify the Secretary of the default, and within thirty days thereafter the Secretary may, at the Secretary's option, pay the holder of the obligation the unpaid balance of the obligation plus accrued interest and receive an assignment of the loan and security. Nothing in this section shall preclude any forbearance for the benefit of the veteran as may be agreed upon by the parties to the loan and ap-

proved by the Secretary.

(3) The Secretary may establish the date, not later than the date of judgment and decree of foreclosure or sale, upon which accrual of interest or charges shall cease.

(i) provide the veteran with information and, to the extent

feasible, counseling regarding-

- (I) alternatives to foreclosure, as appropriate in light of the veteran's particular circumstances, including possible methods of curing the default, conveyance of the property to the Secretary by means of a deed in lieu of foreclosure, and the actions authorized by paragraph (2) of this subsection, and
- (II) what the Department of Veterans Affairs' and the veteran's liabilities would be with respect to the loan in the event of foreclosure; and
- (ii) advise the veteran regarding the availability of such counseling:

except with respect to loans made by a lender which the Secretary determined has a demonstrated record of consistently providing timely and accurate information to veterans with respect to such

(B) The Secretary shall, to the extent of the availability of appropriations, ensure that sufficient personnel are available to administer subparagraph (A) of this paragraph effectively and efficiently.

(5) In the event of default in the payment of any loan guaranteed or insured under this chapter in which a partial payment has been tendered by the veteran concerned and refused by the holder, the holder of the obligation shall notify the Secretary as soon as such payment has been refused. The Secretary may require that any such notification include a statement of the circumstances of the default, the amount tendered, the amount of the indebtedness on the date of the tender, and the reasons for the holder's refusal.

(b) With respect to any loan made under section 3711 which has not been sold as provided in subsection (g) of such section, if the Secretary finds, after there has been a default in the payment of any installment of principal or interest owing on such loan, that the default was due to the fact that the veteran who is obligated under the loan has become unemployed as the result of the closing (in whole or in part) of a Federal installation, the Secretary shall (1) extend the time for curing the default to such time as the Secretary determines is necessary and desirable to enable such veteran to complete payments on such loan, including an extension of time beyond the stated maturity thereof, or (2) modify the terms of such loan for the purpose of changing the amortization provisions thereof by recasting, over the remaining term of the loan, or over such longer period as the Secretary may determine, the total unpaid amount then due with the modification to become effective currently or upon the termination of an agreed-upon extension of the period for curing the default.

(c)(1) For purposes of this subsection—
(A) The term "defaulted loan" means a loan that is guaranteed under this chapter, that was made for a purpose described in section 3710(a) of this title, and that is in default.

(B) The term "liquidation sale" means a judicial sale or other disposition of real property to liquidate a defaulted loan that

is secured by such property.

- (C) The term "net value", with respect to real property, means the amount equal to (i) the fair market value of the property, minus (ii) the total of the amounts which the Secretary estimates the Secretary would incur (if the Secretary were to acquire and dispose of the property) for property taxes, assessments, liens, property maintenance, property improve-ment, administration, resale (including losses sustained on the resale of the property), and other costs resulting from the acquisition and disposition of the property, excluding any amount attributed to the cost to the Government of borrowing funds.
- (D) Except as provided in subparagraph (D) of paragraph (10) of this subsection, the term "total indebtedness", with respect to a defaulted loan, means the amount equal to the total of (i) the unpaid principal of the loan, (ii) the interest on the loan as of the date applicable under paragraph (10) of this subsection, and (iii) such reasonably necessary and proper charges (as specified in the loan instrument and permitted by regulations prescribed by the Secretary to implement this subsection) associated with liquidation of the loan, including advances for taxes, insurance, and maintenance or repair of the real property securing the loan.

(2)(A) Except as provided in subparagraph (B) of this paragraph, this subsection applies to any case in which the holder of a defaulted loan undertakes to liquidate the loan by means of a liquidation sale.

(B) This subsection does not apply to a case in which the Secretary proceeds under subsection $(\bar{a})(2)$ of this section.

(3)(A) Before carrying out a liquidation sale of real property securing a defaulted loan, the holder of the loan shall notify the Secretary of the proposed sale. Such notice shall be provided in accordance with regulations prescribed by the Secretary to implement this subsection.

(B) After receiving a notice described in subparagraph (A) of this paragraph, the Secretary shall determine the net value of the property securing the loan and the amount of the total indebtedness under the loan and shall notify the holder of the loan of the determination of such net value.

(4) A case referred to in paragraphs (5), (6), and (7) of this subsection as being described in this paragraph is a case in which the net value of the property securing a defaulted loan exceeds the amount of the total indebtedness under the loan minus the amount

guaranteed under this chapter.

(5) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan acquires the property securing the loan at a liquidation sale for an amount that does not exceed the lesser of the net value of the property or the total indebtedness under the loan—

(A) the holder shall have the option to convey the property to the United States in return for payment by the Secretary of an amount equal to the lesser of such net value or total indebtedness; and

(B) the liability of the United States under the loan guaranty under this chapter shall be limited to the amount of such total

indebtedness minus the net value of the property.

(6) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan does not acquire the property securing the loan at the liquidation sale, the liability of the United States under the loan guaranty under this chapter shall be limited to the amount equal to (A) the amount of such total indebtedness, minus (B) the amount realized by the holder incident to the sale or the net value of the property, whichever is greater.

(7) In a case described in paragraph (4) of this subsection, if the holder of the defaulted loan acquires the property securing the loan at the liquidation sale for an amount that exceeds the lesser of the

total indebtedness under the loan or the net value and—

(A)(i) the amount was the minimum amount for which, under applicable State law, the property was permitted to be sold at the liquidation sale, the holder shall have the option to convey the property to the United States in return for payment by the Secretary of an amount equal to the lesser of the amount for which the holder acquired the property or the total indebtedness under the loan; or

(ii) there was no minimum amount for which the property had to be sold at the liquidation sale under applicable State law, the holder shall have the option to convey the property to the United States in return for payment by the Secretary of an amount equal to the lesser of such net value or total indebted-

ness; and

(B) the liability of the United States under the loan guaranty under this chapter is as provided in paragraph (6) of this subsection.

(8) If the net value of the property securing a defaulted loan is not greater than the amount of the total indebtedness under the loan minus the amount guaranteed under this chapter—

(A) the Secretary may not accept conveyance of the property from the holder of the loan; and

(B) the liability of the United States under the loan guaranty shall be limited to the amount of the total indebtedness under the loan minus the amount realized by the holder of the loan incident to the sale at a liquidation sale of the property.

(9) In no event may the liability of the United States under a guaranteed loan exceed the amount guaranteed with respect to that loan under section 3703(b) of this title. All determinations under this subsection of net value and total indebtedness shall be

made by the Secretary.

(10)(A) Except as provided in subparagraphs (B) and (C) of this paragraph, the date referred to in paragraph (1)(D)(ii) of this subsection shall be the date of the liquidation sale of the property securing the loan (or such earlier date following the expiration of a reasonable period of time for such sale to occur as the Secretary may specify pursuant to regulations prescribed by the Secretary to

implement this subsection).

(B)(i) Subject to division (ii) of this subparagraph, in any case in which there is a substantial delay in such sale caused by the holder of the loan exercising forebearance at the request of the Secretary, the date referred to in paragraph (1)(D)(ii) of this subsection shall be such date, on or after the date on which forebearance was requested and prior to the date of such sale, as the Secretary specifies pursuant to regulations which the Secretary shall prescribe to implement this paragraph.

(ii) The Secretary may specify a date under subdivision (i) of this subparagraph only if, based on the use of a date so specified for the purposes of such paragraph (1)(D)(ii), the Secretary is authorized, under paragraph (5)(A) or (7)(A) of this subsection, to accept con-

veyance of the property.

(C) In any case in which there is an excessive delay in such liquidation sale caused-

(i) by the Department of Veterans Affairs (including any delay caused by its failure to provide bidding instructions in a timely fashion); or

(ii) by a voluntary case commenced under title 11, United

States Code (relating to bankruptcy);

the date referred to in paragraph (1)(D)(ii) of this subsection shall be a date, earlier than the date of such liquidation sale, which the Secretary specifies pursuant to regulations which the Secretary

shall prescribe to implement this paragraph.

(D) For the purpose of determining the liability of the United States under a loan guaranty under clause (B) of paragraphs (5), (6), (7), and (8) of this subsection, the amount of the total indebtedness with respect to such loan guaranty shall include, in any case in which there was an excessive delay caused by the Department of Veterans Affairs in the liquidation sale of the property securing such loan, any interest which has accrued as of the date of such sale and which would not be included, except for this subparagraph, in the calculation of such total indebtedness as a result of the specification of an earlier date under subparagraph (C)(i) of this paragraph.

(11) This subsection shall apply to loans closed before October 1, 2011.

§ 3733. Property management

(a)(1) Of the number of purchases made during any fiscal year of real property acquired by the Secretary as the result of a default on a loan guaranteed under this chapter for a purpose described in section 3710(a) of this title, not more than 65 percent, nor less than 50 percent, of such purchases may be financed by a loan made by the Secretary. The maximum percentage stated in the preceding sentence may be increased to 80 percent for any fiscal year if the Secretary determines that such an increase is necessary in order to maintain the effective functioning of the loan guaranty program.

(2) After September 30, 1990, the percentage limitations described in paragraph (1) of this subsection shall have no effect.

(3) The Secretary may, beginning on October 1, 1990, sell any note evidencing a loan referred to in paragraph (1)—

(A) with recourse; or

(B) without recourse, but only if the amount received is equal to an amount which is not less than the unpaid balance of such loan.

(4)(A) Except as provided in subparagraph (B) of this paragraph, the amount of a loan made by the Secretary to finance the purchase of real property from the Secretary described in paragraph (1) of this subsection may not exceed an amount equal to 95 percent of the purchase price of such real property.

(B)(i) The Secretary may waive the provisions of subparagraph (A) of this paragraph in the case of any loan described in para-

graph (5) of this subsection.

(ii) A loan described in subparagraph (A) of this paragraph may, to the extent the Secretary determines to be necessary in order to market competitively the property involved, exceed 95 percent of

the purchase price.

(5) The Secretary may include, as part of a loan to finance a purchase of real property from the Secretary described in paragraph (1) of this subsection, an amount to be used only for the purpose of rehabilitating such property. Such amount may not exceed the amount necessary to rehabilitate the property to a habitable state, and payments shall be made available periodically as such rehabilitation is completed.

(6) The Secretary shall make a loan to finance the sale of real property described in paragraph (1) of this subsection at an interest rate that is lower than the prevailing mortgage market interest rate in areas where, and to the extent, the Secretary determines, in light of prevailing conditions in the real estate market involved,

that such lower interest rate is necessary in order to market the property competitively and is in the interest of the long-term stability and solvency of the Veterans Housing Benefit Program Fund established by section 3722(a) of this title.

(b) The Secretary may not make a loan to finance a purchase of property acquired by the Secretary as a result of a default on a loan guaranteed under this chapter unless the purchaser meets the credit underwriting standards established under section 3710(g)(2)(A) of this title.

(c)(1) The Secretary shall identify and compile information on common factors which the Secretary finds contribute to foreclosures on loans guaranteed under this chapter.

(2) The Secretary shall include a summary of the information compiled, and the Secretary's findings, under paragraph (1) of this subsection in the annual report submitted to the Congress under section 529 of this title. As part of such summary and findings, the Secretary shall provide a separate analysis of the factors which contribute to foreclosures of loans which have been assumed.

(d)(1) The Secretary shall furnish to real estate brokers and other real estate sales professionals information on the availability of real property for disposition under this chapter and the procedures used by the Department of Veterans Affairs to dispose of such property.

(2) For the purpose of facilitating the most expeditious sale, at the highest possible price, of real property acquired by the Secretary as the result of a default on a loan guaranteed, insured, or made under this chapter, the Secretary shall list all such property with real estate brokers under such arrangements as the Secretary determines to be most appropriate and cost effective.

§ 3742. Small business loan program

(a)(1) Subject to subsection (b) of this section, the Secretary may provide financial assistance to veterans' small business concerns for the purpose of (A) financing plant construction, conversion, or expansion (including the acquisition of land), (B) financing the acquisition of equipment, facilities, machinery, supplies, or materials, or (C) supplying such concerns with working capital.

(2) Subject to paragraph (3)(A) of this subsection, financial assistance under this section may be provided in the form of (A) loan

guaranties, or (B) direct loans.

(3) The Secretary shall specify in regulations the criteria to be met for a business concern to qualify as a veterans' small business concern for the purposes of this subchapter. Such regulations shall include requirements—

(A) that at least 51 percent of a business concern must be owned by individuals who are veterans of the Vietnam era or disabled veterans in order for such concern to qualify for a loan guaranty and that at least 51 percent of a business concern must be owned by disabled veterans in order for such concern to qualify for a direct loan; and

(B) that the management and daily business operations of the concern must be directed by one or more of the veterans whose ownership interest is part of the majority ownership for the purposes of meeting the requirement in clause (A) of this paragraph.

(b) The availability of financial assistance under subsection (a) of

this section is subject to the following limitations:

- (1) The Secretary may not make a direct loan under this section unless the veterans' small business concern applying for the loan shows to the satisfaction of the Secretary that the concern is unable to obtain a loan guaranteed by the Department under this section or made or guaranteed by the Small Business Administration.
- (2) The Secretary may not guarantee a loan under this section if the loan bears a rate of interest in excess of the maximum rate of interest prescribed under section 3745 of this title.
- (3) The Secretary may not make or guarantee a loan under this section for an amount in excess of \$200,000.
- (4) The original liability of the Secretary on any loan guaranteed under this section may not exceed 90 percent of the amount of the loan, and such liability shall decrease or increase pro rata with any decrease or increase of the amount of the unpaid portion of the loan, but such liability may not exceed the amount of the original guaranty.

(c) Each loan made or guaranteed under this subchapter shall be of such sound value, taking into account the creditworthiness of the veterans' small business concern (and the individual owners) applying for such loan, or so secured as reasonably to assure payment.

(d)(1) Except as provided in paragraph (2) of this subsection, the Secretary may not make or guarantee a loan under this subchapter to a veterans' small business concern in which an ownership interest is held by a veteran who also has an ownership interest in another small business concern if such ownership interest was considered in qualifying that other concern for an outstanding loan made or guaranteed under this subchapter or the Small Business Act (15 U.S.C. 631 et seq.).

(2) Paragraph (1) of this subsection shall not apply if 51 percent or more of the business concern seeking a direct or guaranteed loan under this subchapter is owned by veterans of the Vietnam era or disabled veterans without including the ownership interest of the veteran whose ownership interest in another small business concern was previously considered in qualifying that other concern for an outstanding guaranteed or direct business loan under this sub-

chapter or the Small Business Act (15 U.S.C. 631 et seq.).

(e)(1) In order to protect the interest of the United States, upon application by a veterans' small business concern which is the recipient of a loan guaranteed under this subchapter, the Secretary (subject to the provisions of this subsection) may undertake the veterans' small business concern's obligation to make payments under such loan or, if the loan was a direct loan made by the Secretary, may suspend such obligation. While such payments are being made by the Secretary pursuant to the undertaking of such obligation or while such obligation is suspended, no such payment with respect to the loan may be required from the concern.

(2) The Secretary may undertake or suspend a veterans' small business concern's obligation under this subsection only if—

(A) such undertaking or suspension of the obligation is, in the judgment of the Secretary, necessary to protect the interest of the United States;

(B) with the undertaking or suspension of the obligation, the small business concern would, in the judgment of the Secretary, become or remain a viable small business entity; and

(C) the small business concern executes an agreement in writing satisfactory to the Secretary as provided by paragraph (4) of this subsection.

(3) The period of time for which the Secretary undertakes or suspends the obligation on a loan under this subsection may not exceed five years. The Secretary may extend the maturity of any loan on which the Secretary undertakes or suspends the obligation under this subsection for a corresponding period of time.

(4)(A) Before the Secretary may undertake or suspend a veterans' small business concern's obligation under this subsection, the Secretary shall require the small business concern to execute an agreement to repay the aggregate amount of the payments which were required under the loan during the period for which the obligation was undertaken or suspended—

(i) by periodic payments not less in amount or less frequently falling due than those which were due under the loan during such period,

(ii) pursuant to a repayment schedule agreed upon by the Secretary and the small business concern, or

(iii) by a combination of the method of payments described

in clauses (i) and (ii) of this subparagraph.

(B) In addition to requiring the small business concern to execute the agreement described in subparagraph (A) of this paragraph, the Secretary shall, before the undertaking or suspension of the obligation, take such action and require the small business concern to take such action as the Secretary considers appropriate in the circumstances, including the provision of such security as the Secretary considers necessary or appropriate, to assure that the rights and interest of the United States and any lender will be safeguarded adequately during and after the period in which such obligation is so undertaken or suspended.

§ 3761. Pilot program

(a) The Secretary shall establish and implement a pilot program under which the Secretary may make direct housing loans to Native American veterans. The purpose of such loans is to permit such veterans to purchase, construct, or improve dwellings on trust land. The Secretary shall establish and implement the pilot program in accordance with the provisions of this subchapter.

(b) In carrying out the pilot program under this subchapter, the Secretary shall, to the extent practicable, make direct housing loans to Native American veterans who are located in a variety of geographic areas and in areas experiencing a variety of economic circumstances.

(c) No loans may be made under this subchapter after December 31, 2005.

 $\begin{array}{l} (Added\ P.L.\ 102-547,\ \S 8(a),\ Oct.\ 28,\ 1992,\ 106\ Stat.\ 3636;\ amended\ P.L.\ 105-114,\ \S 201(a),\ Nov.\ 21,\ 1997,\ 111\ Stat.\ 2282;\ P.L.\ 107-103,\ \S 402(a),\ Dec.\ 27,\ 2001,\ 115\ Stat.\ 993.) \end{array}$

§ 3762. Direct housing loans to Native American veterans

(a) The Secretary may make a direct housing loan to a Native American veteran if—

(1)(A) the Secretary has entered into a memorandum of understanding with respect to such loans with the tribal organi-

zation that has jurisdiction over the veteran; or

(B) the tribal organization that has jurisdiction over the veteran has entered into a memorandum of understanding with any department or agency of the United States with respect to direct housing loans to Native Americans that the Secretary determines substantially complies with the requirements of subsection (b); and

(2) the memorandum is in effect when the loan is made.

(b)(1) Subject to paragraph (2), the Secretary shall ensure that each memorandum of understanding that the Secretary enters into with a tribal organization shall provide for the following:

(A) That each Native American veteran who is under the jurisdiction of the tribal organization and to whom the Secretary

makes a direct loan under this subchapter-

(i) holds, possesses, or purchases using the proceeds of the loan a meaningful interest in a lot or dwelling (or both) that is located on trust land; and

(ii) will purchase, construct, or improve (as the case may be) a dwelling on the lot using the proceeds of the loan.

- (B) That each such Native American veteran will convey to the Secretary by an appropriate instrument the interest referred to in subparagraph (A) as security for a direct housing loan under this subchapter.
- (C) That the tribal organization and each such Native American veteran will permit the Secretary to enter upon the trust land of that organization or veteran for the purposes of carrying out such actions as the Secretary determines are necessary

(i) to evaluate the advisability of the loan; and

(ii) to monitor any purchase, construction, or improve-

ments carried out using the proceeds of the loan.

(D) That the tribal organization has established standards and procedures that apply to the foreclosure of the interest conveyed by a Native American veteran pursuant to subparagraph (B), including—

(i) procedures for foreclosing the interest; and

(ii) procedures for the resale of the lot or the dwelling (or both) purchased, constructed, or improved using the proceeds of the loan.

(E) That the tribal organization agrees to such other terms and conditions with respect to the making of direct loans to Native American veterans under the jurisdiction of the tribal organization as the Secretary may require in order to ensure that the pilot program established under this subchapter is implemented in a responsible and prudent manner.

(2) The Secretary may not enter into a memorandum of understanding with a tribal organization under this subsection unless the Secretary determines that the memorandum provides for such standards and procedures as are necessary for the reasonable pro-

tection of the financial interests of the United States.

(c)(1)(A) Except as provided in subparagraph (B), the principal amount of any direct housing loan made to a Native American

under this section may not exceed \$80,000.

(B) The Secretary may make loans exceeding the amount specified in subparagraph (A) in a geographic area if the Secretary determines that housing costs in the area are significantly higher than average housing costs nationwide. The amount of such increase shall be the amount that the Secretary determines is necessary in order to carry out the pilot program under this subchapter in a manner that demonstrates the advisability of making direct housing loans to Native American veterans who are located in a variety of geographic areas and in geographic areas experiencing a variety of economic conditions.

(2) Loans made under this section shall bear interest at a rate determined by the Secretary, which rate may not exceed the appropriate rate authorized for guaranteed loans under section 3703(c)(1) or section 3712(f) of this title, and shall be subject to such requirements or limitations prescribed for loans guaranteed under this title as the Secretary may prescribe.

(3) Notwithstanding section 3704(a) of this title, the Secretary shall establish minimum requirements for planning, construction, improvement, and general acceptability relating to any direct loan

made under this section.

(d)(1) The Secretary shall establish credit underwriting standards to be used in evaluating loans made under this subchapter. In establishing such standards, the Secretary shall take into account the purpose of this program to make available housing to Native American veterans living on trust lands.

(2) The Secretary shall determine the reasonable value of the interest in property that will serve as security for a loan made under this section and shall establish procedures for appraisals upon which the Secretary may base such determinations. The procedures shall incorporate generally the relevant requirements of section 3731 of this title, unless the Secretary determines that such requirements are impracticable to implement in a geographic area, on particular trust lands, or under circumstances specified by the Secretary.

(e) Loans made under this section shall be repaid in monthly installments.

(f) In connection with any loan under this section, the Secretary may make advances in cash to provide for repairs, alterations, and improvements and to meet incidental expenses of the loan transaction. The Secretary shall determine the amount of any expenses incident to the origination of loans made under this section, which expenses, or a reasonable flat allowance in lieu thereof, shall be paid by the veteran in addition to the loan closing costs.

(g) Without regard to any provision of this chapter (other than

a provision of this section), the Secretary may-

(1) take any action that the Secretary determines to be necessary with respect to the custody, management, protection, and realization or sale of investments under this section;

(2) determine any necessary expenses and expenditures and the manner in which such expenses and expenditures shall be incurred, allowed, and paid;

(3) make such rules, regulations, and orders as the Secretary considers necessary for carrying out the Secretary's functions under this section; and

(4) in a manner consistent with the provisions of this chapter and with the Secretary's functions under this subchapter, employ, utilize, and compensate any persons, organizations, or departments or agencies (including departments and agencies of the United States) designated by the Secretary to carry out such functions. (h)(1) The Secretary may make direct loans to Native American veterans in order to enable such veterans to refinance existing loans made under this section.

(2)(A) The Secretary may not make a loan under this subsection unless the loan meets the requirements set forth in subparagraphs (B), (C), and (E) of paragraph (1) of section 3710(e) of this title.

(B) The Secretary may not make a loan under this subsection unless the loan will bear an interest rate at least one percentage point less than the interest rate borne by the loan being refinanced.

- (C) Paragraphs (2) and (3) of such section 3710(e) shall apply to any loan made under this subsection, except that for the purposes of this subsection the reference to subsection (a)(8) of section 3710 of this title in such paragraphs (2) and (3) shall be deemed to be a reference to this subsection.
- (i)(1) The Secretary shall, in consultation with tribal organizations (including the National Congress of American Indians and the National American Indian Housing Council), carry out an outreach program to inform and educate Native American veterans of the pilot program provided for under this subchapter and the availability of direct housing loans for Native American veterans who live on trust lands.

(2) Activities under the outreach program shall include the following:

(A) Attending conferences and conventions conducted by the National Congress of American Indians in order to work with the National Congress in providing information and training to tribal organizations and Native American veterans regarding the availability of housing benefits under the pilot program and in assisting such organizations and veterans in participating in the pilot program.

(B) Attending conferences and conventions conducted by the National American Indian Housing Council in order to work with the Housing Council in providing information and training to tribal organizations and tribal housing entities regard-

ganizations regarding the availability of such benefits.

(E) Assisting tribal organizations and Native American vet-

erans in participating in the pilot program.

(F) Outstationing loan guarantee specialists in tribal facilities on a part-time basis if requested by the tribal government.

(j) Not later than February 1 of each year through 2006, the Secretary shall transmit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report relating to the implementation of the pilot program under this subchapter during the fiscal year preceding the date of the report. Each such report shall include the following:

(1) The Secretary's exercise during such fiscal year of the authority provided under subsection (c)(1)(B) to make loans exceeding the maximum loan amount.

(2) The appraisals performed for the Secretary during such fiscal year under the authority of subsection (d)(2), including a

description of—

(A) the manner in which such appraisals were performed;

(B) the qualifications of the appraisers who performed

such appraisals; and

- (C) the actions taken by the Secretary with respect to such appraisals to protect the interests of veterans and the United States.
- (3) The outreach activities undertaken under subsection (i) during such fiscal year, including—

(A) a description of such activities on a region-by-region

basis; and

(B) an assessment of the effectiveness of such activities in encouraging the participation of Native American veterans in the pilot program.

(4) The pool of Native American veterans who are eligible for

participation in the pilot program, including—

(A) a description and analysis of the pool, including in-

come demographics;

(B) a description and assessment of the impediments, if any, to full participation in the pilot program of the Native American veterans in the pool; and

(C) the impact of low-cost housing programs operated by the Department of Housing and Urban Development and other Federal or State agencies on the demand for direct loans under this section.

§ 4214. Employment within the Federal Government

(a)(1) The United States has an obligation to assist veterans of the Armed Forces in readjusting to civilian life since veterans, by virtue of their military service, have lost opportunities to pursue education and training oriented toward civilian careers. The Federal Government is also continuously concerned with building an effective work force, and veterans constitute a major recruiting source. It is, therefore, the policy of the United States and the purpose of this section to promote the maximum of employment and job advancement opportunities within the Federal Government for disabled veterans and certain veterans of the Vietnam era and of the post-Vietnam era who are qualified for such employment and advancement.

(2) For the purposes of this section, the term "agency" means a department, agency, or instrumentality in the executive branch.

(b)(1) To further the policy stated in subsection (a) of this section, veterans referred to in paragraph (2) of this subsection shall be eligible, in accordance with regulations which the Office of Personnel Management shall prescribe, for veterans readjustment appointments, and for subsequent career-conditional appointments, under the terms and conditions specified in Executive Order Numbered 11521 (March 26, 1970), except that—

(A) such an appointment may be made up to and including

the level GS-11 or its equivalent;

(B) a veteran shall be eligible for such an appointment without regard to the number of years of education completed by such veteran;

- (C) a veteran who is entitled to disability compensation under the laws administered by the Department of Veterans Affairs or whose discharge or release from active duty was for a disability incurred or aggravated in line of duty shall be given a preference for such an appointment over other veterans;
 - (D) a veteran receiving such an appointment shall—

(i) in the case of a veteran with less than 15 years of education, receive training or education; and

(ii) upon successful completion of the prescribed proba-

tionary period, acquire a competitive status; and

(E) a veteran given an appointment under the authority of this subsection whose employment under the appointment is terminated within one year after the date of such appointment shall have the same right to appeal that termination to the Merit Systems Protection Board as a career or career-conditional employee has during the first year of employment.

(2) This subsection applies to—

(A) a veteran of the Vietnam era; and

(B) veterans who first became a member of the Armed Forces or first entered on active duty as a member of the Armed Forces after May 7, 1975, and were discharged or released from active duty under conditions other than dishonorable.

(3)(A) Except as provided in subparagraph (C) of this paragraph, a veteran of the Vietnam era may receive an appointment under this section only during the period ending—

(i) 10 years after the date of the veteran's last discharge or release from active duty; or

(ii) December 31, 1995,

whichever is later.

- (B) Except as provided in subparagraph (C) of this paragraph, a veteran described in paragraph (2)(B) of this subsection may receive such an appointment only within the 10-year period following the later of—
 - (i) the date of the veteran's last discharge or release from active duty; or

(ii) December 31, 1989.

(C) The limitations of subparagraphs (A) and (B) of this paragraph shall not apply to a veteran who has a service-connected dis-

ability rated at 30 percent or more.

- (D) For purposes of clause (i) of subparagraphs (A) and (B) of this paragraph, the last discharge or release from active duty shall not include any discharge or release from active duty of less than ninety days of continuous service unless the individual involved is discharged or released for a service–connected disability, for a medical condition which preexisted such service and which the Secretary determines is not service connected, for hardship, or as a result of a reduction in force described in section 3011(a)(1)(A)(ii)(III) of this title or of an involuntary separation described in section 3018A(a)(1).
- (c) Each agency shall include in its affirmative action plan for the hiring, placement, and advancement of handicapped individuals in such agency as required by section 501(b) of the Rehabilitation Act of 1973 (29 U.S.C. 791(b)), a separate specification of plans (in accordance with regulations which the Office of Personnel Management shall prescribe in consultation with the Secretary, the Secretary of Labor, and the Secretary of Health and Human Services, consistent with the purposes, provisions, and priorities of such Act) to promote and carry out such affirmative action with respect to disabled veterans in order to achieve the purpose of this section.
- (d) The Office of Personnel Management shall be responsible for the review and evaluation of the implementation of this section and the activities of each agency to carry out the purpose and provisions of this section. The Office shall periodically obtain (on at least an annual basis) information on the implementation of this section by each agency and on the activities of each agency to carry out the purpose and provisions of this section. The information obtained shall include specification of the use and extent of appointments made by each agency under subsection (b) of this section and

the results of the plans required under subsection (c) of this section.

(e)(1) The Office of Personnel Management shall submit to the Congress annually a report on activities carried out under this section. Each such report shall include the following information with respect to each agency:

(A) The number of appointments made under subsection (b) of this section since the last such report and the grade levels

in which such appointments were made.

(B) The number of individuals receiving appointments under such subsection whose appointments were converted to career or career-conditional appointments, or whose employment under such an appointment has terminated, since the last such report, together with a complete listing of categories of causes of appointment terminations and the number of such individuals whose employment has terminated falling into each such category.

(C) The number of such terminations since the last such report that were initiated by the agency involved and the number of such terminations since the last such report that were

initiated by the individual involved.

(D) A description of the education and training programs in which individuals appointed under such subsection are participating at the time of such report.

(2) Information shown for an agency under clauses (A) through

(D) of paragraph (1) of this subsection—

(A) shall be shown for all veterans; and

(B) shall be shown separately (i) for veterans of the Vietnam era who are entitled to disability compensation under the laws administered by the Secretary or whose discharge or release from active duty was for a disability incurred or aggravated in line of duty, and (ii) for other veterans.

(f) Notwithstanding section 4211 of this title, the terms "veteran" and "disabled veteran" as used in subsection (a) of this section shall have the meaning provided for under generally applicable

civil service law and regulations.

(g) To further the policy stated in subsection (a) of this section, the Secretary may give preference to qualified special disabled veterans and qualified veterans of the Vietnam era for employment in the Department as veterans' benefits counselors and veterans' claims examiners and in positions to provide the outreach services required under section 7722 of this title, to serve as veterans' representatives at certain educational institutions as provided in section 7724 of this title, or to provide readjustment counseling under section 1712A of this title to veterans of the Vietnam era.

(a) A person who is a member of, applies to be a member of, performs, has performed, applies to perform, or has an obligation to perform service in a uniformed service shall not be denied initial employment, reemployment, retention in employment, promotion, or any benefit of employment by an employer on the basis of that membership, application for membership, performance of service,

application for service, or obligation.

(b) An employer may not discriminate in employment against or take any adverse employment action against any person because such person (1) has taken an action to enforce a protection afforded any person under this chapter, (2) has testified or otherwise made a statement in or in connection with any proceeding under this chapter, (3) has assisted or otherwise participated in an investigation under this chapter, or (4) has exercised a right provided for in this chapter. The prohibition in this subsection shall apply with respect to a person regardless of whether that person has performed service in the uniformed services.

(c) An employer shall be considered to have engaged in actions

prohibited—

(1) under subsection (a), if the person's membership, application for membership, service, application for service, or obligation for service in the uniformed services is a motivating factor in the employer's action, unless the employer can prove that the action would have been taken in the absence of such membership, application for membership, service, application for

service, or obligation for service; or

§ 4312. Reemployment rights of persons who serve in the uniformed services

(a) Subject to subsections (b), (c), and (d) and to section 4304, any person whose absence from a position of employment is necessitated by reason of service in the uniformed services shall be entitled to the reemployment rights and benefits and other employment benefits of this chapter if—

(1) the person (or an appropriate officer of the uniformed service in which such service is performed) has given advance written or verbal notice of such service to such person's employer.

(2) the cumulative length of the absence and of all previous absences from a position of employment with that employer by reason of service in the uniformed services does not exceed five

years; and

(3) except as provided in subsection (f), the person reports to, or submits an application for reemployment to, such employer

in accordance with the provisions of subsection (e).

(b) No notice is required under subsection (a)(1) if the giving of such notice is precluded by military necessity or, under all of the relevant circumstances, the giving of such notice is otherwise impossible or unreasonable. A determination of military necessity for the purposes of this subsection shall be made pursuant to regulations prescribed by the Secretary of Defense and shall not be subject to judicial review.

(c) Subsection (a) shall apply to a person who is absent from a position of employment by reason of service in the uniformed services if such person's cumulative period of service in the uniformed services, with respect to the employer relationship for which a person seeks reemployment, does not exceed five years, except that

any such period of service shall not include any service—

(1) that is required, beyond five years, to complete an initial

period of obligated service;

(2) during which such person was unable to obtain orders releasing such person from a period of service in the uniformed services before the expiration of such five-year period and such

inability was through no fault of such person;

- (3) performed as required pursuant to section 10147 of title 10, under section 502(a) or 503 of title 32, or to fulfill additional training requirements determined and certified in writing by the Secretary concerned, to be necessary for professional development, or for completion of skill training or retraining; or
 - (4) performed by a member of a uniformed service who is—
 (A) ordered to or retained on active duty section 688, 12301(g), 12302, 12304, or 12305 of title 10 or under section 331, 332, 359, 360, 367, or 712 of title 14;

such reemployment impossible or unreasonable;

(B) in the case of a person entitled to reemployment under subsection (a)(3), (a)(4), or (b)(2)(B) of section 4313, such employment would impose an undue hardship on the employer; or

(C) the employment from which the person leaves to serve in the uniformed services is for a brief, nonrecurrent period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period.

(2) In any proceeding involving an issue of whether—
(A) any reemployment referred to in paragraph (1) is impossible or unreasonable because of a change in an employer's circumstances,

(B) any accommodation, training, or effort referred to in subsection (a)(3), (a)(4), or (b)(2)(B) of section 4313 would impose

an undue hardship on the employer, or

(C) the employment referred to in paragraph (1)(C) is for a brief, nonrecurrent period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period,

the employer shall have the burden of proving the impossibility or unreasonableness, undue hardship, or the brief or nonrecurrent nature of the employment without a reasonable expectation of con-

tinuing indefinitely or for a significant period.

(e)(1) Subject to paragraph (2), a person referred to in subsection (a) shall, upon the completion of a period of service in the uniformed services, notify the employer referred to in such subsection of the person's intent to return to a position of employment with such employer as follows:

(A) In the case of a person whose period of service in the uniformed services was less than 31 days, by reporting to the

employer-

(i) not later than the beginning of the first full regularly scheduled work period on the first full calendar day following the completion of the period of service and the expiration of eight hours after a period allowing for the safe transportation of the person from the place of that service to the person's residence; or

(ii) as soon as possible after the expiration of the eighthour period referred to in clause (i), if reporting within the period referred to in such clause is impossible or unreason-

able through no fault of the person.

(B) In the case of a person who is absent from a position of employment for a period of any length for the purposes of an examination to determine the person's fitness to perform service in the uniformed services, by reporting in the manner and time referred to in subparagraph (A).

(C) In the case of a person whose period of service in the uniformed services was for more than 30 days but less than 181 days, by submitting an application for reemployment with the employer not later than 14 days after the completion of the period of service or if submitting such application within such period is impossible or unreasonable through no fault of the person, the next first full calendar day when submission of such application becomes possible.

(D) In the case of a person whose period of service in the uniformed services was for more than 180 days, by submitting an application for reemployment with the employer not later than

90 days after the completion of the period of service.

(2)(A) A person who is hospitalized for, or convalescing from, an illness or injury incurred in, or aggravated during, the performance of service in the uniformed services shall, at the end of the period that is necessary for the person to recover from such illness or injury, report to the person's employer (in the case of a person described in subparagraph (A) or (B) of paragraph (1)) or submit an application for reemployment with such employer (in the case of a person described in subparagraph (C) or (D) of such paragraph). Except as provided in subparagraph (B), such period of recovery may not exceed two years.

(B) Such two-year period shall be extended by the minimum time required to accommodate the circumstances beyond such person's control which make reporting within the period specified in sub-

paragraph (A) impossible or unreasonable.

(3) A person who fails to report or apply for employment or reemployment within the appropriate period specified in this subsection shall not automatically forfeit such person's entitlement to the rights and benefits referred to in subsection (a) but shall be subject to the conduct rules, established policy, and general practices of the employer pertaining to explanations and discipline with respect to absence from scheduled work.

(f)(1) A person who submits an application for reemployment in accordance with subparagraph (C) or (D) of subsection (e)(1) or subsection (e)(2) shall provide to the person's employer (upon the request of such employer) documentation to establish that—

(A) the person's application is timely;

(B) the person has not exceeded the service limitations set forth in subsection (a)(2) (except as permitted under subsection (c)); and

(C) the person's entitlement to the benefits under this chapter has not been terminated pursuant to section 4304.

(2) Documentation of any matter referred to in paragraph (1) that satisfies regulations prescribed by the Secretary shall satisfy

the documentation requirements in such paragraph.

(3)(A) Except as provided in subparagraph (B), the failure of a person to provide documentation that satisfies regulations prescribed pursuant to paragraph (2) shall not be a basis for denying reemployment in accordance with the provisions of this chapter if the failure occurs because such documentation does not exist or is not readily available at the time of the request of the employer. If, after such reemployment, documentation becomes available that establishes that such person does not meet one or more of the requirements referred to in subparagraphs (A), (B), and (C) of paragraph (1), the employer of such person may terminate the employment of the person and the provision of any rights or benefits afforded the person under this chapter.

- (B) An employer who reemploys a person absent from a position of employment for more than 90 days may require that the person provide the employer with the documentation referred to in subparagraph (A) before beginning to treat the person as not having incurred a break in service for pension purposes under section 4318(a)(2)(A).
- (4) An employer may not delay or attempt to defeat a reemployment obligation by demanding documentation that does not then exist or is not then readily available.
- (g) The right of a person to reemployment under this section shall not entitle such person to retention, preference, or displacement rights over any person with a superior claim under the provisions of title 5, United States Code, relating to veterans and other preference eligibles.
- (h) In any determination of a person's entitlement to protection under this chapter, the timing, frequency, and duration of the person's training or service, or the nature of such training or service (including voluntary service) in the uniformed services, shall not be a basis for denying protection of this chapter if the service does not exceed the limitations set forth in subsection (c) and the notice requirements established in subsection (a)(1) and the notification requirements established in subsection (e) are met.

(Added P.L. 103–353, 2(a), Oct. 13, 1994, 108 Stat. 3153; amended P.L. 104–275, 311(4), Oct. 9, 1996, 110 Stat. 3334.)

(a) Subject to subsection (b) (in the case of any employee) and sections 4314 and 4315 (in the case of an employee of the Federal Government), a person entitled to reemployment under section 4312, upon completion of a period of service in the uniformed services, shall be promptly reemployed in a position of employment in accordance with the following order of priority:

(1) Except as provided in paragraphs (3) and (4), in the case of a person whose period of service in the uniformed services

was for less than 91 days—

(A) in the position of employment in which the person would have been employed if the continuous employment of such person with the employer had not been interrupted by such service, the duties of which the person is qualified

to perform; or

(B) in the position of employment in which the person was employed on the date of the commencement of the service in the uniformed services, only if the person is not qualified to perform the duties of the position referred to in subparagraph (A) after reasonable efforts by the employer to qualify the person.

(B) in the position of employment in which the person was employed on the date of the commencement of the service in the uniformed services, or a position of like seniority, status and pay, the duties of which the person is qualified to perform, only if the person is not qualified to perform the duties of a position referred to in subparagraph (A) after reasonable efforts by the employer to qualify the person.

(3) In the case of a person who has a disability incurred in, or aggravated during, such service, and who (after reasonable efforts by the employer to accommodate the disability) is not qualified due to such disability to be employed in the position of employment in which the person would have been employed if the continuous employment of such person with the employer

had not been interrupted by such service—

(A) in any other position which is equivalent in seniority, status, and pay, the duties of which the person is qualified to perform or would become qualified to perform

with reasonable efforts by the employer; or

(B) if not employed under subparagraph (A), in a position which is the nearest approximation to a position referred to in subparagraph (A) in terms of seniority, status, and pay consistent with circumstances of such person's case.

(4) In the case of a person who (A) is not qualified to be employed in (i) the position of employment in which the person would have been employed if the continuous employment of such person with the employer had not been interrupted by such service, or (ii) in the position of employment in which such person was employed on the date of the commencement of the service in the uniformed services for any reason (other than disability incurred in, or aggravated during, service in the uniformed services), and (B) cannot become qualified with reasonable efforts by the employer, in any other position which is the nearest approximation to a position referred to first in clause (A)(i) and then in clause (A)(ii) which such person is qualified to perform, with full seniority.

that position.

(2) Any person entitled to reemployment under section 4312 who is not reemployed in a position of employment by reason of para-

graph (1) shall be entitled to be reemployed as follows:

(A) Except as provided in subparagraph (B), in any other position of employment referred to in subsection (a)(1) or (a)(2), as the case may be (in the order of priority set out in the applicable subsection), that provides a similar status and pay to a position of employment referred to in paragraph (1) of this subsection, consistent with the circumstances of such person's case, with full seniority.

(B) In the case of a person who has a disability incurred in, or aggravated during, a period of service in the uniformed services that requires reasonable efforts by the employer for the person to be able to perform the duties of the position of employment, in any other position referred to in subsection (a)(3) (in the order of priority set out in that subsection) that provides a similar status and pay to a position referred to in paragraph (1) of this subsection, consistent with circumstances of such person's case, with full seniority.

(Added P.L. 103–353, §2(a), Oct. 13, 1994, 108 Stat. 3157; amended P.L. 104–275, §311(5), Oct. 9, 1996, 110 Stat. 3335.)

(B) it is impossible or unreasonable for the agency to reem-

ploy the person.

(c) If the employer of a person described in subsection (a) was, at the time such person entered the service from which such person seeks reemployment under this section, a part of the judicial branch or the legislative branch of the Federal Government, and such employer determines that it is impossible or unreasonable for such employer to reemploy such person, such person shall, upon application to the Director of the Office of Personnel Management, be ensured an offer of employment in an alternative position in a Federal executive agency on the basis described in subsection (b).

(d) If the adjutant general of a State determines that it is impossible or unreasonable to reemploy a person who was a National Guard technician employed under section 709 of title 32, such person shall, upon application to the Director of the Office of Personnel Management, be ensured an offer of employment in an alternative position in a Federal executive agency on the basis described in subsection (b).

- (d)(1) Except as provided in this section, nothing in this section, section 4313, or section 4325 shall be construed to exempt any agency referred to in subsection (a) from compliance with any other substantive provision of this chapter.

(2) This section may not be construed—

(A) as prohibiting an employee of an agency referred to in subsection (a) from seeking information from the Secretary regarding assistance in seeking reemployment from the agency under this chapter, alternative employment in the Federal Government under this chapter, or information relating to the rights and obligations of employee and Federal agencies under this chapter; or

(B) as prohibiting such an agency from voluntarily cooperating with or seeking assistance in or of clarification from the Secretary or the Director of the Office of Personnel Manage-

(a) A person who is reemployed under this chapter is entitled to the seniority and other rights and benefits determined by seniority that the person had on the date of the commencement of service in the uniformed services plus the additional seniority and rights and benefits that such person would have attained if the person had remained continuously employed.

(b)(1) Subject to paragraphs (2) through (6), a person who is absent from a position of employment by reason of service in the uni-

(2)(A) Subject to subparagraph (B), a person who—

- (B) For the purposes of subparagraph (A), the employer shall have the burden of proving that a person knowingly provided clear written notice of intent not to return to a position of employment after service in the uniformed service and, in doing so, was aware of the specific rights and benefits to be lost under subparagraph (A).
- (3) A person deemed to be on furlough or leave of absence under this subsection while serving in the uniformed services shall not be entitled under this subsection to any benefits to which the person would not otherwise be entitled if the person had remained continuously employed.

§ 4317. Health plans

(a)(1) In any case in which a person (or the person's dependents) has coverage under a health plan in connection with the person's position of employment, including a group health plan (as defined in section 607(1) of the Employee Retirement Income Security Act of 1974), and such person is absent from such position of employment by reason of service in the uniformed services, the plan shall provide that the person may elect to continue such coverage as provided in this subsection. The maximum period of coverage of a person and the person's dependents under such an election shall be the lesser of-

(A) the 18-month period beginning on the date on which the

person's absence begins; or

(B) the day after the date on which the person fails to apply for or return to a position of employment, as determined under section 4312(e).

(2) A person who elects to continue health-plan coverage under this paragraph may be required to pay not more than 102 percent of the full premium under the plan (determined in the same manner as the applicable premium under section 4980B(f)(4) of the Internal Revenue Code of 1986) associated with such coverage for the employer's other employees, except that in the case of a person who performs service in the uniformed services for less than 31 days, such person may not be required to pay more than the employee share, if any, for such coverage.

(3) In the case of a health plan that is a multiemployer plan, as defined in section 3(37) of the Employee Retirement Income Security Act of 1974, any liability under the plan for employer contributions and benefits arising under this paragraph shall be allocated—

plan.

(b)(1) Except as provided in paragraph (2), in the case of a person whose coverage under a health plan was terminated by reason of service in the uniformed services, an exclusion or waiting period may not be imposed in connection with the reinstatement of such coverage upon reemployment under this chapter if an exclusion or waiting period would not have been imposed under a health plan had coverage of such person by such plan not been terminated as a result of such service. This paragraph applies to the person who is reemployed and to any individual who is covered by such plan by reason of the reinstatement of the coverage of such person.

(2) Paragraph (1) shall not apply to the coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, performance of service in

the uniformed services.

§ 4318. Employee pension benefit plans

(a)(1)(A) Except as provided in subparagraph (B), in the case of a right provided pursuant to an employee pension benefit plan (including those described in sections 3(2) and 3(33) of the Employee Retirement Income Security Act of 1974) or a right provided under any Federal or State law governing pension benefits for governmental employees, the right to pension benefits of a person reemployed under this chapter shall be determined under this section.

(B) In the case of benefits under the Thrift Savings Plan, the rights of a person reemployed under this chapter shall be those rights provided in section 8432b of title 5. The first sentence of this subparagraph shall not be construed to affect any other right or

benefit under this chapter.

(2)(A) A person reemployed under this chapter shall be treated as not having incurred a break in service with the employer or employers maintaining the plan by reason of such person's period or

periods of service in the uniformed services.

(B) Each period served by a person in the uniformed services shall, upon reemployment under this chapter, be deemed to constitute service with the employer or employers maintaining the plan for the purpose of determining the nonforfeitability of the person's accrued benefits and for the purpose of determining the accrual of benefits under the plan.

(b)(1) An employer reemploying a person under this chapter shall, with respect to a period of service described in subsection (a)(2)(B), be liable to an employee pension benefit plan for funding

any obligation of the plan to provide the benefits described in subsection (a)(2) and shall allocate the amount of any employer contribution for the person in the same manner and to the same extent the allocation occurs for other employees during the period of service. For purposes of determining the amount of such liability and any obligation of the plan, earnings and forfeitures shall not be included. For purposes of determining the amount of such liability and for purposes of section 515 of the Employee Retirement Income Security Act of 1974 or any similar Federal or State law governing pension benefits for governmental employees, service in the uniformed services that is deemed under subsection (a) to be service with the employer shall be deemed to be service with the employer under the terms of the plan or any applicable collective bargaining agreement. In the case of a multiemployer plan, as defined in section 3(37) of the Employee Retirement Income Security Act of 1974, any liability of the plan described in this paragraph shall be allocated-

(A) by the plan in such manner as the sponsor maintaining the plan shall provide; or

(B) if the sponsor does not provide—

(i) to the last employer employing the person before the period served by the person in the uniformed services, or (ii) if such last employer is no longer functional, to the

plan.

- (2) A person reemployed under this chapter shall be entitled to accrued benefits pursuant to subsection (a) that are contingent on the making of, or derived from, employee contributions or elective deferrals (as defined in section 402(g)(3) of the Internal Revenue Code of 1986) only to the extent the person makes payment to the plan with respect to such contributions or deferrals. No such payment may exceed the amount the person would have been permitted or required to contribute had the person remained continuously employed by the employer throughout the period of service described in subsection (a)(2)(B). Any payment to the plan described in this paragraph shall be made during the period beginning with the date of reemployment and whose duration is three times the period of the person's service in the uniformed services, such payment period not to exceed five years.
- (3) For purposes of computing an employer's liability under paragraph (1) or the employee's contributions under paragraph (2), the employee's compensation during the period of service described in

subsection (a)(2)(B) shall be computed—

(A) at the rate the employee would have received but for the

period of service described in subsection (a)(2)(B), or

(B) in the case that the determination of such rate is not reasonably certain, on the basis of the employee's average rate of compensation during the 12-month period immediately preceding such period (or, if shorter, the period of employment immediately preceding such period).

(c) Any employer who reemploys a person under this chapter and who is an employer contributing to a multiemployer plan, as defined in section 3(37) of the Employee Retirement Income Security Act of 1974, under which benefits are or may be payable to such person by reason of the obligations set forth in this chapter, shall,

within 30 days after the date of such reemployment, provide information, in writing, of such reemployment to the administrator of such plan.

(Added P.L. 103–353, §2(a), Oct. 13, 1994, 108 Stat. 3162; amended P.L. 104–275, §311(8), Oct. 9, 1996, 110 Stat. 3335.)

§ 4319. Employment and reemployment rights in foreign countries

(a) LIABILITY OF CONTROLLING UNITED STATES EMPLOYER OF FOREIGN ENTITY.—If an employer controls an entity that is incorporated or otherwise organized in a foreign country, any denial of employment, reemployment, or benefit by such entity shall be presumed to be by such employer.

(b) INAPPLICABILITY TO FOREIGN EMPLOYER.—This subchapter does not apply to foreign operations of an employer that is a for-

eign person not controlled by an United States employer.

- (c) DETERMINATION OF CONTROLLING EMPLOYER.—For the purpose of this section, the determination of whether an employer controls an entity shall be based upon the interrelations of operations, common management, centralized control of labor relations, and common ownership or financial control of the employer and the entity.
- (d) Exemption.—Notwithstanding any other provision of this subchapter, an employer, or an entity controlled by an employer, shall be exempt from compliance with any of sections 4311 through 4318 of this title with respect to an employee in a workplace in a foreign country, if compliance with that section would cause such employer, or such entity controlled by an employer, to violate the law of the foreign country in which the workplace is located.

(c) The Secretary shall, upon request, provide technical assistance to a potential claimant with respect to a complaint under this subsection, and when appropriate, to such claimant's employer.

- (d) The Secretary shall investigate each complaint submitted pursuant to subsection (a). If the Secretary determines as a result of the investigation that the action alleged in such complaint occurred, the Secretary shall attempt to resolve the complaint by making reasonable efforts to ensure that the person or entity named in the complaint complies with the provisions of this chapter.
- (e) If the efforts of the Secretary with respect to any complaint filed under subsection (d) do not resolve the complaint, the Secretary shall notify the person who submitted the complaint of—

(1) the results of the Secretary's investigation; and

- (2) the complainant's entitlement to proceed under the enforcement of rights provisions provided under section 4323 (in the case of a person submitting a complaint against a State or private employer) or section 4324 (in the case of a person submitting a complaint against a Federal executive agency or the Office of Personnel Management).

If the compensation is not paid to the person because of inability to do so within a period of 3 years, the compensation shall be covered into the Treasury of the United States as miscellaneous receipts.

SUBCHAPTER III—PAYMENT OF BENEFITS

§ 5120. Payment of benefits; delivery

- (a) Monetary benefits under laws administered by the Secretary shall be paid by checks drawn, pursuant to certification by the Secretary, in such form as to protect the United States against loss, and payable by the Treasurer of the United States. Such checks shall be payable without separate vouchers or receipts except in any case in which the Secretary may consider a voucher necessary for the protection of the Government. Such checks shall be transmitted by mail to the payee thereof at the payee's last known address and, if the payee has moved and filed a regular change of address notice with the United States Postal Service, shall be forwarded to the payee. The envelope or cover of each such checks shall bear on the face thereof the following notice: "POSTMASTER: PLEASE FORWARD if addressee has moved and filed a regular change-of-address notice. If addressee is deceased, return the letter with date of death, if known."
- (b) Postmasters, delivery clerks, letter carriers, and all other postal employees are prohibited from delivering any mail addressed by the United States and containing any such check to any person whomsoever if such person has died or in the case of a surviving spouse, if the postal employee believes that the surviving spouse has remarried (unless the mail is addressed to the surviving spouse in the name the surviving spouse has acquired by the remarriage). The preceding sentence shall apply in the case of checks in payment of benefits other than pension, compensation, dependency and indemnity compensation, and insurance, only insofar as the Secretary deems it necessary to protect the United States against loss.
- (c) Whenever mail is not delivered because of the prohibition of subsection (b), such mail shall be returned forthwith by the post-master with a statement of the reason for so doing, and if because of death or remarriage, the date thereof, if known. Checks returned under this subsection because of death or remarriage shall be canceled.

(d) Notwithstanding subsection (a) of this section, pursuant to an agreement with the Department of the Treasury under which the Secretary certifies such benefits for payment, monetary benefits under laws administered by the Secretary may be paid other than by check upon the written request of the person to whom such benefits are to be paid, if such noncheck payment is determined by the Secretary to be in the best interest of such payees and the manage-

ment of monetary benefits programs by the Department.

(e) Whenever the first day of any calendar month falls on a Saturday, Sunday, or legal public holiday (as defined in section 6103 of title 5), the Secretary shall, to the maximum extent practicable, certify benefit payments for such month in such a way that such payments will be delivered by mail, or transmitted for credit to the payee's account pursuant to subsection (d) of this section, on the Friday immediately preceding such Saturday or Sunday, or in the case of a legal holiday, the weekday (other than Saturday) immediately preceding such legal public holiday, notwithstanding that such delivery or transmission of such payments is made in the same calendar month for which such payments are issued.

(f)(1) In the case of a payee who does not have a mailing address, payments of monetary benefits under laws administered by the Secretary shall be delivered under an appropriate method pre-

scribed pursuant to paragraph (2) of this subsection.

(2) The Secretary shall prescribe an appropriate method or methods for the delivery of payments of monetary benefits under laws administered by the Secretary in cases described in paragraph (1) of this subsection. To the maximum extent practicable, such method or methods shall be designed to ensure the delivery of payments in such cases.

(b) No part of any accrued benefits shall be used to reimburse any political subdivision of the United States for expenses incurred in the last sickness or burial of any beneficiary.

(c) Applications for accrued benefits must be filed within one year after the date of death. If a claimant's application is incomplete at the time it is originally submitted, the Secretary shall notify the claimant of the evidence necessary to complete the application. If such evidence is not received within one year from the date of such notification, no accrued benefits may be paid.

§ 5301. Nonassignability and exempt status of benefits

(a) Payments of benefits due or to become due under any law administered by the Secretary shall not be assignable except to the extent specifically authorized by law, and such payments made to, or on account of, a beneficiary shall be exempt from taxation, shall be exempt from the claim of creditors, and shall not be liable to attachment, levy, or seizure by or under any legal or equitable process whatever, either before or after receipt by the beneficiary. The preceding sentence shall not apply to claims of the United States arising under such laws nor shall the exemption therein contained as to taxation extend to any property purchased in part or wholly out of such payments. The provisions of this section shall not be construed to prohibit the assignment of insurance otherwise authorized under chapter 19 of this title, or of servicemen's indemnity. For the purposes of this subsection, in any case where a payee of an educational assistance allowance has designated the address of an attorney-in-fact as the payee's address for the purpose of receiving a benefit check and has also executed a power of attorney giving the attorney-in-fact authority to negotiate such benefit check, such action shall be deemed to be an assignment and is prohibited.

(b) This section shall prohibit the collection by setoff or otherwise out of any benefits payable pursuant to any law administered by the Secretary and relating to veterans, their estates, or their dependents, of any claim of the United States or any agency thereof against (1) any person other than the indebted beneficiary or the beneficiary's estate; or (2) any beneficiary or the beneficiary's estate except amounts due the United States by such beneficiary or the beneficiary's estate by reason of overpayments or illegal payments made under such laws to such beneficiary or the beneficiary's estate or to the beneficiary's dependents as such. If the benefits referred to in the preceding sentence are insurance payable by reason of yearly renewable term insurance, United States Government life insurance, or National Service Life Insurance issued by the United States, the exemption provided in this section shall not apply to indebtedness existing against the particular insurance contract upon the maturity of which the claim is based, whether such indebtedness is in the form of liens to secure unpaid premiums or loans, or interest on such premiums or loans, or indebtedness arising from overpayments of dividends, refunds, loans, or other insurance benefits.

(c)(1) Notwithstanding any other provision of this section, the Secretary may, after receiving a request under paragraph (2) of this subsection relating to a veteran, collect by offset of any compensation or pension payable to the veteran under laws administered by the Secretary the uncollected portion of the amount of any indebtedness associated with the veteran's participation in a plan

prescribed in chapter 73 of title 10.

(2) If the Secretary concerned (as defined in section 101(5) of title 37) has tried under section 3711(a) of title 31 to collect an amount described in paragraph (1) of this subsection in the case of any veteran, has been unable to collect such amount, and has determined that the uncollected portion of such amount is not collectible from amounts payable by that Secretary to the veteran or that the veteran is not receiving any payment from that Secretary, that Secretary may request the Secretary to make collections in the case of such veteran as authorized in paragraph (1) of this subsection.

(3)(A) A collection authorized by paragraph (1) of this subsection shall be conducted in accordance with the procedures prescribed in section 3716 of title 31 for administrative offset collections made after attempts to collect claims under section 3711(a) of such title.

(B) For the purposes of subparagraph (A) of this paragraph, as used in the second sentence of section 3716(a) of title 31—

(i) the term "records of the agency" shall be considered to refer to the records of the department of the Secretary concerned; and

(ii) the term "agency" in clauses (3) and (4) shall be consid-

ered to refer to such department.

(4) Funds collected under this subsection shall be credited to the Department of Defense Military Retirement Fund under chapter 74 of title 10 or to the Retired Pay Account of the Coast Guard, as appropriate.

(d) Notwithstanding subsection (a) of this section, payments of benefits under laws administered by the Secretary shall not be exempt from levy under subchapter D of chapter 64 of the Internal Revenue Code of 1986 (26 U.S.C. 6331 et seq.).

(e) In the case of a person who—

(1) has been determined to be eligible to receive pension or compensation under laws administered by the Secretary but for the receipt by such person of pay pursuant to any provision of law providing retired or retirement pay to members or former members of the Armed Forces or commissioned officers of the National Oceanic and Atmospheric Administration or of the Public Health Service; and

(2) files a waiver of such pay in accordance with section 5305 of this title in the amount of such pension or compensation before the end of the one-year period beginning on the date such person is notified by the Secretary of such person's eligibility for such pension or compensation,

the retired or retirement pay of such person shall be exempt from taxation, as provided in subsection (a) of this section, in an amount equal to the amount of pension or compensation which would have been paid to such person but for the receipt by such person of such pay.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1229, § 3101; P.L. 94–502, § 701, Oct. 15, 1976, 90 Stat. 2405; P.L. 95–479, § 301, Oct. 18, 1978, 92 Stat. 1564; P.L. 97–295, § 4(74), Oct. 12, 1982, 96 Stat. 1310; P.L. 99–576, § 504, § 701(68), Oct. 28, 1986, 100 Stat. 3286, 3296; P.L. 101–189, § 1404(b)(2), Nov. 29, 1989, 103 Stat. 1586; P.L. 102–25, § 705(c)(2), Apr. 6, 1991, 105 Stat. 120; renumbered § 5301 and amended P.L. 102–40, § 402(b)(1), (d)(1), May 7, 1991, 105 Stat. 238, 239; P.L. 102–54, § 14(d)(2), June 13, 1991, 105 Stat. 285; P.L. 102–83, § 4(a)(1), (2)(A)(vii), (b)(1), (2)(E), (4)(C), Aug. 6, 1991, 105 Stat. 403–405; P.L. 102–86, § 505(a), Aug. 14, 1991, 105 Stat. 426.)

§ 5302. Waiver of recovery of claims by the United States

(a) There shall be no recovery of payments or overpayments (or any interest thereon) of any benefits under any of the laws administered by the Secretary whenever the Secretary determines that recovery would be against equity and good conscience, if an application for relief is made within 180 days from the date of notification of the indebtedness by the Secretary to the payee, or within such longer period as the Secretary determines is reasonable in a case in which the payee demonstrates to the satisfaction of the Secretary that such notification was not actually received by such payee within a reasonable period after such date. The Secretary shall include in the notification to the payee a statement of the right of the payee to submit an application for a waiver under this subsection and a description of the procedures for submitting the application.

(b) With respect to any loan guaranteed, insured, or made under chapter 37 of this title, the Secretary shall, except as provided in subsection (c) of this section, waive payment of an indebtedness to the Department by the veteran (as defined in sections 101, 3701, and 3702(a)(2)(C)(ii) of this title), or the veteran's spouse, following default and loss of the property, where the Secretary determines that collection of such indebtedness would be against equity and good conscience. An application for relief under this subsection must be made within one year after the date on which the veteran receives notice by certified mail with return receipt requested from the Secretary of the indebtedness. The Secretary shall include in

the notification a statement of the right of the veteran to submit an application for a waiver under this subsection and a description

of the procedures for submitting the application.

(c) The recovery of any payment or the collection of any indebtedness (or any interest thereon) may not be waived under this section if, in the Secretary's opinion, there exists in connection with the claim for such waiver an indication of fraud, misrepresentation, or bad faith on the part of the person or persons having an interest in obtaining a waiver of such recovery or the collection of such indebtedness (or any interest thereon).

(d) No certifying or disbursing officer shall be liable for any amount paid to any person where the recovery of such amount is

waived under subsection (a) or (b).

(e) Where the recovery of a payment or overpayment made from the National Service Life Insurance Fund or United States Government Life Insurance Fund is waived under this section, the fund from which the payment was made shall be reimbursed from the National Service Life Insurance appropriation or the military and naval insurance appropriation, as applicable.

§ 5303. Certain bars to benefits

(a) The discharge or dismissal by reason of the sentence of a general court-martial of any person from the Armed Forces, or the discharge of any such person on the ground that such person was a conscientious objector who refused to perform military duty or refused to wear the uniform or otherwise to comply with lawful orders of competent military authority, or as a deserter, or on the basis of an absence without authority from active duty for a continuous period of at least one hundred and eighty days if such person was discharged under conditions other than honorable unless such person demonstrates to the satisfaction of the Secretary that there are compelling circumstances to warrant such prolonged unauthorized absence, or of an officer by the acceptance of such officer's resignation for the good of the service, or (except as provided in subsection (c)) the discharge of any individual during a period of hostilities as an alien, shall bar all rights of such person under laws administered by the Secretary based upon the period of service from which discharged or dismissed, notwithstanding any action subsequent to the date of such discharge by a board established pursuant to section 1553 of title 10.

(b) Notwithstanding subsection (a), if it is established to the satisfaction of the Secretary that, at the time of the commission of an offense leading to a person's court-martial, discharge, or resignation, that person was insane, such person shall not be precluded from benefits under laws administered by the Secretary based upon the period of service from which such person was separated.

(c) Subsection (a) shall not apply to any alien whose service was honest and faithful, and who was not discharged on the individual's own application or solicitation as an alien. No individual shall be considered as having been discharged on the individual's own application or solicitation as an alien in the absence of affirmative evidence establishing that the individual was so discharged.

(d) This section shall not apply to any war-risk insurance, Government (converted) or National Service Life Insurance policy.

(e)(1) Notwithstanding any other provision of law, (A) no benefits under laws administered by the Secretary shall be provided, as a result of a change in or new issuance of a discharge under section 1553 of title 10, except upon a case-by-case review by the board of review concerned, subject to review by the Secretary concerned, under such section, of all the evidence and factors in each case under published uniform standards (which shall be historically consistent with criteria for determining honorable service and shall not include any criterion for automatically granting or denying such change or issuance) and procedures generally applicable to all persons administratively discharged or released from active military, naval, or air service under other than honorable conditions; and (B) any such person shall be afforded an opportunity to apply for such review under such section 1553 for a period of time terminating not less than one year after the date on which such uniform standards and procedures are promulgated and published.

(2) Notwithstanding any other provision of law-

(A) no person discharged or released from active military, naval, or air service under other than honorable conditions who has been awarded a general or honorable discharge under revised standards for the review of discharges, (i) as implemented by the President's directive of January 19, 1977, initiating further action with respect to the President's Proclamation 4313 of September 16, 1974, (ii) as implemented on or after April 5, 1977, under the Department of Defense's special discharge review program, or (iii) as implemented subsequent to April 5, 1977, and not made applicable to all persons administratively discharged or released from active military, naval, or air service under other than honorable conditions, shall be entitled to benefits under laws administered by the Secretary except upon a determination, based on a case-by-case review, under standards (meeting the requirements of paragraph (1) of this subsection) applied by the board of review concerned under section 1553 of title 10, subject to review by the Secretary concerned, that such person would be awarded an upgraded discharge under such standards; and

(B) such determination shall be made by such board (i) on an expedited basis after notification by the Department to the Secretary concerned that such person has received, is in receipt of, or has applied for such benefits or after a written request is made by such person or such determination, (ii) on its own initiative before October 9, 1978, in any case where a general or honorable discharge has been awarded before October 9, 1977, under revised standards referred to in clause (A)(i), (ii), or (iii) of this paragraph, or (iii) on its own initiative at the time a general or honorable discharge is so awarded in any

case where a general or honorable discharge is awarded after October 8, 1977.

If such board makes a preliminary determination that such person would not have been awarded an upgraded discharge under standards meeting the requirements of paragraph (1) of this subsection, such person shall be entitled to an appearance before the board, as provided for in section 1553(c) of title 10, prior to a final determination on such question and shall be given written notice by the board of such preliminary determination and of the right to such appearance. The Secretary shall, as soon as administratively feasible, notify the appropriate board of review of the receipt of benefits under laws administered by the Secretary, or of the application for such benefits, by any person awarded an upgraded discharge under revised standards referred to in clause (A)(i), (ii), or (iii) of this paragraph with respect to whom a favorable determination has not been made under this paragraph.

A dependent of a veteran who is otherwise eligible for a benefit specified in subsection (c) may not be paid or otherwise provided such benefit for any period during which such veteran or such dependent is a fugitive felon.

(b) For purposes of this section:

- (1) The term "fugitive felon" means a person who is a fugitive by reason of-

(a) Subject to subsections (b) and (d) of this section and section 3485(e) of this title, the Secretary shall (unless the Secretary waives recovery under section 5302 of this title) deduct the amount of the indebtedness of any person who has been determined to be indebted to the United States by virtue of such person's participation in a benefits program administered by the Secretary from future payments made to such person under any law administered by the Secretary.

(b) Deductions may not be made under subsection (a) of this section with respect to the indebtedness of a person described in such

subsection unless the Secretary-

The Secretary shall, in the regulations prescribed pursuant to subsection (a) of this section, prescribe what constitutes a reasonable period of time for payment of an indebtedness after the initial notification of indebtedness has been mailed.
- (2) The rate of interest to be charged under this section shall be based on the rate of interest paid by the United States for its borrowing and shall be determined by the Secretary under such regulations.
- (c) The administrative costs to be charged under this section with respect to an amount owed to the United States shall be so much of the costs incurred by the United States in collecting such amount as the Secretary determines, under such regulations, to be reasonable and appropriate.

- (2) No suit may be filed under this section to recover any indebtedness owed by any person to the United States unless the Secretary has determined, under regulations which the Secretary shall prescribe, that such person has failed to respond appropriately to reasonable administrative efforts to collect such indebtedness.
- (3) The activities of attorneys employed by the Department in bringing suit under this section shall be subject to the direction and supervision of the Attorney General of the United States and to such terms and conditions as the Attorney General may prescribe.
- (b) Nothing in this section shall derogate from the authority of the Attorney General of the United States under sections 516 and 519 of title 28 to direct and supervise all litigation to which the United States or an agency or officer of the United States is a party.

§5317. Use of income information from other agencies: notice and verification

(a) The Secretary shall notify each applicant for a benefit or service described in subsection (c) of this section that income information furnished by the applicant to the Secretary may be compared with information obtained by the Secretary from the Secretary of Health and Human Services or the Secretary of the Treasury under section 6103(l)(7)(D)(viii) of the Internal Revenue Code of 1986. The Secretary shall periodically transmit to recipients of such benefits and services additional notifications of such matters.

(b) The Secretary may not, by reason of information obtained from the Secretary of Health and Human Services or the Secretary of the Treasury under section 6103(l)(7)(D)(viii) of the Internal Revenue Code of 1986, terminate, deny, suspend, or reduce any benefit or service described in subsection (c) of this section until the Secretary takes appropriate steps to verify independently information

(2) Whether such individual actually has (or had) access to such asset or income for the individual's own use.

(3) The period or periods when the individual actually had such asset or income.

(c) The benefits and services described in this subsection are the following:

(4) Compensation paid under chapter 11 of this title at the

100 percent rate based solely on unemployability and without regard to the fact that the disability or disabilities are not rated as 100 percent disabling under the rating schedule.

(d) In the case of compensation described in subsection (c)(4) of this section, the Secretary may independently verify or otherwise act upon wage or self-employment information referred to in subsection (b) of this section only if the Secretary finds that the amount and duration of the earnings reported in that information clearly indicate that the individual may no longer be qualified for a rating of total disability.

(e) The Secretary shall inform the individual of the findings made by the Secretary on the basis of verified information under subsection (b) of this section, and shall give the individual an opportunity to contest such findings, in the same manner as applies to other information and findings relating to eligibility for the benefit or service involved.

(f) The Secretary shall pay the expenses of carrying out this section from amounts available to the Department for the payment of compensation and pension.

(g) The authority of the Secretary to obtain information from the Secretary of the Treasury or the Secretary of Health and Human Services under section 6103(l)(7)(D)(viii) of the Internal Revenue Code of 1986 expires on September 30, 2008.

§ 5318. Review of Department of Health and Human Services death information

- (a) The Secretary shall periodically compare Department of Veterans Affairs information regarding persons to or for whom compensation or pension is being paid with information in the records of the Department of Health and Human Services relating to persons who have died for the purposes of—
 - (1) determining whether any such persons to whom compensation and pension is being paid are deceased;
 - (2) ensuring that such payments to or for any such persons who are deceased are terminated in a timely manner; and
 - (3) ensuring that collection of overpayments of such benefits resulting from payments after the death of such persons is initiated in a timely manner.

§ 5502. Payments to and supervision of fiduciaries

(a)(1) Where it appears to the Secretary that the interest of the beneficiary would be served thereby, payment of benefits under any law administered by the Secretary may be made directly to the beneficiary or to a relative or some other person for the use and benefit of the beneficiary, regardless of any legal disability on the part of the beneficiary. Where, in the opinion of the Secretary, any fiduciary receiving funds on behalf of a Department beneficiary is acting in such a number of cases as to make it impracticable to conserve properly the estates or to supervise the persons of the beneficiaries, the Secretary may refuse to make future payments in such cases as the Secretary may deem proper.

(2) In a case in which the Secretary determines that a commission is necessary in order to obtain the services of a fiduciary in the best interests of a beneficiary, the Secretary may authorize a fiduciary appointed by the Secretary to obtain from the beneficiary's estate a reasonable commission for fiduciary services rendered, but the commission for any year may not exceed 4 percent of the monetary benefits under laws administered by the Secretary paid on behalf of the beneficiary to the fiduciary during such year. A commission may not be authorized for a fiduciary who receives any other form of remuneration or payment in connection with rendering fiduciary services on behalf of the beneficiary.

(b) Whenever it appears that any guardian, curator, conservator, or other person, in the opinion of the Secretary, is not properly executing or has not properly executed the duties of the trust of such guardian, curator, conservator, or other person or has collected or paid, or is attempting to collect or pay, fees, commissions, or allow-

ances that are inequitable or in excess of those allowed by law for the duties performed or expenses incurred, or has failed to make such payments as may be necessary for the benefit of the ward or the dependents of the ward, then the Secretary may appear, by the Secretary's authorized attorney, in the court which has appointed such fiduciary, or in any court having original, concurrent, or appellate jurisdiction over said cause, and make proper presentation of such matters. The Secretary, in the Secretary's discretion, may suspend payments to any such guardian, curator, conservator, or other person who shall neglect or refuse, after reasonable notice, to render an account to the Secretary from time to time showing the application of such payments for the benefit of such incompetent or minor beneficiary, or who shall neglect or refuse to administer the estate according to law. The Secretary may require the fiduciary, as part of such account, to disclose any additional financial information concerning the beneficiary (except for information that is not available to the fiduciary). The Secretary may appear or intervene by the Secretary's duly authorized attorney in any court as an interested party in any litigation instituted by the Secretary or otherwise, directly affecting money paid to such fiduciary under this section.

(c) Authority is hereby granted for the payment of any court or other expenses incident to any investigation or court proceeding for the appointment of any fiduciary or other person for the purpose of payment of benefits payable under laws administered by the Secretary or the removal of such fiduciary and appointment of another, and of expenses in connection with the administration of such benefits by such fiduciaries, or in connection with any other court proceeding hereby authorized, when such payment is authorized by the Secretary.

(d) All or any part of any benefits the payment of which is suspended or withheld under this section may, in the discretion of the Secretary, be paid temporarily to the person having custody and control of the incompetent or minor beneficiary, to be used solely for the benefit of such beneficiary, or, in the case of an incompetent veteran, may be apportioned to the dependent or dependents, if any, of such veteran. Any part not so paid and any funds of a mentally incompetent or insane veteran not paid to the chief officer of the institution in which such veteran is a patient nor apportioned to the veteran's dependent or dependents may be ordered held in the Treasury to the credit of such beneficiary. All funds so held shall be disbursed under the order and in the discretion of the Secretary for the benefit of such beneficiary or the beneficiary's dependents. Any balance remaining in such fund to the credit of any beneficiary may be paid to the beneficiary if the beneficiary recovers and is found competent, or if a minor, attains majority, or otherwise to the beneficiary's guardian, curator, or conservator, or, in the event of the beneficiary's death, to the beneficiary's personal representative, except as otherwise provided by law; however, payment will not be made to the beneficiary's personal representative if, under the law of the beneficiary's last legal residence, the beneficiary's estate would escheat to the State. In the event of the death of a mentally incompetent or insane veteran, all gratuitous benefits under laws administered by the Secretary deposited before or after

August 7, 1959, in the personal funds of patients trust fund on account of such veteran shall not be paid to the personal representative of such veteran, but shall be paid to the following persons living at the time of settlement, and in the order named: The surviving spouse, the children (without regard to age or marital status) in equal parts, and the dependent parents of such veteran, in equal parts. If any balance remains, such balance shall be deposited to the credit of the applicable current appropriation; except that there may be paid only so much of such balance as may be necessary to reimburse a person (other than a political subdivision of the United States) who bore the expenses of last sickness or burial of the veteran for such expenses. No payment shall be made under the two preceding sentences of this subsection unless claim therefor is filed with the Secretary within five years after the death of the veteran, except that, if any person so entitled under said two sentences is under legal disability at the time of death of the veteran, such five-year period of limitation shall run from the termination or removal of the legal disability.

(e) Any funds in the hands of a fiduciary appointed by a State court or the Secretary derived from benefits payable under laws administered by the Secretary, which under the law of the State wherein the beneficiary had last legal residence would escheat to the State, shall escheat to the United States and shall be returned by such fiduciary, or by the personal representative of the deceased beneficiary, less legal expenses of any administration necessary to determine that an escheat is in order, to the Department, and shall be deposited to the credit of the applicable revolving fund, trust fund, or appropriation.

§ 5503. Hospitalized veterans and estates of incompetent institutionalized veterans

(a)(1)(A) Where any veteran having neither spouse nor child is being furnished domiciliary care by the Department, no pension in excess of \$90 per month shall be paid to or for the veteran for any period after the end of the third full calendar month following the month of admission for such care.

(B) Except as provided in subparagraph (D) of this paragraph, where any veteran having neither spouse nor child is being furnished nursing home care by the Department, no pension in excess of \$90 per month shall be paid to or for the veteran for any period after the end of the third full calendar month following the month of admission for such care. Effective through September 30, 1997, any amount in excess of \$90 per month to which the veteran would be entitled but for the application of the preceding sentence shall be deposited in a revolving fund at the Department medical facility which furnished the veteran nursing care, and such amount shall be available for obligation without fiscal year limitation to help defray operating expenses of that facility.

(C) No pension in excess of \$90 per month shall be paid to or for a veteran having neither spouse nor child for any period after the month in which such veteran is readmitted for care described in subparagraph (A) or (B) of this paragraph and furnished by the Department if such veteran is readmitted within six months of a period of care in connection with which pension was reduced pursu-

ant to subparagraph (A) or (B) of this paragraph.

(D) In the case of a veteran being furnished nursing home care by the Department and with respect to whom subparagraph (B) of this paragraph requires a reduction in pension, such reduction shall not be made for a period of up to three additional calendar months after the last day of the third month referred to in such subparagraph if the Secretary determines that the primary purpose for the furnishing of such care during such additional period is for the Department to provide such veteran with a prescribed program of rehabilitation services, under chapter 17 of this title, designed to restore such veteran's ability to function within such veteran's family and community. If the Secretary determines that it is necessary, after such period, for the veteran to continue such program of rehabilitation services in order to achieve the purposes of such program and that the primary purpose of furnishing nursing home care to the veteran continues to be the provision of such program to the veteran, the reduction in pension required by subparagraph (B) of this paragraph shall not be made for the number of calendar months that the Secretary determines is necessary for the veteran to achieve the purposes of such program.

(2) The provisions of paragraph (1) shall also apply to a veteran being furnished such care who has a spouse but whose pension is payable under section 1521(b) of this title. In such a case, the Secretary may apportion and pay to the spouse, upon an affirmative showing of hardship, all or any part of the amounts in excess of the amount payable to the veteran while being furnished such care which would be payable to the veteran if pension were payable

under section 1521(c) of this title.

(b) Notwithstanding any other provision of this section or any other provision of law, no reduction shall be made in the pension of any veteran for any part of the period during which the veteran is furnished hospital treatment, or institutional or domiciliary care, for Hansen's disease, by the United States or any political subdivision thereof.

5901.	Prohibition against acting as claims agent or attorney
5902.	Recognition of representatives of organizations.
5903.	Recognition with respect to particular claims.
5904.	Recognition of agents and attorneys generally.

§ 5901. Prohibition against acting as claims agent or attorney

Except as provided by section 500 of title 5, no individual may act as an agent or attorney in the preparation, presentation, or prosecution of any claim under laws administered by the Secretary unless such individual has been recognized for such purposes by the Secretary.

 $(P.L.\ 85-857,\ Sept.\ 2,\ 1958,\ 72\ Stat.\ 1238,\ \S\,3401;\ P.L.\ 91-24,\ \S\,12(a),\ June\ 11,\ 1969,\ 83\ Stat.\ 34;\ P.L.\ 99-576,\ \S\,701(79),\ Oct.\ 28,\ 1986,\ 100\ Stat.\ 3298;\ renumbered\ \S\,5901,\ P.L.\ 102-40,\ \S\,402(b)(1),\ May\ 7,\ 1991,\ 105\ Stat.\ 238;\ P.L.\ 102-83,\ \S\,4(a)(1),\ (b)(1),\ (2)(E),\ Aug.\ 6,\ 1991,\ 105\ Stat.\ 403-405.)$

§ 5902. Recognition of representatives of organizations

(a)(1) The Secretary may recognize representatives of the American National Red Cross, the American Legion, the Disabled American Veterans, the United Spanish War Veterans, the Veterans of Foreign Wars, and such other organizations as the Secretary may approve, in the preparation, presentation, and prosecution of claims under laws administered by the Secretary.

(2) The Secretary may, in the discretion of the Secretary, furnish, if available, space and office facilities for the use of paid full-time representatives of national organizations so recognized.

(b) No individual shall be recognized under this section—

(1) unless the individual has certified to the Secretary that no fee or compensation of any nature will be charged any individual for services rendered in connection with any claim; and

(2) unless, with respect to each claim, such individual has filed with the Secretary a power of attorney, executed in such manner and form as the Secretary may prescribe.

(c)(1) Unless a claimant specifically indicates in a power of attorney filed with the Department a desire to appoint only a recognized representative of an organization listed in or approved under subsection (a), the Secretary may, for any purpose, treat the power of attorney naming such an organization, a specific office of such an organization, or a recognized representative of such an organization as the claimant's representative as an appointment of the entire organization as the claimant's representative.

(2) Whenever the Secretary is required or permitted to notify a claimant's representative, and the claimant has named in a power

of attorney an organization listed in or approved under subsection (a), a specific office of such an organization, or a recognized representative of such an organization without specifically indicating a desire to appoint only a recognized representative of the organization, the Secretary shall notify the organization at the address designated by the organization for the purpose of receiving the notification concerned.

(d) Service rendered in connection with any such claim, while not on active duty, by any retired officer, warrant officer, or enlisted member of the Armed Forces recognized under this section shall not be a violation of sections 203, 205, 206, or 207 of title 18.

§ 5903. Recognition with respect to particular claims

The Secretary may recognize any individual for the preparation, presentation, and prosecution of any particular claim for benefits under any of the laws administered by the Secretary if—

(1) such individual has certified to the Secretary that no fee or compensation of any nature will be charged any individual for services rendered in connection with such claim; and

(2) such individual has filed with the Secretary a power of attorney, executed in such manner and in such form as the Secretary may prescribe.

(P.L.~85-857,~Sept.~2,~1958,~72~Stat.~1238,~\$3403;~renumbered~\$5903,~P.L.~102-40,~\$402(b)(1),~May~7,~1991,~105~Stat.~238;~P.L.~102-83,~\$4(a)(1),~(b)(1),~(2)(E),~Aug.~6,~1991,~105~Stat.~403-405.)

§ 5904. Recognition of agents and attorneys generally

(a) The Secretary may recognize any individual as an agent or attorney for the preparation, presentation, and prosecution of claims under laws administered by the Secretary. The Secretary may require that individuals, before being recognized under this section, show that they are of good moral character and in good repute, are qualified to render claimants valuable service, and otherwise are competent to assist claimants in presenting claims.

(b) The Secretary, after notice and opportunity for a hearing, may suspend or exclude from further practice before the Department any agent or attorney recognized under this section if the Secretary finds that such agent or attorney—

(1) has engaged in any unlawful, unprofessional, or dishonest practice;

(2) has been guilty of disreputable conduct;

(3) is incompetent;

(4) has violated or refused to comply with any of the laws administered by the Secretary, or with any of the regulations or instructions governing practice before the Department; or

(5) has in any manner deceived, misled, or threatened any

actual or prospective claimant.

(c)(1) Except as provided in paragraph (3), in connection with a proceeding before the Department with respect to benefits under

laws administered by the Secretary, a fee may not be charged, allowed, or paid for services of agents and attorneys with respect to services provided before the date on which the Board of Veterans' Appeals first makes a final decision in the case. Such a fee may be charged, allowed, or paid in the case of services provided after such date only if an agent or attorney is retained with respect to such case before the end of the one-year period beginning on that date. The limitation in the preceding sentence does not apply to services provided with respect to proceedings before a court.

(2) A person who, acting as agent or attorney in a case referred to in paragraph (1) of the subsection, represents a person before the Department or the Board of Veterans' Appeals after the Board first makes a final decision in the case shall file a copy of any fee agreement between them with the Board at such time as may be specified by the Board. The Board, upon its own motion or the request of either party, may review such a fee agreement and may order a reduction in the fee called for in the agreement if the Board finds that the fee is excessive or unreasonable. A finding or order of the Board under the preceding sentence may be reviewed by the Court of Appeals for Veterans Claims under section 7263(d) of this title.

(3) A reasonable fee may be charged or paid in connection with any proceeding before the Department in a case arising out of a loan made, guaranteed, or insured under chapter 37 of this title. A person who charges a fee under this paragraph shall enter into a written agreement with the person represented and shall file a copy of the fee agreement with the Secretary at such time, and in such manner, as may be specified by the Secretary.

(d)(1) When a claimant and an attorney have entered into a fee agreement described in paragraph (2) of this subsection, the total fee payable to the attorney may not exceed 20 percent of the total amount of any past-due benefits awarded on the basis of the claim.

(2)(A) A fee agreement referred to in paragraph (1) is one under which the total amount of the fee payable to the attorney—

(i) is to be paid to the attorney by the Secretary directly from any past-due benefits awarded on the basis of the claim; and (ii) is contingent on whether or not the matter is resolved in a manner favorable to the claimant.

(B) For purposes of subparagraph (A) of this paragraph, a claim shall be considered to have been resolved in a manner favorable to the claimant if all or any part of the relief sought is granted.

(3) To the extent that past-due benefits are awarded in any proceeding before the Secretary, the Board of Veterans' Appeals, or the Court of Appeals for Veterans Claims, the Secretary may direct that payment of any attorneys' fee under a fee arrangement described in paragraph (1) of this subsection be made out of such past-due benefits. In no event may the Secretary withhold for the purpose of such payment any portion of benefits payable for a period after the date of the final decision of the Secretary, the Board of Veterans' Appeals, or Court of Appeals for Veterans Claims making (or ordering the making of) the award.

Whoever (1) directly or indirectly solicits, contracts for, charges, or receives, or attempts to solicit, contract for, charge, or receive, any fee or compensation except as provided in sections 5904 or 1984 of this title, or (2) wrongfully withholds from any claimant or beneficiary any part of a benefit or claim allowed and due to the claimant or beneficiary, shall be fined as provided in title 18, or imprisoned not more than one year, or both.

Payments made to a spouse, children, and parents under the preceding sentence shall not exceed the amounts payable to each if the veteran had died from service-connected disability. No spouse, child, or parent who participated in the fraud for which forfeiture was imposed shall receive any payment by reason of this subsection. An apportionment award under this subsection may not be made in any case after September 1, 1959.

(c) Forfeiture of benefits by a veteran shall not prohibit payment of the burial allowance, death compensation, dependency and indemnity compensation, or death pension in the event of the vet-

(d)(1) After September 1, 1959, no forfeiture of benefits may be imposed under this section or section 6104 of this title upon any individual who was a resident of, or domiciled in, a State at the time the act or acts occurred on account of which benefits would, but not for this subsection, be forfeited unless such individual ceases to be a resident of, or domiciled in, a State before the expiration of the period during which criminal prosecution could be instituted. This subsection shall not apply with respect to (A) any forfeiture occurring before September 1, 1959, or (B) an act or acts which occurred in the Philippine Islands before July 4, 1946.

(c) In the case of any forfeiture under this section there shall be no authority after September 1, 1959 (1) to make an apportionment award pursuant to subsection (b) or (2) to make an award to any person of gratuitous benefits based on any period of military, naval, or air service commencing before the date of commission of the offense.

§ 6105. Forfeiture for subversive activities

- (a) Any individual who is convicted after September 1, 1959, of any offense listed in subsection (b) of this section shall, from and after the date of commission of such offense, have no right to gratuitous benefits (including the right to burial in a national cemetery) under laws administered by the Secretary based on periods of military, naval, or air service commencing before the date of the commission of such offense and no other person shall be entitled to such benefits on account of such individual. After receipt of notice of the return of an indictment for such an offense the Secretary shall suspend payment of such gratuitous benefits pending disposition of the criminal proceedings. If any individual whose right to benefits has been terminated pursuant to this section is granted a pardon of the offense by the President of the United States, the right to such benefits shall be restored as of the date of such pardon.

- (c) The Secretary of Defense or the Secretary of Transportation, as appropriate, shall notify the Secretary in each case in which an individual is convicted of an offense listed in paragraph (1) of subsection (b). § 7101. Composition of Board of Veterans' Appeals

(a) There is in the Department a Board of Veterans' Appeals (hereinafter in this chapter referred to as the "Board"). The Board is under the administrative control and supervision of a chairman directly responsible to the Secretary. The Board shall consist of a Chairman, a Vice Chairman, and such number of members as may be found necessary in order to conduct hearings and dispose of appeals properly before the Board in a timely manner. The Board shall have such other professional, administrative, clerical, and stenographic personnel as are necessary in conducting hearings and considering and disposing of appeals properly before the Board. The Board shall have sufficient personnel under the preceding sentence to enable the Board to conduct hearings and consider and dispose of appeals properly before the Board in a timely manner.

(b)(1) The Chairman shall be appointed by the President, by and with the advice and consent of the Senate, for a term of six years. The Chairman shall be subject to the same ethical and legal limitations and restrictions concerning involvement in political activities as apply to judges of the Court of Appeals for Veterans Claims.

(2) The Chairman may be removed by the President for misconduct, inefficiency, neglect of duty, or engaging in the practice of law or for physical or mental disability which, in the opinion of the President, prevents the proper execution of the Chairman's duties. The Chairman may not be removed from office by the President on any other grounds. Any such removal may only be made after notice and opportunity for hearing.

(3) The Chairman may be appointed under this subsection to more than one term. If, upon the expiration of the term of office for which the Chairman was appointed, the position of Chairman would become vacant, the individual serving as Chairman may, with the approval of the Secretary, continue to serve as Chairman until either appointed to another term or a successor is appointed,

but not beyond the end of the Congress during which the term of

office expired.

(4) The Secretary shall designate one member of the Board as Vice Chairman. The Vice Chairman shall perform such functions as the Chairman may specify. Such member shall serve as Vice Chair-

man at the pleasure of the Secretary.

(c)(1)(A) The Chairman may from time to time designate one or more employees of the Department to serve as acting members of the Board. Except as provided in subparagraph (B), any such designation shall be for a period not to exceed 90 days, as determined by the Chairman.

§ 7101A. Members of Board: appointment; pay; performance review

(a)(1) The members of the Board of Veterans' Appeals other than the Chairman (and including the Vice Chairman) shall be appointed by the Secretary, with the approval of the President, based upon recommendations of the Chairman.

(2) Each member of the Board shall be a member in good stand-

ing of the bar of a State.

(b) Members of the Board (other than the Chairman and any member of the Board who is a member of the Senior Executive Service) shall, in accordance with regulations prescribed by the Secretary, be paid basic pay at rates equivalent to the rates payable under section 5372 of title 5.

(c)(1)(A) The Chairman shall establish a panel to review the performance of members of the Board. The panel shall be comprised of the Chairman and two other members of the Board (other than the Vice Chairman). The Chairman shall periodically rotate membership on the panel so as to ensure that each member of the Board (other than the Vice Chairman) serves as a member of the panel for and within a reasonable period.

(B) Not less than one year after the job performance standards under subsection (f) are initially established, and not less often than once every three years thereafter, the performance review panel shall determine, with respect to each member of the Board (other than the Chairman or a member who is a member of the Senior Executive Service), whether that member's job performance as a member of the Board meets the performance standards for a

member of the Board established under subsection (f). Each such

determination shall be in writing.

(2) If the determination of the performance review panel in any case is that the member's job performance as a member of the Board meets the performance standards for a member of the Board established under subsection (f), the Chairman shall recertify the member's appointment as a member of the Board.

(3) If the determination of the performance review panel in any case is that the member's job performance does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall, based upon the individual cir-

cumstances, either-

(A) grant the member a conditional recertification; or

- (B) recommend to the Secretary that the member be noncertified.
- (4) In the case of a member of the Board who is granted a conditional recertification under paragraph (3)(A) or (5)(A), the performance review panel shall review the member's job performance record and make a further determination under paragraph (1) concerning that member not later than one year after the date of the conditional recertification. If the determination of the performance review panel at that time is that the member's job performance as a member of the Board still does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall recommend to the Secretary that the member be noncertified.
- (5) In a case in which the Chairman recommends to the Secretary under paragraph (3) or (4) that a member be noncertified, the Secretary, after considering the recommendation of the Chairman, may either-
 - (A) grant the member a conditional recertification; or (B) determine that the member should be noncertified.
- (d)(1) If the Secretary, based upon the recommendation of the Chairman, determines that a member of the Board should be noncertified, that member's appointment as a member of the Board shall be terminated and that member shall be removed from the Board.
- (2)(A) Upon removal from the Board under paragraph (1) of a member of the Board who before appointment to the Board served as an attorney in the civil service, the Secretary shall appoint that member to an attorney position at the Board, if the removed member so requests. If the removed member served in an attorney position at the Board immediately before appointment to the Board, appointment to an attorney position under this paragraph shall be in the grade and step held by the removed member immediately before such appointment to the Board.

(B) The Secretary is not required to make an appointment to an attorney position under this paragraph if the Secretary determines that the member of the Board removed under paragraph (1) is not

qualified for the position.

(e)(1) A member of the Board (other than the Chairman or a member of the Senior Executive Service) may be removed as a member of the Board by reason of job performance only as provided in subsections (c) and (d). Such a member may be removed by the Secretary, upon the recommendation of the Chairman, for any other reason as determined by the Secretary.

- (2) In the case of a removal of a member under this section for a reason other than job performance that would be covered by section 7521 of title 5 in the case of an administrative law judge, the removal of the member of the Board shall be carried out subject to the same requirements as apply to removal of an administrative law judge under that section. Section 554(a)(2) of title 5 shall not apply to a removal action under this subsection. In such a removal action, a member shall have the rights set out in section 7513(b) of that title.
- (f) The Chairman, subject to the approval of the Secretary, shall establish standards for the performance of the job of a member of the Board (other than the Chairman or a member of the Senior Executive Service). Those standards shall establish objective and fair criteria for evaluation of the job performance of a member of the Board.
- (g) The Secretary shall prescribe procedures for the administration of this section, including deadlines and time schedules for different actions under this section.

(Added P.L. 103–446, 201(a)(1), Nov. 2, 1994, 108 Stat. 4655; P.L. 105–368, 1002, Nov. 11, 1998, 112 Stat. 3363.)

§7102. Assignment of members of Board

(a) A proceeding instituted before the Board may be assigned to an individual member of the Board or to a panel of not less than three members of the Board. A member or panel assigned a proceeding shall make a determination thereon, including any motion filed in connection therewith. The member or panel, as the case may be, shall make a report under section 7104(d) of this title on any such determination, which report shall constitute the final disposition of the proceeding by the member or panel.

(b) A proceeding may not be assigned to the Chairman as an individual member. The Chairman may participate in a proceeding assigned to a panel or in a reconsideration assigned to a panel of

members.

§ 7103. Reconsideration; correction of obvious errors

- (a) The decision of the Board determining a matter under section 7102 of this title is final unless the Chairman orders reconsideration of the decision in accordance with subsection (b). Such an order may be made on the Chairman's initiative or upon motion of the claimant.
- (b)(1) Upon the order of the Chairman for reconsideration of the decision in a case, the case shall be referred—
 - (A) in the case of a matter originally heard by a single member of the Board, to a panel of not less than three members of the Board; or
 - (B) in the case of a matter originally heard by a panel of members of the Board, to an enlarged panel of the Board.

(2) A panel referred to in paragraph (1) may not include the member, or any member of the panel, that made the decision sub-

ject to reconsideration.

(3) A panel reconsidering a case under this subsection shall render its decision after reviewing the entire record before the Board. The decision of the panel shall be made by a majority vote of the members of the panel. The decision of the panel shall constitute the final decision of the Board.

(c) The Board on its own motion may correct an obvious error in the record, without regard to whether there has been a motion or order for reconsideration.

§ 7104. Jurisdiction of the Board

(a) All questions in a matter which under section 511(a) of this title is subject to decision by the Secretary shall be subject to one review on appeal to the Secretary. Final decisions on such appeals shall be made by the Board. Decisions of the Board shall be based on the entire record in the proceeding and upon consideration of all evidence and material of record and applicable provisions of law and regulation.

(b) Except as provided in section 5108 of this title, when a claim is disallowed by the Board, the claim may not thereafter be reopened and allowed and a claim based upon the same factual basis

may not be considered.

(c) The Board shall be bound in its decisions by the regulations of the Department, instructions of the Secretary, and the precedent opinions of the chief legal officer of the Department.

(d) Each decision of the Board shall include-

- (1) a written statement of the Board's finding and conclusions, and the reasons or bases for those findings and conclusions, on all material issues of fact and law presented on the record; and
 - (2) an order granting appropriate relief or denying relief.
- (e)(1) After reaching a decision on a case, the Board shall promptly mail a copy of its written decision to the claimant at the last known address of the claimant.
- (2) If the claimant has an authorized representative, the Board shall-
 - (A) mail a copy of its written decision to the authorized representative at the last known address of the authorized representative; or
 - (B) send a copy of its written decision to the authorized representative by any means reasonably likely to provide the authorized representative with a copy of the decision within the same time a copy would be expected to reach the authorized representative if sent by first-class mail.

§ 7105. Filing of notice of disagreement and appeal

(a) Appellate review will be initiated by a notice of disagreement and completed by a substantive appeal after a statement of the case is furnished as prescribed in this section. Each appellant will be accorded hearing and representation rights pursuant to the pro-

visions of this chapter and regulations of the Secretary.

(b)(1) Except in the case of simultaneously contested claims, notice of disagreement shall be filed within one year from the date of mailing of notice of the result of initial review or determination. Such notice, and appeals, must be in writing and be filed with the activity which entered the determination with which disagreement is expressed (hereinafter referred to as the "agency of original jurisdiction"). A notice of disagreement postmarked before the expiration of the one-year period will be accepted as timely filed.

(2) Notices of disagreement, and appeals, must be in writing and may be filed by the claimant, the claimant's legal guardian, or such accredited representative, attorney, or authorized agent as may be selected by the claimant or legal guardian. Not more than one recognized organization, attorney, or agent will be recognized at any

one time in the prosecution of a claim.

(c) If no notice of disagreement is filed in accordance with this chapter within the prescribed period, the action or determination shall become final and the claim will not thereafter be reopened or allowed, except as may otherwise be provided by regulations not inconsistent with this title.

- (d)(1) Where the claimant, or the claimant's representative, within the time specified in this chapter, files a notice of disagreement with the decision of the agency of original jurisdiction, such agency will take such development or review action as it deems proper under the provisions of regulations not inconsistent with this title. If such action does not resolve the disagreement either by granting the benefit sought or through withdrawal of the notice of disagreement, such agency shall prepare a statement of the case. A statement of the case shall include the following:
 - (A) A summary of the evidence in the case pertinent to the issue or issues with which disagreement has been expressed.
 - (B) A citation to pertinent laws and regulations and a discussion of how such laws and regulations affect the agency's deci-
 - (C) The decision on each issue and a summary of the reasons for such decision.
- (2) A statement of the case, as required by this subsection, will not disclose matters that would be contrary to section 5701 of this title or otherwise contrary to the public interest. Such matters may be disclosed to a designated representative unless the relationship between the claimant and the representative is such that disclosure to the representative would be as harmful as if made to the
- (3) Copies of the "statement of the case" prescribed in paragraph (1) of this subsection will be submitted to the claimant and to the claimant's representative, if there is one. The claimant will be af-

forded a period of sixty days from the date the statement of the case is mailed to file the formal appeal. This may be extended for a reasonable period on request for good cause shown. The appeal should set out specific allegations of error of fact or law, such allegations related to specific items in the statement of the case. The benefits sought on appeal must be clearly identified. The agency of original jurisdiction may close the case for failure to respond after receipt of the statement of the case, but questions as to timeliness or adequacy of response shall be determined by the Board of Veterans' Appeals.

(4) The claimant in any case may not be presumed to agree with any statement of fact contained in the statement of the case to which the claimant does not specifically express agreement.

(5) The Board of Veterans' Appeals may dismiss any appeal which fails to allege specific error of fact or law in the determination being appealed.

§ 7105A. Simultaneously contested claims

(a) In simultaneously contested claims where one is allowed and one rejected, the time allowed for the filing of a notice of disagreement shall be sixty days from the date notice of the adverse action is mailed. In such cases the agency of original jurisdiction shall promptly notify all parties in interest at the last known address of the action taken, expressly inviting attention to the fact that notice of disagreement will not be entertained unless filed within the sixty-day period prescribed by this subsection.

(b) Upon the filing of a notice of disagreement, all parties in interest will be furnished with a statement of the case in the same manner as is prescribed in section 7105. The party in interest who filed a notice of disagreement will be allowed thirty days from the date of mailing of such statement of the case in which to file a formal appeal. Extension of time may be granted for good cause shown but with consideration to the interests of the other parties involved. The substance of the appeal will be communicated to the other party or parties in interest and a period of thirty days will be allowed for filing a brief or argument in answer thereto. Such notice shall be forwarded to the last known address of record of the parties concerned, and such action shall constitute sufficient evidence of notice.

§ 7106. Administrative appeals

Application for review on appeal may be made within the oneyear period prescribed in section 7105 of this title by such officials of the Department as may be designated by the Secretary. An application entered under this paragraph shall not operate to deprive the claimant of the right of review on appeal as provided in this chapter.

(Added P.L. 87-666, §1, Sept. 19, 1962, 76 Stat. 554, §4006; renumbered §7106 and amended P.L. 102–40, § 402(b)(1), (d)(1), May 7, 1991, 105 Stat. 238, 239; P.L. 102–83, § 4(a)(3), (4), (b)(1), (2)(E), Aug. 6, 1991, 105 Stat. 404, 405.)

§ 7107. Appeals: dockets; hearings

(a)(1) Except as provided in paragraphs (2) and (3) and in subsection (f), each case received pursuant to application for review on appeal shall be considered and decided in regular order according to its place upon the docket.

(2) A case referred to in paragraph (1) may, for cause shown, be advanced on motion for earlier consideration and determination. Any such motion shall set forth succinctly the grounds upon which the motion is based. Such a motion may be granted only-

(A) if the case involves interpretation of law of general appli-

cation affecting other claims;

(B) if the appellant is seriously ill or is under severe financial hardship; or

(C) for other sufficient cause shown.

(3) A case referred to in paragraph (1) may be postponed for later consideration and determination if such postponement is necessary to afford the appellant a hearing.

(b) The Board shall decide any appeal only after affording the ap-

pellant an opportunity for a hearing.

- (c) A hearing docket shall be maintained and formal recorded hearings shall be held by such member or members of the Board as the Chairman may designate. Such member or members designated by the Chairman to conduct the hearing shall, except in the case of a reconsideration of a decision under section 7103 of this title, participate in making the final determination of the claim.
- (d)(1) An appellant may request that a hearing before the Board be held at its principal location or at a facility of the Department located within the area served by a regional office of the Department.
- (2) A hearing to be held within an area served by a regional office of the Department shall (except as provided in paragraph (3)) be scheduled to be held in accordance with the place of the case on the docket under subsection (a) relative to other cases on the docket for which hearings are scheduled to be held within that area.
- (3) A hearing to be held within an area served by a regional office of the Department may, for cause shown, be advanced on motion for an earlier hearing. Any such motion shall set forth succinctly the grounds upon which the motion is based. Such a motion may be granted only-

(A) if the case involves interpretation of law of general application affecting other claims;

(B) if the appellant is seriously ill or is under severe financial hardship; or

(C) for other sufficient cause shown.

(e)(1) At the request of the Chairman, the Secretary may provide suitable facilities and equipment to the Board or other components of the Department to enable an appellant located at a facility within the area served by a regional office to participate, through voice transmission or through picture and voice transmission, by electronic or other means, in a hearing with a Board member or members sitting at the Board's principal location.

- (2) When such facilities and equipment are available, the Chairman may afford the appellant an opportunity to participate in a hearing before the Board through the use of such facilities and equipment in lieu of a hearing held by personally appearing before a Board member or panel as provided in subsection (d). Any such hearing shall be conducted in the same manner as, and shall be considered the equivalent of, a personal hearing. If the appellant declines to participate in a hearing through the use of such facilities and equipment, the opportunity of the appellant to a hearing as provided in such subsection (d) shall not be affected.
- (f) Nothing in this section shall preclude the screening of cases for purposes of—
 - (1) determining the adequacy of the record for decisional purposes; or
 - (2) the development, or attempted development, of a record found to be inadequate for decisional purposes.

§ 7109. Independent medical opinions

(a) When, in the judgment of the Board, expert medical opinion, in addition to that available within the Department, is warranted by the medical complexity or controversy involved in an appeal case, the Board may secure an advisory medical opinion from one or more independent medical experts who are not employees of the Department.

(b) The Secretary shall make necessary arrangements with recognized medical schools, universities, or clinics to furnish such advisory medical opinions at the request of the Chairman of the Board. Any such arrangement shall provide that the actual selection of the expert or experts to give the advisory opinion in an individual case shall be made by an appropriate official of such institution.

(c) The Board shall furnish a claimant with notice that an advisory medical opinion has been requested under this section with respect to the claimant's case and shall furnish the claimant with a copy of such opinion when it is received by the Board.

§ 7111. Revision of decisions on grounds of clear and unmistakable error

(a) A decision by the Board is subject to revision on the grounds of clear and unmistakable error. If evidence establishes the error,

the prior decision shall be reversed or revised.

(b) For the purposes of authorizing benefits, a rating or other adjudicative decision of the Board that constitutes a reversal or revision of a prior decision of the Board on the grounds of clear and unmistakable error has the same effect as if the decision had been made on the date of the prior decision.

(c) Review to determine whether clear and unmistakable error exists in a case may be instituted by the Board on the Board's own

motion or upon request of the claimant.

(d) A request for revision of a decision of the Board based on clear and unmistakable error may be made at any time after that decision is made.

(e) Such a request shall be submitted directly to the Board and shall be decided by the Board on the merits, without referral to any adjudicative or hearing official acting on behalf of the Secretary.

(f) A claim filed with the Secretary that requests reversal or revision of a previous Board decision due to clear and unmistakable error shall be considered to be a request to the Board under this section, and the Secretary shall promptly transmit any such request to the Board for its consideration under this section.

- (2) The provisions of paragraphs (7) through (15) of section 372(c) of title 28, regarding referral or certification to, and petition for review in, the Judicial Conference of the United States and action thereon, shall apply to the exercise by the Court of the powers of a judicial council under paragraph (1) of this subsection. The grounds for removal from office specified in subsection (f)(1) shall provide a basis for a determination pursuant to paragraph (7) or (8) of section 372(c) of title 28, and certification and transmittal by the Conference shall be made to the President for consideration under subsection (f).

SUBCHAPTER IV—DECISIONS AND REVIEW

§ 7291. Date when Court decision becomes final

- (a) A decision of the United States Court of Appeals for Veterans Claims shall become final upon the expiration of the time allowed for filing, under section 7292 of this title, a notice of appeal from such decision, if no such notice is duly filed within such time. If such a notice is filed within such time, such a decision shall become final—
 - (1) upon the expiration of the time allowed for filing a petition for certiorari with the Supreme Court of the United States, if the decision of the Court of Appeals for Veterans Claims is affirmed or the appeal is dismissed by the United States Court of Appeals for the Federal Circuit and no petition for certiorari is duly filed;
 - (2) upon the denial of a petition for certiorari, if the decision of the Court of Appeals for Veterans Claims is affirmed or the appeal is dismissed by the United States Court of Appeals for the Federal Circuit; or
 - (3) upon the expiration of 30 days from the date of issuance of the mandate of the Supreme Court, if that Court directs that the decision of the Court of Appeals for Veterans Claims be affirmed or the appeal dismissed.
- (b)(1) If the Supreme Court directs that the decision of the Court of Appeals for Veterans Claims be modified or reversed, the decision of the Court of Appeals for Veterans Claims rendered in accordance with the mandate of the Supreme Court shall become final upon the expiration of 30 days from the time it was rendered, unless within such 30 days either the Secretary or the petitioner has instituted proceedings to have such decision corrected to accord with the mandate, in which event the decision of the Court of Appeals for Veterans Claims shall become final when so corrected.
- (2) If the decision of the Court of Appeals for Veterans Claims is modified or reversed by the United States Court of Appeals for the Federal Circuit and if—
 - (A) the time allowed for filing a petition for certiorari has expired and no such petition has been duly filed, or

(B) the petition for certiorari has been denied, or

(C) the decision of the United States Court of Appeals for the Federal Circuit has been affirmed by the Supreme Court,

then the decision of the Court of Appeals for Veterans Claims rendered in accordance with the mandate of the United States Court of Appeals for the Federal Circuit shall become final upon the expiration of 30 days from the time such decision of the Court of Appeals for Veterans Claims was rendered, unless within such 30 days either the Secretary or the petitioner has instituted proceedings to have such decision corrected so that it will accord with the mandate, in which event the decision of the Court of Appeals for Veterans Claims shall become final when so corrected.

- (c) If the Supreme Court orders a rehearing, or if the case is remanded by the United States Court of Appeals for the Federal Circuit to the Court of Appeals for Veterans Claims for a rehearing, and if—
 - (1) the time allowed for filing a petition for certiorari has expired and no such petition has been duly filed, or

(2) the petition for certiorari has been denied, or

(3) the decision of the United States Court of Appeals for the Federal Circuit has been affirmed by the Supreme Court,

then the decision of the Court of Appeals for Veterans Claims rendered upon such rehearing shall become final in the same manner as though no prior decision of the Court of Appeals for Veterans Claims had been rendered.

(d) As used in this section, the term "mandate", in case a mandate has been recalled before the expiration of 30 days from the date of issuance thereof, means the final mandate.

§ 7292. Review by United States Court of Appeals for the Federal Circuit

(a) After a decision of the United States Court of Appeals for Veterans Claims is entered in a case, any party to the case may obtain a review of the decision with respect to the validity of any statute or regulation (other than a refusal to review the schedule of ratings for disabilities adopted under section 1155 of this title) or any interpretation thereof (other than a determination as to a factual matter) that was relied on by the Court in making the decision. Such a review shall be obtained by filing a notice of appeal with the Court of Appeals for Veterans Claims within the time and in the manner prescribed for appeal to United States courts of appeals for United States district courts.

(b)(1) When a judge or panel of the Court of Appeals for Veterans Claims, in making an order not otherwise appealable under this section, determines that a controlling question of law is involved with respect to which there is in fact a disagreement between the appellant and the Secretary with respect to that question of law and that the ultimate termination of the case may be materially advanced by the immediate consideration of that question, the judge or panel shall notify the chief judge of that determination.

Upon receiving such a notification, the chief judge shall certify that such a question is presented, and any party to the case may then petition the Court of Appeals for the Federal Circuit to decide the question. That court may permit an interlocutory appeal to be taken on that question if such a petition is filed with it within 10 days after the certification by the chief judge of the Court of Appeals for Veterans Claims. Neither the application for, nor the granting of, an appeal under this paragraph shall stay proceedings in the Court of Appeals for Veterans Claims, unless a stay is ordered by a judge of the Court of Appeals for Veterans Claims or by the Court of Appeals for the Federal Circuit.

(2) For purposes of subsections (d) and (e) of this section, an order described in this paragraph shall be treated as a decision of

the Court of Appeals for Veterans Claims.

(c) The United States Court of Appeals for the Federal Circuit shall have exclusive jurisdiction to review and decide any challenge to the validity of any statute or regulation or any interpretation thereof brought under this section, and to interpret constitutional and statutory provisions, to the extent presented and necessary to a decision. The judgment of such court shall be final subject to review by the Supreme Court upon certiorari, in the manner provided in section 1254 of title 28.

(d)(1) The Court of Appeals for the Federal Circuit shall decide all relevant questions of law, including interpreting constitutional and statutory provisions. The court shall hold unlawful and set aside any regulation or any interpretation thereof (other than a determination as to a factual matter) that was relied upon in the decision of the Court of Appeals for Veterans Claims that the Court of Appeals for the Federal Circuit finds to be—

(A) arbitrary, capricious, an abuse of discretion, or otherwise

not in accordance with law;

(B) contrary to constitutional right, power, privilege, or immunity;

(C) in excess of statutory jurisdiction, authority, or limitations, or in violation of a statutory right; or

(D) without observance of procedure required by law.

(2) Except to the extent that an appeal under this chapter presents a constitutional issue, the Court of Appeals may not review (A) a challenge to a factual determination, or (B) challenge to a law or regulation as applied to the facts of a particular case.

(e)(1) Upon such review, the Court of Appeals for the Federal Circuit shall have power to affirm or, if the decision of the Court of Appeals for Veterans Claims is not in accordance with law, to modify or reverse the decision of the Court of Appeals for Veterans Claims or to remand the matter, as appropriate.

(2) Rules for review of decisions of the Court of Appeals for Veterans Claims shall be those prescribed by the Supreme Court under section 2072 of title 28.

 - (A) In the case of a judge who is a recall-eligible retired judge under section 7257 of this title or who was a recall-eligible retired judge under that section and was removed from recall status under subsection (b)(4) of that section by reason of disability, the retired pay of the judge shall be the pay of a judge of the court.
 - (B) In the case of a judge who at the time of retirement did not provide notice under section 7257 of this title of availability for service in a recalled status, the retired pay of the judge shall be the rate of pay applicable to that judge at the time of retirement.
 - (C) In the case of a judge who was a recall-eligible retired judge under section 7257 of this title and was removed from recall status under subsection (b)(3) of that section, the retired pay of the judge shall be the pay of the judge at the time of the removal from recall status.
- (2) An individual who serves as a judge for less than 10 years and who retires under subsection (b)(3) of this section and elects under subsection (d) of this section to receive retired pay under this subsection shall receive retired pay at a rate equal to one-half of the rate of pay in effect at the time of retirement.
- (3) Retired pay under this subsection shall begin to accrue on the day following the day on which the individual's salary as judge ceases to accrue and shall continue to accrue during the remainder

of the individual's life. Retired pay under this subsection shall be paid in the same manner as the salary of a judge.

(d)(1) A judge may elect to receive retired pay under subsection

(c) of this section. Such an election—

(A) may be made only while an individual is a judge (except that, in the case of an individual who fails to be reappointed as judge at the expiration of a term of office, the election may be made at any time before the date after the day on which the individual's successor takes office); and

(B) may not be revoked after the retired pay begins to ac-

crue.

(2) In the case of a judge other than the chief judge, such an election shall be made by filing notice of the election in writing with the chief judge. In the case of the chief judge, such an election shall be made by filing notice of the election in writing with the Director of the Office of Personnel Management.

(3) The chief judge shall transmit to the Director of the Office of Personnel Management a copy of each notice filed with the chief

judge under this subsection.

(e) If an individual for whom an election to receive retired pay under subsection (c) is in effect accepts compensation for employment with the United States, the individual shall, to the extent of the amount of that compensation, forfeit all rights to retired pay under subsection (c) of this section for the period for which the compensation is received.

(f)(1) Except as otherwise provided in this subsection, the provisions of the civil service retirement laws (including the provisions relating to the deduction and withholding of amounts from basic pay, salary, and compensation) shall apply with respect to service

as a judge as if this section had not been enacted.

(2) In the case of any individual who has filed an election to re-

ceive retired pay under subsection (c) of this section—

(A) no annuity or other payment shall be payable to any person under the civil service retirement laws with respect to any service performed by such individual (whether performed before or after such election is filed and whether performed as judge or otherwise) except as authorized by section 8440d of title 5;

(B) no deduction for purposes of the Civil Service Retirement and Disability Fund shall be made from retired pay payable to that individual under subsection (c) of this section or from any other salary, pay, or compensation payable to that individual, for any period beginning after the day on which such election is filed; and

(C) such individual shall be paid the lump-sum credit computed under section 8331(8) or 8401(a) of title 5, whichever applies, upon making application therefor with the Office of Per-

sonnel Management.

(3)(A) A cost-of-living adjustment provided by law in annuities payable under civil service retirement laws shall apply to retired pay under this section only in the case of retired pay computed under paragraph (2) of subsection (c).

(B) If such a cost-of-living adjustment would (but for this subparagraph) result in the retired pay of a retired judge being in excess of the annual rate of pay in effect for judges of the Court as provided in section 7253(e) of this title, such adjustment may be made only in such amount as results in the retired pay of the retired judge being equal to that annual rate of pay (as in effect on

the effective date of such adjustment).

(g)(1) A judge who becomes permanently disabled and as result of that disability is unable to perform the duties of the office shall certify to the President in writing that such permanent disability exists. If the chief judge retires for such a disability, the retirement of the chief judge shall not take effect until concurred in by the President. If any other judge retires for such a disability, the chief judge shall furnish to the President a certificate of disability signed by the chief judge.

(2) Whenever the President finds that a judge has become permanently disabled and as a result of that disability is unable to perform the duties of the office, the President shall declare that judge to be retired. Before a judge may be retired under this paragraph, the judge shall be provided with a full specification of the reasons

for the retirement and an opportunity to be heard.

(h)(1) An individual who has filed an election to receive retired pay under subsection (c) of this section may revoke such election at any time before the first day on which retired pay would (but for such revocation) begin to accrue with respect to such individual.

- (2) Any revocation under this subsection shall be made by filing a notice of the election in writing with the Director of the Office of Personnel Management. The Office of Personnel Management shall transmit to the chief judge a copy of each notice filed under this subsection.

 - (i) the individual shall be treated as not having filed an election under section 7297(b) of this title, and
 - (ii) section 7297(e) of this title shall not apply and the amount credited to such individual's account (together with interest at 3 percent per year, compounded on December 31 of each year to the date on which the revocation is filed) shall be returned to the individual;
 - (C) no credit shall be allowed for any service as a judge of the Court unless with respect to such service either there has been deducted and withheld the amount required by the civil service retirement laws or there has been deposited in the Civil Service Retirement and Disability Fund an amount equal to the amount so required, with interest;

(D) the Court shall deposit in the Civil Service Retirement and Disability Fund an amount equal to the additional amount it would have contributed to such Fund but for the election

under subsection (d); and

(E) if subparagraphs (C) and (D) of this paragraph are compiled with, service on the Court shall be treated as service with respect to which deductions and contributions had been made during the period of service.

(i)(1) Beginning with the next pay period after the Director of the Office of Personnel Management receives a notice under subsection (d) of this section that a judge has elected to receive retired pay under this section, the Director shall deduct and withhold 1 percent of the salary of such judge. Amounts shall be so deducted and withheld in a manner determined by the Director. Amounts deducted and withheld under this subsection shall be deposited in the Treasury of the United States to the credit of the Court of Appeals for Veterans Claims Judges Retirement Fund. Deductions under this subsection from the salary of a judge shall terminate upon the retirement of the judge or upon the completion of 15 years of service for which either deductions under this subsection or a deposit under subsection (j) of this section has been made, whichever occurs first

(2) Each judge who makes an election under subsection (d) of this section shall be considered to agree to the deductions from salary

which are made under paragraph (1) of this subsection.

Retired pay may not be allowed until a deposit required by this subsection has been made.

(k) The amounts deducted and withheld under subsection (i) of this section, and the amounts deposited under subsection (j) of this section, shall be deposited in the Court of Veterans Appeals Retirement Fund for credit to individual accounts in the name of each

judge from who such amounts are received.

Any such election shall be made in such manner as may be prescribed by the Court or within six months after the date on which the judge marries if the judge has retired under section 7296 of this title.

- (c) There shall be deducted and withheld each pay period from the pay of a judge who has made an election under subsection (b) of this section a sum equal to that percentage of the judge's pay that is the same as provided for the deduction from the salary or retirement salary of a judge of the United States Court of Federal Claims for the purpose of a survivor annuity under section 376(b)(1)(B) of title 28. § 7316. Malpractice and negligence suits: defense by United States

(a)(1) The remedy—

(A) against the United States provided by sections 1346(b) and 2672 of title 28, or

(B) through proceedings for compensation or other benefits from the United States as provided by any other law, where the availability of such benefits precludes a remedy under section 1346(b) or 2672 of title 28,

for damages for personal injury, including death, allegedly arising from malpractice or negligence of a medical care employee of the Administration in furnishing medical care or treatment while in the exercise of that employee's duties in or for the Administration shall be exclusive of any other civil action or proceeding by reason of the same subject matter against the medical care employee (or employee's estate) whose act or omission gave rise to such claim.

(2) For purposes of paragraph (1), the term "medical care employee of the Administration" means a physician, dentist, podiatrist, optometrist, nurse, physician assistant, expanded-function dental auxiliary, pharmacist, or paramedical (such as medical and dental technicians, nursing assistants, and therapists), or other

supporting personnel.

(b) The Attorney General shall defend any civil action or proceeding brought in any court against any person referred to in subsection (a) (or such person's estate) for any such damage or injury. Any such person against whom such civil action or proceeding is brought shall deliver within such time after date of service or knowledge of service as determined by the Attorney General, all process served upon such person or an attested true copy thereof to such person's immediate superior or to whomever was designated by the Secretary to receive such papers and such person shall promptly furnish copies of the pleading and process therein to the United States attorney for the district embracing the place wherein the proceeding is brought, to the Attorney General, and to the Secretary.

- (c) Upon a certification by the Attorney General that the defendant was acting in the scope of such person's employment in or for the Administration at the time of the incident out of which the suit arose, any such civil action or proceeding commenced in a State court shall be removed without bond at any time before trial by the Attorney General to the district court of the United States of the district and division embracing the place wherein it is pending and the proceeding deemed a tort action brought against the United States under the provisions of title 28 and all references thereto. After removal the United States shall have available all defenses to which it would have been entitled if the action had originally been commenced against the United States. Should a United States district court determine on a hearing on a motion to remand held before a trial on the merits that the employee whose act or omission gave rise to the suit was not acting within the scope of such person's office or employment, the case shall be remanded to the State court.
- (d) The Attorney General may compromise or settle any claim asserted in such civil action or proceeding in the manner provided in section 2677 of title 28, and with the same effect.
- (e) The Secretary may, to the extent the Secretary considers appropriate, hold harmless or provide liability insurance for any person to whom the immunity provisions of this section apply (as described in subsection (a)), for damage for personal injury or death, or for property damage, negligently caused by such person while furnishing medical care or treatment (including the conduct of clinical studies or investigations) in the exercise of such person's duties in or for the Administration, if such person is assigned to a foreign country, detailed to State or political division thereof, or is acting under any other circumstances which would preclude the remedies of an injured third person against the United States, provided by sections 1346(b) and 2672 of title 28, for such damage or injury.

(f) The exception provided in section 2680(h) of title 28 shall not apply to any claim arising out of a negligent or wrongful act or omission of any person described in subsection (a) in furnishing medical care or treatment (including medical care or treatment furnished in the course of a clinical study or investigation) while in the exercise of such person's duties in or for the Administration.

(2) Indemnity under paragraph (1) is indemnity against either or both of the following:

(A) Liability (including reasonable expenses of litigation or settlement) to third persons, except liability under State or

Federal workers' injury compensation laws to employees of the contractor employed at the site of and in connection with the contract for which indemnification is granted, for death, bodily injury, or loss of or damage to property, from a risk that the contract defines as unusually hazardous.

(B) Loss of or damage to property of the contractor from a

risk that the contract defines as unusually hazardous.

(b) A contract that provides for indemnification in accordance with subsection (a) must also provide for—

property; and

- (2) control of or assistance in the defense by the United States, at its election, of any such suit or claim for which indemnification is provided hereunder.

- (d) Upon approval by the Secretary, payments under subsection (a) may be made from—
 - (1) funds obligated for the performance of the contract concerned:
 - (2) funds available for research or development or both, and not otherwise obligated; or

(3) funds appropriated for those payments.

- (e) Each contractor which is a party to an indemnification agreement under subsection (a) shall have and maintain financial protection of such type and in such amounts as the Secretary shall require to cover liability to third persons and loss of or damage to the contractor's property. The amount of financial protection required shall be the maximum amount of insurance available from private sources, except that the Secretary may establish a lesser amount, taking into consideration the cost and terms of private insurance. Such financial protection may include private insurance, private contractual indemnities, self-insurance, other proof of financial responsibility, or a combination of such measures.
- (f) In administering the provisions of this section, the Secretary may use the facilities and services of private insurance organizations and may contract to pay a reasonable compensation therefor. Any contract made under the provisions of this section may be made without regard to the provisions of section 3709 of the Revised Statutes (41 U.S.C. 5), upon a showing by the Secretary that advertising is not reasonably practicable, and advance payments may be made under any such contract.
- (g) The authority to indemnify contractors under this section does not create any rights in third persons which would not otherwise exist by law.
- (h) Funds appropriated to carry out this section shall remain available until expended.
- (i) In this section, the term "contractor" includes subcontractors of any tier under a contract containing an indemnification provision pursuant to subsection (a).

§ 7332. Confidentiality of certain medical records

- (a)(1) Records of the identity, diagnosis, prognosis, or treatment of any patient or subject which are maintained in connection with the performance of any program or activity (including education, training, treatment, rehabilitation, or research) relating to drug abuse, alcoholism or alcohol abuse, infection with the human immunodeficiency virus or sickle cell anemia which is carried out by or for the Department under this title shall, except as provided in subsections (e) and (f), be confidential, and (section 5701 of this title to the contrary notwithstanding) such records may be disclosed only for the purposes and under the circumstances expressly authorized under subsection (b).
- (2) Paragraph (1) prohibits the disclosure to any person or entity other than the patient or subject concerned of the fact that a spe-

cial written consent is required in order for such records to be disclosed.

(b)(1) The content of any record referred to in subsection (a) may be disclosed by the Secretary in accordance with the prior written consent of the patient or subject with respect to whom such record is maintained, but only to such extent, under such circumstances, and for such purposes as may be allowed in regulations prescribed by the Secretary.

(2) Whether or not any patient or subject, with respect to whom any given record referred to in subsection (a) is maintained, gives written consent, the content of such record may be disclosed by the

Secretary as follows:

(A) To medical personnel to the extent necessary to meet a

bona fide medical emergency.

(B) To qualified personnel for the purpose of conducting scientific research, management audits, financial audits, or program evaluation, but such personnel may not identify, directly or indirectly, any individual patient or subject in any report of such research, audit, or evaluation, or otherwise disclose pa-

(C)(i) In the case of any record which is maintained in connection with the performance of any program or activity relating to infection with the human immunodeficiency virus, to a Federal, State, or local public-health authority, charged under Federal or State law with the protection of the public health, and to which Federal or State law requires disclosure of such record, if a qualified representative of such authority has made a written request that such record be provided as required pursuant to such law for a purpose authorized by such law.

(ii) A person to whom a record is disclosed under this paragraph may not redisclose or use such record for a purpose

(D) If authorized by an appropriate order of a court of competent jurisdiction granted after application showing good cause therefor. Upon the granting of such order, the court, in determining the extent to which any disclosure of all or any part of any record is necessary, shall impose appropriate safeguards against unauthorized disclosure.

(3) In the event that the patient or subject who is the subject of any record referred to in subsection (a) is deceased, the content of any such record may be disclosed by the Secretary only upon the prior written request of the next of kin, executor, administrator, or other personal representative of such patient or subject and only if the Secretary determines that such disclosure is necessary for such survivor to obtain benefits to which such survivor may be entitled, including the pursuit of legal action, but then only to the extent, under such circumstances, and for such purposes as may be allowed in regulations prescribed pursuant to section 7334 of this

(c) Except as authorized by a court order granted under subsection (b)(2)(D), no record referred to in subsection (a) may be used to initiate or substantiate any criminal charges against, or to conduct any investigation of, a patient or subject.

(2) between such components furnishing health care to vet-

erans and the Armed Forces.

(f)(1) Notwithstanding subsection (a) but subject to paragraph (2), a physician or a professional counselor may disclose information or records indicating that a patient or subject is infected with the human immunodeficiency virus if the disclosure is made to (A) the spouse of the patient or subject, or (B) to an individual whom the patient or subject has, during the process of professional counseling or of testing to determine whether the patient or subject is infected with such virus, identified as being a sexual partner of such patient or subject.

(2)(A) A disclosure under paragraph (1) may be made only if the physician or counselor, after making reasonable efforts to counsel and encourage the patient or subject to provide the information to the spouse or sexual partner, reasonably believes that the patient or subject will not provide the information to the spouse or sexual partner and that the disclosure is necessary to protect the health

of the spouse or sexual partner.

(B) A disclosure under such paragraph may be made by a physician or counselor other than the physician or counselor referred to in subparagraph (A) if such physician or counselor is unavailable by reason of absence or termination of employment to make the disclosure.

(g) Any person who violates any provision of this section or any regulation issued pursuant to this section shall be fined, in the case of a first offense, up to the maximum amount provided under section 7301(f) of this title for a first offense under that section and, in the case of a subsequent offense, up to the maximum amount provided under section 7301(f) of this title for a subsequent offense under that section.

SUBCHAPTER III—SPECIAL PAY FOR PHYSICIANS AND DENTISTS

§ 7431. Special pay: authority

(a) In order to recruit and retain highly qualified physicians and dentists in the Veterans Health Administration, the Secretary shall provide special pay under this subchapter. Such special pay shall be provided under regulations that the Secretary shall prescribe to carry out this subchapter. Before prescribing regulations under this

subchapter, the Secretary shall receive the recommendations of the Under Secretary for Health with respect to those regulations.

(b) Special pay may be paid to a physician or dentist under this subchapter only upon the execution of, and for the duration of, a written agreement entered into by the physician or dentist in ac-

cordance with section 7432 of this title.

(c) A physician or dentist serving a period of obligated service pursuant to chapter 76 of this title is not eligible for special pay under this subchapter during the first three years of such obligated service, except that, at the discretion of the Secretary and upon the recommendation of the Under Secretary for Health, such a physician or dentist may be paid special pay for full-time status during those three years.

(d)(1) The Secretary may determine categories of positions applicable to either physicians or dentists, or both, in the Veterans Health Administration as to which there is no significant recruitment and retention problem. While any such determination is in effect, the Secretary may not enter into an agreement under this subchapter with a physician or dentist serving in a position covered by the determination. Before making a determination under this paragraph, the Secretary shall receive the recommendations of the Under Secretary for Health with respect to the determination.

(2) Not later than one year after making any such determination with respect to a category of positions, and each year thereafter that such determination remains in effect, the Secretary shall

make a redetermination.

(3) Any determination under this subsection shall be in accord-

ance with regulations prescribed to carry out this subchapter.

- (e) If the Under Secretary for Health determines that payment of special pay to a physician or dentist who is employed on a less than half-time basis is the most cost-effective way available for providing needed medical or dental specialist services at a Department facility, the Under Secretary for Health may authorize the payment of special pay for factors other than for full-time status to that physician or dentist at a rate computed on the basis of the proportion that the part-time employment of the physician or dentist bears to full-time employment.
- (f) Special pay may not be paid under this section to a physician or dentist who—
 - (1) is employed on less than a quarter-time basis or on an intermittent basis;
 - (2) occupies an internship or residency training position; or

(3) is a reemployed annuitant.

(g)(1) In the case of a physician or dentist who is employed in a position that is covered by a determination by the Secretary under subsection (d)(1) that the Administration does not have a significant recruitment or retention problem with respect to a particular category of positions and who on the day before the effective date of this subchapter was receiving special pay under an agreement entered into under section 4118 of this title (as in effect before such date), the Secretary may pay to that physician or dentist, in addition to basic pay, retention pay under this subsection.

(2) The annual rate of such retention pay for any individual may not exceed the rate which, when added to the rate of basic pay pay-

able to that individual, is equal to the sum of the annual rate of basic pay and the annual rate of special pay paid to that physician or dentist pursuant to the final agreement with that individual under such section 4118.

(3) Such retention pay shall be treated for all purposes as special

pay paid under subchapter III of chapter 74 of this title.

(4) Retention pay under this subsection shall be paid under such regulations as the Secretary may prescribe.

(Added P.L. 102–40, \$102, May 7, 1991, 105 Stat. 188; amended P.L. 102–405, \$302(c)(1), Oct. 9, 1992, 106 Stat. 1984.)

§ 7432. Special pay: written agreements

(a) An agreement entered into by a physician or dentist under this subchapter shall cover a period of one year of service in the Veterans Health Administration unless the physician or dentist agrees to an agreement for a longer period of service, not to exceed four years, as specified in the agreement. A physician or dentist who has previously entered into such an agreement is eligible to enter into a subsequent agreement unless the physician or dentist has failed to refund to the United States any amount which the physician or dentist is obligated to refund under any such previous agreement.

(b)(1) An agreement under this subchapter shall provide that, if the physician or dentist entering into the agreement voluntarily, or because of misconduct, fails to complete any of the years of service covered by the agreement (measured from the anniversary date of the agreement), the physician or dentist shall refund an amount of special pay received under the agreement for that year equal to-

(Å) in the case of a failure during the first year of service under the agreement, 100 percent of the amount received for

(B) in the case of a failure during the second year of service under the agreement, 75 percent of the amount received for

(C) in the case of a failure during the third year of service under the agreement, 50 percent of the amount received for

that year; and

(D) in the case of a failure during the fourth year of service under the agreement, 25 percent of the amount received for

that year.

(2)(A) The Secretary may waive (in whole or in part) the requirement for a refund under paragraph (1) in any case if the Secretary determines (in accordance with regulations prescribed under section 7431(a) of this title) that the failure to complete such period of service is the result of circumstances beyond the control of the

physician or dentist.

(B) The Secretary may suspend a special pay agreement entered into under this section in the case of a physician or dentist who, having entered into the special pay agreement, enters a residency training program. Any such suspension shall terminate when the physician or dentist completes, withdraws from, or is no longer a participant in the program. During the period of such a suspension, the physician or dentist is not subject to the provisions of paragraph (1).

(3) Any such agreement shall specify the terms under which the Department and the physician or dentist may elect to terminate

the agreement.

(c)(1) If a proposed agreement under this subchapter will provide a total annual amount of special pay to be provided to a physician or dentist who has previously entered into an agreement under this subchapter (or under section 4118 of this title as in effect before the effective date of the Department of Veterans Affairs Physician and Dentist Recruitment and Retention Act of 1991) that will exceed the previous annual amount of special pay provided for the physician or dentist by more than 50 percent (other than in the case of a physician or dentist employed in an executive position in the Central Office of the Department), or that will be less than the previous annual amount of special pay provided for the physician or dentist by more than 25 percent, the proposed agreement shall be promptly submitted to the Secretary. The proposed agreement shall not take effect if it is disapproved by the Secretary within 60 days after the date on which the physician or dentist entered into the proposed agreement.

(2) For purposes of paragraph (1), the previous annual amount of special pay provided for a physician or dentist is the total annual amount of special pay provided, or to be provided, to the physician or dentist for the most recent year covered by an agreement entered into by the physician or dentist under this subchapter or under section 4118 of this title. In the case of an agreement entered into under section 4118 of this title, incentive pay shall be

treated as special pay for purposes of this paragraph.

(3) The Secretary shall adjust special pay as necessary for purposes of this subsection to reflect appropriately any change in the status of a physician or dentist (A) from full-time status to part-time status, (B) from part-time status to full-time status, or (C) from one proportion of time spent as a Department employee under

part-time status employment to a different proportion.

(d)(1) If a proposed agreement under this subchapter (other than an agreement in the case of the Under Secretary for Health) will provide a total annual amount of special pay to be provided to a physician or dentist which, when added to the amount of basic pay of the physician or dentist, will be in excess of the amount payable for positions specified in section 5312 of title 5, the proposed agreement shall be promptly submitted for approval to the Secretary through the Under Secretary for Health. The agreement shall take effect at the end of the 60-day period beginning on the date on which the physician or dentist entered into the proposed agreement if it is neither approved nor disapproved within that 60-day period. If the agreement is approved within that period, the agreement shall take effect as of the date of the approval. A proposed agreement may be disapproved under this paragraph only if it is determined that the amounts of special pay proposed to be paid are not necessary to recruit or retain the physician or dentist.

(2) A proposed agreement under this subchapter with the Under Secretary for Health may provide for payment of special pay for which the Under Secretary for Health is eligible under this subchapter (other than that specified in section 7433(b)(4)(B) of this title) only to the extent specifically approved by the Secretary.

- (3) The Secretary shall include in the annual report required by section 7440 of this title—
 - (A) a statement of the number of agreements entered into during the period covered by the report under which the total amount of special pay to be provided, when added to the amount of basic pay of the physician or dentist, will be in excess of the amount payable for positions specified in section 5312 of title 5;
 - (B) a statement of the number of proposed agreements which during the period covered by the report were disapproved under this subsection; and
 - (C) a detailed explanation of the basis for disapproval of each such proposed agreement which was disapproved under this subsection.
- (4) This subsection does not apply to any proposed agreement entered into after September 30, 1994.

(Added P.L. 102-40, § 102, May 7, 1991, 105 Stat. 189; amended P.L. 102-405, § 302(c)(1), Oct. 9, 1992, 106 Stat. 1984; P.L. 104-262, § 346, Oct. 9, 1996, 110 Stat. 3208)

- (C) For service by a dentist who serves only a portion of a year in an executive position listed in subparagraph (A) or (B) or who serves a portion of a year in such a position and also serves a portion of that year in another position or grade for which special pay is provided under this section, the annual rate shall be calculated on the basis of the proportion of time served in the position or positions for which special pay is provided.
- (5) For specialty or first board certification, \$2,000 and for subspecialty or secondary board certification, an additional \$500.
- (6) For service in a specific geographic location with respect to which there are extraordinary difficulties in the recruitment or retention of qualified dentists in a specific category of dentists, an annual rate not more than \$12,000.

(7)(A) For service by a dentist with exceptional qualifications within a specialty, an annual rate of not more than \$5,000.

- (B) Special pay under this paragraph may be paid to a dentist only if the payment of such pay to that dentist is approved by the Under Secretary for Health personally and on a case-by-case basis and only to the extent that the rate paid under this paragraph, when added to the total of the rates paid to that dentist under paragraphs (1) through (6), does not exceed the total rate that may be paid under those paragraphs to a dentist with the same length of service, specialty, and position as the dentist concerned.
- (8) For a dentist who has successfully completed a post-graduate year of hospital-based training in a program accredited by the American Dental Association, an annual rate of \$2,000 for each of the first two years of service after successful completion of that training.

§ 7436. Special pay: part-time dentists

(a) Subject to section 7431(e) of this title and subsection (b) of this section, special pay under this subchapter for dentists employed on a part-time basis shall be based on the special-pay fac-

tors and annual rates specified in section 7435 of this title.

(b) The annual rate of special pay paid to a dentist employed on a part-time basis shall bear the same ratio to the annual rate that the dentist would be paid under section 7435 of this title (other than for full-time status) if the dentist were employed on a full-time basis as the amount of part-time employment by the dentist bears to full-time employment, except that such ratio may not exceed 3/4.

(Added P.L. 102-40, § 102, May 7, 1991, 105 Stat. 194.)

§ 7437. Special pay: general provisions

(a) A physician who is provided special pay for service in an executive position under paragraph (4)(B) of section 7433(b) of this title may not also be provided scarce specialty special pay under paragraph (3) of that section. A dentist who is provided special pay for service in an executive position under paragraph (4) of section 7435(b) of this title for service as a Service Director, Deputy Service Director, Deputy Assistant Under Secretary for Health, or Assistant Under Secretary for Health may not also be provided scarce specialty special pay under paragraph (3) of that section.

(b) The following determinations under this subchapter shall be made under regulations prescribed under section 7431 of this title:

(2) A determination of the rate of special pay to be paid to a physician or dentist for a factor of special pay for which the

request of the director of that facility.

(d) A physician or dentist may not be provided scarce specialty pay under section 7433(b), 7434(b), 7435(b), or 7436(b) of this title (whichever is applicable) on the basis of the needs of a specific medical facility unless the Secretary also determines that geographic location pay under that section is insufficient to meet the needs of that facility for qualified physicians or dentists, as the case may be.

- (e)(1) A physician or dentist shall be paid special pay under this subchapter at a rate not less than the rate of special pay the physician or dentist was paid under section 4118 of this title as of the day before the effective date of this subchapter if the physician or dentist—
 - (A) is employed on a full-time basis in the Veterans Health Administration;
 - (B) was employed as a physician or dentist on a full-time basis in the Administration on the day before such effective date; and
 - (C) on such effective date was being paid for no special-pay factors other than primary, full-time, length of service, and speciality or board certification.
- (2) A physician or dentist shall be paid special pay under this subchapter at a rate not less than the rate of special pay the physician or dentist was paid under section 4118 of this title as of the day before the effective date of this subchapter if the physician or dentist—
 - (A) is employed on a part-time basis in the Veterans Health Administration;
 - (B) was employed as a physician or dentist on a part-time basis in the Administration on the day before such effective date; and
 - (C) on such effective date was being paid for no special-pay factors other than primary, full-time, length of service, and speciality or board certification.
- (f) Any amount of special pay payable under this subchapter shall be paid in equal installments in accordance with regularly established pay periods.
- (g) Except as otherwise expressly provided by law, special pay may not be provided to a physician or dentist in the Veterans Health Administration for any factor not specified in section 7433, 7434, 7435, or 7436, as applicable, of this title.
- (h) In no case may the total amount of compensation paid to a physician or dentist under this title in any year exceed the amount of annual compensation (excluding expenses) specified in section 102 of title 3.

(Added P.L. 102–40, § 102, May 7, 1991, 105 Stat. 194; amended P.L. 102–405, § 204(a), § 302(c)(1), Oct. 9, 1992, 106 Stat. 1983, 1984.)

- (a) Special pay paid under this subchapter shall be in addition to any other pay and allowances to which a physician or dentist is entitled.
- (b)(1) A physician or dentist who has no section 4118 service and has completed not less than 15 years of service as a physician or dentist in the Veterans Health Administration shall be entitled to have special pay paid to the physician or dentist under this subchapter considered basic pay for the purposes of chapter 83 or 84 of title 5, as appropriate.
- (2) A physician or dentist who has section 4118 service and has completed a total of not less than 15 years of service as a physician or dentist in the Veterans Health Administration shall be entitled to have special pay paid to the physician or dentist under this sub-

chapter considered basic pay for the purposes of chapter 83 or 84,

as appropriate, of title 5 as follows:

(A) In an amount equal to the amount that would have been so considered under section 4118 of this title on the day before the effective date of this section based on the rates of special pay the physician or dentist was entitled to receive under that

section on the day before such effective date.

(B) With respect to any amount of special pay received under this subchapter in excess of the amount such physician or dentist was entitled to receive under section 4118 of this title on the day before the effective date of this section, in an amount equal to 25 percent of such excess amount for each two years that the physician or dentist has completed as a physician or dentist in the Veterans Health Administration after the effective date of this section.

(3) All special pay paid under this subchapter shall be included in average pay (as defined in sections 8331(4) or 8401(3) of title 5, as appropriate) for purposes of computing benefits paid under section 8337, 8341(d) or (e), 8442(b), 8443, or 8451 of such title.

- (4) Special pay paid under section 4118 of this title, as in effect before the effective date of this section, to a physician or dentist who has section 4118 service shall be credited to the physician or dentist for the same purposes and in the same manner and to the same extent that such special pay was credited to the physician or dentist before such effective date.
- (5) Notwithstanding paragraphs (1) and (2), a dentist employed as a dentist in the Veterans Health Administration on the date of the enactment of the Veterans Benefits and Health Care Improvement Act of 2000 shall be entitled to have special pay paid to the dentist under section 7435(b)(2)(A) of this title (referred to as "tenure pay") considered basic pay for the purposes of chapter 83 or 84, as appropriate, of title 5 only as follows:

ceive under that section on the day before such date.

(B) With respect to any amount of special pay received under that section in excess of the amount such dentist was entitled to receive under such section on the day before such date, in an amount equal to 25 percent of such excess amount for each two years that the physician or dentist has completed as a physician or dentist in the Veterans Health Administration after such date.

(6) For purposes of this subsection:

(A) The term "physician or dentist who has no section 4118 service" means a physician or dentist employed as a physician or dentist in the Veterans Health Administration who has no previous service as a physician or dentist in the Administration (or its predecessor) before the effective date of this section.

§ 7439. Periodic review of pay of physicians and dentists; quadrennial report

(a) In order to make possible the recruitment and retention of a well-qualified work force of physicians and dentists capable of providing quality care for eligible veterans, it is the policy of Congress to ensure that the levels of total pay for physicians and dentists of the Veterans Health Administration are fixed at levels reasonably comparable—

(1) with the levels of total pay of physicians and dentists employed by or serving in other departments and agencies of the

Federal Government; and

(2) with the income of non-Federal physicians and dentists for the performance of services as physicians and dentists.

(b)(1) To assist the Congress and the President in carrying out

the policy stated in subsection (a), the Secretary shall—

(A) define the bases for pay distinctions, if any, among various categories of physicians and dentists, including distinctions between physicians and dentists employed by the Veterans Health Administration and physicians and dentists employed by other departments and agencies of the Federal Government and between all Federal sector and non-Federal sector physicians and dentists; and

(B) obtain measures of income from the employment or practice of physicians and dentists outside the Administration, including both the Federal and non-Federal sectors, for use as guidelines for setting and periodically adjusting the amounts of special pay for physicians and dentists of the Administration.

- (2) The Secretary shall submit to the President a report, on such date as the President may designate but not later than December 31, 1994, and once every four years thereafter, recommending appropriate rates of special pay to carry out the policy set forth in subsection (a) with respect to the pay of physicians and dentists in the Veterans Health Administration. The Secretary shall include in such report, when considered appropriate and necessary by the Secretary, recommendations for modifications of the special pay levels set forth in this subchapter whenever—
 - (A) the Department is unable to recruit or retain a sufficient work force of well-qualified physicians and dentists in the Administration because the incomes and other employee benefits, to the extent that those benefits are reasonably quantifiable, of physicians and dentists outside the Administration who per-

form comparable types of duties are significantly in excess of the levels of total pay (including basic pay and special pay) and other employee benefits, to the extent that those benefits are reasonably quantifiable, available to those physicians and dentists employed by the Administration; or

(B) other extraordinary circumstances are such that special pay levels are needed to recruit or retain a sufficient number

of well-qualified physicians and dentists.

(c) The President shall include in the budget transmitted to the Congress under section 1105 of title 31 after the submission of each report of the Secretary under subsection (b)(2) recommendations with respect to the exact rates of special pay for physicians and dentists under this subchapter and the cost of those rates compared with the cost of the special pay rates in effect under this subchapter at the time the budget is transmitted.

(Added P.L. 102-40, § 102, May 7, 1991, 105 Stat. 197.)

§ 7440. Annual report

The Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives an annual report on the use of the authorities provided in this subchapter. The report shall be submitted each year as part of the budget justification documents submitted by the Secretary in support of the budget of the President submitted pursuant to section 1105 of title 31 that year. Each such report shall include the following:

(1) A review of the use of the authorities provided in this subchapter (including the Secretary's and Under Secretary for Health's actions, findings, recommendations, and other activities under this subchapter) during the preceding fiscal year and the fiscal year during which the report is submitted.

(2) The plans for the use of the authorities provided in this

subchapter for the next fiscal year.

(3) A description of the amounts of special pay paid during

the preceding fiscal year, shown by category of pay.

(4) A list of those geographic areas, and those scarce specialties, for which special pay was paid during the preceding fiscal year, those for which special pay is being paid during the current fiscal year, and those for which special pay is expected to be paid during the next fiscal year, together with a summary of any differences among those three lists.

(5) The number of physicians and dentists (A) who left employment with the Veterans Health Administration during the preceding year, (B) who changed from full-time status to part-time status, (C) who changed from part-time status to full-time status, as well as (D) a summary of the reasons therefor.

(6) By specialty, the number of positions created and the number of positions abolished during the preceding fiscal year

and a summary of the reasons for such actions.

(7) The number of unfilled physician and dentist positions in each specialty in the Veterans Health Administration, the average and maximum lengths of time that such positions have been unfilled, and a summary of the reasons that such positions remain unfilled and, in the case of any specialty not designated as a scarce specialty for purposes of special pay under

this subchapter, an explanation (including comparisons with other specialties that have been so designated) of why the specialty has not been so designated.

(Added P.L. 102–40, \$102, May 7, 1991, 105 Stat. 198; amended P.L. 103–446, \$1201(c)(6), Nov. 2, 1994, 108 Stat. 4684.)

SUBCHAPTER IV—PAY FOR NURSES AND OTHER HEALTH– CARE PERSONNEL

§ 7451. Nurses and other health-care personnel: competitive pay

(a)(1) It is the purpose of this section to ensure, by a means providing increased responsibility and authority to directors of Department health-care facilities, that the rates of basic pay for health-care personnel positions described in paragraph (2) in each Department health-care facility (including the rates of basic pay of personnel employed in such positions on a part-time basis) are sufficient for the facility to be competitive, on the basis of pay and other employees benefits, with non-Department health-care facilities in the same labor-market area in the recruitment and retention of qualified personnel for those positions.

(2) The health-care personnel positions referred to in paragraph (1) (hereinafter in this section referred to as "covered positions")

are the following:

(A) Registered nurse.

(B) Such positions referred to in paragraphs (1) and (3) of section 7401 of this title (other than the positions of physician, dentist, and registered nurse) as the Secretary may determine upon the recommendation of the Under Secretary for Health.

(3)(A) Except as provided in subparagraph (B), the rates of basic pay for covered positions in the Department shall be established and adjusted in accordance with this section instead of subsection

(b)(1) of section 7404 of this title or chapter 53 of title 5.

- (B) Under such regulations as the Secretary shall prescribe, the Secretary shall establish and adjust the rates of basic pay for covered positions at the following health-care facilities in order to provide rates of basic pay that enable the Secretary to recruit and retain sufficient numbers of health-care personnel in such positions at those facilities:
 - (i) The Veterans Memorial Medical Center in the Republic of the Philippines.

(ii) Department of Veterans Affairs health-care facilities located outside the contiguous States, Alaska, and Hawaii.

- (4) The Secretary, after receiving the recommendation of the Under Secretary for Health, shall prescribe regulations setting forth criteria and procedures to carry out this section and section 7452 of this title. Requirements in such regulations for directors to provide and maintain documentation of actions taken under this section shall require no more documentation than the minimum essential for responsible administration.
- (b) The Secretary shall maintain the five grade levels for nurses employed by the Department under section 7401(1) of this title as specified in the Nurse Schedule in section 7404(b) of this title. The Secretary shall, pursuant to regulations prescribed to carry out this

subchapter, establish grades for other covered positions as the Sec-

retary considers appropriate.

- (c)(1) For each grade in a covered position, there shall be a range of basic pay. The maximum rate of basic pay for a grade shall be 133 percent of the minimum rate of basic pay for the grade, except that, if the Secretary determines that a higher maximum rate is necessary with respect to any such grade in order to recruit and retain a sufficient number of high-quality health-care personnel, the Secretary may raise the maximum rate of basic pay for that grade to a rate not in excess of 175 percent of the minimum rate of basic pay for the grade. Whenever the Secretary exercises the authority under the preceding sentence to establish the maximum rate of basic pay at a rate in excess of 133 percent of the minimum rate for that grade, the Secretary shall, in the next annual report required by subsection (g), provide justification for doing so to the Committees on Veterans Affairs of the Senate and House of Representatives.
- (2) The maximum rate of basic pay for any grade for a covered position may not exceed the maximum rate of basic pay established for positions in level V of the Executive Schedule under section 5316 of title 5.
- (3) The range of basic pay for each such grade shall be divided into equal increments, known as "steps". The Secretary shall prescribe the number of steps. Each grade in a covered position shall have the same number of steps. Rates of pay within a grade may not be established at rates other than whole steps. Any increase (other than an adjustment under subsection (d)) within a grade in the rate of basic pay payable to an employee in a covered position shall be by one or more of such step increments.

(d)(1) Subject to subsection (e), the rates of basic pay for each grade in a covered position shall be adjusted periodically in accordance with this subsection in order to achieve the purposes of this

section. Such adjustments shall be made-

(A) whenever there is an adjustment under section 5303 of title 5 in the rates of pay under the General Schedule, with the adjustment under this subsection to have the same effective date and to be by the same percentage as the adjustment in the rates of basic pay under the General Schedule; and

(B) at such additional times as the director of a Department health-care facility, with respect to employees in that grade at that facility, or the Under Secretary for Health, with respect to covered Regional and Central Office employees in that

grade, determines.

(2) An adjustment in rates of basic pay under this subsection for a grade shall be carried out by adjusting the amount of minimum rate of basic pay for that grade in accordance with paragraph (3) and then adjusting the other rates for that grade to conform to the requirements of subsection (c). Except as provided in paragraph (1)(A), such an adjustment in the minimum rate of basic pay for a grade shall be made by the director of a Department health-care facility so as to achieve consistency with the beginning rate of compensation for corresponding health-care professionals in the Bureau of Labor Statistics (BLS) labor-market area of that facility.

(3)(A) In the case of a Department health-care facility located in an area for which there is current information, based upon an industry-wage survey by the Bureau of Labor Statistics for that labor market, on compensation for corresponding health-care professionals for the BLS labor-market area of that facility, the director of the facility concerned shall use that information as the basis for making adjustments in rates of pay under this subsection. Whenever the Bureau of Labor Statistics releases the results of a new industry-wage survey for that labor market that includes information on compensation for corresponding health-care professional, the director of that facility shall determine, not later than 30 days after the results of the survey are released whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(B) In the case of a Department health-care facility located in an area for which the Bureau of Labor Statistic does not have current information on compensation for corresponding health-care professional for the labor-market area of that facility for any covered position, the director of that facility shall conduct a survey in accordance with this subparagraph and shall adjust the amount of the minimum rate of basic pay for grades in that covered position at that facility based upon that survey. To the extent practicable, the director shall use third-party industry wage surveys to meet the requirements of the preceding sentence. Any such survey shall be conducted in accordance with regulations prescribed by the Secretary. Those regulations shall be developed in consultation with the Secretary of Labor in order to ensure that the director of a facility collects information that is valid and reliable and is consistent with standards of the Bureau. The survey should be conducted using methodology comparable to that used by the Bureau in making industry-wage surveys except to the extent determined infeasible by the Secretary. To the extent practicable, all surveys conducted pursuant to this subparagraph or subparagraph (A) shall include the collection of salary midpoints, actual salaries, lowest and highest salaries, average salaries, bonuses, incentive pays, differential pays, actual beginning rates of pay, and such other information needed to meet the purpose of this section. Upon conducting a survey under this subparagraph the director concerned shall determine, not later than 30 days after the date on which the collection of information through the survey is completed or published, whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(C)(i) A director of a Department health-care facility may use data on the compensation paid to certified registered nurse anesthetists who are employed on a salary basis by entities that provide

anesthesia services through certified registered nurse anesthetists in the labor-market area only if the director-

(I) has conducted a survey of compensation for certified registered nurse anesthetists in the local labor-market area of the facility under subparagraph (B);

(II) has used all available administrative authority with re-

gard to collection of survey data; and

(III) makes a determination (under regulations prescribed by the Secretary) that such survey methods are insufficient to permit the adjustments referred to in subparagraph (B) for such nurse anesthetists employed by the facility.

(ii) For the purposes of this subparagraph, certified registered nurse anesthetists who are so employed by such entities shall be deemed to be corresponding health-care professionals to the certified registered nurse anesthetists employed by the facility.

(D) The Under Secretary for Health shall prescribe regulations providing for the adjustment of the rates of basic pay for Regional and Central Office employees in covered positions in order to as-

sure that those rates are sufficient and competitive.

(E) The director of a facility or Under Secretary for Health may not adjust rates of basic pay under this subsection for any pay grade so that the minimum rate of basic pay for that grade is greater than the beginning rates of compensation for corresponding

positions at non-Department health-care facilities.

(4) If the director of a Department health-care facility, or the Under Secretary for Health with respect to Regional and Central Office employees, determines, after any survey under paragraph (3)(B), that it is not necessary to adjust the rates of basic pay for employees in a grade of a covered position at that facility in order to carry out the purpose of this section, such an adjustment for employees at that facility in that grade shall not be made.

(5) Information collected by the Department in surveys conducted under this subsection is not subject to disclosure under section 552

of title 5.

(6) In this subsection—

- (A) The term "beginning rate of compensation", with respect to health-care personnel positions in non-Department healthcare facilities corresponding to a grade of a covered position, means the sum of—
 - (i) the minimum rate of pay established for personnel in such positions who have education, training, and experience equivalent or similar to the education, training, and experience required for health-care personnel employed in the same category of Department covered positions; and

(ii) other employees benefits for those positions to the ex-

tent that those benefits are reasonably quantifiable.

(B) The term "corresponding", with respect to health-care personnel positions in non-Department health-care facilities, means those positions for which the education, training, and experience requirements are equivalent or similar to the education, training, and experience requirements for health-care personnel positions in Department health-care facilities.

(e)(1) An adjustment in a rate of basic pay under subsection (d) may not reduce the rate of basic pay applicable to any grade of a

covered position.

- (2) The director of a Department health-care facility, in determining whether to carry out a wage survey under subsection (d)(3) with respect to rates of basic pay for a grade of a covered position, may not consider as a factor in such determination the absence of a current recruitment or retention problem for personnel in that grade of that position. The director shall make such a determination based upon whether, in accordance with criteria established by the Secretary, there is a significant pay-related staffing problem at that facility in any grade for a position. If the director determines that there is such a problem, or that such a problem is likely to exist in the near future, the Director shall provide for a wage survey in accordance with subsection (d)(3).
- (3) The Under Secretary for Health may, to the extent necessary to carry out the purposes of subsection (d), modify any determination made by the director of a Department health-care facility with respect to adjusting the rates of basic pay applicable to covered positions. If the determination of the director would result in an adjustment in rates of basic pay applicable to covered positions, any action by the Under Secretary under the preceding sentence shall be made before the effective date of such pay adjustment. Upon such action by the Under Secretary, any adjustment shall take effect on the first day of the first pay period beginning after such action. The Secretary shall ensure that the Under Secretary establishes a mechanism for the timely exercise of the authority in this paragraph.

(4) Each director of a Department health-care facility shall provide to the Secretary, not later than July 31 each year, a report on staffing for covered positions at that facility. The report shall in-

clude the following:

(A) Information on turnover rates and vacancy rates for each covered position, including a comparison of those rates with

the rates for the preceding three years.

(B) The director's findings concerning the review and evaluation of the facility's staffing situation, including whether there is, or is likely to be, in accordance with criteria established by the Secretary, a significant pay-related staffing problem at that facility for any covered position and, if so, whether a wage survey was conducted, or will be conducted with respect to that position.

(C) In any case in which the director conducts such a wage survey during the period covered by the report, information describing the survey and any actions taken or not taken based on the survey, and the reasons for taking (or not taking) such

actions

(D) In any case in which the director, after finding that there is, or is likely to be, in accordance with criteria established by the Secretary, a significant pay-related staffing problem at that facility for any covered position, determines not to conduct a wage survey with respect to that position, a statement of the reasons why the director did not conduct such a survey.

(5) Not later than September 30 of each year, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report on staffing for covered positions at Department health care facilities. Each such report shall include the following:

(A) A summary and analysis of the information contained in the most recent reports submitted by facility directors under

paragraph (4).

(B) The information for each such facility specified in para-

graph (4).

(f) Not later than March 1 of each year, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report regarding any pay adjustments under the authority of subsection (d) effective during the 12 months preceding the submission of the report. Each such report shall set forth, by health-care facility, the percentage of such increases and, in any case in which no increase was made, the basis for not providing an increase.

(g) For the purposes of this section, the term "health-care facility" means a medical center, an independent outpatient clinic, or

an independent domiciliary facility.

§ 7452. Nurses and other health-care personnel: administration of pay

(a)(1) Regulations prescribed under section 7451(a) of this title shall provide that whenever an employee in a covered position is given a new duty assignment which is a promotion, the rate of basic pay of that employee shall be increased at least one step in-

crement in that employee's grade.

(2) A nurse serving in a head nurse position shall while so serving receive basic pay at a rate two step increments above the rate that would otherwise be applicable to the nurse. If such a nurse is in the highest or next-to-highest step for that nurse's grade, the preceding sentence shall be applied by extrapolation to create additional steps only for the purposes of this paragraph. The limitation in section 7451(c)(1) of this title shall not apply with respect to increased basic pay under this paragraph.

(3) An employee in a covered position who is promoted to the next higher grade shall be paid in that grade at a step having a rate of basic pay that is greater than the rate of basic pay applicable to the employee in a covered position on the day before the ef-

fective date of the promotion.

(b)(1) Under regulations which the Secretary prescribes for the administration of this section, the director of a Department health-care facility (A) shall pay a cash bonus (in an amount to be determined by the director not to exceed \$2,000) to an employee in a covered position at that facility who becomes certified in a specialty recognized by the Department, and (B) may provide such a bonus

to an employee in such a position who has demonstrated both exemplary job performance and exemplary job achievement. The authority of the Secretary under this subsection is in addition to any other authority of the Secretary to provide job performance incentives.

(2) The Secretary shall include in the annual report under section 7451(g) of this title a discussion of the use during the period covered by the report of the payment of bonuses under this subsection and other job performance incentives available to the Sec-

etary

(c)(1) The Secretary shall provide (in regulations prescribed for the administration of this section) that the director of a Department health-care facility, in making a new appointment of a person under section 7401(1) of this title as an employee in a covered position for employment at that facility, may make that appointment at a rate of pay described in paragraph (3) without being subject to a requirement for prior approval at any higher level of authority within the Department in any case in which the director determines that it is necessary to do so in order to obtain the services of employees in covered positions in cases in which vacancies exist at that health-care facility.

(2) Such a determination may be made by the director of a health-care facility only in order to recruit employees in covered positions with specialized skills, especially employees with skills

which are especially difficult or demanding.

(3) A rate of pay referred to in paragraph (1) is a rate of basic pay in excess of the minimum rate of basic pay applicable to the grade in which the appointment is made (but not in excess of the maximum rate of basic pay for that grade).

(4) Whenever the director of a health-care facility makes an appointment described in paragraph (1) without prior approval at a higher level of authority within the Department, the director

shall—

(A) state in a document the reasons for employing the employee in a covered position at a rate of pay in excess of the minimum rate of basic pay applicable to the grade in which the employee is appointed (and retrain that document on file); and

(B) in the first budget documents submitted to the Secretary by the director after the employee is employed, include documentation for the need for such increased rates of basic pay de-

scribed in clause (A).

(5) Whenever the director of a health-care facility makes an appointment described in paragraph (1) on the basis of a determination described in paragraph (2), the covered employee appointed may continue to receive pay at a rate higher than that which would otherwise be applicable to that employee only so long as the employee continues to serve in a position requiring the specialized skills with respect to which the determination was made.

(d) Whenever the director of a health-care facility makes an appointment described in subsection (c)(1), the director may (without a regard to any requirement for prior approval at any higher level of authority within the Department) increase the rate of pay of other employees in the same covered position at that facility who are in the grade in which the appointment is made and are serving

in a position requiring the specialized skills with respect to which the determination under subsection (c)(2) concerning the appointment was made. Any such increase shall continue in effect with respect to any employee only so long as the employee continues to

serve in such a position.

- (e) An employee in a covered position employed under section 7401(1) of this title who (without a break in employment) transfers from one Department health-care facility to another may not be reduced in grade or step within grade (except pursuant to a disciplinary action otherwise authorized by law) if the duties of the position to which the employee transfers are similar to the duties of the position from which the employee transferred. The rate of basic pay of such employee shall be established at the new health-care facility in a manner consistent with the practices at that facility for an employee of that grade and step, except that in the case of an employee whose transfer (other than pursuant to a disciplinary action otherwise authorized by law) to another health-care facility is at the request of the Secretary, the Secretary may provide that for at least the first year following such transfer the employee shall be paid at a rate of basic pay up to the rate applicable to such employee before the transfer, if the Secretary determines that such rate of pay is necessary to fill the position. Whenever the Secretary exercises the authority under the preceding sentence relating to the rate of basic pay of a transferred employee, the Secretary shall, in the next annual report required under section 7451(g) of this title, provide justification for doing so.
- (f) In this section, the term "covered position" has the meaning given that term in section 7451 of this title.

When less than four hours of such tour fall between 6 postmeridian and 6 antemeridian, the nurse shall be paid the differential for each hour of service performed between those hours.
- (c) A nurse performing service on a tour of duty, any part of which is within the period commencing at midnight Friday and ending at midnight Sunday, shall receive additional pay for each hour of service on such tour at a rate equal to 25 percent of such nurse's hourly rate of basic pay.

(e)(1) A nurse performing officially ordered or approved hours of service in excess of 40 hours in an administrative workweek, or in excess of eight hours in a day, shall receive overtime pay for each hour of such additional service. (3) Compensatory time off in lieu of pay for service performed under the provisions of this subsection shall not be permitted, except as voluntarily requested in writing by the nurse in question.

- (4) Any excess service performed under this subsection on a day when service was not scheduled for such nurse, or for which such nurse is required to return to the nurse's place of employment, shall be deemed to be a minimum of two hours in duration.

- (ii) is incident to travel that involves the performance of services while traveling,
- (iii) is carried out under arduous conditions as determined by the Secretary, or
- (iv) results from an event which could not be scheduled or controlled administratively.
- (f) For the purpose of computing the additional pay provided by subsection (b), (c), (d), or (e), a nurse's hourly rate of basic pay shall be derived by dividing such nurse's annual rate of basic pay by 2.080
- (g) When a nurse is entitled to two or more forms of additional pay under subsection (b), (c), (d), or (e) for the same period of service, the amounts of such additional pay shall be computed separately on the basis of such nurse's hourly rate of basic pay, except that no overtime pay as provided in subsection (e) shall be payable for overtime service performed on a holiday designated by Federal statute or Executive order in addition to pay received under subsection (d) for such service.
- (h) A nurse who is officially scheduled to be on call outside such nurse's regular hours or on a holiday designated by Federal statute or Executive order shall be paid for each hour of such on-call duty, except for such time as such nurse may be called back to work, at a rate equal to 10 percent of the hourly rate for excess service as provided in subsection (e).
- (i) Any additional pay paid pursuant to this section shall not be considered as basic pay for the purposes of the following provisions of title 5 (and any other provision of law relating to benefits based on basic pay):
 - (1) Subchapter VI of chapter 55.

(2) Section 5595.

(3) Chapters 81, 83, 84, and 87.

- (j)(1) Notwithstanding any other provision of law and subject to paragraph (2), the Secretary may increase the rates of additional pay authorized under subsections (b) through (h) if the Secretary determines that it is necessary to do so in order to obtain or retain the services of nurses.
 - (2) An increase under paragraph (1) in rates of additional pay—
 (A) may be made at any specific Department health-care facility in order to provide nurses, or any category of nurses, at such facility additional pay in an amount competitive with, but not exceeding, the amount of the same type of pay that is paid to the same category of nurses at non-Federal health-care facilities in the same geographic area as such Department health-care facility (based upon a reasonably representative sampling of such non-Federal facilities); and

(B) may be made on a nationwide, local, or other geographic basis if the Secretary finds that such an increase is justified on the basis of a review of the need for such increase (based upon a reasonably representative sampling of non-Federal health-care facilities in the geographic area involved).

(c) The Secretary shall prescribe by regulation standards for compensation and payment under this section.

(Added P.L. 102–40, \$401(b)(4), May 7, 1991, 105 Stat. 234; amended P.L. 107–135, \$121(a), Jan. 23, 2002, 115 Stat. 2450.)

- (a)(1) Subject to subsections (b), (c), and (d), when the Secretary determines it to be necessary in order to obtain or retain the services of persons described in paragraph (2), the Secretary may increase the minimum, intermediate, or maximum rates of basic pay authorized under applicable statutes and regulations. Any increase in such rates of basic pay—
 - (A) may be made on a nationwide basis, local basis, or other geographic basis; and

(2) to achieve adequate staffing at particular facilities; or

(3) to recruit personnel with specialized skills, especially those with skills which are especially difficult or demanding.

- (c)(1) The amount of any increase under subsection (a) in the maximum rate for any grade may not (except in the case of nurse anesthetists, pharmacists, and licensed physical therapists) exceed by two times the amount by which the maximum for such grade (under applicable provisions of law other than this subsection) exceeds the minimum for such grade (under applicable provisions of law other than this subsection), and the maximum rate as so increased may not exceed the rate paid for individuals serving as Assistant Under Secretary for Health.

§ 7458. Recruitment and retention bonus pay

(a)(1) In order to recruit and retain registered nurses, the Secretary may enter into agreements under this section. Such an agreement may be entered into with any registered nurse who is employed at, or who agrees to accept employment with the Department at, a Department health care facility that is designated by the Secretary as a health-care facility with a significant shortage

in registered nurses in any clinical service.

- (2) A registered nurse entering into an agreement under this section shall agree to remain employed by the Department as a registered nurse for a period of time to be specified in the agreement and to serve during that period in a specific health-care facility that is designated by the Secretary as a health-care facility with a significant shortage of registered nurses in that nurse's clinical service. Such period may not be less than two years or more than four years. Such employment during such period may be on a full-time basis or a part-time basis, as specified in the agreement. Part-time employment as specified in such an agreement may not be less than half-time.
- (b)(1) The Secretary shall pay to any nurse entering into an agreement under this section bonus pay in an amount specified in the agreement. The amount of such bonus pay may not exceed—
 - (A) \$2,000 per year, in the case of an agreement for two years.

(c)(1) Except as provided in paragraph (2) of this subsection, a bonus under this section shall be paid in equal installments after each year of service is completed throughout the period of obligated

service specified in the agreement.

(2)(A) The Secretary may make a payment in an amount not in excess of 25 percent of the total bonus in a lump sum at the time that the period of obligated service commences under the agree-

ment.

(B) If the Secretary makes a lump-sum payment under subparagraph (A) of this paragraph, the remaining balance of the bonus shall be paid in equal installments after each year of service is completed throughout the period of obligated service specified in the agreement.

(d)(1) A bonus paid to any individual under this section shall be in addition to any pay or allowance to which the individual is enti-

(2) The amount of a bonus paid under this section shall not be considered to be basic pay for the purposes of sections 5551, 5552, and 5595 of title 5, chapters 81, 83, 84, and 87 of such title, or any other provision of law creating an entitlement to benefits based on

basic pay.

(e) At least once each year the Secretary, upon the recommendation of the Under Secretary for Health, shall determine the specific health-care facilities and clinical services, if any, as to which there are significant problems with respect to the recruitment and retention of registered nurses. Upon making any such determination, the Secretary shall promptly notify the Committees on Veterans Affairs of the Senate and the House of Representatives of the determination and the basis for the determination.

(f) The Secretary may enter into agreements under this section with individuals in a health profession other than nursing (and other than a health profession for which special pay may be provided under subchapter III) if the Secretary determines that there are significant problems with respect to recruitment and retention of employees in that health profession. The Secretary's authority to enter into any such agreement under this section, and such agreement, shall be subject to the provisions of this section in the same manner as are the authority to enter into an agreement under this section with a registered nurse and such an agreement.

obligated service actually served (as determined at the time the agreement is entered into). If the period actually served is less than two years, the amount to be refunded is the entire amount poid to the individual

paid to the individual.

(2) An individual shall not be required to make a refund under paragraph (1) of this subsection if the Secretary determines, in accordance with regulations prescribed under subsection (h) of this section, that the individual's failure to perform services for the period of obligated service is due to circumstances (not including separation for cause) beyond the control of the individual.

(3) An obligation to refund any portion of a bonus payment under this subsection is, for all purposes, a debt owed to the United

States.

- (4) The provisions of this subsection and the specific amounts that the individual could be required to refund shall be disclosed to the individual at the time the agreement is entered into and shall be clearly set forth in the contract.
- (h) The Secretary shall prescribe regulations to carry out this section.

(c) For purposes of this subchapter—

- (1) Section 7401(1) employees are employees of the Department employed on a full-time basis under a permanent appointment in a position listed in section 7401(1) of this title (other than interns and residents appointed pursuant to section 7406 of this title).

§ 7462. Major adverse actions involving professional conduct or competence

(a)(1) Disciplinary Appeals Boards appointed under section 7464 of this title shall have exclusive jurisdiction to review any case—

- (A) which arises out of (or which includes) a question of professional conduct or competence of a section 7401(1) employee; and
 - (B) in which a major adverse action was taken.

(2) The board shall include in its record of decision in any mixed case a statement of the board's exclusive jurisdiction under this subsection and the basis for such exclusive jurisdiction.

(3) For purposes of paragraph (2), a mixed case is a case that includes both a major adverse action arising out of a question of professional conduct or competence and an adverse action which is not a major adverse action or which does not arise out of a question

of professional conduct or competence.

(b)(1) In any case in which charges are brought against a section 7401(1) employee which arises out of, or includes, a question of professional conduct or competence which could result in a major ad-

(A) At least 30 days advance written notice from the Under Secretary for Health or other charging official specifically stating the basis for each charge, the adverse actions that could be taken if the charges are sustained, and a statement of any specific law, regulation, policy, procedure, practice, or other specific instruction that has been violated with respect to each charge, except that the requirement for notification in advance

(3)(Å) If a proposed adverse action covered by this section is not withdrawn, the deciding official shall render a decision in writing within 21 days of receipt by the deciding official of the employee's answer. The decision shall include a statement of the specific reasons for the decision with respect to each charge. If a major adverse action is imposed, the decision shall state whether any of the charges sustained arose out of a question of professional conduct or competence. If any of the charges are sustained, the notice of the decision to the employee shall include notice of the employee's rights of appeal.

(B) Notwithstanding the 21-day period specified in subparagraph (A), a proposed adverse action may be held in abeyance if the employee requests, and the deciding official agrees, that the employee shall seek counseling or treatment for a condition covered under the Rehabilitation Act of 1973. Any such abeyance of a proposed ac-

§ 7615. Status of participants

Participants in the Scholarship Program shall not by reason of their participation in such program (1) be considered to be employees of the Federal Government, or (2) be counted against any personnel ceiling affecting the Veterans Health Administration.

§ 7616. Obligated service

(a) Each participant in the Scholarship Program shall provide service as a full-time employee of the Department for the period of obligated service provided in the agreement of the participant entered into under section 7603 of this title. Such service shall be provided in the full-time clinical practice of such participant's profession or in another health-care position in an assignment or location determined by the Secretary.

(b)(1) Not later than 60 days before the participant's service commencement date, the Secretary shall notify the participant of that service commencement date. That date is the date for the begin-

ning of the participant's period of obligated service.

(2) As soon as possible after the participant's service commence-

ment date, the Secretary shall—

(A) in the case of a participant who is not a full-time employee in the Veterans Health Administration, appoint such

participant as such an employee; and

(B) in the case of a participant who is an employee in the Veterans Health Administration but is not serving in a position for which such participant's course of education or training prepared such participant, assign such participant to such a position.

(3)(A)(i) In the case of a participant receiving a degree from a school of medicine, osteopathy, dentistry, optometry, or podiatry, the participant's service commencement date is the date upon which the participant becomes licensed to practice medicine, osteopathy, dentistry, optometry, or podiatry, as the case may be, in a State. However, the Secretary may, at the request of such participant, defer such date until the end of the period of time required for the participant to complete an internship or residency or other

advanced clinical training. If the participant requests such a deferral, the Secretary shall notify the participant that such deferral could lead to an additional period of obligated service in accordance with paragraph (4) of this subsection.

(ii) No such period of internship or residency or other advanced clinical training shall be counted toward satisfying a period of obli-

gated service under this subchapter.

(B) In the case of a participant receiving a degree from a school of nursing, the participant's service commencement date is the later of (i) the participant's course completion date, or (ii) the date upon which the participant becomes licensed as a registered nurse in a State.

(C) In the case of a participant not covered by subparagraph (A) or (B) of this paragraph, the participant's service commencement date is the later of (i) the participant's course completion date, or (ii) the date the participant meets any applicable licensure or cer-

tification requirements.

(4) A participant whose period of obligated service is deferred under paragraph (3)(A) of this subsection shall be required to undertake internship or residency or other advanced clinical training in an accredited program in an educational institution which is an affiliated institution (as defined in section 7423(d)(1) of this title) and with respect to which the affiliation agreement provides that all or part of the internship or residency or other advanced clinical training will be undertaken in a Department health-care facility. Such a participant may, at the discretion of the Secretary and upon the recommendation of the Under Secretary for Health, incur an additional period of obligated service—

(A) at the rate of one-half of a calendar year for each year of internship or residency or other advanced clinical training (or a proportionate ratio thereof), if the internship, residency, or advanced clinical training is in a medical specialty necessary to meet the health-care requirements of the Department (as determined under regulations prescribed by the Secretary);

or

(B) at the rate of three-quarters of a calendar year for each year of internship or residency or other advanced clinical training (or a proportionate ratio thereof), if the internship, residency, or advanced clinical training is not in a medical specialty necessary to meet the health-care requirements of the Department (as determined under regulations prescribed by the Secretary).

(5) The Secretary shall by regulation prescribe the service commencement date for participants who were part-time students. Such regulations shall prescribe terms as similar as practicable to

the terms set forth in paragraph (3) of this subsection.

(c)(1) Except as provided in paragraph (2) of this subsection, a participant in the Scholarship Program shall be considered to have begun serving such participant's period of obligated service—

(A) on the date, after such participant's course completion date, on which such participant (in accordance with subsection (b) of this section) is appointed under this chapter as a full-time employee in the Veterans Health Administration; or

(B) if the participant is a full-time employee in the Veterans Health Administration on such course completion date, on the date thereafter on which such participant is assigned to a position for which such participant's course of training prepared such participant.

(2) A participant in the Scholarship Program who on such participant's course completion date is a full-time employee in the Veterans Health Administration serving in a capacity for which such participant's course of training prepared such participant shall be considered to have begun serving such participant's period of obligated service on such course completion date.

(3) For the purposes of this section, the term "course completion date" means the date on which a participant in the Scholarship Program completes such participant's course of education or training under the program.

§ 7617. Breach of agreement: liability

(a) A participant in the Scholarship Program (other than a participant described in subsection (b) of this section) who fails to accept payment, or instructs the educational institution in which the participant is enrolled not to accept payment, in whole or in part, of a scholarship under the agreement entered into under section 7603 of this title shall be liable to the United States for liquidated damages in the amount of \$1,500. Such liability is in addition to any period of obligated service or other obligation or liability under the agreement.

(b) A participant in the Scholarship Program shall be liable to the United States for the amount which has been paid to or on behalf of the participant under the agreement if any or the following

(1) The participant fails to maintain an acceptable level of academic standing in the educational institution in which the participant is enrolled (as determined by the educational institution under regulations prescribed by the Secretary).

(2) The participant is dismissed from such educational insti-

tution for disciplinary reasons.

(3) The participant voluntarily terminates the course of training in such educational institution before the completion

of such course of training.

(4) The participant fails to become licensed to practice medicine, osteopathy, dentistry, podiatry, or optometry in a State, fails to become licensed as a registered nurse in a State, or fails to meet any applicable licensure requirement in the case of any other health-care personnel who provide either direct patient-care services or services incident to direct patient-care services, during a period of time determined under regulations prescribe by the Secretary.

(5) In the case of a participant who is a part-time student, the participant fails to maintain employment, while enrolled in the course of training being pursued by such participant, as a Department employee permanently assigned to a Department health-care facility.

Liability under this subsection is in lieu of any service obligation arising under the participant's agreement.

(c)(1) If a participant in the Scholarship Program breaches the agreement by failing (for any reason) to complete such participant's period of obligated service, the United States shall be entitled to recover from the participant an amount determined in accordance with the following formula:

$$A=3\Phi \quad (\frac{t-s}{t})$$

In such formula:

(A) "A" is the amount the United States is entitled to recover.

(B) "\$\Phi\$" is the sum of (i) the amounts paid under this subchapter to or on behalf of the participant, and (ii) the interest on such amounts which would be payable if at the time the amounts were paid they were loans bearing interest at the maximum legal prevailing rate, as determined by the Treasurer of the United States.

(C) "t" is the total number of months in the participant's period of obligated service, including any additional period of obligated service in accordance with section 7616(b)(4) of this title.

(D) "s" is the number of months of such period served by the participant in accordance with section 7613 of this title.

(2) Any amount of damages which the United States is entitled to recover under this section shall be paid to the United States within the one-year period beginning on the date of the breach of the agreement.

Such checks, money orders, and other similar instruments may be cashed outright or may be accepted, subject to strict administrative controls, in payment for merchandise or services, and the difference between the amount of the purchase and the amount of the tendered instrument refunded in cash.

The 20 projects shall be compiled, and their relative rankings shall be shown, by category of project (including the categories of ambulatory care projects, nursing home care projects, and such other categories as the Secretary determines).

(2) The Secretary shall include in each report, for each project listed, a description of the specific factors that account for the relative ranking of that project in relation to other projects within the

same category.

§8110. Operation of medical facilities

(a)(1) The Secretary shall establish the total number of hospital beds and nursing home beds in medical facilities over which the Secretary has direct jurisdiction for the care and treatment of eligible veterans at not more than 125,000 and not less than 100,000. The Secretary shall establish the total number of such beds so as to maintain a contingency capacity to assist the Department of Defense in time of war or national emergency to care for the casual-ties of such war or national emergency. Of the number of beds authorized pursuant to the preceding sentence, the Secretary shall operate and maintain a total of not less than 90,000 hospital beds and nursing home beds and shall maintain the availability of such additional beds and facilities in addition to the operating bed level as the Secretary considers necessary for such contingency purposes. The President shall include in the Budget transmitted to the Congress for each fiscal year pursuant to section 1105 of title 31, an amount for medical care and amounts for construction sufficient to enable the Department to operate and maintain a total of not less than 90,000 hospital and nursing home beds in accordance with this paragraph and to maintain the availability of the contingency capacity referred to in the second sentence of this paragraph. The Secretary shall staff and maintain, in such a manner as to ensure the immediate acceptance and timely and complete care of patients, and in a manner consistent with the policies of the Secretary on overtime, sufficient beds and other treatment capacities to accommodate, and provide such care to, eligible veterans applying for admission and found to be in need of hospital care or medical

(2) The Secretary shall maintain the bed and treatment capacities of all Department medical facilities, including the staffing re-

quired to maintain such capacities, so as to ensure the accessibility and availability of such beds and treatment capacities to eligible veterans in all States, to minimize delays in admissions and in the provision of hospital, nursing home, and domiciliary care, and of medical services furnished pursuant to section 1710(a) of this title, and to ensure that eligible veterans are provided such care and

services in an appropriate manner.

(3)(A) The Under Secretary for Health shall at the end of each fiscal year (i) analyze agencywide admission policies and the records of those eligible veterans who apply for hospital care, medical services, and nursing home care, but are rejected or not immediately admitted or provided such care or services, and (ii) review and make recommendations regarding the adequacy of staff levels for compliance with the policy established under subparagraph (C), the adequacy of the established operating bed levels, the geographic distribution of operating beds, the demographic characteristics of the veteran population and the associated need for medical care and nursing home facilities and services in each State, and the proportion of the total number of operating beds that are hospital beds and that are nursing home beds.

(B) After considering the analyses and recommendations of the Under Secretary for Health pursuant to subparagraph (A) of this paragraph for any fiscal year, the Secretary shall report to the committees, on or before December 1 after the close of such fiscal year, on the results of the analysis of the Under Secretary for Health and on the numbers of operating beds and level of treatment capacities required to enable the Department to carry out the primary function of the Veterans Health Administration. The Secretary shall include in each such report recommendations for (i) the numbers of operating beds and the level of treatment capacities required for the health care of veterans and the maintenance of the contingency capacity referred to in paragraph (1) of this subsection, and (ii) the appropriate staffing and funds therefor.

The policy shall take into account the staffing levels and mixture of staff skills required for the range of care and services provided veterans in Department facilities.

(4)(A) With respect to each law making appropriations for the Department for any fiscal year (or any part of a fiscal year), there shall be provided to the Department the funded personnel ceiling defined in subparagraph (C) of this paragraph and the funds appro-

(B) In order to carry out the provisions of subparagraph (A) of this paragraph, the Director of the Office of Management and Budget shall, with respect to each such law (i) provide to the Department for the fiscal year (or part of a fiscal year) concerned such funded personnel ceiling and the funds necessary to achieve such ceiling, and (ii) submit to the appropriate committees of the Congress and to the Comptroller General of the United States certification that the Director has so provided such ceiling. Not later than the thirtieth day after the enactment of such a law or, in the

event of the enactment of such a law more than thirty days prior to the fiscal year for which such law makes such appropriations, not later than the tenth day of such fiscal year, the certification required in the first sentence of this subparagraph shall be submitted, together with a report containing complete information on the personnel ceiling that the Director has provided to the Department for the employees described in subparagraph (C) of this paragraph.

(Ĉ) For the purposes of this paragraph, the term "funded personnel ceiling" means, with respect to any fiscal year (or part of a fiscal year), the authorization by the Director of the Office of Management and Budget to employ (under the appropriation accounts for medical care, medical and prosthetic research, and medical administration and miscellaneous operating expenses) not less than the number of employees for the employment of which appropriations have been made for such fiscal year (or part of a fiscal year).

(5) Notwithstanding any other provision of this title or of any other law, funds appropriated for the Department under the appropriation accounts for medical care, medical and prosthetic research, and medical administration and miscellaneous operating expenses may not be used for, and no employee compensated from such funds may carry out any activity in connection with, the conduct of any study comparing the cost of the provision by private contractors with the cost of the provision by the Department of commercial or industrial products and services for the Veterans Health Administration unless such funds have been specifically appropriated for that purpose.

(6)(A) Temporary research personnel of the Veterans Health Administration shall be excluded from any ceiling on full-time equivalent employees of the Department or any other personnel ceiling

otherwise applicable to employees of the Department.

(B) For purposes of subparagraph (A) of this paragraph, the term "temporary research personnel" means personnel who are employed in the Veterans Health Administration in other than a career appointment for work on a research activity and who are not paid by the Department or are paid from funds appropriated to the Depart-

ment to support such activity.

(b) When the Secretary determines, in accordance with regulations which the Secretary shall prescribe, that a Department facility serves a substantial number of veterans with limited English-speaking ability, the Secretary shall establish and implement procedures, upon the recommendation of the Under Secretary for Health, to ensure the identification of sufficient numbers of individuals on such facility's staff who are fluent in both the language most appropriate to such veterans and in English and whose responsibilities shall include providing guidance to such veterans and to appropriate Department staff members with respect to cultural sensitivities and bridging linguistic and cultural differences.

(c) The Secretary shall include in the materials submitted to Congress each year in support of the budget of the Department for the next fiscal year a report on activities and proposals involving contracting for performance by contractor personnel of work previously performed by Department employees. The report shall—

(1) identify those specific activities that are currently performed at a Department facility by more than 10 Department employees which the Secretary proposes to study for possible contracting involving conversion from performance by Department employees to performance by employees of a contractor; and

(2) identify those specific activities that have been contracted for performance by contractor employees during the prior fiscal year (shown by location, subject, scope of contracts, and savings) and shall describe the effect of such contracts on the

quality of delivery of health services during such year.

(d) The Secretary may not in any fiscal year close more than 50 percent of the beds within a bed section (of 20 or more beds) of a Department medical center unless the Secretary first submits to the Committees on Veterans' Affairs of the Senate and the House of Representatives a report providing a justification for the closure. No action to carry out such closure may be taken after the submission of such report until the end of the 21-day period beginning on the date of the submission of the report.

(e) The Secretary shall submit to the Committees on Veterans' Affairs of the Senate and the House of Representatives, not later than January 20 of each year, a report documenting by network for

the preceding fiscal year the following:

(1) The number of medical service and surgical service beds, respectively, that were closed during that fiscal year and, for each such closure, a description of the changes in delivery of services that allowed such closure to occur.

(2) The number of nursing home beds that were the subject of a mission change during that fiscal year and the nature of

each such mission change.

(f) For purposes of this section:

(1) The term "closure", with respect to beds in a medical center, means ceasing to provide staffing for, and to operate, those beds. Such term includes converting the provision of such bed care from care in a Department facility to care under contract arrangements.

(2) The term "bed section", with respect to a medical center, means psychiatric beds (including beds for treatment of substance abuse and post-traumatic stress disorder), intermediate, neurology, and rehabilitation medicine beds, extended care (other than nursing home) beds, and domiciliary beds.

(3) The term "justification", with respect to closure of beds,

means a written report that includes the following:

(A) An explanation of the reasons for the determination

that the closure is appropriate and advisable.

(B) A description of the changes in the functions to be carried out and the means by which such care and services would continue to be provided to eligible veterans.

§8111. Sharing of Department and Department of Defense health-care resources

(a) The Secretary and the Secretary of the Army, the Secretary of the Air Force, and the Secretary of the Navy may enter into agreements and contracts for the mutual use or exchange of use of hospital and domiciliary facilities, and such supplies, equipment, material, and other resources as may be needed to operate such facilities properly, except that the Secretary may not enter into an agreement that would result (1) in a permanent reduction in the total number of authorized Department hospital beds and nursing home beds to a level below the minimum number of such beds required by section 8110(a)(1) of this title to be authorized, or (2) in a permanent reduction in the total number of such beds operated and maintained to a level below the minimum number of such beds required by such section to be operated and maintained or in any way subordinate or transfer the operation of the Department to any other agency of the Government.

(b)(1) In order to promote the sharing of health-care resources between the Department and the Department of Defense (hereinafter in this section referred to as the "agencies"), there is established an interagency committee to be known as the Department/Department of Defense Health-Care Resources Sharing Committee (here-

inafter in this subsection referred to as the "Committee").

(2) The Committee shall be composed of—

(A) the Under Secretary for Health and such other officers and employees of the Department as the Under Secretary for Health may designate; and

(B) the Assistant Secretary of Defense for Health Affairs (hereinafter in this section referred to as the "Assistant Secretary") and such other officers and employees of the Department of Defense as the Assistant Secretary may designate,

except that the size of the Committee shall be mutually determined by the Under Secretary for Health and the Assistant Secretary. During odd-numbered fiscal years, the Under Secretary for Health shall be the chairman of the Committee. During even-numbered fiscal years, the Assistant Secretary shall be the chairman of the Committee. The agencies shall provide administrative support services for the Committee at a level sufficient for the efficient operation of the Committee and shall share the responsibility for the provision of such services on an equitable basis.

(3) In order to enable the Committee to make recommendations under paragraph (4) of this subsection, the Committee shall on a

continuing basis—

(A) review existing policies, procedures, and practices relating to the sharing of health-care resources between the agencies;

(B) identify and assess further opportunities for the sharing of health-care resources between the agencies that would not, in the judgment of the Committee, adversely affect the range of services, the quality of care, or the established priorities for care provided by either agency;

(C) identify changes in policies, procedures, and practices that would, in the judgment of the Committee, promote such

sharing of health-care resources between the agencies;

(D) monitor plans of the agencies for the acquisition of additional health-care resources, including the location of new facilities and the acquisition of major equipment, in order to assess the potential impact of such plans on further opportunities for such sharing of health-care resources; and

(E) monitor the implementation of activities designed to promote the sharing of health-care resources between the agen-

cies.

(4) At such times as the Committee considers appropriate, the Committee shall make recommendations to the Secretary or the Secretary of Defense, or both, with respect to (A) changes in policies, procedures, and practices that the Committee has identified under paragraph (3)(C) of this subsection pertaining to the sharing of health-care resources described in such paragraph, and (B) such other matters as the Committee considers appropriate in order to

promote such sharing of health-care resources.

(c)(1) After considering the recommendations made under subsection (b)(4) of this section, the Secretary and the Secretary of Defense shall jointly establish guidelines to promote the sharing of health-care resources between the agencies. Guidelines established under this subsection shall provide for such sharing consistent with the health-care responsibilities of the Department under this title and with the health-care responsibilities of the Department of Defense under chapter 55 of title 10 and so as not to adversely affect the range of services, the quality of care, or the established priorities for care provided by either agency.

(2) Guidelines established under paragraph (1) of this subsection shall authorize the heads of individual medical facilities of the agencies to enter into health-care resources sharing agreements in accordance with subsection (d) of this section and shall include

guidelines for such agreements.

(d)(1) The head of each medical facility of either agency is authorized to enter into sharing agreements with the heads of medical facilities of the other agency in accordance with guidelines established under subsection (c) of this section. Under any such agreement, an individual who is a primary beneficiary of one agency may be provided health care at a facility of the other agency that is a party to the sharing agreement.

(2) Each such agreement shall identify the health-care resources

to be shared.

(3) Each such agreement shall provide, and shall specify procedures designed to ensure, that the availability of direct health care to individuals who are not primary beneficiaries of the providing

agency (A) is on a referral basis from the facility of the other agency, and (B) does not (as determined by the head of the facility of the providing agency) adversely affect the range of services, the quality of care, or the established priorities for care provided to the primary beneficiaries of the providing agency.

(4) Each such agreement shall provide that a providing agency shall be reimbursed for the cost of the health-care resources provided under the agreement and that the rate for such reimbursement shall be determined in accordance with the methodology

agreed to pursuant to subsection (e) of this section.

(5) Each proposal for an agreement under paragraph (1) of this subsection shall be submitted to the Under Secretary for Health and the Assistant Secretary and shall be effective as an agreement in accordance with its terms (A) on the forty-sixth day after the receipt of such proposal by both such officials, unless earlier disapproved by either such official, or (B) if earlier approved by both

such officials, on the date of such approval.

(e) Reimbursement under any sharing agreement entered into under subsection (d) of this section shall be based upon a methodology that is agreed upon by the Under Secretary for Health and the Assistant Secretary and that provides appropriate flexibility to the heads of the facilities concerned to take into account local conditions and needs and the actual costs to the providing agency's facility of the health-care resources provided. Any funds received through such a reimbursement shall be credited to funds that have been allotted to the facility that provided the care or services.

(f) At the time the President's Budget is transmitted to Congress in any year pursuant to section 1105 of title 31, the Secretary and the Secretary of Defense shall submit a joint report to Congress on the implementation of this section during the fiscal year that ended during the previous calendar year. Each such report shall include—

(1) the guidelines prescribed under subsection (c) of this sec-

tion (and any revision of such guidelines);

(2) the assessment of further opportunities identified under clause (B) of subsection (b)(3) of this section for sharing of health-care resources between the agencies;

(3) any recommendation made under subsection (b)(4) of this

section during such fiscal year;

(4) a review of the sharing agreements entered into under subsection (d) of this section and a summary of activities under such agreements during such fiscal year;

(5) a summary of other planning and activities involving either agency in connection with promoting the coordination and sharing of Federal health-care resources during the preceding fiscal year; and

(6) such recommendations for legislation as the Secretary and the Secretary of Defense consider appropriate to facilitate the sharing of health-care resources between the agencies.

(a)(1) During and immediately following a period of war, or a period of national emergency declared by the President or the Congress that involves the use of the Armed Forces in armed conflict, the Secretary may furnish hospital care, nursing home care, and medical services to members of the Armed Forces on active duty. The Secretary may give a higher priority to the furnishing of care and services under this section than to the furnishing of care and services to any other group of persons eligible for care and services in medical facilities of the Department with the exception of veterans with service-connected disabilities.

(2) For the purposes of this section, the terms "hospital care", "nursing home care", and "medical services" have the meanings given such terms by sections 1701(5), 101(28), and 1701(6) of this title, respectively, and the term "medical services" includes services under sections 1782 and 1783 of this title.

enter into contracts with private facilities for the provision during such period by such facilities of hospital care and medical services described in paragraph (2) of this subsection.

(2) Hospital care and medical services referred to in paragraph

(1) of this subsection are—

- (A) hospital care and medical services authorized under this title for a veteran and necessary for the care or treatment of a condition for which the veteran is receiving medical services at a Department facility under subsection (a) of section 1710 of this title, in a case in which the delay involved in furnishing such care or services at such Department facility or at any other Department facility reasonably accessible to the veteran would, in the judgment of the Under Secretary for Health, be likely to result in a deterioration of such condition; and
 - (B) hospital care for a veteran who—
 - (i) is receiving hospital care under section 1710 of this title; or
 - (ii) is eligible for hospital care under such section and requires such care in a medical emergency that poses a serious threat to the life or health of the veteran;
- if Department facilities are not capable of furnishing or continuing to furnish the care required because of the furnishing of care and services to members of the Armed Forces under subsection (a) of this section.

SUBCHAPTER II—PROCUREMENT AND SUPPLY

§8121. Revolving supply fund

(a) The revolving supply fund established for the operation and maintenance of a supply system for the Department (including procurement of supplies, equipment, and personal services and the repair and reclamation of used, spent, or excess personal property)

(1) available without fiscal year limitations for all expenses necessary for the operation and maintenance of such supply

system;

- (2) reimbursed from appropriations for the cost of all services, equipment, and supplies furnished, at rates determined by the Secretary on the basis of estimated or actual direct cost (which may be based on the cost of recent significant purchases of the equipment or supply item involved) and indirect cost;

At the end of each fiscal year, there shall be covered into the Treasury of the United States as miscellaneous receipts such amounts as the Secretary determines to be in excess of the requirements necessary for the maintenance of adequate inventory levels and for the effective financial management of the revolving supply fund.

(b) An adequate system of accounts for the fund shall be maintained on the accrual method, and financial reports prepared on the basis of such accounts. An annual business type budget shall be prepared for operations under the fund.

(c) The Secretary is authorized to capitalize, at fair and reasonable values as determined by the Secretary, all supplies and mate-

rials and depot stocks of equipment on hand or on order.

(P.L. 85–857, Sept. 2, 1958, 72 Stat. 1253, 5011; amended P.L. 87–314, Sept. 26, 1961, 75 Stat. 675; P.L. 94–581, 210(e)(6), Oct. 21, 1976, 90 Stat. 2865; renumbered 5021, P.L. 96–22, 301(b)(1), June 13, 1979, 93 Stat. 61; P.L. 96–330, 402(a), Aug. 26, 1980, 94 Stat. 1051; renumbered 8121, P.L. 102–40, 402(b)(1), May 7, 1991, 105 Stat. 238; P.L. 102–83, 4(a)(3), (4), (b)(1), (2)(E), Aug. 6, 1991, 105 Stat. 404, 405.)

§8122. Authority to procure and dispose of property and to negotiate for common services

(a)(1) The Secretary may lease for a term not exceeding three years lands or buildings, or parts or parcels thereof, belonging to the United States and under the Secretary's control. Any lease made pursuant to this subsection to any public or nonprofit organization may be made without regard to the provisions of section 3709 of the Revised Statutes (41 U.S.C. 5). Notwithstanding section 321 of the Act of June 30, 1932 (40 U.S.C. 303b), or any other provision of law, a lease made pursuant to this subsection to any public or nonprofit organization may provide for the maintenance, protection, or restoration, by the lessee, of the property leased, as a part or all of the consideration for the lease. Prior to the execution of any such lease, the Secretary shall give appropriate public notice of the Secretary's intention to do so in the newspaper of the community in which the lands or buildings to be leased are located. The proceeds from such leases, less expenses for maintenance, operation, and repair of buildings leased for living quarters, shall be covered into the Treasury of the United States as miscellaneous receipts.

(2)(A) Except as provided in paragraph (3) of this subsection, the Secretary may not during any fiscal year transfer to another Federal agency or to a State (or any political subdivision of a State) any interest in real property described in subparagraph (B) of this paragraph unless (i) the transfer (as proposed) was described in the budget for that fiscal year submitted to Congress pursuant to section 1105 of title 31, and (ii) the Department receives compensation

equal to the fair market value of the property.

(B) An interest in real property described in this subparagraph is an interest in real property that is owned by the United States and administered by the Secretary and that has an estimated value in excess of \$50,000.

(C) Amounts realized from the transfer of any interest in real property described in subparagraph (B) of this paragraph shall be deposited in the nursing home revolving fund established under section 8116 of this title.

(3)(A) Subject to subparagraph (B) of this paragraph, the Secretary may, without regard to paragraph (2) of this subsection or

any other provision of law relating to the disposition of real property by the United States, transfer to a State for use as the site of a State nursing-home or domiciliary facility real property described in subparagraph (E) of this paragraph which the Secretary determines to be excess to the needs of the Department.

(B) A transfer of real property may not be made under this para-

graph unless-

(i) the Secretary has determined that the State has provided sufficient assurance that it has the resources (including any resources which are reasonably likely to be available to the State under subchapter III of chapter 81 of this title and section 1741 of this title) necessary to construct and operate a State

home nursing or domiciliary care facility; and

(ii) the transfer is made subject to the conditions (I) that the property be used by the State for a nursing-home or domiciliary care facility in accordance with the conditions and limitations applicable to State home facilities constructed with assistance under subchapter III of chapter 81 of this title, and (II) that, if the property is used at any time for any other purpose, all right, title, and interest in and to the property shall revert to the United States.

(C) A transfer of real property may not be made under this para-

graph until—

(i) the Secretary submits to the Committees on Veterans' Affairs of the Senate and House of Representatives, not later than June 1 of the year in which the transfer is proposed to be made (or the year preceding that year), a report providing notice of the proposed transfer; and

(ii) a period of 90 consecutive days elapses after the report

is received by those committees.

(D) A transfer under this paragraph shall be made under such additional terms and conditions as the Secretary considers appropriate to protect the interests of the United States.

(E) Real property described in this subparagraph is real property that is owned by the United States and administered by the Sec-

retary.

(b) The Secretary may, for the purpose of extending benefits to veterans and dependents, and to the extent the Secretary deems necessary, procure the necessary space for administrative purposes by lease, purchase, or construction of buildings, or by condemnation or declaration of taking, pursuant to law.

(c) The Secretary may procure laundry services, and other common services as specifically approved by the Secretary from non-profit, tax-exempt educational, medical or community institutions, without regard to the requirements of section 302(c) of the Federal Property and Administrative Services Act of 1949, as amended (41 U.S.C. 252(c)), whenever such services are not reasonably available from private commercial sources. Notwithstanding this exclusion, the provisions of section 304 of that Act (41 U.S.C. 254) shall apply

to procurement authorized by this subsection.

The authority to increase such percentage may not be delegated.

(D) Items procured through an emergency procurement shall not

be counted for the purpose of this paragraph.

the Department or such Federal agencies;

(3) with respect to each covered drug of the manufacturer procured by a State home receiving funds under section 1741 of this title, the price charged may not exceed the price charged under the Federal Supply Schedule at the time the drug is procured; and

(2) the percentage increase in the Consumer Price Index for all urban consumers (U.S. city average) between the last month of the period described in paragraph (1) and the last month preceding the month during which the contract goes into effect for which Consumer Price Index data is available.

section (a)(2) for the procurement of the drug—

(1) during any one-year period that follows the first year for which the contract is in effect, the contract price charged for the drug may not exceed the contract price charged during the preceding one-year period, increased by the percentage increase in the Consumer Price Index for all urban consumers (U.S. city average) during the 12-month period ending with the last month of such preceding one-year period for which Consumer Price Index data is available; and

(2) in applying subsection (c) to determine the amount of the discount provided with respect to the drug during a year that follows the first year for which the contract is in effect, any reference in such subsection to "the month during which the contract goes into effect" shall be considered a reference to the first month of such following year.

(3) In order to determine the accuracy of a drug price that is reported to the Secretary under paragraph (1), the Secretary may audit the relevant records of the manufacturer or of any wholesaler that distributes the drug, and may delegate the authority to audit such records to the appropriate Federal agency described in sub-

section (b).

(4) Any information contained in a report submitted to the Secretary under paragraph (1) or obtained by the Secretary through any audit conducted under paragraph (3) shall remain confidential, except as the Secretary determines necessary to carry out this section and to permit the Comptroller General and the Director of the Congressional Budget Office to review the information provided.

(h) In this section:

(1) The term "change in non-Federal price" means, with respect to a covered drug that is subject to an agreement under

this section, an amount equal to-

(A) the non-Federal average manufacturer price of the drug during the 3-month period that ends with the month preceding the month during which a contract goes into effect (or, in the case of a covered drug for which sufficient data for determining the non-Federal average manufacturer price during such period is not available, during such period as the Secretary considers appropriate); minus

(B) the non-Federal average manufacturer price of the drug during the 3-month that ends one year before the end of the period described in subparagraph (A) (or, in the case of a covered drug for which sufficient data for determining the non-Federal average manufacturer price during such period is not available, during such period preceding the period described in subparagraph (A) as the Secretary con-

Such term does not include a wholesale distributor of drugs or a retail pharmacy licensed under State law.

- (5) The term "non-Federal average manufacturer price" means, with respect to a covered drug and a period of time (as determined by the Secretary), the weighted average price of a single form and dosage unit of the drug that is paid by whole-salers in the United States to the manufacturer, taking into account any cash discounts or similar price reductions during that period, but not taking into account—

 - (A) For the portion of the first contract year during which the drug is so included, the price of the drug shall be determined in accordance with subsection (a)(2), except that the reference in such subsection to "the one-year period beginning on the date the agreement takes effect" shall be considered a reference to such portion of the first contract year.
 - (B) For any subsequent contract year, the price of the drug shall be determined in accordance with subsection (d), except that each reference in such subsection to "the first year for which the contract is in effect" shall be considered a reference to the portion of the first contract year during which the drug is included under the contract.

§8134. General regulations

(a)(1) The Secretary shall prescribe regulations for the purposes of this subchapter.

(2) In those regulations, the Secretary shall prescribe for each State the number of nursing home and domiciliary beds for which assistance under this subchapter may be furnished. Such regulations shall be based on projected demand for such care 10 years after the date of the enactment of the Veterans Millennium Health Care and Benefits Act by veterans who at such time are 65 years of age or older and who reside in that State. In determining such projected demand, the Secretary shall take into account travel dis-

tances for veterans and their families.

(3)(A) In those regulations, the Secretary shall establish criteria under which the Secretary shall determine, with respect to an application for assistance under this subchapter for a project described in subparagraph (B) which is from a State that has a need for additional beds as determined under subsections (a)(2) and (d)(1), whether the need for such beds is most aptly characterized as great, significant, or limited. Such criteria shall take into account the availability of beds already operated by the Secretary and other providers which appropriately serve the needs which the State proposes to meet with its application.

(B) This paragraph applies to a project for the construction or acquisition of a new State home facility, a project to increase the number of beds available at a State home facility, and a project to

§8135. Applications with respect to projects; payments

- (a) Any State desiring to receive assistance for a project for construction of State home facilities (or acquisition of a facility to be used as a State home facility) must submit to the Secretary an application. Such application shall set forth the following:
 - (1) The amount of the grant requested with respect to such project which may not exceed 65 percent of the estimated cost of construction (or of the estimated cost of facility acquisition and construction) of such project.
 - (2) A description of the site for such project.
 - (3) Plans and specifications for such project in accordance with regulations prescribed by the Secretary pursuant to section 8134(a)(2) of this title.
 - (4) Reasonable assurance that upon completion of such project the facilities will be used principally to furnish to veterans the level of care for which such application is made and that not more than 25 percent of the bed occupancy at any one time will consist of patients who are not receiving such level of care as veterans.
 - (5) Reasonable assurance that title to such site is or will be vested solely in the applicant, a State home, or another agency or instrumentality of the State.
 - (6) Reasonable assurance that adequate financial support will be available for the construction of the project (or for facility acquisition and construction of the project) by July 1 of the fiscal year for which the application is approved and for its maintenance and operation when complete.
 - (7) Reasonable assurance that the State will make such reports in such form and containing such information as the Secretary may from time to time reasonably require, and give the Secretary, upon demand, access to the records upon which such information is based.
 - (8) Reasonable assurance that the rates of pay for laborers and mechanics engaged in construction of the project will be not less than the prevailing local wage rates for similar work as determined in accordance with the Act of March 3, 1931 (40 U.S.C. 276a–276a–5) (known as the Davis-Bacon Act).
 - (9) In the case of a project for acquisition of a facility, reasonable assurance that the estimated total cost of acquisition of the facility and of any expansion, remodeling, and alteration of the acquired facility will not be greater than the estimated cost of construction of an equivalent new facility.

(b)(1) Any State seeking to receive assistance under this subchapter for a project that would involve construction or acquisition of either nursing home or domiciliary facilities shall include with

its application under subsection (a) the following:

(A) Documentation (i) that the site for the project is in reasonable proximity to a sufficient concentration and population of veterans who are 65 years of age and older, and (ii) that there is a reasonable basis to conclude that the facilities when complete will be fully occupied.

(B) A financial plan for the first three years of operation of

such facilities.

(C) A five-year capital plan for the State home program for that State.

(2) Failure to provide adequate documentation under paragraph (1)(A) or to provide an adequate financial plan under paragraph (1)(B) shall be a basis for disapproving the application.

(c)(1) Upon receipt of an application under subsection (a) for fi-

nancial assistance under this subchapter, the Secretary—

(A) shall determine whether the application meets the requirements of this section and of the regulations prescribed under section 8134 of this title;

(B) shall notify the State submitting the application whether the application conforms with those requirements and, if it does not, of the actions necessary to bring the application into conformance with those requirements; and

(C) shall determine the priority of the project described in the application in accordance with the provisions of this sub-

section.

- (2) Subject to paragraphs (3) and (5)(C) of this subsection, the Secretary shall accord priority to applications in the following order:
 - (A) An application from a State that has made sufficient funds available for the project for which the grant is requested so that such project may proceed upon approval of the grant without further action required by the State to make such funds available for such purpose.

(B) An application from a State for a project at an existing facility to remedy a condition or conditions that have been cited by an accrediting institution, by the Secretary, or by a local licensing or approving body of the State as being threatening to the lives or safety of the patients in the facility.

(C) An application from a State that has not previously applied for award of a grant under this subchapter for construc-

tion or acquisition of a State nursing home.

(D) An application for construction or acquisition of a nursing home or domiciliary from a State that the Secretary determines, in accordance with regulations under this subchapter, has a great need for the beds to be established at such home or facility.

(E) An application from a State for renovations to a State home facility other than renovations described in subpara-

graph (B).

(F) An application for construction or acquisition of a nursing home or domiciliary from a State that the Secretary deter-

mines, in accordance with regulations under this subchapter, has a significant need for the beds to be established at such home or facility.

(G) An application that meets other criteria as the Secretary determines appropriate and has established in regulations.

(H) An application for construction or acquisition of a nursing home or domiciliary from a State that the Secretary determines, in accordance with regulations under this subchapter, has a limited need for the beds to be established at such home or facility.

(3) In according priorities to projects under paragraph (2) of this subsection, the Secretary—

(A) may not accord any priority to a project for the construc-

tion or acquisition of a hospital; and

(B) may not accord any priority to a project which would expand a State's capacity to furnish hospital care in a State home.

(4) The Secretary shall establish a list of approved projects (including projects that have been conditionally approved under paragraph (6) of this subsection), in the order of their priority, as of August 15 of each year. The Secretary shall award grants in the order of their priority on the list during the fiscal year beginning on October 1 of the calendar year in which the list was made.

(5)(A) The Secretary shall defer approval of an application that otherwise meets the requirements of this section if the State submitting the application does not, by the July 1 deadline (as defined in subparagraph (D) of this paragraph), demonstrate to the satisfaction of the Secretary that the State has provided adequate finan-

cial support for construction of the project.

(B) In a case in which approval of an application is deferred under subparagraph (A) of this paragraph, the Secretary shall select for award of a grant or grants under this subsection an application or applications which would not have been approved during the fiscal year but for the deferral and to which the Secretary accords the highest priority under paragraph (2) of this subsection.

(C) An application deferred in accordance with the requirements of this paragraph shall be accorded priority in any subsequent fiscal year ahead of applications that had not been approved before the first day of the fiscal year in which the deferred application was first approved.

(D) For the purposes of this paragraph, the term "July 1 deadline" means July 1 of the fiscal year in which the State is notified by the Secretary of the availability of funding for a grant for such

project.

(6)(A) The Secretary may conditionally approve a project under this section, conditionally award a grant for the project, and obligate funds for the grant if the Secretary determines that the application for the grant is sufficiently complete to warrant awarding the grant and that, based on assurances provided by the State submitting the application, the State will complete the application and meet all the requirements referred to in paragraph (1)(A) of this subsection by the date, not later than 180 days after the date of the conditional approval, specified by the Secretary.

(B) If a State does not complete the application and meet all the requirements referred to in such paragraph by the date specified by the Secretary under subparagraph (A) of this paragraph, the Secretary shall rescind the conditional approval and award under such subparagraph and deobligate the funds previously obligated in connection with the application. In the event the Secretary rescinds conditional approval of a project under this subparagraph, the Secretary may not further obligate funds for the project during the fis-

cal year in which the Secretary rescinds such approval.

(7)(A) Subject to subparagraph (B) of this paragraph, the Secretary may increase the amount of any grant awarded to any State for a project under this section by an amount by which the Secretary determines that the estimated cost of the construction or acquisition has increased from the estimated cost on which the Secretary based the determination to award the grant, without regard to the position of such project on the list established under paragraph (4) of this subsection, if the Secretary determines that the grant was awarded before the State entered into a contract for the construction or acquisition provided for in such project.

(B) A grant may not be increased under subparagraph (A) of this paragraph by more than 10 percent of the amount of the grant initially awarded for such project, and the amount of such grant, as increased, may not exceed 65 percent of the cost of the project.

(d) No application submitted to the Secretary under this section shall be disapproved until the Secretary has afforded the applicant

notice and an opportunity for a hearing.

(e) The amount of a grant under this subchapter shall be paid to the applicant or, if designated by the applicant, the State home for which such project is being carried out or any other agency or instrumentality of the applicant. Such amount shall be paid, in advance or by way of reimbursement, and in such installments consistent with the progress of the project as the Secretary may determine and certify for payment to the Secretary of the Treasury. Funds paid under this section for an approved project shall be used solely for carrying out such project as so approved.

(f) Any amendment of any application, whether or not approved, shall be subject to approval in the same manner as an original ap-

plication.

§8136. Recapture provisions

(a) If, within the 20-year period beginning on the date of the approval by the Secretary of the final architectural and engineering inspection of any project with respect to which a grant has been

made under this subchapter (except that the Secretary, pursuant to regulations which the Secretary shall prescribe, may at the time of such grant provide for a shorter period than 20, but not less than seven years, based on the magnitude of the project and the grant amount involved, in the case of the acquisition, expansion, remodeling, or alteration of existing facilities), the facilities covered by the project cease to be operated by a State, a State home, or an agency or instrumentality of a State principally for furnishing domiciliary, nursing home, or hospital care to veterans, the United States shall be entitled to recover from the State which was the recipient of the grant under this subchapter, or from the then owner of such facilities, 65 percent of the then value of such project (but in no event an amount greater than the amount of assistance provided under this subchapter), as determined by agreement of the parties or by action brought in the district court of the United States for the district in which such facilities are situated.

(b) The establishment and operation by the Secretary of an outpatient clinic in facilities described in subsection (a) shall not constitute grounds entitling the United States to any recovery under that subsection.

§ 8153. Sharing of health-care resources

(a)(1) To secure health-care resources which otherwise might not be feasibly available, or to effectively utilize certain other healthcare resources, the Secretary may, when the Secretary determines it to be in the best interest of the prevailing standards of the Department medical care program, make arrangements, by contract or other form of agreement for the mutual use, or exchange of use, of health-care resources between Department health-care facilities and any health-care provider, or other entity or individual.

(2) The Secretary may enter into a contract or other agreement under paragraph (1) if such resources are not, or would not be,

used to their maximum effective capacity.

(3)(A) If the health-care resource required is a commercial service, the use of medical equipment or space, or research, and is to be acquired from an institution affiliated with the Department in accordance with section 7302 of this title, including medical practice groups and other entities associated with affiliated institutions, blood banks, organ banks, or research centers, the Secretary may make arrangements for acquisition of the resource without regard to any law or regulation (including any Executive order, circular, or other administrative policy) that would otherwise require the use of competitive procedures for acquiring the resource.

(B)(i) If the health-care resource required is a commercial service or the use of medical equipment or space, and is not to be acquired from an entity described in subparagraph (A), any procurement of the resource may be conducted without regard to any law or regulation that would otherwise require the use of competitive proce-

dures for procuring the resource, but only if the procurement is conducted in accordance with the simplified procedures prescribed

pursuant to clause (ii).

(ii) The Secretary, in consultation with the Administrator for Federal Procurement Policy, may prescribe simplified procedures for the procurement of health-care resources under this subparagraph. The Secretary shall publish such procedures for public comment in accordance with section 22 of the Office of Federal Procurement Policy Act (41 U.S.C. 418b). Such procedures shall permit all responsible sources, as appropriate, to submit a bid, proposal, or quotation (as appropriate) for the resources to be procured and provide for the consideration by the Department of bids, proposals, or quotations so submitted.

(iii) Pending publication of the procedures under clause (ii), the Secretary shall (except as provided under subparagraph (A)) procure health-care resources referred to in clause (i) in accordance

with all procurement laws and regulations.

(C) Any procurement of health-care resources other than those covered by subparagraph (A) or (B) shall be conducted in accord-

ance with all procurement laws and regulations.

- (D) For any procurement to be conducted on a sole source basis other than a procurement covered by subparagraph (A), a written justification shall be prepared that includes the information and is approved at the levels prescribed in section 303(f) of the Federal Property and Administrative Services Act of 1949 (41 U.S.C.
- (E) As used in this paragraph, the term "commercial service" means a service that is offered and sold competitively in the commercial marketplace, is performed under standard commercial terms and conditions, and is procured using firm-fixed price contracts.
- (b) Arrangements entered into under this section shall provide for payment to the Department in accordance with procedures that provide appropriate flexibility to negotiate payment which is in the best interest of the Government. Any proceeds to the Government received therefrom shall be credited to the applicable Department medical appropriation and to funds that have been allotted to the facility that furnished the resource involved.
- (c) Eligibility for hospital care and medical services furnished any veteran pursuant to this section shall be subject to the same terms as though provided in a Department health care facility, and provisions of this title applicable to persons receiving hospital care or medical services in a Department health care facility shall apply to veterans treated under this subsection.
- (d) When a Department health care facility provides hospital care or medical services, pursuant to a contract or agreement authorized by this section, to an individual who is not eligible for such care or services under chapter 17 of this title and who is entitled to hospital or medical insurance benefits under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.), such benefits shall be paid, notwithstanding any condition, limitation, or other provision in that title which would otherwise preclude such payment to such facility for such care or services or, if the contract or agreement so provides, to the community health care facility which is a party to the contract or agreement.
- (e) The Secretary may make an arrangement that authorizes the furnishing of services by the Secretary under this section to individuals who are not veterans only if the Secretary determines—
 - (1) that veterans will receive priority under such an arrangement; and
 - (2) that such an arrangement—

(A) is necessary to maintain an acceptable level and quality of service to veterans at that facility; or

(B) will result in the improvement of services to eligible

veterans at that facility.

(f) Any amount received by the Secretary from a non-Federal entity as payment for services provided by the Secretary during a prior fiscal year under an agreement entered into under this section may be obligated by the Secretary during the fiscal year in which the Secretary receives the payment.

(g) The Secretary shall submit to the Congress not more than 60 days after the end of each fiscal year a report on the activities car-

ried out under this section. Each report shall include—

(1) an appraisal of the effectiveness of the activities authorized in this section and the degree of cooperation from other sources, financial and otherwise; and

(2) recommendations for the improvement or more effective administration of such activities.

§8154. Exchange of medical information

(a) The Secretary is authorized to enter into agreements with medical schools, hospitals, research centers, and individual members of the medical profession under which medical information and techniques will be freely exchanged and the medical information services of all parties to the agreement will be available for use by any party to the agreement under conditions specified in the agreement. In carrying out the purposes of this section, the Secretary shall utilize recent developments in electronic equipment to provide a close educational, scientific, and professional link between Department hospitals and major medical centers. Such agreements shall be utilized by the Secretary to the maximum extent practicable to create, at each Department hospital which is a part of any such agreement, an environment of academic medicine which will help such hospital attract and retain highly trained and qualified members of the medical profession.

(b) In order to bring about utilization of all medical information in the surrounding medical community, particularly in remote areas, and to foster and encourage the widest possible cooperation and consultation among all members of the medical profession in such community, the educational facilities and programs established at Department hospitals and the electronic link to medical centers shall be made available for use by the surrounding medical community (including State home facilities furnishing domiciliary, nursing home, or hospital care to veterans). The Secretary may charge a fee for such services (on annual or like basis) at rates which the Secretary determines, after appropriate study, to be fair

and equitable. The financial status of any user of such services shall be taken into consideration by the Secretary in establishing the amount of the fee to be paid. Any proceeds to the Government received therefrom shall be credited to the applicable Department

medical appropriation.

(c) The Secretary is authorized to enter into agreements with public and nonprofit private institutions, organizations, corporations, and other entities in order to participate in cooperative health-care personnel education programs within the geographical area of any Department health-care facility located in an area remote from major academic health centers.

- (ii) the lease will not be inconsistent with and will not adversely affect the mission of the Department; and

(iii) the lease will enhance the use of the property; or

(B) the Secretary determines that the implementation of a business plan proposed by the Under Secretary for Health for applying the consideration under such a lease to the provision of medical care and services would result in a demonstrable improvement of services to eligible veterans in the geographic service-delivery area within which the property is located.

(3) The provisions of the Act of March 3, 1931 (40 U.S.C. 276a et seq.), shall not, by reason of this section, become inapplicable to property that is leased to another party under an enhanced-use

(B) use minor construction funds for capital contribution payments.

(c)(1) Subject to paragraph (2), the entering into an enhanced-use lease covering any land or improvement described in section 421(b)(2) of the Veterans' Benefits and Services Act of 1988 (Public Law 100-322; 102 Stat. 553) shall be considered to be prohibited by that section unless specifically authored by law.

(2) The entering into an enhanced-use lease by the Secretary covering any land or improvement described in such section 421(b)(2) shall not be considered to be prohibited under that section if under the lease-

(A) the designated property is to be used only for child-care services:

§ 8201. Coordination with public health programs; administration

- (a) The Secretary and the Secretary of Health and Human Services shall, to the maximum extent practicable, coordinate the programs carried out under this chapter and the programs carried out under titles VII, VIII, and IX of the Public Health Service Act (42 U.S.C. 292 et seq.).

- (d) Payments made pursuant to grants under this chapter may be made in installments, and either in advance or by way of reimbursement, with necessary adjustments on account of overpayments or underpayments, as the Secretary may determine.

(e) In carrying out the purposes of this chapter, the Secretary may lease to any eligible institution for such consideration and under such terms and conditions as the Secretary deems appropriate, such land, buildings, and structures (including equipment therein) under the control and jurisdiction of the Department as may be necessary. The three-year limitation on the term of a lease prescribed in section 8122(a) of this title shall not apply with respect to any lease entered into pursuant to this chapter, but no such lease may be for a period of more than 50 years. Any lease entered into pursuant to this chapter may be entered into without regard to the provisions of section 3709 of the Revised Statutes (41 U.S.C. 5). Notwithstanding section 321 of the Act of June 30, 1932 (40 U.S.C. 303b), or any other provision of law, a lease entered into pursuant to this chapter may provide for the maintenance, protection, or restoration, by the lessee, of the property leased, as a part or all of the consideration of the lease.

(f) In making grants under this chapter, the Secretary shall give special consideration to applications from institutions which provide reasonable assurances, which shall be included in the grant agreement, that priority for admission to health manpower and training programs carried out by such institutions will be given to otherwise qualified veterans who during their military service acquired medical military occupation specialties, and that among such qualified veterans those who served during the Vietnam era and those who are entitled to disability compensation under laws administered by the Secretary or whose discharge or release was for a disability incurred or aggravated in line of duty will be given the highest priority. In carrying out this chapter and section 7302 of this title in connection with health manpower and training programs assisted or conducted under this title or in affiliation with a Department medical facility, the Secretary shall take appropriate steps to encourage the institutions involved to afford the priorities described in the first sentence of this subsection and to advise all qualified veterans with such medical military occupation specialties of the steps the Secretary has taken under this subsection and the opportunities available to them as a result of such steps.

(g)(1) Each recipient of assistance under this chapter shall keep such records as the Secretary shall prescribe, including records which fully disclose the amount and disposition by such recipient of the proceeds of such assistance, the total cost of the project or undertaking in connection with which such assistance is made or used, the amount of that portion of the cost of the project or undertaking supplied by other sources, and such records as will facilitate an effective audit.

§8502. Disposition of unclaimed personal property

(a) Notwithstanding the provisions of section 8501 of this title, the Secretary may dispose of the personal property of such decedent left or found upon such premises as hereafter provided in this

subchapter.

(b) If any veteran (admitted as a veteran), or a dependent or survivor of a veteran receiving care under the penultimate sentence of section 1781(b) of this title, upon such person's last admission to, or during such person's last period of maintenance in, a Department facility, has personal property situated on such facility and shall have designated in writing a person (natural or corporate) to receive such property when such veteran, dependent or survivor dies, the Secretary or employee of the Department authorized by the Secretary so to act, may transfer possession of such personal property to the person so designated. If there exists no person so designated by such veteran, dependent, or survivor or if the one so designated declines to receive such property, or failed to request such property within ninety days after the Department mails to such designate a notice of death and of the fact of such designation, a description of the property, and an estimate of transportation cost, which shall be paid by such designate if required under the regulations hereinafter mentioned, or if the Secretary declines to transfer possession to such designate, possession of such property may in the discretion of the Secretary or the Secretary's designated subordinate, be transferred to the following persons in the order and manner herein specified unless the parties otherwise agree in writing delivered to the Department, namely, executor or administrator, or if no notice of appointment received, to the spouse, children, grandchildren, parents, grandparents, siblings of the veteran. If claim is made by two or more such relatives having equal priorities, as hereinabove prescribed, or if there are conflicting claims the Secretary or the Secretary's designee may in such case deliver the property either jointly or separately in equal values, to those equally entitled thereto or may make delivery as may be agreed upon by those entitled, or may in the discretion of the Secretary or the Secretary's designee withhold delivery from them and require the qualification of an administrator or executor of the veterans' estate and thereupon make delivery to such.

(c) If the property of any decedent is not so delivered or claimed and accepted the Secretary or the Secretary's designee may dispose of such property by public or private sale in accordance with the provisions of this subchapter and regulations prescribed by the Sec-

retary.

(d) All sales authorized by this subchapter shall be for cash upon delivery at the premises where sold and without warranty, express or implied. The proceeds of such sales after payment of any expenses incident thereto as may be prescribed by regulations, together with any other moneys left or found on a facility, not disposed of in accordance with this subchapter, shall be credited to the General Post Fund, National Homes, Department of Veterans Affairs, a trust fund provided for in section 1321(a)(45) of title 31. In addition to the purposes for which such fund may be used under the existing law, disbursements may be made therefrom as authorized by the Secretary by regulation or otherwise for the purpose of satisfying any legal liability incurred by any employee in administering the provisions of this subchapter, including any expense incurred in connection therewith. Legal liability shall not exist when delivery or sale shall have been made in accordance with this subchapter.

(e) If, notwithstanding such sale, a claim is filed with the Secretary within five years after notice of sale as herein required, by or on behalf of any person or persons who if known would have been entitled to the property under section 8501 of this title or to possession thereof under this section, the Secretary shall determine the person or persons entitled under the provisions of this subchapter and may pay to such person or persons so entitled the proceeds of sale of such property, less expenses. Such payment shall be made out of the said trust fund, and in accord with the provisions of this section or section 8501 of this title. Persons under legal disability to sue in their own name may make claim for the proceeds of sale of such property at any time within five years after

termination of such legal disability.

(f) Any such property, the sale of which is authorized under this subchapter and which remains unsold, may be used, destroyed, or otherwise disposed of in accordance with regulations promulgated by the Secretary.

If undisposed of, the same may be reclaimed by the owner, such person's personal representative or next of kin, upon payment of reasonable storage charges prescribed by regulations. If sold, the net proceeds thereof shall be credited to said post fund to be expended as other assets of such fund. The person who was entitled to such property, or such person's legal representative, or assignee, shall be paid the proceeds of sale thereof, less expenses if claim therefor be made within five years from the date of finding. §8520. Vesting of property left by decedents

- (a) Whenever any veteran (admitted as a veteran), or a dependent or survivor of a veteran receiving care under the penultimate sentence of section 1781(b) of this title, shall die while a member or patient in any facility, or any hospital while being furnished care or treatment therein by the Department, and shall not leave any surviving spouse, next of kin, or heirs entitled, under the laws of the decedent's domicile, to the decedent's personal property as to which such person dies intestate, all such property, including money and chooses in action, owned by such person at the time of death and not disposed of by will or otherwise, shall immediately vest in and become the property of the United States as trustee for the sole use and benefit of the General Post Fund (hereinafter in this subchapter referred to as the "Fund"), a trust fund prescribed by section 1321(a)(45) of title 31.
- (b) The provisions of subsection (a) are conditions precedent to the initial, and also to the further furnishing of care or treatment by the Department in a facility or hospital. The acceptance and the continued acceptance of care or treatment by any veteran (admitted as a veteran to a Department facility or hospital) shall constitute an acceptance of the provisions and conditions of this subchapter and have the effect of an assignment, effective at such person's death, of such assets in accordance with and subject to the provisions of this subchapter and regulations issued in accordance with this subchapter.

The fact of death of a veteran (admitted as such), or a dependent or survivor of a veteran receiving care under the penultimate sentence of section 1781(b) of this title, in a facility or hospital, while being furnished care or treatment therein by the Department, leaving no spouse, next of kin, or heirs, shall give rise to a conclusive presumption of a valid contract for the disposition in accordance with this subchapter, but subject to its conditions, of all property described in section 8520 of this title owned by said decedent at death and as to which such person dies intestate.

§8522. Sale of assets accruing to the Fund

Any assets heretofore or hereafter accruing to the benefit of the Fund, other than money, but including jewelry and other personal effects, may be sold at the times and places and in the manner prescribed by regulations issued by the Secretary. Upon receipt of the purchase price the Secretary is authorized to deliver at the place of sale, said property sold, and upon request to execute and deliver appropriate assignments or other conveyances thereof in the name of the United States, which shall pass to the purchaser such title as decedent had at date of death. The net proceeds after paying any proper sales expense as determined by the Secretary shall forthwith be paid to the Treasurer of the United States to the credit of the Fund; and may be disbursed as are other moneys in the Fund by the Division of Disbursements, Treasury Department, upon order of said Secretary. Articles of personal adornment which are obviously of sentimental value, shall be retained and not sold or otherwise disposed of until the expiration of five years from the date of death of the veteran, without a claim therefor, unless for sanitary or other proper reasons it is deemed unsafe to retain same, in which event they may be destroyed forthwith. Any other articles coming into possession of the Secretary or the Secretary's representative by virtue of this subchapter which, under regulations promulgated by the Secretary, are determined to be unsalable may be destroyed forthwith or at the time prescribed by regulations, or may be used for the purposes for which disbursements might properly be made from the Fund, or if not usable, otherwise disposed of in accordance with regulations.

§8523. Disbursements from the Fund

Disbursements from the Fund shall be made by the Division of Disbursements, Treasury Department, upon the order and within the discretion of the Secretary for the benefit of members and patients while being supplied care or treatment by the Department in any facility or hospital. The authority contained in the preceding sentence is not limited to facilities or hospitals under direct administrative control of the Department. There shall be paid out of the assets of the decedent so far as may be the valid claims of creditors against the decedent's estate that would be legally payable therefrom in the absence of this subchapter and without the benefit of any exemption statute, and which may be presented to the Department within one year from the date of death, or within the time, to the person, and in the manner required or permitted by the law of the State wherein administration, if any, is had upon the estate of the deceased veteran; and also the proper expenses and costs of administration, if any. If the decedent's estate is insolvent the distribution to creditors shall be in accordance with the laws of the decedent's domicile, and the preferences and priorities prescribed thereby shall govern, subject to any applicable law of the United States.

§8524. Disposal of remaining assets

The remainder of such assets or their proceeds shall become assets of the United States as trustee for the Fund and disposed of in accordance with this subchapter. If there is administration upon the decedent's estate such assets, other than money, upon claim therefor within the time required by law, shall be delivered by the administrator of the estate to the Secretary or the Secretary's authorized representative, as upon final distribution; and upon the same claim there shall be paid to the Treasurer of the United States for credit to the Fund any such money, available for final distribution. In the absence of administration, any money, chose in action, or other property of the deceased veteran held by any person shall be paid or transferred to the Secretary upon demand by the Secretary or the Secretary's duly authorized representative, who shall deliver itemized receipt therefor. Such payment or transfer shall constitute a complete acquittance of the transferor with respect to any claims by any administrator, creditor, or next of kin of such decedent.

§8526. Filing of claims for assets

Notwithstanding the crediting to said Fund of the assets, or proceeds thereof, of any decedent, whether upon determination by a court or the Department pursuant to the provisions of section 8520 of this title, any person claiming a right to such assets may within five years after the death of the decedent file a claim on behalf of such person and any other claiming with the Secretary. Upon receipt of due proof that any person was at date of death of the veteran entitled to the veteran's personal property, or a part thereof, under the laws of the State of domicile of the decedent, the Secretary may pay out of the Fund, but not to exceed the net amount credited thereto from said decedent's estate less any necessary expenses, the amount to which such person, or persons, was or were so entitled, and upon similar claim any assets of the decedent which shall not have been disposed of shall be delivered in kind to the parties legally entitled thereto. If any person so entitled is under legal disability at the date of death of such decedent, such five-year period of limitation shall run from the termination or removal of legal disability. In the event of doubt as to entitlement,

the Secretary may cause administration or other appropriate proceedings to be instituted in any court having jurisdiction. In determining questions of fact or law involved in the adjudication of claims made under this section, no judgment, decree, or order entered in any action at law, suit in equity, or other legal proceeding of any character purporting to determine entitlement to said assets or any part thereof, shall be binding upon the United States or the Secretary or determinative of any fact or question involving entitlement to any such property or the proceeds thereof, or any part of the Fund, unless the Secretary has been seasonably served with notice and permitted to become a party to such suit or proceeding if the Secretary makes a request therefor within thirty days after such notice. Notice may be served in person or by registered mail or by certified mail upon the Secretary, or upon the Secretary's authorized attorney in the State wherein the action or proceedings may be pending. Notice may be waived by the Secretary or by the Secretary's authorized attorney, in which event the finding, judgment, or decree shall have the same effect as if the Secretary were a party and served with notice. Any necessary court costs or expenses if authorized by the Secretary may be paid as are other administrative expenses of the Department.

SEC. 200 [50 U.S.C. App. 520]. (1) In any action or proceeding commenced in any court, if there shall be a default of any appearance by the defendant, the plaintiff, before entering judgment shall file in the court an affidavit setting forth facts showing that the defendant is not in military service. If unable to file such affidavit plaintiff shall in lieu thereof file an affidavit setting forth either that the defendant is in the military service or that plaintiff is not able to determine whether or not defendant is in such service. If an affidavit is not filed showing that the defendant is not in the military service, no judgment shall be entered without first securing an order of court directing such entry, and no such order shall be made if the defendant is in such service until after the court shall have appointed an attorney to represent defendant and protect his interest, and the court shall on application make such appointment. Unless it appears that the defendant is not in such service the court may require, as a condition before judgment is entered, that the plaintiff file a bond approved by the court conditioned to indemnify the defendant, if in military service, against any loss or damage that he may suffer by reason of any judgment should the judgment be thereafter set aside in whole or in part. And the court may make such other and further order or enter such judgment as in its opinion may be necessary to protect the rights of the defendant under this Act. Whenever, under the laws applicable with respect to any court, facts may be evidenced, established, or proved by an unsworn statement, declaration, verification, or certificate, in writing, subscribed and certified or declared to be true under penalty of perjury, the filing of such an unsworn statement, declaration, verification, or certificate shall satisfy the requirement of this subdivision that facts be established by

ceed one year or by fine not to exceed \$1,000, or both.

(3) In any action or proceeding in which a person in military service is a party if such party does not personally appear therein or is not represented by an authorized attorney, the court may appoint an attorney to represent him; and in such case a like bond may be required and an order made to protect the rights of such person. But no attorney appointed under this Act to protect a person in military service shall have power to waive any right of the

person for whom he is appointed or bind him by his acts.

(4) If any judgment shall be rendered in any action or proceeding governed by this section against any person in military service during the period of such service or within thirty days thereafter, and it appears that such person was prejudiced by reason of his military service in making his defense thereto, such judgment may, upon application, made by such person or his legal representative, not later than ninety days after the termination of such service, be opened by the court rendering the same and such defendant or his legal representative let in to defend; provided it is made to appear that the defendant has a meritorious or legal defense to the action or some part thereof. Vacating, setting aside, or reversing any judgment because of any of the provisions of this Act shall not impair any right or title acquired by any bona fide purchaser for value under such judgment.

SEC. 201 [50 U.S.C. App. 521]. At any stage thereof any action or proceeding in any court in which a person in military service is involved, either as plaintiff or defendant, during the period of such service or within sixty days thereafter may, in the discretion of the court in which it is pending, on its own motion, and shall, on application to it by such person or some person on his behalf, be stayed as provided in this Act unless, in the opinion of the court, the ability of plaintiff to prosecute the action or the defendant to conduct his defense is not materially affected by reason of his military service.

SEC. 202 [50 U.S.C. App. 522]. When an action for compliance with the terms of any contract is stayed pursuant to this Act no fine or penalty shall accrue by reason of failure to comply with the terms of such contract during the period of such stay, and in any case where a person fails to perform any obligation and a fine or penalty for such nonperformance is incurred a court may, on such terms as may be just, relieve against the enforcement of such fine or penalty if it shall appear that the person who would suffer by such fine or penalty was in the military service when the penalty was incurred and that by reason of such service the ability of such person to pay or perform was thereby materially impaired.

SEC. 203 [50 U.S.C. App. 523]. In any action or proceeding commenced in any court against a person in military service, before or during the period of such service, or within sixty days thereafter, the court may, in its discretion, on its own motion, or on application to it by such person or some person on his behalf shall, unless in the opinion of the court the ability of the defendant to comply

with the judgment or order entered or sought is not materially affected by reason of his military service—

(a) Stay the execution of any judgment or order entered against

such person, as provided in this Act; and

(b) Vacate or stay any attachment or garnishment of property, money, or debts in the hands of another, whether before or after judgment as provided in this Act.

SEC. 204 [50 U.S.C. App. 524]. Any stay of any action, proceeding, attachment, or execution, ordered by any court under the provisions of this Act may, except as otherwise provided, be ordered for the period of military service and three months thereafter or any part of such period, and subject to such terms as may be just, whether as to payment in installments of such amounts and at such times as the court may fix or otherwise. Where the person in military service is a codefendant with others the plaintiff may nevertheless by leave of court proceed against the others.

SEC. 205 [50 U.S.C. App. 525]. The period of military service shall not be included in computing any period now or hereafter to be limited by any law, regulation, or order for the bringing of any action or proceeding in any court, board, bureau, commission, department, or other agency of government by or against any person in military service or by or against his heirs, executors, administrators, or assigns, whether such cause of action or the right or privilege to institute such action or proceeding shall have accrued prior to or during the period of such service, nor shall any part of such period which occurs after October 6, 1942, be included in computing any period now or hereafter provided by any law for the redemption of real property sold or forfeited to enforce any obligation, tax, or assessment.

SEC. 206 [50 U.S.C. App. 526]. No obligation or liability bearing interest at a rate in excess of 6 percent per year incurred by a person in military service before that person's entry into that service shall, during any part of the period of military service, bear interest at a rate in excess of 6 percent per year unless, in the opinion of the court, upon application thereto by the obligee, the ability of such person in military service to pay interest upon such obligation or liability at a rate in excess of 6 percent per year is not materially affected by reason of such service, in which case the court may make such order as in its opinion may be just. As used in this section the term "interest" includes service charges, renewal charges, fees, or any other charges (except bona fide insurance) in respect of such obligation or liability.

SEC. 207 [50 U.S.C. App. 527]. Section 205 of this Act shall not apply with respect to any period of limitation prescribed by or under the internal revenue laws of the United States.

ARTICLE III.—RENT, INSTALLMENT CONTRACTS, MORTGAGES, LIENS, ASSIGNMENTS, LEASES

SEC. 300 [50 U.S.C. App. 530]. (a) No eviction or distress shall be made during the period of military service in respect of any premises for which the agreed rent does not exceed \$1,200 per month, occupied chiefly for dwelling purposes by the wife, children, or other dependents of a person in military service, except upon

leave of court granted upon application therefor or granted in an

action or proceeding affecting the right of possession.

(b) On any such application or in any such action the court may, in its discretion, on its own motion, and shall, on application, unless in the opinion of the court the ability of the tenant to pay the agreed rent is not materially affected by reason of such military service, stay the proceedings for not longer than three months, as provided in this Act, or it may make such other order as may be just. Where such stay is granted or other order is made by the court, the owner of the premises shall be entitled, upon application therefor, to relief in respect of such premises similar to that granted persons in military service in sections 301, 302, and 500 of this Act to such extent and for such period as may appear to the court to be just.

(c) Any person who shall knowingly take part in any eviction or distress otherwise than as provided in subsection (a), or attempts so to do, shall be fined as provided in title 18, United States Code,

or imprisoned for not to exceed one year, or both.

(d) The Secretary of Defense or Secretary of Transportation, with respect to the Coast Guard when it is not operating as a service in the Navy, is hereby empowered, subject to such regulations as he may prescribe, to order an allotment of the pay of a person in military service in reasonable proportion to discharge the rent of premises occupied for dwelling purposes by the wife, children, or other dependents of such person.

SEC. 301 [50 U.S.C. App. 531]. (1) No person who has received, or whose assignor has received, under a contract for the purchase of real or personal property, or of lease or bailment with a view to purchase of such property, a deposit or installment of the purchase price, or a deposit or installment under the contract, lease, or bailment, from a person or from the assignor of a person who, after the date of payment of such deposit or installment, has entered military service, shall exercise any right or option under such contract to rescind or terminate the contract or resume possession of the property for nonpayment of any installment thereunder due or for any other breach of the terms thereof occurring prior to or during the period of such military service, except by action in a court of competent jurisdiction.

(2) Any person who shall knowingly resume possession of property which is the subject of this section otherwise than as provided in subsection (1) of this section or in section 107, or attempts so to do, shall be fined as provided in title 18, United States Code, or

imprisoned for not to exceed one year, or both.

(3) Upon the hearing of such action the court may order the repayment of prior installments or deposits or any part thereof, as a condition of terminating the contract and resuming possession of the property, or may, in its discretion, on its own motion, and shall, on application to it by such person in military service or some person on his behalf, order a stay of proceedings as provided in this Act unless, in the opinion of the court, the ability of the defendant to comply with the terms of the contract is not materially affected by reason of such service; or it may make such other disposition of the case as may be equitable to conserve the interests of all parties.

SEC. 302 [50 U.S.C. App. 532]. (1) The provisions of this section shall apply only to obligations secured by mortgage, trust deed, or other security in the nature of a mortgage upon real or personal property owned by a person in military service at the commencement of the period of the military service and still so owned by him which obligations originated prior to such person's period of military service.

(2) In any proceedings commenced in any court during the period of military service to enforce such obligation arising out of non-payment of any sum thereunder due or out of any other breach of the terms thereof occurring prior to or during the period of such service the court may, after hearing, in its discretion, on its own motion, and shall, on application to it by such person in military service or some person on his behalf, unless in the opinion of the court the ability of the defendant to comply with the terms of the obligation is not materially affected by reason of his military service—

(a) stay the proceedings as provided in this Act; or

(b) make such other disposition of the case as may be equitable to conserve the interests of all parties.

(3) No sale, foreclosure, or seizure of property for nonpayment of any sum due under any such obligation, or for any other breach of the terms thereof, whether under a power of sale, under a judgment entered upon warrant of attorney to confess judgment contained therein, or otherwise, shall be valid if made during the period of military service or within three months thereafter, except pursuant to an agreement as provided in section 107, unless upon an order previously granted by the court and a return thereto made and approved by the court.

(4) Any person who shall knowingly make or cause to be made any sale, foreclosure, or seizure of property, defined as invalid by subsection (3) hereof, or attempts so to do, shall be fined as provided in title 18, United States Code, or imprisoned for not to exceed one year, or both.

SEC. 303 [50 U.S.C. App. 533]. Where a proceeding to foreclose a mortgage upon or to resume possession of personal property, or to rescind or terminate a contract for the purchase thereof, has been stayed as provided in this Act, the court may, unless in its opinion an undue hardship would result to the dependents of the person in military service, appoint three disinterested parties to appraise the property and, based upon the report of the appraisers, order such sum, if any, as may be just, paid to the person in military service or his dependent, as the case may be, as a condition of foreclosing the mortgage, resuming possession of the property, or rescinding or terminating the contract.

SEC. 304 [50 U.S.C. App. 534]. (1) The provisions of this section shall apply to any lease covering premises occupied for dwelling, professional, business, agricultural, or similar purposes in any case in which (a) such lease was executed by or on the behalf of a person who, after the execution of such lease, entered military service, and (b) the premises so leased have been occupied for such purposes, or for a combination of such purposes, by such person or by him and his dependents.

(2) Any such lease may be terminated by notice in writing delivered to the lessor (or his grantee) or to the lessor's (or his grantee's) agent by the lessee at any time following the date of the beginning of his period of military service. Delivery of such notice may be accomplished by placing it in an envelope properly stamped and duly addressed to the lessor (or his grantee) or to the lessor's (or his grantee's) agent and depositing the notice in the United States mails. Termination of any such lease providing for monthly payment of rent shall not be effective until thirty days after the first date on which the next rental payment is due and payable subsequent to the date when such notice is delivered or mailed. In the case of all other leases, termination shall be effected on the last day of the month following the month in which such notice is delivered or mailed and in such case any unpaid rental for a period preceding termination shall be proratably computed and any rental paid in advance for a period succeeding termination shall be refunded by the lessor (or his assignee). Upon application by the lessor to the appropriate court prior to the termination period provided for in the notice, any relief granted in this subsection shall be subject to such modifications or restrictions as in the opinion of the court justice and equity may in the circumstances require.

(3) Any person who shall knowingly seize, hold, or detain the personal effects, clothing, furniture, or other property, of any person who has lawfully terminated a lease covered by this section, or in any manner interfere with the removal of such property from the premises covered by such lease, for the purpose of subjecting or attempting to subject any of such property to a claim for rent accruing subsequent to the date of termination of such lease, or attempts so to do, shall be fined as provided in title 18, United States

Code, or imprisoned for not to exceed one year, or both.

SEC. 305 [50 U.S.C. App. 535]. (1) Where any life insurance policy on the life of a person in military service has been assigned prior to such person's period of military service to secure the payment of any obligation of such person, no assignee of such policy (except the insurer in connection with a policy loan) shall, during the period of military service of the insured or within one year thereafter, except upon the consent in writing of the insured made during such period or when the premiums thereon are due and unpaid or upon the death of the insured, exercise any right or option by virtue of such assignment unless upon leave of court granted upon an application made therefor by such assignee. The court may thereupon refuse to grant such leave unless in the opinion of the court the ability of the obligor to comply with the terms of the obligation is not materially affected by reason of his military service. For the purpose of this subsection premiums which are guaranteed under the provisions of article IV of this Act shall not be deemed to be due and unpaid.

(2) No person shall exercise any right to foreclose or enforce any lien for storage of household goods, furniture, or personal effects of a person in military service during such person's period of military service and for three months thereafter except upon an order previously granted by a court upon application therefor and a return thereto made and approved by the court. In such proceeding the court may, after hearing, in its discretion, on its own motion, and

shall, on application to it by such person in military service or some person on his behalf, unless in the opinion of the court the ability of the defendant to pay the storage charge due is not materially affected by reason of his military service—

(a) stay the proceedings as provided in this Act; or

(b) make such other disposition of the case as may be equitable to conserve the interest of all parties.

The enactment of the provisions of this subsection shall not be construed in any way as affecting or as limiting the scope of section 302 of this Act.

(3) Any person who shall knowingly take any action contrary to the provisions of this section, or attempts so to do, shall be fined as provided in title 18, United States Code, or imprisoned for not to exceed one year, or both.

SEC. 306 [50 U.S.C. App. 536]. Dependents of a person in military service shall be entitled to the benefits accorded to persons in military service under the provisions of this article upon application to a court therefor, unless in the opinion of the court the ability of such dependents to comply with the terms of the obligation, contract, lease, or bailment has not been materially impaired by reason of the military service of the person upon whom the applicants are dependent.

ARTICLE IV.—INSURANCE

SEC. 400 [50 U.S.C. App. 540]. As used in this article—

(a) The term "policy" shall include any contract of life insurance or policy on a life, endowment, or term plan, including any benefit in the nature of life insurance arising out of membership in any fraternal or beneficial association, which does not provide for the payment of any sum less than the face value thereof or for the payment of an additional amount as premiums if the insured engages in the military service of the United States as defined in section 101 of article I of this Act or which does not contain any limitation or restriction upon coverage relating to engagement in or pursuit of certain types of activities which a person might be required to engage in by virtue of his being in such military service, and (1) which is in force on a premium-paying basis at the time of application for benefits hereunder, and (2) which was made and a premium paid thereon not less than 180 days before the date the insured entered into the military service. The provisions of this Act shall not be applicable to policies or contracts of life insurance issued under the War Risk Insurance Act, as amended, the World War Veterans Act, as amended, or the National Service Life Insurance Act of 1940, as amended.

(b) The term "premium" shall include the amount specified in the policy as the stipend to be paid by the insured at regular intervals

during the period therein stated.

(c) The term "insured" shall include any person in the military service of the United States as defined in section 101, article I, of this Act, whose life is insured under and who is the owner and holder of and has an interest in a policy as above defined.

(d) The term "insurer" shall include any firm, corporation, partnership, or association chartered or authorized to engage in the in-

surance business and to issue a policy as above defined by the laws of a State of the United States or the United States.

SEC. 401 [50 U.S.C. App. 541]. The benefits and privileges of this article shall apply to any insured, when such insured, or a person designated by him, or, in case the insured is outside the continental United States (excluding Alaska and the Panama Canal Zone), a beneficiary, shall make written application for protection under this article, unless the Secretary of Veterans Affairs in passing upon such application as provided in this article shall find that the policy is not entitled to protection hereunder. The Secretary shall give notice to the military and naval authorities of the provisions of this article, and shall include in such notice an explanation of such provisions for the information of those desiring to make application for the benefits thereof. The original of such application shall be sent by the insured to the insurer, and a copy thereof to the Secretary. The total amount of insurance on the life of one insured under policies protected by the provisions of this article shall not exceed \$10,000. If an insured makes application for protection of policies on his life totaling insurance in excess of \$10,000, the Secretary is authorized to have the amount of insurance divided into two or more policies so that the protection of this article may be extended to include policies for a total amount of insurance not to exceed \$10,000, and a policy which affords the best security to the Government shall be given preference.

SEC. 402 [50 U.S.C. App. 542]. Any writing signed by the insured and identifying the policy and the insurer, and agreeing that his rights under the policy are subject to and modified by the provisions of this article, shall be sufficient as an application for the benefits of this article, but the Secretary of Veterans Affairs may require the insured and insurer to execute such other forms as may be deemed advisable. Upon receipt of the application of the insured the insurer shall furnish such report to the Secretary concerning the policy as shall be prescribed by regulations. The insured who has made application for protection under this article and the insurer shall be deemed to have agreed to such modification of the policy as may be required to give this article full force and effect with respect to such policy.

SEC. 403 [50 U.S.C. App. 543]. The Secretary of Veterans Affairs shall find whether the policy is entitled to protection under this article and shall notify the insured and the insurer of such finding. Any policy found by the Secretary to be entitled to protection under this article shall not, subsequent to date of application, and during the period of military service of the insured or during two years after the expiration of such service, lapse or otherwise terminate or be forfeited for the nonpayment of a premium becoming due and payable, or the nonpayment of any indebtedness or interest.

SEC. 404 [50 U.S.C. App. 544]. No dividend or other monetary benefit under a policy shall be paid to an insured or used to purchase dividend additions while a policy is protected by the provisions of this article except with the consent and approval of the Secretary of Veterans Affairs. If such consent is not procured, such dividends or benefits shall be added to the value of the policy to be used as a credit when final settlement is made with the insurer.

No cash value, loan value, or withdrawal of dividend accumulation, or unearned premium, or other value of similar character shall be available to the insured while the policy is protected under this article except upon approval by the Secretary of Veterans Affairs. The insured's right to change a beneficiary designation or select an optional settlement for a beneficiary shall not be affected by the provisions of this article.

SEC. 405 [50 U.S.C. App. 545]. In the event of maturity of a policy as a death claim or otherwise before the expiration of the period of protection under the provisions of this article, the insurer in making settlement will deduct from the amount of insurance the premiums guaranteed under this article, together with interest thereon at the rate fixed in the policy for policy loans. If no rate of interest is specifically fixed in the policy, the rate shall be the rate fixed for policy loans in other policies issued by the insurer at the time the policy brought under the Act was issued. The amount deducted by reason of the protection afforded by this article shall be reported by the insurer to the Secretary of Veterans Affairs.

SEC. 406 [50 U.S.C. App. 546]. Payment of premiums and interest thereon at the rate specified in section 405 hereof becoming due on a policy while protected under the provisions of this article is guaranteed by the United States, and if the amount so guaranteed is not paid to the insurer prior to the expiration of the period of insurance protection under this article, the amount then due shall be treated by the insurer as a policy loan on such policy, but if at the expiration of said period the cash surrender value is less than the amount then due, the policy shall then cease and terminate and the United States shall pay the insurer the difference between such amount and the cash surrender value. The amount paid by the United States to an insurer on account of applications approved under the provisions of this article as amended, shall become a debt due to the United States by the insured on whose account payment was made and, notwithstanding any other Act, such amount may be collected either by deduction from any amount due said insured by the United States or as otherwise authorized by law. Any moneys received as repayment of debts incurred under this article, as originally enacted and as amended, shall be credited to the appropriation for the payment of claims under this article.

SEC. 407 [50 U.S.C. App. 547]. The Secretary of Veterans Affairs shall provide by regulations for such rules of procedures and forms as he may deem advisable in carrying out the provisions of this article. The findings of fact and conclusions of law made by the Secretary in administering the provisions of this article shall be final, and shall not be subject to review by any other official or agency of the Government.

ARTICLE V.—TAXES AND PUBLIC LANDS

SEC. 500 [50 U.S.C. App. 560]. (1) The provisions of this section shall apply when any taxes or assessments, whether general or special (other than taxes on income), whether falling due prior to or during the period of military service, in respect of personal property, money, or credits, or real property owned and occupied for dwelling, professional, business, or agricultural purposes by a per-

son in military service or his dependents at the commencement of his period of military service and still so occupied by his depend-

ents or employees are not paid.

(2) No sale of such property shall be made to enforce the collection of such tax or assessment, or any proceeding or action for such purpose commenced, except upon leave of court granted upon application made therefor by the collector of taxes or other officer whose duty it is to enforce the collection of taxes or assessments. The court thereupon, unless in its opinion the ability of the person in military service to pay such taxes or assessments is not materially affected by reason of such service, may stay such proceedings or such sale, as provided in this Act, for a period extending not more than six months after the termination of the period of military service of such person.

(3) When by law such property may be sold or forfeited to enforce the collection of such tax or assessment, such person in military service shall have the right to redeem or commence an action to redeem such property, at any time not later than six months after the termination of such service, but in no case later than six months after the date when this Act ceases to be in force; but this shall not be taken to shorten any period, now or hereafter provided

by the laws of any State or Territory for such redemption.

(4) Whenever any tax or assessment shall not be paid when due, such tax or assessment due and unpaid shall bear interest until paid at the rate of 6 per centum per annum, and no other penalty or interest shall be incurred by reason of such nonpayment. Any lien for such unpaid taxes or assessment shall also include such interest thereon.

SEC. 501 [50 U.S.C. App. 561]. (1) No right to any lands owned or controlled by the United States initiated or acquired under any laws of the United States, including the mining and mineral leasing laws, by any person prior to entering military service shall during the period of such service be forfeited or prejudiced by reason of his absence from the land or his failure to perform any work or make any improvements thereon or his failure to do any other act required by or under such laws.

(2) If a permittee or licensee under the Act of June 28, 1934 (48 Stat. 1269), enters military service he may elect to suspend his permit or license for the period of his military service and six months thereafter, and the Secretary of the Interior by regulations shall provide for such suspension of permits and licenses and for the remission, reduction, or refund or grazing fees during such

suspension.

(3) This section shall not be construed to control specific require-

ments contained in this article.

SEC. 502 [50 U.S.C. App. 562]. If any person whose application for a homestead entry has been allowed or who has made application for homestead entry which may thereafter be allowed, after such entry or application enters military service, or if any person who has a valid settlement claim enters military service, the Department of the Interior shall construe his military service to be equivalent to residence and cultivation upon the tract entered or settled upon for the period of such service. From the effective date

of this Act no contest shall be initiated on the ground of abandonment and no allegation of abandonment shall be sustained against any such person, unless it shall be alleged in the preliminary affidavit or affidavits of contest and proved at the hearing in cases initiated subsequent to the effective date of this Act that the alleged absence from the land was not due to such military service. If such person is discharged on account of wounds received or disability incurred in the line of duty, the term of his enlistment and any period of hospitalization due to such wounds or disability shall be deducted from the required length of residence, without reference to the time of actual service. No patent shall issue to any such person who has not resided upon, improved, and cultivated his homestead for a period of at least one year.

SEC. 503 [50 U.S.C. App. 563]. (1) If any person whose application for a homestead entry has been allowed or who has made application for homestead entry which may thereafter be allowed or who has a valid settlement claim dies while in military service or as a result of such service, his widow, if unmarried, or in the case of her death or marriage, his minor children, or his or their legal representatives, may proceed forthwith to make final proof upon such entry or upon an application which is allowed after the applicant's death, or upon a homestead application thereafter allowed based on a valid settlement claim, and shall be entitled to receive a patent for such land. The death of such person while in military service or as a result of such service shall be construed to be equivalent to a performance of all requirements as to residue and cultivation upon such homestead or claim, notwithstanding the provisions of section 502 of this Act.

(2) If such person is honorably discharged and because of physical incapacities due to such service is unable to return to the land, he may make final proof without further residence, improvement, or cultivation, at such time and place as the Secretary of the Interior may authorize, and receive a patent to the land entered.

(3) The Act of July 28, 1917 (40 Stat. 248), is repealed.

SEC. 504 [50 U.S.C. App. 564]. (1) No desert-land entry made or held under the desert-land laws prior to the entrance of the entryman or his successor in interest into military service shall be subject to contest or cancellation for failure to make or expend the sum of \$1 per acre per year in improvements upon the claim or to effect the reclamation of the claim during the period the entryman or his successor in interest is engaged in military service or during a period of six months thereafter or during any period of hospitalization because of wounds or disability incurred in the line of duty. The time within which such entryman or claimant is required to make such expenditures and effect reclamation of the land shall be exclusive of his period of service and the six-months' period and any such period of hospitalization.

(2) If such entryman or claimant is honorably discharged and because of physical incapacities due to such service is unable to accomplish reclamation of, and payment for, the land, he may make proof without further reclamation or payments under such rules as the Secretary of the Interior may prescribe and receive patent for

the land entered or claimed.

(3) In order to obtain the benefits of this section, such entryman or claimant shall, within six months after his entrance into military service, file or cause to be filed in the land office of the district in which his claim is situated a notice that he has entered military service and that he desires to hold the desert claim under this section.

Sec. 505 [50 U.S.C. App. 565]. (1) The provisions of section 2324 of the Revised Statutes of the United States (30 U.S.C. 28), which require that on each mining claim located after May 10, 1872, and until patent has been issued therefor not less than \$100 worth of labor shall be performed or improvements made during each year, shall not apply during the period of his service, or until six months after the termination of such service, or during any period of hospitalization because of wounds or disability incurred in line of duty, to claims or interests in claims which are owned by a person in military service and which have been regularly located and recorded. No mining claim or any interest in a claim which is owned by such a person and which has been regularly located and recorded shall be subject to forfeiture by nonperformance of the annual assessments during the period of such military service, or until six months after the termination of such service or of such hospitalization.

(2) In order to obtain the benefits of this section, the claimant of any mining location shall, before the expiration of the assessment year during which he enters military service, file or cause to be filed in the office where the location notice or certificate is recorded a notice that he has entered such service and that he desires to hold his mining claim under this section.

SEC. 506 [50 U.S.C. App. 566]. (1) Any person holding a permit or lease on the public domain under the Federal mineral leasing laws who enters military service may, at his election, suspend all operations under his permit or lease for a period of time equivalent to the period of his military service and six months thereafter. The term of the permit or lease shall not run during such period of suspension nor shall any rentals or royalties be charged against the permit or lease during the period of suspension.

(2) In order to obtain the benefit of this section, such permittee or lessee shall, within six months after his entrance into military service, notify the Bureau of Land Management by registered mail of his entrance into such service and of his desire to avail himself of the benefits of this section.

(3) This section shall not be construed to supersede the terms of any contract for operation of a permit or lease.

SEC. 507 [50 U.S.C. App. 567]. Nothing in this article shall be construed to limit or affect the right of a person in military service to take any action during his period of service which may be authorized by law or the regulations of the Department of the Interior for the perfection, defense, or further assertion of rights initiated or acquired prior to the date of entering military service. It shall be lawful for any person while in such service to make any affidavit or submit any proof which may be required by law or the practice or regulations of the Bureau of Land Management in connection with the entry, perfection, defense, or further assertion of

any rights initiated or acquired prior to entering such service, before the officer in immediate command and holding a commission in the branch of the service in which the person is engaged. Such affidavits shall be as binding in law and with like penalties as if taken before an officer designated by the Secretary of the Interior. The Secretary of the Interior may issue rules and regulations to effectuate the purposes of sections 501 to 512.

SEC. 508 [50 U.S.C. App. 568]. The Secretary of the Interior is hereby authorized in his discretion, to suspend as to persons in military service during the period while this Act remains in force and for a period of six months thereafter or during any period of hospitalization because of wounds or disability incurred in line of duty that provision of the act known as the "Reclamation Act" requiring residence upon lands in private ownership or within the neighborhood for securing water for the irrigation of the same, and he is authorized to permit the use of available water thereon upon such terms and conditions as he may deem proper.

SEC. 509 [50 U.S.C. App. 569]. The Secretary of the Interior shall issue through appropriate military and naval channels a notice for distribution by appropriate military and naval authorities to persons in the military service explaining the provisions of this article except as to sections 500, 513, and 514 hereof and shall furnish forms to be distributed in like manner to those desiring to make application for its benefits, except as to said sections.

SEC. 510 [50 U.S.C. App. 570]. (1) During the pendency of any war in which the United States may be engaged while this Act remains in force any homestead entryman shall be entitled to a leave of absence from his entry for the purpose of performing farm labor. The time actually spent in farm labor shall be counted as constructive residence, if within fifteen days after leaving his entry to engage in such labor the entryman files a notice of absence in the land office of the district in which his entry is situated, and if at the expiration of the calendar year the entryman files in that office a written statement under oath and corroborated by two witnesses giving the date or dates when he left his entry, the date or dates of his return, and the place where and person for whom he was engaged in farm labor during such period or periods of absence.

(2) Nothing in this section shall excuse any homestead entryman

§ 3203. Hospitalized veterans and estates of incompetent institutionalized veterans

(a)(1) Where any veteran having neither wife, child, nor dependent parents is being furnished hospital treatment, institutional or domiciliary care by the Veterans' Administration any pension, compensation, or retirement pay otherwise payable shall continue without reduction until the first day of the seventh calendar month following the month of admission of such veteran for treatment or care. If treatment or care extends beyond that period, the pension, compensation, or retirement pay, if \$30 per month or less, shall continue without reduction, but if greater than \$30 per month, the pension, compensation, or retirement pay shall not exceed 50 per centum of the amount otherwise payable or \$30 per month, whichever is the greater. If such veteran is discharged from such treatment or care upon certification by the officer in charge of the hospital, institution, or home, that maximum benefits have been received or that release is approved, he shall be paid in a lump sum such additional amount as would equal the total sum by which his pension, compensation, or retirement pay has been reduced under this section. If treatment or care is terminated by the veteran against medical advice or as the result of disciplinary action the amount by which any pension, compensation, or retirement pay is reduced hereunder, shall be paid to him at the expiration of six months after such termination or, in the event of his prior death, as provided in paragraph (2) of this subsection; and the pension, compensation, or retirement pay of any veteran leaving against medical advice or as the result of disciplinary action shall, upon a succeeding readmission for treatment or care, be subject to reduction, as herein provided, from the date of such readmission, but if such subsequent treatment or care is continued until discharged therefrom upon certification, by the officer in charge of the hospital, institution, or home in which treatment or care was furnished, that maximum benefits have been received or that release is approved, the veteran shall be paid in a lump sum such additional amount as would equal the total sum by which his pension, compensation, or retirement pay has been reduced under this section after such readmission.1

(2)(A) In the event of the death of any veteran subject to the provisions of this section, while receiving hospital treatment, institutional or domiciliary care, or before payment of any lump sum authorized herein, such lump sum shall be paid in the following order of precedence: First, to the spouse; second, if the decedent left no spouse, or if the spouse is dead at time of settlement, then to the children (without regard to their age or marital status) in equal parts; third, if no spouse or child, then to the father and mother in equal parts; fourth, if either the father or mother is dead, then to the one surviving; fifth, if there is no spouse, child, father, or mother at the time of settlement, then to the brothers and sisters in equal parts. If there are no persons in the classes named to whom payment may be made under this paragraph, no payment

 $^{^1\}mathrm{Public}$ Law 89–362 restricts reduction of benefits immediately to readmission occurring within six months where prior treatment was terminated against medical advice. Also applies to those who continued in respect to benefits under pension law in effect on June 30, 1960.

shall be made, except there may be paid only so much of the lump sum as may be necessary to reimburse a person who bore the expenses of last sickness or burial, but no part of the lump sum shall be used to reimburse any political subdivision of the United States for expenses incurred in the last sickness or burial of such veteran.²

(B) No payment shall be made under the last two sentences of section 3202(d) of this title or under this paragraph (2) unless claim therefor is filed with the Veterans' Administration within five years after the death of the veteran, except that, if any person so entitled under the last two sentences of section 3202(d) of this title or under this paragraph is under legal disability at the time of death of the veteran, such five-year period of limitation shall run from the termination or removal of the legal disability.

(b)(1) Where any veteran having neither wife, child, nor dependent parent is being furnished hospital treatment, institutional or domiciliary care by the Veterans' Administration, and is rated by the Veterans' Administration in accordance with regulations as being incompetent by reason of mental illness, the pension, compensation, or retirement pay of such veteran shall be subject to the provisions of subsection (a) of this section; however, no payment of a lump sum herein authorized shall be made to the veteran until after the expiration of six months following a finding of competency and in the event of the veteran's death before payment of such lump sum no part thereof shall be payable.

(2) In any case in which such an incompetent veteran having neither wife nor child is being furnished hospital treatment, institutional or domiciliary care without charge or otherwise by the United States, or any political subdivision thereof, and his estate from any source equals or exceeds \$1,500, further payments of pension, compensation, or emergency officers' retirement pay shall not be made until the estate is reduced to \$500. The amount which would be payable but for this paragraph shall be paid to the veteran as provided for the lump sum in paragraph (1) of this subsection, but in the event of the veteran's death before payment of

such lump sum no part thereof shall be payable.

(3) Where any benefit is discontinued by reason of paragraph (2) of this subsection the Administrator may nevertheless apportion and pay to the dependent parents of the veteran on the basis of need all or any part of the benefit which would otherwise be payable to or for such incompetent veteran. Paragraph (2) of this subsection shall not prevent the payment, out of any remaining amounts discontinued under that paragraph, on account of any veteran of so much of his pension, compensation, or retirement pay as equals the amount charged to the veteran for his current care and maintenance in the institution in which treatment or care is furnished him, but not more than the amount determined by the Administrator to be the proper charge as fixed by any applicable statute or valid administrative regulation.

(4) All or any part of the pension, compensation, or retirement pay payable on account of any incompetent veteran who is being

(c) Any veteran subject to the provisions of subsection (a) or (b) shall be deemed to be single and without dependents in the absence of satisfactory evidence to the contrary. In no event shall increased compensation, pension, or retirement pay of such veteran be granted for any period more than one year before receipt of satisfactory evidence showing such veteran has a wife, child, or dependent parent.

(d) Notwithstanding any other provision of this section or any other provision of law, no reduction shall be made in the pension, compensation, or retirement pay of any veteran for any part of the period during which he is furnished hospital treatment, or institutional or domiciliary care, for Hansen's disease, by the United States or any political subdivision thereof.

¹Sec. 106. Public Law 92–38 provides:

"All compensation or retirement pay which is being withheld pursuant to the provisions of subsections (a) and (b)(1) of section 3203, title 38, United States Code, in effect on the day before the effective date of this Act, shall be paid to the veteran, if competent, in a lump sum. If the veteran is incompetent, the withheld amounts shall be paid in a lump sum, or successive lump sums, subject to the \$1,500 and \$500 limitations of subsection (b)(1) of such section 3203 as amended by this Act. If a competent veteran dies before payment is made the withheld amounts shall be paid according to the order of precedence, and subject to the time limitation of subsection (a)(2) of such section 3203 in effect the day before the effective date of this Act. In the event of the death of an incompetent veteran before payment of all withheld amounts, no part of the remainder shall be payable."

the end of the second full calendar month following the month of admission for treatment or care or (b) readmission for treatment of care within six months following termination of a period of treatment or care of not less than two full calendar months.

(2) The provisions of paragraph (1) shall also apply to a veteran being furnished such care who has a wife but whose pension is payable under section 521(b) of this title. In such a case, the Administrator may apportion and pay to the wife, upon an affirmative showing of hardship, all or any part of the amounts in excess of the amount payable to the veteran while being furnished such care which would be payable to him if pension were payable under section 521(c) of this title.

(b)(1) In any case in which a veteran having neither wife nor child is being furnished hospital treatment, institutional or domiciliary care without charge or otherwise by the United States, or any political subdivision thereof, is rated by the Veterans' Administration in accordance with regulations as being incompetent by reason of mental illness, and his estate from any source equals or exceeds \$1,500, further payment of pension, compensation, or emergency officers' retirement pay shall not be made until the estate is reduced to \$500. The amount which would be payable but for this paragraph shall be paid to the veteran in a lump sum; however, no payment of a lump sum herein authorized shall be made to the veteran until after the expiration of six months following a finding of competency and in the event of the veteran's death before payment of such lump sum no part thereof shall be payable.

(2) Where any benefit is discontinued by reason of paragraph (1) of this subsection the Administrator may nevertheless apportion and pay to the dependent parents of the veteran on the basis of need all or any part of the benefit which would otherwise be payable to or for such incompetent veteran. Paragraph (1) of this subsection shall not prevent the payment, out of any remaining amounts discontinued under that paragraph, on account of any veteran of so much of his pension, compensation, or retirement pay as equals the amount charged to the veteran for his current care and maintenance in the institution in which treatment or care is furnished him, but not more than the amount determined by the Administrator to be the proper charge as fixed by any applicable stat-

ute or valid administrative regulation.

(3) All or any part of the pension, compensation, or retirement pay payable on account of any incompetent veteran who is being furnished hospital treatment, institutional or domiciliary care may, in the discretion of the Administrator, be paid to the chief officer of the institution wherein the veteran is being furnished such treatment or care, to be properly accounted for by such chief officer and to be used for the benefit of the veteran.

(c) Any veteran subject to the provisions of subsection (b) shall be deemed to be single and without dependents in the absence of satisfactory evidence to the contrary. In no event shall increased compensation, pension or retirement pay of such veteran be granted for any period more than one year before receipt of satisfactory evidence showing such veteran has a wife, child, or dependent parent.

- (d) Notwithstanding any other provision of this section or any other provision of law, no reduction shall be made in the pension of any veteran for any part of the period during which he is furnished hospital treatment, or institutional or domiciliary care, for Hansen's disease, by the United States or any political subdivision thereof.
- (e) Where any veteran in receipt of an aid and attendance allowance described in section 314(r) of this title is hospitalized at Government expense, such allowance shall be discontinued from the first day of the second calendar month which begins after the date of his admission for such hospitalization for so long as such hospitalization continues. Any discontinuance required by administrative regulation, during hospitalization of a veteran by the Veterans' Administration, of increased pension based on need of regular aid and attendance or additional compensation based on need of regular aid and attendance as described in subsection (l) or (m) of section 314 of this title, shall not be effective earlier than the first day of the second calendar month which begins after the date of the veteran's admission for hospitalization. In case a veteran affected by this subsection leaves a hospital against medical advice and is thereafter admitted to hospitalization within six months from the date of such departure, such allowance, increased pension, or additional compensation, as the case may be, shall be discontinued from the date of such readmission for so long as such hospitalization continues.1

(A) after a full review of the historical records and all other available evidence pertaining to the service of any such group, determines, on the basis of judicial and other appropriate precedent, that the service of such group constituted active

military service, and

(B) in the case of any such group with respect to which such Secretary has made an affirmative determination that the service of such group constituted active military service, issues to each member of such group a discharge from such service under honorable conditions where the nature and duration of the service of such member so warrants.

Discharges issued pursuant to the provisions of the first sentence of this paragraph shall designate as the date of discharge that date, as determined by the Secretary of Defense, on which such

VETERANS' DIOXIN AND RADIATION EXPOSURE COMPENSATION STANDARDS ACT

SHORT TITLE

SECTION 1 [38 U.S.C. 1154 note]. This Act may be cited as the "Veterans' Dioxin and Radiation Exposure Compensation Standards Act".

FINDINGS

SEC. 2 [38 U.S.C. 1154 note]. The Congress makes the following findings:

(1) Veterans who served in the Republic of Vietnam during the Vietnam era and veterans who participated in atmospheric nuclear tests or the American occupation of Hiroshima or Nagasaki, Japan, are deeply concerned about possible long-term health effects of exposure to herbicides containing dioxin or to ionizing radiation.

(2) There is scientific and medical uncertainty regarding

such long-term adverse health effects.

(3) In section 102 of Public Law 97–22, the Congress responded to that uncertainty by authorizing priority medical care at Veterans' Administration [now Department of Veterans Affairs] facilities for any disability of a veteran who may have been so exposed (even though there is insufficient medical evidence linking such disability with such exposure) unless the disability is found to have resulted from a cause other than the exposure.

(4) The Congress has further responded to that medical and scientific uncertainty by requiring, in section 307 of Public Law 96–151 and section 601 of Public Law 98–160, the conduct of thorough epidemiological studies of the health effects experienced by veterans in connection with exposure both to herbicides containing dioxin and (if not determined to be scientifically infeasible) to radiation, and by requiring in Public Law 97–414, the development of radioepidemiological tables setting forth the probabilities of causation between various cancers and exposure to radiation.

(5) There is some evidence that most types of leukemia, malignancies of the thyroid, female breast, lung, bone, liver, and skin, and polycythemia vera are associated with exposure to

certain levels of ionizing radiation.

(6) As of the date of the enactment of this Act [Oct. 24, 1984], there are sixty-six federally sponsored research projects being conducted relating to herbicides containing dioxin, at a cost to the Federal Government in excess of \$130,000,000 and, as of 1981, federally sponsored research projects relating to

ionizing radiation were costing the Federal Government more than \$115,000,000.

(7) The initial results of one project—an epidemiological study, conducted by the United States Air Force School of Aerospace Medicine, of the health status of the "Ranch Hand" veterans who carried out the loading and aerial spraying of herbicides containing dioxin in Vietnam and in the process came into direct skin contact with such herbicides in their most concentrated liquid form—were released on February 24, 1984, and contained the conclusion "that there is insufficient evidence to support a cause and effect relationship between herbicide exposure and adverse health in the Ranch Hand group at this time".

(8) The "film badges" which were originally issued to members of the Armed Forces in connection with the atmospheric nuclear test program have previously constituted a primary source of dose information for veterans (and survivors of veterans) filing claims for Veterans' Administration [now Department of Veterans Affairs] disability compensation or dependency and indemnity compensation in connection with exposure

to radiation.

(9) These film badges often provide an incomplete measure of radiation exposure, since they were not capable of recording inhaled, ingested, or neutron doses (although the Defense Nuclear Agency currently has the capability to reconstruct individual estimates of such doses), were not issued to most of the participants in nuclear tests, often provided questionable readings because they were shielded during the detonation, and were worn for only limited periods during and after each nuclear detonation.

(10) Standards governing the reporting of dose estimates in connection with radiation-related claims for Veterans' Administration [now Department of Veterans Affairs] disability compensation vary among the several branches of the Armed

Forces, and no uniform minimum standards exist.

(11) The Veterans' Administration [now Department of Veterans Affairs] has not promulgated permanent regulations setting forth specific guidelines, standards, and criteria for the adjudication of claims for Veterans' Administration disability compensation based on exposure to herbicides containing dioxin or to ionizing radiation.

(12) Such claims (especially those involving health effects with long latency periods) present adjudicatory issues which are significantly different from issues generally presented in claims based upon the usual types of injuries incurred in mili-

tary service.

(13) It has always been the policy of the Veterans' Administration [now Department of Veterans Affairs] and is the policy of the United States, with respect to individual claims for service connection of diseases and disabilities, that when, after consideration of all evidence and material of record, there is an approximate balance of positive and negative evidence regarding the merits of an issue material to the determination of a

claim, the benefit of the doubt in resolving each such issue shall be given to the claimant.

PURPOSE

SEC. 3 [38 U.S.C. 1154 note]. The purpose of this Act is to ensure that Veterans' Administration [now Department of Veterans Affairs] disability compensation is provided to veterans who were exposed to ionizing radiation in connection with atmospheric nuclear tests or in connection with the American occupation of Hiroshima or Nagasaki, Japan, for all disabilities arising after that service that are connected, based on sound scientific and medical evidence, to such service (and that Veterans' Administration dependency and indemnity compensation is provided to survivors of those veterans for all deaths resulting from such disabilities).

SEC. 4. [Omitted.]

REQUIREMENT FOR AND CONTENT OF REGULATIONS

Sec. 5 [38 U.S.C. 1154 note]. (a) In carrying out the responsibilities of the Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] under section 1154(a)(2) [formerly 354(a)(2)] of title 38, United States Code, and in order to promote consistency in claims processing and decisions, the Administrator shall prescribe regulations to—

(1) establish guidelines and (where appropriate) standards and criteria for the resolution of claims for benefits under laws administered by the Veterans' Administration [now Department of Veterans Affairs] where the criteria for eligibility for a benefit include a requirement that a death or disability be service connected and the claim of service connection is based on a veteran's exposure during service in connection with such veteran's participation in atmospheric nuclear tests or with the American occupation of Hiroshima or Nagasaki, Japan, prior to July 1, 1946, to ionizing radiation from the detonation of a nuclear device; and

(2) ensure that, with respect to those claims, the policy of the United States described in section 2(13) is carried out.

(b)(1)(A) The guidelines required to be established in regulations prescribed under this section shall include guidelines governing the evaluation of the findings of scientific studies relating to the possible increased risk of adverse health effects of exposure to ionizing radiation. Those guidelines shall require that, in the evaluation of those studies, the Administrator [now Secretary] shall take into account whether the results are statistically significant, are capable of replication, and withstand peer review.

(B) The evaluations described in subparagraph (A) shall be made by the Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] after receiving the advice of the Scientific Council of the Veterans' Advisory Committee on Environmental Hazards (established under section 6). Those evaluations shall be published in

the notice section of the Federal Register.

(C) The standards and criteria required to be established in regulations prescribed under this section shall include provisions governing the use in the adjudication of individual claims of the Ad-

ministrator's [now Secretary's] evaluations made under subpara-

graph (B).

(2)(A)(i) In prescribing regulations under this section, the Administrator [now Secretary] (after receiving the advice of the Advisory Committee and of the Scientific Council of the Veterans' Advisory Committee on Environmental Hazards regarding the diseases described in subparagraph (B)) shall make determinations, based on sound medical and scientific evidence, with respect to each disease described in subparagraph (B) as to whether service connection shall, subject to division (ii) of this subparagraph, be granted in the adjudication of individual cases. In making determinations regarding such diseases, the Administrator shall give due regard to the need to maintain the policy of the United States with respect to the resolution of contested issues as set forth in section 2(13). The Administrator shall set forth in such regulations such determinations, with any specification (relating to exposure or other relevant matter) of limitations on the circumstances under which service connection shall be granted, and shall implement such determinations in accordance with such regulations.

(ii) If the Administrator [now Secretary] makes a determination, pursuant to this subparagraph, that service connection shall be granted in the case of a disease described in subparagraph (B), the Administrator shall specify in such regulations that, in the adjudication of individual cases, service connection shall not be granted where there is sufficient affirmative evidence to the contrary or evidence to establish that an intercurrent injury or disease which is a recognized cause of the described disease has been suffered between the date of separation from service and the onset of such disease or that the disability is due to the veteran's own willful

misconduct.

(iii) With regard to each disease described in subparagraph (B), the Administrator [now Secretary] shall include in the regulations prescribed under this section provisions specifying the factors to be considered in adjudicating issues relating to whether or not service connection should be granted in individual cases and the circumstances governing the granting of service connection for such disease.

(B) The diseases referred to in subparagraph (A) are those specified in section 2(5) and any other disease with respect to which the Administrator [now Secretary] finds (after receiving and considering the advice of the Scientific Council established under section 6(d)(2)) that there is sound scientific or medical evidence indicating a connection to exposure to ionizing radiation, in the case of a veteran who was exposed to ionizing radiation in connection with such veteran's participation in an atmospheric nuclear test or with the American occupation of Hiroshima or Nagasaki, Japan, before July 1, 1946.

(3) The regulations prescribed under this section shall include—
(A) specification of the maximum period of time after exposure to such ionizing radiation for the development of those

diseases; and

(B) a requirement that a claimant filing a claim based upon a veteran's exposure to ionizing radiation from the detonation of a nuclear device may not be required to produce evidence substantiating the veteran's exposure during active military, naval, or air service if the information in the veteran's service records and other records of the Department of Defense is not inconsistent with the claim that the veteran was present where

and when the claimed exposure occurred.

(c)(1) The Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] shall develop the regulations required by this section (and any amendment to those regulations) through a public review and comment process in accordance with the provisions of section 553 of title 5, United States Code. That process may include consideration by the Administrator of the recommendations of the Veterans' Advisory Committee on Environmental Hazards and the Scientific Council thereof (established under section 6) with respect to the proposed regulations, and that process shall include consideration by the Administrator of the recommendations of the Committee and the Council with respect to the final regulations and proposed and final amendments to such regulations. The period for public review and comment shall be completed not later than ninety days after the proposed regulations or proposed amendments are published in the Federal Register.

(2)(A) Not later than one hundred and eighty days after the date of the enactment of this Act [Oct. 24, 1984], the Administrator [now Secretary] shall develop and publish in the Federal Register a proposed version of the regulations required to be prescribed by this

section.

(B) Not later than three hundred days after the date of the enactment of this Act [Oct. 24, 1984], the Administrator [now Secretary] shall publish in the Federal Register the final regulations (together with explanations of the bases for the guidelines, standards, and criteria contained therein) required to be prescribed by this section.

ADVISORY COMMITTEE ON ENVIRONMENTAL HAZARDS

SEC. 6 [38 U.S.C. 1154 note]. (a) The advisory committee referred to in subsections (b) and (c) of section 5, to be known as the Veterans' Advisory Committee on Environmental Hazards (hereinafter in this section referred to as the "Committee") shall consist of nine members appointed by the Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] after requesting and considering recommendations from veteran organizations, including—

(1) six individuals (of whom none may be members of the Armed Forces on active duty or employees of the Veterans' Administration [now Department of Veterans Affairs] or the Department of Defense and not more than three may be employees of other Federal departments or agencies), appointed, after requesting and considering the recommendations of the heads of Federal entities with particular expertise in biomedical and environmental science, including—

(A) three individuals who are recognized medical or scientific authorities in fields pertinent to understanding the

health effects of exposure to ionizing radiation; and

(B) three individuals who are recognized medical or scientific authorities in fields, such as epidemiology and other scientific disciplines, pertinent to determining and assess-

ing the health effects of exposure to ionizing radiation in

exposed populations; and

(2) three individuals from the general public, including at least one disabled veteran, having a demonstrated interest in and experience relating to veterans' concerns regarding exposure to ionizing radiation.

(b) The Committee shall include, as ex officio, nonvoting members, the Chief Medical Director and the Chief Benefits Director of the Veterans' Administration [now Under Secretary for Health and Under Secretary for Benefits of the Department of Veterans Affairs], or their designees.

(c) The Committee shall submit to the Administrator [now Secretary] any recommendations it considers appropriate for adminis-

trative or legislative action.

(d)(1) The six members of the Committee described in subsection (a)(1) shall, in addition to serving as members of the Committee, constitute a Scientific Council of the Committee (hereinafter in this section referred to as the "Council").

(2) The Council shall have responsibility for evaluating scientific studies relating to possible adverse health effects of exposure to

ionizing radiation.

(3) The Council shall make findings and evaluations regarding pertinent scientific studies and shall submit to the Committee, the Administrator [now Secretary], and the Committees on Veterans' Affairs of the Senate and House of Representatives directly periodic reports on such findings and evaluations.

(e) The Administrator [now Secretary] shall designate one of the members to chair the Committee and another member to chair the

Council.

- (f) The Administrator [now Secretary] shall determine the terms of service and pay and allowances of members of the Committee, except that a term of service of any member may not exceed three years. The Administrator may reappoint any member for additional terms of service.
- (g) The Administrator [now Secretary] shall provide administrative support services and fiscal support for the Committee.

NUCLEAR RADIATION MATTERS INVOLVING OTHER AGENCIES

SEC. 7 [38 U.S.C. 1154 note]. (a) In connection with the duties of the Director of the Defense Nuclear Agency, as Department of Defense Executive Agent for the Nuclear Test Personnel Review Program, relating to the preparation of radiation dose estimates with regard to claims for Veterans' Administration [now Department of Veterans Affairs] disability compensation and dependency and indemnity compensation under chapters 11 and 13, respectively, of title 38, United States Code—

(1) the Secretary of Defense shall prescribe guidelines (and any amendment to those guidelines) through a public review and comment process in accordance with the provisions of sec-

tion 553 of title 5, United States Code—

(A) specifying the minimum standards governing the preparation of radiation dose estimates in connection with claims for such compensation,

(B) making such standards uniformly applicable to the

several branches of the Armed Forces, and

(C) requiring that each such estimate furnished to the Veterans' Administration [now Department of Veterans Affairs] and to any veteran or survivor include information regarding all material aspects of the radiation environment to which the veteran was exposed and which form the basis of the claim, including inhaled, ingested, and neutron doses; and

(2) the Secretary of Health and Human Services, through the

Director of the National Institutes of Health, shall—

(A) conduct a review of the reliability and accuracy of scientific and technical devices and techniques (such as "whole body counters") which may be useful in deter-

mining previous radiation exposure;

- (B) submit to the Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] and the Committees on Veterans' Affairs of the House of Representatives and the Senate, not later than July 1, 1985, a report regarding the results of such review, including information concerning the availability of such devices and techniques, the categories of exposed individuals as to whom use of such devices and techniques may be appropriate, and the reliability and accuracy of dose estimates which may be derived from such devices and techniques; and
- (C) enter into an interagency agreement with the Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] for the purpose of assisting the Administrator in identifying agencies or other entities capable of furnishing services involving the use of such devices and techniques.
- (b) The Administrator of Veterans' Affairs [now Secretary of Veterans Affairs], in resolving material differences between a radiation dose estimate, from a credible source, submitted by a veteran or survivor and a radiation dose estimate prepared and transmitted by the Director of the Defense Nuclear Agency, shall provide for the preparation of a radiation dose estimate by an independent expert, who shall be selected by the Director of the National Institutes of Health and who shall not be affiliated with the Defense Nuclear Agency, and the Administrator shall provide for the consideration of such independent estimate in connection with the adjudication of the claim for Veterans' Administration [now Department of Veterans Affairs] compensation.

SEC. 10. (a) IN GENERAL.—(1) In order to determine whether activities (other than the tests or occupation activities referred to in section 5(a)(1)(B) [probably means section 5(a)(1)] resulted in the exposure of veterans to ionizing radiation during the service of such veterans that occurred before January 1, 1970, and whether adverse health effects have been observed or may have resulted

from such exposure in a significant number of such veterans, the Advisory Committee established under section 6 shall—

(A) review all available scientific studies and other relevant information relating to the exposure of such veterans to ionizing radiation during such service;

(B) identify any activity during which significant numbers of

veterans received exposure; and

(C) on the basis of such review, submit to the Secretary of Veterans Affairs a report containing the recommendation of the Advisory Committee on the feasibility and appropriateness for the purpose of the determination under this paragraph of any additional investigation with respect to any activity of such veterans during such service.

(2) Upon the request of the Advisory Committee, the Secretary of Veterans Affairs (after seeking such assistance from the Secretary of Defense as is necessary and appropriate) shall make available to the Advisory Committee records and other information relating to the service referred to in paragraph (1) that may assist the Advisory Committee in carrying out the review and recommendation referred to in that paragraph.

 - (1) Pertinent military experiences and exposures may affect the health status of Department of Veterans Affairs patients who are veterans.
 - (2) The Department of Veterans Affairs has begun to implement a Veterans Health Initiative to develop systems to ensure that both patient care and medical education in the Veterans Health Administration are specific to the special needs of veterans and should be encouraged to continue these efforts.

(3) Protocols eliciting pertinent information relating to the military history of veterans may be beneficial to understanding certain conditions for which veterans may be at risk and thereby facilitate the treatment of veterans for those conditions.

- (4) The Department of Veterans Affairs is in the process of developing a Computerized Patient Record System that offers the potential to aid in the care and monitoring of such conditions.
- (b) SENSE OF CONGRESS.—Congress—
 - (1) urges the Secretary of Veterans Affairs to assess the feasibility and desirability of using a computer-based system to conduct clinical evaluations relevant to military experiences and exposures; and
 - (2) recommends that the Secretary accelerate efforts within the Department of Veterans Affairs to ensure that relevant military histories of veterans are included in Department medical records.

 - (2) Those departments prescribe common high-use drugs to many of their 12,000,000 patients who have similar medical profiles.
 - (3) The health care systems of those departments should have management systems that can share and communicate clinical and management information useful for both systems.
 - (4) The institutional barriers separating the two departments have begun to be overcome in the area of medical supplies, in part as a response to recommendations by the General Accounting Office and the Commission on Servicemembers and Veterans Transition Assistance.
 - (5) There is significant potential for improved savings and services by improving cooperation between the two departments in the procurement and management of prescription drugs, while remaining mindful that the two departments have different missions.
- (b) Sense of Congress.—It is the sense of Congress that the Department of Defense and the Department of Veterans Affairs should increase, to the maximum extent consistent with their respective missions, their level of cooperation in the procurement and management of prescription drugs.

PERSIAN GULF WAR VETERANS' BENEFITS ACT

TITLE I—PERSIAN GULF WAR VETERANS

SEC. 101. SHORT TITLE.

This may be cited as the "Persian Gulf War Veterans' Benefits

SEC. 102 [38 U.S.C. 1117 note]. FINDINGS.

The Congress makes the following findings:
(1) During the Persian Gulf War, members of the Armed Forces were exposed to numerous potentially toxic substances, including fumes and smoke from military operations, oil well fires, diesel exhaust, paints, pesticides, depleted uranium, infectious agents, investigational drugs and vaccines, and indigenous diseases, and were also given multiple immunizations. It is not known whether these servicemembers were exposed to chemical or biological warfare agents. However, threats of enemy use of chemical and biological warfare heightened the psychological stress associated with the military operation.

(2) Significant numbers of veterans of the Persian Gulf War are suffering from illnesses, or are exhibiting symptoms of illness, that cannot now be diagnosed or clearly defined. As a result, many of these conditions or illnesses are not considered to be service connected under current law for purposes of benefits administered by the Department of Veterans Affairs.

(3) The National Institutes of Health Technology Assessment Workshop on the Persian Gulf Experience and Health, held in April 1994, concluded that the complex biological, chemical, physical, and psychological environment of the Southwest Asia theater of operations produced complex adverse health effects in Persian Gulf War veterans and that no single disease entity or syndrome is apparent. Rather, it may be that the illnesses suffered by those veterans result from multiple illnesses with overlapping symptoms and causes that have yet to be defined.

(4) That workshop concluded that the information concerning the range and intensity of exposure to toxic substances by military personnel in the Southwest Asia theater of operations is very limited and that such information was collected only after a considerable delay.

(5) In response to concerns regarding the health-care needs of Persian Gulf War veterans, particularly those who suffer from illnesses or conditions for which no diagnosis has been made, the Congress, in Public Law 102-585 [see Short Title of 1992 Amendments note under section 101 of this title], directed the establishment of a Persian Gulf War Veterans Health Registry, authorized health examinations for veterans of the Persian Gulf War, and provided for the National Acad-

emy of Sciences to conduct a comprehensive review and assessment of information regarding the health consequences of military service in the Persian Gulf theater of operations and to develop recommendations on avenues for research regarding such health consequences. In Public Law 103-210 [see Tables for classification], the Congress authorized the Department of Veterans Affairs to provide health care services on a priority basis to Persian Gulf War veterans. The Congress also provided in Public Law 103-160 (the National Defense Authorization Act for Fiscal Year 1994) [see Tables for classification] for the establishment of a specialized environmental medical facility for the conduct of research into the possible health effects of exposure to low levels of hazardous chemicals, especially among Persian Gulf veterans, and for research into the possible health effects of battlefield exposure in such veterans to depleted uranium.

(6) In response to concerns about the lack of objective research on Gulf War illnesses, Congress included research provisions in the National Defense Authorization Act for Fiscal Year 1995 [Public Law 103-337, see Tables for classification], which was passed by the House and Senate in September 1994. This legislation requires the Secretary of Defense to provide research grants to non-Federal researchers to support three types of studies of the Gulf War syndrome. The first type of study will be an epidemiological study or studies of the incidence, prevalence, and nature of the illness and symptoms and the risk factors associated with symptoms or illnesses. This will include illnesses among spouses and birth defects and illnesses among offspring born before and after the Gulf War. The second group of studies shall be conducted to determine the health consequences of the use of pyridostigmine bromide as a pretreatment antidote enhancer during the Persian Gulf War, alone or in combination with exposure to pesticides, environmental toxins, and other hazardous substances. The final group of studies shall include clinical research and other studies on the causes, possible transmission, and treatment of Gulf War syndrome, and will include studies of veterans and their spouses and children.

(7) Further research and studies must be undertaken to determine the underlying causes of the illnesses suffered by Persian Gulf War veterans and, pending the outcome of such research, veterans who are seriously ill as the result of such illnesses should be given the benefit of the doubt and be provided compensation benefits to offset the impairment in earnings ca-

pacities they may be experiencing.

Such reports shall be submitted at least once every two years (as measured

(B) any individual appointed by the President of the Academy or the head of such other contract scientific organization, as the case may be, to carry out any of the responsibilities referred to in such paragraph.

(3) The cost of the liability insurance referred to in paragraph (1)
